## A POEM OF A POEM

I wrote a poem of a poem  
Which went a little like this  
A poem of love is a poem of greatness  
So a poem of death is a poem of mortal destiny  
And a poem of a poem is so forth great  
So you must keep up to understand  
For a poem of a poem is very fast  
And the longer the poem the faster it goes  
So this poem of a poem must therefore be as fast as fast  
And much faster than that fast  
But you must keep up, for I may lose you  
And so there you might not understand  
Thus, all this reading would not be necessary  
And a poem of any poem would be not so great!
