Hurricane Relief 2005

**American
Red Cross**

Together, we can save a life

Fundraising Activities

**American
Red Cross**

Together, we can save a life

- Car washes
- Homebase race
- Candy sales
- Bottle drive
- Interest pledges

Technology Used

**American
Red Cross**

Together, we can save a life

- **Smartboard**
- **TI-84**
- **Stella**
- **internet**
- **Excel**
- **Laptops**

Hurdles

- 1. Fitting in cars**
- 2. Delay in selling (FDPS)**
- 3. Baked food sale bomb**
- 4. Background problems**
- 5. Stella unit bug**
- 6. Alexis' spelling**
- 7. Going to Sam's Club**
- 8. Excel graphs**
- 9. The interest glitch**

**American
Red Cross**

Together, we can save a life

Goals

**American
Red Cross**

Together, we can save a life

- **To interest students with new technology**
- **To raise 1,000 dollars (Red Cross)**
- **To encourage collaboration and teamwork**
- **Over coming hurdles**

The interface of all 3 months

HurricaneModel2005.STM

Hurricane Relief 2005

candy sales profit	0.00
carwash profit	0.00
homebase race donat...	0.00
pop bottle donations	0.00
interest income	2.72
monthly profit	0.00
Total	755.34

In order to see:

Month 1 (October)- go to Run Specs and change length of simulation from 0-1

Month 2 (November)- go to Run Specs and change length of simulation from 1-2

Month 3 (December)- go to Run Specs and change length of simulation from 2-3

To see all 3 months change the length of simulation from 0-3!

2:49 PM Tue, Jan 03, 2006

Table 1 (Donations)

Time	carwash profit	candy sales pro	pop bottle dona	homebase race	monthly profit	Total	Monthly Costs	interest income
1	345.49	64.70	23.80	107.29	541.28	0.00	113.26	32.48
2	0.00	101.63	13.45	66.50	181.58	541.28	128.90	12.84
Final	0.00	0.00	0.00	0.00	0.00	755.34	0.00	2.72
