**Sonata Pharmaceutical: 1<sup>st</sup> Mvmt.**

I'm staring at a bottle of Prozac flavored

Happiness

Generically Fluoxetine

In scoops of 10, 20, or 40 mg

Candy coated gel tabs that hold

All the answers

Blissful escape thanks to our good friends at

Geneva, Pliva, or Par

And happy little doctors dispense

Dopamine, Darvocet, Diazepam

Time releasing sad little worker bees

From their 9 to 5 miseries

Who minds living an empty life

With a Xanax powered smile?
