### THE CORTLAND PLEDGE

I now publicly declare my faith in boys and girls. I will always by my practice endeavor to set forth the life that I would have those live whom I desire to influence. I will exalt truth and honor, I will despise meanness and deceit.

I will endeavor to pity and encourage the weak, and to inspire the strong. In word and thought and act I will strive to be charitable to others. I will be loyal to my superior officers and to my associates.

I will strive to be courageous, temperate, persevering, patriotic and true. I will with all my power try to treat the children entrusted to my care as considerately as I would have another treat my own brothers and sisters.

Lastly, I solemnly promise that all my efforts will be directed toward making each day's work a little better than that of the day before.
