Members of the Brockport Community:

It is with deep sadness that I inform you of a tragedy that took place this morning in the Erie Canal. An individual, who we believe to be a Brockport student, has drowned.

While the medical examiner's office works to obtain proper identification, we are unable to share more information at this time.

Counseling will be available from noon until 3 pm today in the Hazen Center for Integrated Care.

Please join me in keeping this individual's family and friends in our thoughts.

Sincerely,

Dr. Kathryn Wilson

Vice President for Student Affairs and Enrollment Management
