Code of Conduct

The Data Curation Workshop is dedicated to providing a harassment-free experience for everyone, regardless of gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, age or religion. We do not tolerate harassment of participants in any form. Sexual language and imagery is not appropriate for any conference venue, including talks. Participants violating these rules may be sanctioned or expelled from the workshop at the discretion of the conference organizers.

Our anti-harassment policy can be found at:

http://gis.wustl.edu/dgs/iassist-data-curation-workshop/code-of-conduct/

Learning Outcomes

1. A customized, implementable plan to enhance data curation activities at your local institution or organization,

2. Stakeholder focused talking points related to the value of data curation activities,

3. An in-depth understanding of specialized data curation practices in various disciplines, data types, and formats.
