Shhhhhhhhhhhhhhhhhhhhhhhhhhhhhh Listen... Listen... Shhhhhhhhhhhhhhhhhhhhhhhhhhhh Softer... Softer... Shhhhh Shhhhh Softer... Softer... Shhhhh Shhhhh Softer... Listen... Shhhhh Listen... Softer... Listen... Shhhhh To the... Music... Softer...

"I consume......the
deepest part of your soul as I
make my way to depths unknown,
I drift from here to there, giving décor to
the air...Your ears I fill through endless
years, of hearts too small to hold life's
tears... Creating ways to confide

ears... Creating ways to confide with everything that's held Inside." Shhhhh
Softer...
Shhhhh
Softer...
Shhhhh
Softer...
Shhhhh

Listen... Listen... Listen... To the... Music...

"I am the innocence in a child's
eyes...I judge not, yet I welcome all
the majesties of every race...I am born
of prodigal hearts of every sort...Defining
my purpose to all mankind in my every gesture,
Inheriting the souls of my predecessors and
living eternally to share with all, such glory
Binding generations of eccentricity...
My gift to you... a legacy... of their
Definitions and convictions..."
