HARTWELL

THE NEW BUILDING

The building is a monument to the advancement and progress of teacher-training in N.Y. state. Of Georgian Colonial architecture, it stands on the site of the old school, facing East and parallel with the Main St. of Brockport. The total cost of construction was \$1,100,000. Part of the expense was met by a Federal grant of \$495,000 and the state Legislature made an appropriation to care for the remaining sum.

LIFE IN THE 50'S AND 60'S

"What is Time? If no one asks me, I know what it is.
If I wish to explain it to him who asks me, I do not know."

St. Augustine

HARTWELL TODAY IN IT'S
PRIDE AND GLORY ...

LIFE IN THE 70'S,
80'S AND 90'S

"Time is too slow for those who wait;
Too swift for those who fear;
Too long for those who grieve;
Too short for those who rejoice;
But for those who love, time is not."

*Let's dance in style, let's dance for
a while?*

*Heaven can wait, we're only watch-
ing the skies,*

*Hoping for the best but expecting the
worst,*

*Are you gonna drop the bomb or not?
Let us die young or let us live for-
ever,*

*We don't have the power but we nev-
er say never,*

*Sitting in a sand pit life is a short
trip,*

Music for the sad man.

*Can you imagine when this race is
won,*

*Turn your faces into the sun,
Raising our leaders, we're getting
in tune,*

Music's played by the mad man.

*Forever young, I want to be, forever
young,*

Do you really want to live forever?

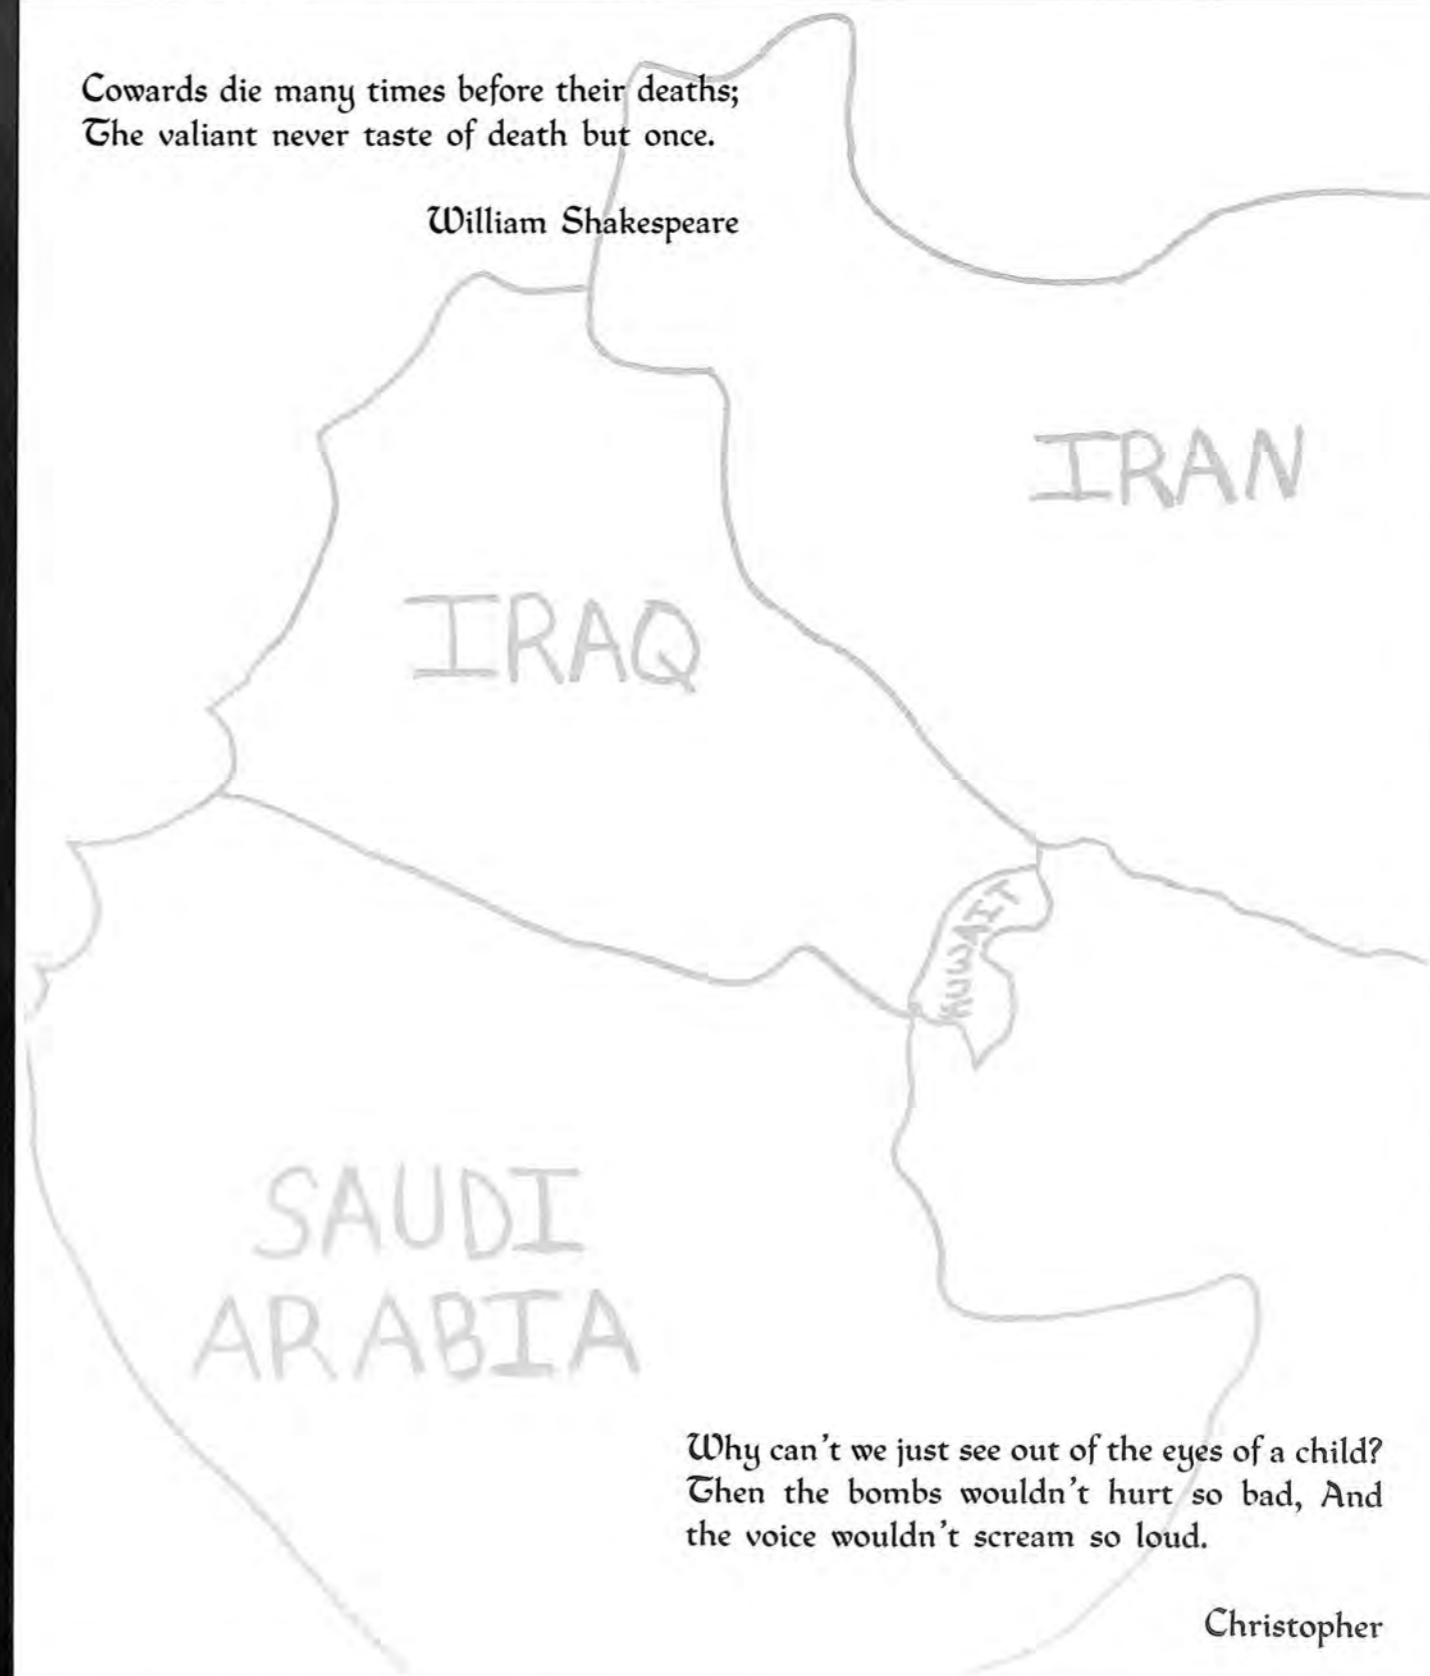

ALAPHILLE

*The characteristic of heroism
is it's persistency. All men
have wandering impulses, fits
and starts of generosity. But
when you have chosen your
part, abide by it, and do not
weakly try to reconcile your-
self with the world. The heroic
cannot be common, nor the
common the heroic.*

Ralph Waldo Emerson

Cowards die many times before their deaths;
The valiant never taste of death but once.

William Shakespeare

Why can't we just see out of the eyes of a child?
Then the bombs wouldn't hurt so bad, And
the voice wouldn't scream so loud.

Christopher

ALMA MATER

*Alma mater thy children raise
To thy Shrine deserved praise;*

*Hope and courage thou dost impart
To each loyal student heart.*

*Friendly flowers and stately trees
Lend new perfume to the breeze:
Dear Old Campus, lofty halls,*

Alma mater, we love thy walls.

*When the fleeting years divide
us from thee, our gentle guide.
Still our thoughts with thee shall rest,*

Alma mater, dearest best.

A Walk Along A Snowy Trail

*I walk along this snowy trail,
In a careless sort of flight;
I notice not what lays beneath,
This balmy blanket of white.*

*My steps erased as I proceed,
Along my dreamy way;
Such beauty I have never seen,
In any summer's day.*

*No life exists, it's only me,
I thought . . . then began to smile;
If this is how my life could be,
I'd walk this trail for miles.*

*I closed my eyes . . . and then awoke,
I stared down at my hands;
Frostbit while I lie in bed,
Dreaming of my wonderland.*

Sitting together under the stars;
Celebrating birthdays at downtown bars.
Chasing the rainbows all to their ends -
You and I together as friends.
Studying our class notes from
midnight to dawn;
Praying by April the snow
will be gone.
Hoping these good times won't
ever have ends -
You and I together as friends.

Brockport has offered us many opportunities ...

Some have been educational ...

Some Have been just for fun

As we go through life we learn there are certain things we must remember and certain things, we must forget, But - the important thing is this to be able, at any moment to sacrifice what we are for what we can Become.

We learn everything we really need to know in Kindergarten

Blue

The color that never makes a sound,
 the color of the cradle of life from which
 spawned us all,
 blue, the color of the infinite deepness of
 the sea,
 blue, the liquid which sustains our life,
 the color of sky and space which looms
 above us all,
 the color of serenity which gives us
 piece of mind,
 the bluebird which pleases our ears,
 and the color of the eyes that bedazzle
 the beholder,
 blue,
 desolation which haunts us all,
 and the color of a mystery we all love
 to solve.

James Render

Your big sis

Being the editor of SAGA '92 this past year has proven to be quite a challenge. It has taught me the true meaning of dedication. I hope in following years, more people will be involved with the yearbook because it represents one of the best times of our lives.

I would like to thank my small staff, especially Gwen and Chris, for all the hard work they put into the yearbook and to Sharon Belle-Render for her advisement. Special thanks goes to Bobby and Bea for always listening to me when I had any problems. I would also like to thank Jim Dusen for the excellent team pictures he gave to the yearbook.

I would like to dedicate this yearbook to my parents. They have been my backbone all my life and have made me feel like I could do anything, if I wanted it bad enough! I love you both dearly.

Congratulations to the Class of 1992 and best of luck with your future endeavors.

Friendship
is a chain of gold
shaped in God's
all perfect mold

Each link a smile
a laugh, a tear
a touch of the hand
a word of cheer

Moving ahead doesn't mean forgetting where you've been.

It means acknowledging that where you've been is not the only place where you can go.
