## *Student Services*

### **5.1 Academic and Workforce Advising**

---

The Advising Department is dedicated primarily to assisting students in defining and achieving their academic goals. This is an integral component necessary for each student's success at Collin College. Productive academic and workforce advising is dependent upon a continuous collaboration between the advisor and the student. Students can contact an advisor in the Advising Department located within Student and Enrollment Services on their campus. Successfully achieving academic goals requires active and timely participation from both students and advisors. Therefore, students are strongly encouraged to meet with an advisor each semester to evaluate their progress and pre-plan their next registration. The student responsibilities for advising are:

- Read and respond to your CougarMail
- Maintain regular contact with your advisor and academic planning coach during each semester
- Be an active learner by participating fully in the advising experience
- Keep a personal record of your progress toward meeting your academic goals
- Clarify goals and provide your advisor and academic planning coach with accurate information
- Be knowledgeable about Collin College instructional programs
- Be prepared and accept responsibility for your decisions

### **5.2 Academic Planning Coach Program**

---

The Academic Planning Coach Program is designed to support new first-year students. To qualify for the program, students must be attending college for the first time, enrolled full time and planning to complete a degree at Collin. Students in the program are matched with a faculty member who will provide coaching on course registration, degree requirements, students' goals and challenges, graduation/transfer planning and other topics pertinent to academic success in the first year. The online sign-up form will be available in August and students can learn more about the program at Orientation or by contacting the Director of Academic Planning/QEP at 972.985.3713.

### **5.3 Accommodations at Collin College for Equal Support Services (ACCESS)**

---

Specialized services and academic accommodations are available for students with a documented disability. The law requires that students must self-identify to the ACCESS Office and provide required current documentation to that department. Only documentation from a licensed professional (psychologist, diagnostician, or physician) is acceptable. The report must be current; on official letterhead; include the name and title of the person completing the report; their telephone number, address, and signature; the specific diagnosis; current functional limitations related to the educational setting; and the projected duration of the condition.

Students seeking accommodations should contact the ACCESS Office at least one (1) month before the services are needed. Services are available for students at all campus locations.

It is the student's responsibility to pick up their accommodations letter each semester to receive requested accommodations. Students should contact their ACCESS advisor immediately if they are having difficulty in their classes or having problems with their requested accommodations. Students must schedule special testing arrangements with ACCESS at least two (2) to five (5) days in advance, due to limited space. Students must take exams on the campus for which they are enrolled. Assistive technology and software are available on each campus for students with disabilities. Please contact the ACCESS Office for more information.

Dual credit students needing accommodations for their Collin College classes are required to apply for and be approved for academic accommodations through the ACCESS Office. Disability support services do not automatically transfer into the college setting. Students need to provide required documentation and apply with the ACCESS Office at least one (1) month before classes begin.

The ACCESS office gathers the required paperwork for the Deaf/blind tuition exemption. The student must bring the following information to be considered for a tuition exemption: certificate of deafness or blindness; letter of good moral character; high school transcript, diploma, or GED; statement of purpose with degree or certificate declared; proof of residency; and meet all other entrance requirements as outlined by Admissions and Records. This information should be provided at least one (1) month before the student attends Collin College and before the payment deadline. Subsequently, each semester immediately after registering for classes, students must contact the ACCESS office to obtain a tuition exemption or their classes will be dropped. The Deaf/blind tuition exemption does not apply to all courses and will be determined on a per-course, per-semester basis. The final decision on this exemption is determined by the Financial Aid Office, based on Satisfactory Academic Progress. A tuition exemption is not an academic accommodation.

All campuses are accessible to individuals with disabilities. For information on these and related services, contact the ACCESS Office at 972.881.5898. ACCESS Offices are located in Rooms D118(I) at CPC, F118 at PRC, and D140 at SCC.

## Procedures

### 6.1 Academic Etiquette and the College Experience

Professors and students at Collin College share a responsibility to develop and maintain a positive learning environment. Students are asked to show respect to other students and to professors. As a citizen of the classroom, it is the student's responsibility to assist a professor's efforts to encourage and facilitate learning.

Students are accountable for their own academic progress and work. With that in mind, prompt submission of all work, according to the course calendar and syllabus guidelines, promotes student success. It is a professor's responsibility to present learning opportunities through lectures, projects, in-class and out-of-class exercises, and assignments. It is the student's responsibility to complete all readings, participate in class discussions, and complete all assignments and project exercises in a timely manner. The course syllabus should provide clear instruction for successful course participation and activities.

It is a violation of the *Student Code of Conduct* (Chapter 2, Section 7-2.3 *Other Offenses*, Item T) to engage "in the disruptive use of electronic, telecommunication, digital media, and/or wearable devices during class, labs, or other Collin College learning environments." This includes social networking activities such as texting, talking on the phone, and Web browsing from laptops, Smart phones, or any other relevant electronic devices during class time. Please consult the professor for specific guidance. If there is a need to monitor any outside communication for emergency purposes during a specific class, a student should set the device on vibrate and inform the professor before class begins, so as not to disrupt the class and interfere with the academic class work of other students. In addition to individual course guidelines, please review the *Student Code of Conduct*, especially Chapter 1, Section 7-1.5 *Disorderly Conduct*, and Chapter 2, Section 7-2.2 *Scholastic Dishonesty* (including *Plagiarism*) and Section 7-2.3 *Other Offenses*.

Most professors regard tardiness as both an absence and as disruptive behavior. Sleeping in class, interfering with teaching by talking with other students during directed instruction, and preparing work for another class while engaged in classroom activities are behaviors that are both discourteous to other students and disruptive to the purposes of the course. Please refer to the *Student Code of Conduct*, Chapter 2, Section 7-2.3 *Other Offenses*, Item B (*Disruption*) and Item C (*Conduct*), for more information.

If a student is having difficulty mastering the material and skills, the student is encouraged to reflect on how to study and prepare for each class. Professors welcome dialogue on what you discover and may be able to assist in finding resources on campus that will improve student performance. Professors want to

provide students with the academic tools necessary to succeed in college and in the professional world upon the student obtaining a degree.

### **Texas House Bill 1922**

**With few exceptions, state law gives students the following rights regarding the information collected by Collin College about them: the right to request to be informed about the information; the right to receive and review the information; and the right to correct information that is incorrect.**

## **6.3 Banner Reservations**

---

College departments and student organizations can make and have approved banners hung at CPC, PRC and SCC in accordance with the procedures outlined in the *Student Organization Procedures Manual*.

## **6.4 Bookstore**

---

The District bookstores are managed by Barnes and Noble College. Information about textbooks, refunds and store hours can be found at <http://collin.bncollege.com>.

## **6.5 Campus Postings**

---

Collin College provides opportunities for students, staff, faculty, and community to publicize approved information only in areas or locations designated by Student Life, in conjunction with the campus vice president/provost and the director of plant operations. Student Life serves as the approval center for general campus posting. No person or organization may post a sign that is obscene or libelous or that contains non-permissible solicitation (see Student Life for more information).

Bulletin boards located both inside and outside of the classrooms at CPC, PRC, and SCC are governed by the appropriate vice president/provost on each campus. Materials not approved will be removed and discarded. Violation of the campus posting procedure will lead to forfeiture of privileges.

### **Job Postings (External)**

The coordinator of job location/development must approve all external job postings. For further information, contact Career Services at 972.548.6747.

## **6.6 Collin College Police Department**

---

Safety and security is a concern for all members of the college community including students, college employees, and visitors. The Collin College Police Department is staffed with Texas State licensed Law Enforcement Officers who are trained to protect life as well as college and personal property. Collin College police officers have county-wide jurisdiction, which gives them authority to apprehend and arrest anyone involved in illegal acts throughout Collin County. All municipal, local, state, and federal laws, as well as the *Student Code of Conduct (Code)*, Board Policies, and/or Collin College procedures, including motor vehicle laws, will be enforced on Collin College campuses. Collin College police officers patrol all district campuses 24 hours a day, seven (7) days a week. If assistance is needed, call 972.578.5555 or ext. 5555 from any campus phone. In a medical emergency call 911 and then call 972.578.5555. For further information on Collin College Police Department policies and procedures, refer to their website [www.collin.edu/campuspolice/](http://www.collin.edu/campuspolice/).

### **Contacting Police to Report an Incident**

If the incident occurred on campus, contact the Collin College Police Department Communications Center 24 hours a day at 972.578.5555, or simply dial 5555 from any campus phone. The Collin College Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are, with some exceptions, public records under state law, the CCPD cannot guarantee the confidentiality of information included in reports of crime. Confidential reports of crime may also be made to Collin College Police Crime Stoppers.

If the incident occurred off campus, the victim should contact the appropriate police department in the city in which the incident occurred. If a victim requests assistance, a Collin College official will help the victim with this process.

Making a police report does not obligate the victim to file criminal charges, but it does create a record of the incident. The police report will include the victim's name, witnesses' names, the respondent's name, and details of the incident. For more information regarding CCPD policies and procedures, refer to their website [www.collin.edu/campuspolice/](http://www.collin.edu/campuspolice/).

## **Confidentiality and Anonymous Reports**

Collin College recognizes incidents of crime can be difficult to discuss, and victims may want complete confidentiality in addition to support. If the victim of a crime does not want to pursue action within the college system or the criminal justice system, he or she may still want to consider making a confidential report. With the victim's permission, a Collin College police officer can file a report on the details of the incident without revealing the victim's identity. The purpose of a confidential report is to comply with the victim's wish to keep the matter confidential, while taking steps to ensure the safety of the victim and others. With such information, the college can keep an accurate record of the number of criminal incidents; determine whether there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Victims can submit an anonymous report of sexual violence. However, doing so may limit Collin College's ability to conduct a thorough investigation, respond appropriately, and stop the behavior from recurring.

The Counseling Services staff is encouraged to inform their clients of the procedures to report a crime to the Collin College Police Department on a voluntary confidential basis, should they feel it is in the best interest of the client.

## **Access Policy**

During business hours, Collin College will be open to students, parents, employees, contractors, guests, and invitees. In accordance with the *Code*, Chapter 1, Section 7-1.1 *Authorized Use of Facilities*, Item B, unattended children are not allowed at Collin College facilities at any time. The Collin College Police Department will be notified of unattended children. During non-business hours, access to all college facilities is by key (if issued), or by admittance via the Collin College Police Department or Plant Operations. In the case of periods of extended closing, the college will admit only those with prior written approval to all facilities.

## **Alternate Contact Information**

All students provide alternate contact information to the Collin College Police Department. This information may be used to contact the student in case of an emergency.

## **Gang Free Zones**

The grounds and facilities owned or controlled by Collin College shall be considered gang-free zones. Students engaging in gang-related activity and/or organized criminal activity at any Collin College facility or grounds shall be subject to disciplinary penalties outlined in the *Student Code of Conduct*, Chapter 4, Section 7-4.1. Students involved in illegal acts may also be arrested and face criminal prosecution.

The warning will be issued through college email systems and CougarAlert to students, faculty, and staff (see Section 6.7 *CougarAlert* for more information).

## **Vehicle Use and Operation**

Bicycles and properly state registered and inspected motor vehicles are allowed on designated streets, roadways, and surface parking areas. Only motor vehicles are allowed in parking garages. In the interest of safety, operating or riding hoverboards, longboards, rollerblades, scooters, Segways, skateboards, etc. is prohibited in Collin College parking garages and/or buildings, unless

CougarAlert is the official emergency notification system for Collin College, providing critical information via text message, phone message, or email. CougarAlert may be triggered when a situation places Collin College community members at risk and may provide information for evacuation, inclement weather, power outages, an unscheduled closure, etc., but not for promotional purposes. College issued email and home phone numbers are automatically loaded into CougarAlert, but students can and should add text and additional email contacts as needed. See [www.collin.edu/cougaralert.html](http://www.collin.edu/cougaralert.html) for instructions. (Standard text messaging fees from service providers may apply.) ## **6.12 Financial Aid**

---

As a service to Collin College students, the Financial Aid Office administers a comprehensive financial aid program that includes grants, loans, and part-time employment for those who meet the eligibility requirements. A primary purpose of the Collin College financial aid program is to provide assistance for students who might otherwise find it difficult or impossible to attend college. All students are encouraged to apply for financial aid.

If students have questions or need assistance, they can contact the Financial Aid Office via phone or visit any campus Financial Aid Office. Financial Aid staff members are trained to assist students in realizing their educational goals by answering questions, providing appropriate forms and instructions, and referring students to other resources as needed.

For more information, please visit the Financial Aid Office website at: <http://www.collin.edu/gettingstarted/financialaid/index.html>.

Students receiving financial aid should not withdraw from all of their classes without first consulting the Financial Aid Office. In addition, all financial aid students must become familiar with the standards of academic progress required to remain eligible for financial aid.

Federal law requires a financial aid student to complete at least 60 percent of each semester. If a student completely withdraws before the 60 percent point in the semester, that student will need to repay a portion of the financial aid funds received. A financial aid student who earns all "F's" for the semester must have at least one (1) professor provide proof to the Financial Aid Office that the student was in an academically related activity for 60 percent of the semester. Otherwise, that student will owe money back to the financial aid program.

### **APPLYING FOR AID**

Students can apply for aid online using the Free Application for Federal Student Aid (FAFSA) located at [www.fafsa.gov](http://www.fafsa.gov). Collin College's Title IV School Code is 016792 and must be reported on the FAFSA application in order for aid to be processed by Collin College.

### **DEADLINES**

Students must apply for financial aid each year. Students wanting to receive priority consideration should apply as early as possible. The new FAFSA is

typically available after October 1 each year. Students who meet the priority deadline will have aid in place before the payment deadline. Students who miss the priority deadline will still be processed. However, these students should make arrangements to pay for their own tuition, fees, books, and supplies before the payment deadline. A file is considered having met the priority deadline if the FAFSA is on file, and any/all required documentation is complete, correct, and submitted by the priority deadline.

**Priority deadlines are as follows:**

Fall Semester - April 1

Spring Semester - November 1

**FINANCIAL AID PROGRAMS – FEDERAL ASSISTANCE**

*Actual award amounts are determined by federal guidelines, a demonstration of need, and the student's enrollment. Collin College participates in the following financial aid programs:*

**Federal Pell Grant** – Eligibility for the Pell Grant is based on the financial need of the student and/or the student's family, as well as the student's enrollment status.

Financial need is determined by the U.S. Department of Education from information provided on the student's FAFSA. The standard formula, established by Congress, produces an Expected Family Contribution (EFC) that indicates how much a student, and their spouse or family, is expected to contribute financially toward the cost of their education. EFC's within a particular range (varies by year and consists of those students determined to have the "most need") will be eligible for Pell Grant provided the student meets all other eligibility criteria.

In general, only undergraduate students are eligible to receive a Pell Grant. A student who has earned a baccalaureate or a first professional degree is not eligible to receive a Pell Grant.

**Federal Supplemental Educational Opportunities Grant (FSEOG)** – FSEOG is limited by the availability of funds and is awarded to those students considered to have exceptional financial need. Priority is given to federal Pell Grant recipients.

**Federal Work Study** – Students demonstrating financial need may be considered for the work study program. Students are employed part-time at various jobs on campus or at other College District approved sites. Students are allowed to earn the amount designated in their award package as long as they maintain Satisfactory Academic Progress (SAP) and are enrolled in at least six (6) credit hours.

**Federal Direct Loan Program** – This program permits students to borrow low-interest loans from the Department of Education provided the student is enrolled and attending at least half time and otherwise meets eligibility criteria. The federal government pays interest on the subsidized (need based) amount borrowed until

the student graduates or ceases to be enrolled at least half time. Unsubsidized loans (non-need based) are also available to otherwise eligible students. Students are responsible for the interest accruing on these loans while attending school. The interest rate for subsidized and unsubsidized loans for the 2016-2017 academic year was 3.76 percent.

**Direct Parent Loans to Undergraduate Students (PLUS)** – PLUS loans are available to parents who want to borrow money to help defray the cost of their dependent children’s education. Like Direct loans, PLUS loans are offered by the Department of Education. Parents may borrow up to the cost of attendance minus any other educational resources and financial aid awarded to students. These loans have a higher interest rate than Direct loans and the borrower is responsible for paying all the interest that accrues. The interest rate on PLUS loans for the 2016-2017 academic year is 6.31 percent.

## **FINANCIAL AID PROGRAMS – STATE ASSISTANCE**

**Texas Public Education Grant (TPEG)** – The TPEG program is a state financial aid program designed to assist students in attending state-supported colleges. Students must demonstrate financial need and be making satisfactory academic progress toward their educational goals. The actual amount of the grant varies depending on the availability of funds to the college, the student’s financial condition and enrollment, and other aid the student may be receiving.

**Texas Equal Opportunity Grant (TEOG)** – Community college students working on their first associate’s degree may be eligible for this grant if they:

- Are a Texas resident
- Do not have a felony drug conviction
- Are within their first 30 hours of college
- Registered for Selective Service, if required
- Have an EFC as determined by FAFSA of \$5,233 or less for initial awards, and unmet need for renewal awards
- Are enrolled in at least six (6) hours (half time)

Students who meet the qualifications are eligible for up to 75 hours at a community college. Additionally, a student receiving this grant may become eligible for the Towards EXcellence, Access and Success (TEXAS) Grant once they transfer to a university. For the first year, students must meet the college’s Satisfactory Academic Progress (SAP) requirements. (Please refer to the *Institutional Policy of Satisfactory Academic Progress* listed below for more information.) To continue receiving this grant, the student must complete 24 hours each academic year, maintain a 2.5 cumulative GPA, and complete at least 75 percent of their coursework.

For additional information about either of the above grants, please contact the Financial Aid Office.

## **Satisfactory Academic Progress (SAP)**

*School policy: 34 CFR 668.16(e); Student eligibility: 34 CFR 668.32(f), 34 CFR 668.34*

To be considered administratively capable, a school must have a satisfactory academic progress policy, for a Federal Student Aid (FSA) recipient, that is the same as or more strict than the school's standards for a student enrolled in the same educational program, who is not receiving assistance under a FSA program.

### **Basic Elements of a Satisfactory Academic Progress Policy**

According to these federal rules, a school's policy must contain certain basic elements:

- **a qualitative component** consisting of grades or comparable factors that are measurable against a norm (a GPA component),
- **a quantitative component** that consists of a maximum time frame in which a student must complete his or her educational program, subdivided into increments (aka the 150 percent rule), and
- **a measurement of progress** meaning the student must be completing a certain percentage of classes to be considered making adequate progress.

### **Student Eligibility**

To be eligible for FSA funds, a student must make satisfactory academic progress as defined by the school.

### **What is a student's SAP Status?**

An explanation of the different SAP Statuses can be found on the college's website at [http://www.collin.edu/shared/shared\\_finaid/pdf/Explanation\\_of\\_SAP.pdf](http://www.collin.edu/shared/shared_finaid/pdf/Explanation_of_SAP.pdf).

Students can also see this explanation in the financial aid section of CougarWeb.

## **INSTITUTIONAL POLICY OF SATISFACTORY ACADEMIC PROGRESS (SAP) FOR FINANCIAL AID (Effective November 2013)**

This is an official statement of Collin College's policy related to the financial aid operational definition of student Satisfactory Academic Progress for students at Collin College effective for 2013-2014 and subsequent academic years.

At the end of each period of enrollment, the Financial Aid Office evaluates satisfactory academic progress of all enrolled students. This evaluation considers Financial Aid GPA as defined in Item I below, the percentage of hours completed and maximum allowed hours attempted. Please note, the evaluation takes place at the end of fall, spring and the summer semesters.

At the end of each period of enrollment, a student must meet the following requirements:

## **I. Financial Aid GPA (Grade Point Average) Requirement**

A student must maintain a Financial Aid GPA of 2.0 or higher in order to receive federal student aid. The Financial Aid GPA is the calculation of grades from all credit coursework, including developmental and ESL coursework. Please note that the Financial Aid GPA may differ from the Academic GPA.

## **II. Percent Completion Requirement**

A student must complete 67 percent of all attempted hours; calculated by dividing the total number of hours the student has successfully completed by the total number of hours attempted.

- a. Successfully completed hours: passing grades of A, B, C, and D, (including developmental and ESL coursework), accepted transfer coursework and repeated courses (one time only for previously passed course).
- b. Attempted hours: withdrawals, grades of F, incomplete courses, repeated courses, courses taken during the summer sessions, developmental and ESL coursework, accepted transfer coursework and all hours for which student received passing grades are counted toward attempted hours. Please note, all periods of enrollment count when assessing progress, even periods in which a student does not receive federal student aid.

## **III. Maximum Time Frame Requirement**

The maximum number of hours a student may attempt is limited to 150 percent of the published length of the program. For example, a certificate program that requires 30 hours would have a maximum time frame of 45 credit hours.

All hours, including those taken while not receiving Title IV aid, those taken under a different major, hours attempted during summer session, remedial hours, ESL hours and hours transferred in from previous/other institutions, etc., shall be counted towards total hours attempted and earned. Students that reach the maximum time frame are immediately given a status of "Exceeds Max Hours," making them ineligible for any student aid, including student loans, state aid, etc.

## **Complete Withdrawal**

A student who completely withdraws from a semester while on student aid or receives grades of F's, W's, and/or I's in all coursework in a given semester will immediately be placed on financial aid suspension and is no longer eligible to receive any student aid. This includes all summer coursework. This type of suspension can only be removed from the next semester of enrollment with an appeal for rare, extenuating circumstances. **Note: All outstanding charges must be paid before an appeal can be considered.**

Students in this category who do not have a rare, extenuating circumstance may be able to regain their student aid eligibility in a future term by completing the following steps:

- Complete at least 12 credit hours on their own

- Be meeting the SAP requirements (i.e., a cumulative financial aid GPA of at least a 2.0 and a completion rate of at least 67%. The student cannot be at or over the maximum hours.)
- Submit a new appeal detailing the student's plan for successful completion of their academic goals.

If the appeal is approved, the student will be placed on academic plan for one semester. At the end of that semester, the student must maintain the SAP requirements or they will lose eligibility permanently.

### **Failure to Meet the Standards of Academic Progress - GPA and Percent Completion**

A student who fails to meet the requirements in I and/or II above will automatically be placed on warning for the next semester of enrollment. Students on warning will still be able to receive student financial aid they would otherwise be eligible to receive. At the end of the next semester of enrollment, the student must be making Financial Aid Satisfactory Academic Progress (i.e., Financial Aid GPA of 2.0 or greater and a cumulative percent completion of 67 percent or higher.) If the student is not making satisfactory academic progress by the end of the semester, they will automatically be placed on financial aid suspension and will no longer be eligible for any student aid including loans, state aid, etc.

Students on financial aid suspension for Financial Aid GPA and/or percent completion will remain on suspension until such time that the Financial Aid GPA and/or percent completion reaches the minimum requirements. Once the minimum requirements are met, the student will again be considered to be in good standing.

### **The Appeal Process - GPA, Percent Completion and Complete Withdrawal**

In rare circumstances, a student is allowed to appeal his or her financial aid suspension. These circumstances may include a serious personal illness documented by a doctor, the serious illness of an immediate family member where the doctor documents that the student was required to give care to the family member and other rare, exceptional circumstances that prevent a student from attending class. The circumstances must have occurred during the semester(s) of attendance. Please note that appeals will not be accepted without documentation and that appeals submitted with documentation are not automatically approved.

The deadline for submitting an appeal is 30 days after the official first day of classes for a semester.

A student who meets the condition to appeal must complete and submit the Financial Aid Satisfactory Academic Progress Appeal form, along with **required documentation** that supports the rare circumstances, to the Financial Aid Office.

The appeal must also contain a *typed* letter explaining the circumstances that the student faced and what measures have been taken so that the same problem does not negatively impact his or her academic progress.

### **The Appeal Process - Maximum Time Frame**

An appeal to request an extension of hours can be submitted if there are extenuating circumstances that caused the student not to be able to complete within the 150 percent time period, but those circumstances must be documented. Extenuating circumstances include: a *serious* personal illness documented by a doctor, the serious illness of an immediate family member where the doctor documents student was required to give care to the family member and other rare, exceptional circumstances that prevent a student from attending class.

A student who meets the condition to appeal must complete and submit the Financial Aid Request for Extension of Max Hours form, and a degree audit, along with *required documentation* that supports the rare circumstances, to the Financial Aid Office. The appeal must also contain a typed letter explaining the circumstances that the student faced and what measures *have* been taken so that the same problem does not negatively impact his or her academic progress.

A student is not allowed to appeal the maximum time frame if his or her Financial Aid GPA is below 2.0 and/or completion rate is below 67 percent.

### **The Appeals Committee**

An appeals committee has been established at Collin College to review all financial aid appeals. The committee will meet as needed to review the appeals. The determination of the appeal will be sent to the student through CougarWeb. Appeals without documentation or that do not meet the requirements of the appeal process will automatically be denied.

A student, whose appeal is approved for GPA or percent completion, must complete a financial aid academic plan. In order to remain eligible for financial aid while on an academic plan, the student may not withdraw from any coursework and must make a grade of at least “C” in every class until the student is back in good standing.

A student whose appeal is approved for maximum time frame will have the approved hours added to the 150 percent of the program length.

All decisions of the Financial Aid Appeals Committee are final.

### **Additional Information: Return of Title IV Funds**

Title IV aid is earned in a prorated manner on a per diem basis up to and including the 60 percent point in the term. After the 60 percent point, all aid is

considered earned. The percentage earned is calculated by dividing the number of days completed by the number of days in the repayment period. It is the unearned percentage of aid that determines the amount that must be returned to the Title IV program(s) in the following order: Unsubsidized Direct Loan, Subsidized Direct Loan, Direct Parent PLUS Loan, Pell Grant, and SEOG. The student is not responsible for returning funds to any program to which the student owes \$50 or less. The grant funds returned by the student are applied to the following sources in the order indicated, up to the total amount disbursed from that grant program minus any grant funds the school is responsible for returning to that program. Title IV grant program sources include: Pell and SEOG. The Department of Education considers a student who earns all "F's" to have unofficially withdrawn unless a professor can prove otherwise. The college, as well as the student may be required to return to the federal government the unearned portion of Title IV funds. The institution will require students to repay charges resulting from the institution's portion of the return of unearned Title IV aid. This may cause the student to owe both the college and the federal government. Students withdrawing prior to disbursement may be eligible for a post-withdrawal disbursement. Students who are considering withdrawing should contact the Financial Aid Office for a thorough explanation of how this policy will affect them.

## **FINANCIAL AID PROGRAMS – OTHER**

### **Tuition Exemptions**

State tuition waivers and exemptions provide qualifying students with exemptions from certain tuition and fee charges in public colleges. Contact either the Financial Aid Office or the Admissions and Records Office for additional information regarding a specific waiver or exemption. A few of the state exemptions and waivers are listed below.

### **Financial Aid Exemptions**

Deaf/blind students • adopted students and students who were in foster care • children of deceased or disabled firemen and peace officers • children of prisoners of war or persons missing in action • firemen enrolled in fire science courses • police officers enrolled in law enforcement or criminal justice courses • children of professional nursing program faculty and staff • Hazelwood Act • orphans of national guard members

### **Admissions Waivers**

Ad-valorem Tax • Concurrent Enrollment • Contract Training for Out of District • Dual Agreement with Dallas County • Senior Citizen

### **Veterans Educational Benefits**

Students requesting veterans' educational benefits at Collin College should submit all documentation to the Financial Aid (FA)/Veterans Affairs (VA)

Office at least *six (6) weeks prior* to registration, if possible. The steps necessary to do this include:

1. Gain admission to Collin College through the Admissions and Records Office.
2. Submit a degree plan request and all required VA forms to the Financial Aid/Veterans Affairs Office.
3. Ensure all official transcripts from prior institutions are submitted to the degree plan coordinator (Admissions and Records Office) for transfer evaluation.\*

*PLEASE NOTE: Only after an official degree plan is on file will notification of enrollment be sent to the Department of Veterans Affairs. Only classes that are on the official degree plan will be paid for. It is the student's responsibility to ensure the degree program selected is a program approved by the Texas Workforce Commission and the Department of Veterans Affairs.*

\* A degree plan will NOT be completed until all OFFICIAL transcripts and the DD214 (where applicable) are on file with the Admissions and Records Office.

Failure to submit all official transcripts (and the DD214 where applicable) in a timely manner will result in a delay of certification of enrollment and/or non-certification, if the student registers for courses for which previous credit may be granted.

Any class that is recommended but not required by a degree program cannot be certified with the VA. Additionally, classes required for graduation at another institution, but not by Collin College, cannot be certified. Developmental courses will only be certified if the student has assessed into the course(s) and only if the class is a "traditional" class. A traditional class is where the student physically attends the class and a teacher instructs the class at each meeting. Online, pod, flex, and blended courses are all considered distance courses (not traditional courses) by the VA; therefore, they are not eligible for certification.

Veteran students' enrollment is certified according to the date of registration, as long as the degree evaluation has been completed. Therefore, it is strongly recommended that veteran students register for classes as early as possible each semester.

It is the student's responsibility to notify the Financial Aid/Veterans Affairs Office whenever they change their schedule (i.e., add or drop classes).

**THE STUDENT IS RESPONSIBLE FOR REGISTERING FOR THE CORRECT COURSES. THE VA WILL ONLY PAY FOR COURSES REQUIRED FOR GRADUATION. PLEASE BE CAREFUL WHEN TAKING ELECTIVE COURSES – THEY MAY NOT BE ELIGIBLE FOR CERTIFICATION.**

It is assumed that continuing students want to be certified for any subsequent enrollment unless they notify the Financial Aid/Veterans Affairs Office in writing. Requests for certification of a prior term will be processed in accordance with standard VA policy and will not be processed ahead of the normal scheduled workload for that term.

If the student has not been in attendance for two (2) regular 16-week semesters, additional VA documents will be required, as well as any transcripts from any schools in attendance during the break.

ALL DEGREE PLAN CHANGES MUST BE MADE THROUGH THE FINANCIAL AID/VETERANS AFFAIRS OFFICE. Please contact the FA/VA Office on campus. Allow at least six (6) weeks for the new degree plan request to be evaluated. It is the student's responsibility to notify the FA/VA Office once the degree plan has been completed.

### **Veterans Academic Progress**

Students receiving veterans' benefits must maintain satisfactory academic progress while attending Collin College. Satisfactory Academic Progress is defined as:

1. Maintaining a 2.0 cumulative GPA. Students failing to make Satisfactory Academic Progress will be reported to the Veterans Regional Office as being on academic suspension at the end of the second consecutive semester when the cumulative GPA remains below 2.0. Developmental courses will be included to determine the cumulative GPA.
2. A grade of "D" or better received at Collin College, or any other college, is a passing grade and may not be repeated for benefits. If a non-punitive grade of "I" is assigned to a course and is not converted to a punitive grade, this will be reported to the Veterans Affairs Regional Office within 30 days, and benefits will be reduced accordingly. Students receiving a grade of "F" may repeat the course with benefits *one (1) time* at Collin College.
3. Withdrawal from a class, whether self-initiated or otherwise, may result in the student being obligated to repay any overpayment of benefits unless the VA approves written extenuating circumstances submitted by the student.
4. Regular class attendance is required to provide necessary documentation of attendance.

### **COLLIN COLLEGE SCHOLARSHIP INFORMATION**

Please refer to Section 6.25 *Scholarships, Collin College Foundation*, for more information.

### **6.13 Fire Evacuation**

---

Fire exits are posted on each floor on all campuses. If an alarm is activated, students should leave the building in a timely manner by the marked exits, unless

otherwise instructed, and move as far away from the building as possible. Upon receiving verbal authorization from Collin College Police, an administrator in charge, or a faculty member, students should return to classes, quickly and quietly. If there are questions, please ask a staff or faculty member.

#### **6.14 Freedom from Capricious Grading**

---

Students have a right to be free from capricious grading and to be treated fairly in grading and classroom practices. In most circumstances, students should seek to settle any dissatisfaction concerning grades directly with the faculty member involved. If a grade dispute cannot be settled in this way, students should consult the appropriate dean or academic chair. If the issue remains unresolved, the student may appeal to the Grade Appeals Board (GAB).

Appeals to the GAB shall be filed with the chair of the GAB no later than the last regular class day of the next long semester after receiving the grade. An allegation of capricious grading shall be handled according to Section 6.15 *Grade Appeals Procedure*, of the Collin College Student Handbook.

#### **6.15 Grade Appeals Procedure**

---

The following procedure is available only for review of alleged capricious grading and not for review of the judgment of a professor in assessing the quality of a student's work.

##### **Capricious Grading**

As the term is used herein, is limited to one (1) or more of the following:

- A. the assignment of a grade to a student on some basis other than performance in the course;
- B. the assignment of a grade to a student by more exacting or demanding standards than were applied to other students in that course; and/or
- C. the assignment of a grade by a substantial departure from the professor's standards announced and provided during the first part of the term.

##### **Seeking Clarification of Capricious Grading**

A student who believes a term grade is capricious may seek clarification, and where appropriate, redress as follows:

- A. The student shall confer with the professor, inform the professor of questions concerning the grade, and seek to understand fully the grounds and procedures the professor has used in determining the grade. The aim of such a conference is to reach mutual understanding about the grade, the process by which it was assigned, and to correct errors, if any, in the grade. If for any reason the professor cannot be contacted, the academic dean shall appoint the academic chair (or designee) to act for the professor.
- B. If, after consultation with the professor (or designee), the student believes that a grade is capricious, the student shall confer with the

appropriate academic dean. The dean shall consult and advise with both the professor and student, separately or together, in an effort to reach an understanding and resolution of the matter.

- C. If steps (A) or (B) above do not resolve the problem, the student may submit a written petition with supporting documentation via email to the chair of the Grade Appeals Board at [gradeappeals@collin.edu](mailto:gradeappeals@collin.edu). This petition form may be obtained from the Admissions and Records Office at any campus, online through CougarWeb on the My Courses tab under Rules and Regulations, or on the college website in the Student Resources section under Academic Support. A written petition without supporting documentation will not be considered. Examples of supporting documents may include, but are not limited to, course syllabus, copies of emails exchanged between professor and student, doctor's statements, etc. If supporting documentation has not been received, the chair of the Grade Appeals Board will contact the student to inform the student of such. Students will be notified via CougarWeb and given five (5) business days to provide the requested documentation. If the requested documentation is not received within the five (5) business days, the student will be sent a second notice via CougarWeb requesting the supporting documentation. The student will be given five (5) business days to submit the requested documentation. If the requested documentation is not received after five (5) business days from the second notice, the grade appeal will be submitted to the Grade Appeals Board as is.
- D. If a student does not take steps A and/or B, the grade appeal will not be heard by the Grade Appeals Board. The student shall be notified that the appeal will not be heard until steps A and/or B have been taken.

**Again, capricious grade appeals shall be instituted no later than the last regular class day of the next long semester after receiving the grade. The last regular class day is prior to the first day of scheduled final exams.**

#### **Petitioning for a Grade Appeal Hearing**

The petition should be written to:

- A. request a hearing with the GAB;
- B. present evidence allegedly proving that the grade is capricious as defined above; and
- C. present the student's conclusions.

The chair of the Grade Appeals Board will then contact the professor to determine the professor's position. Based on the student's petition, the professor's response, and interviews by the chairperson of the Grade Appeals Board with the student and the professor, the GAB will conduct an inquiry that may include a meeting with the student and the professor, separately or together, to ascertain and consider relevant facts.

## **Decision of the Grade Appeals Board**

The GAB will make one (1) of these decisions:

- A. that the grade was not assigned capriciously and the grade will stand as assigned; or
- B. that the grade may have been assigned capriciously and merits further consideration.

If further consideration is needed, the GAB may then arrange for the professor (or designee) or a group of two (2) departmental/program colleagues to re-examine all the evidence of the student's work. The GAB will, as a result of this further consideration, recommend to the appropriate vice president/provost a grade the same as or different from the original grade. If the decision is to change the grade, the Grade Change Form will be sent to the appropriate vice president/provost (or designee) for signature, and then forwarded to the registrar.

If the decision is that the grade will remain as assigned, the student will be notified in writing of that decision. The decision of the GAB will be final.

- A. At all points of the decision, the student, the professor, the academic dean, and any parties involved will be notified after each decision has been reached.
- B. If the grade is changed, the Grade Change Form will be completed by the appropriate vice president/provost and submitted to the registrar for processing. A copy of the final Grade Change Form will be distributed to the professor (or designee), the academic dean, the chairperson of the Grade Appeals Board, and other appropriate parties.
- C. In accordance with Collin College personnel procedures, no decision of the Grade Appeals Board, by itself, will be a basis for disciplinary action against a professor.
- D. Students having a grievance with academic or classroom related problems, other than their final grade, should first consult the professor. If the grievance is not resolved, the student should contact the appropriate academic dean. If the matter is still not resolved, the student may appeal to the appropriate vice president/provost.

## **Non-capricious Grading**

The assessment of the quality of a student's academic performance is one of the major professional responsibilities of Collin College faculty members and is solely and properly their responsibility. It is essential for the standards of the academic programs at the College District, and the integrity of degrees conferred by Collin College, that the professional judgments of faculty members not be subject to pressures or other interference from any source.

It is necessary, however, that any course grade be based on evidence of the student's performance in a course, that the student have access to the evidence, that the professor be willing to explain and interpret the evidence to the student,

and that a grade be determined in accordance with published guidelines. These guidelines should be published and announced in each class within the first week of the semester.

At any time, a student may seek the counsel of a designated Collin College representative regarding the procedure for appealing alleged non-capricious grades or the merits of a particular case.

Grade appeals of a non-capricious grading type shall be instituted no later than the last regular class day of the next long semester after receiving the grade. The last regular class day is prior to the first day of scheduled final exams.

- A. The student may submit a written petition with supporting documentation via email to the chair of the Grade Appeals Board at [gradeappeals@collin.edu](mailto:gradeappeals@collin.edu). This petition form may be obtained from the Admissions and Records Office at any campus, online through CougarWeb on the My Courses tab under Rules and Regulations, or on the college website in the Student Resources section under Academic Support. A written petition without supporting documentation will not be considered. Examples of supporting documents may include, but are not limited to, course syllabus, copies of emails exchanged between professor and student, doctor's statements, etc. If supporting documentation has not been received, the chair of the Grade Appeals Board will contact the student to inform the student of such. Students will be notified via CougarWeb and given five (5) business days to provide the requested documentation. If the requested documentation is not received within the five (5) business days, the student will be sent a second notice via CougarWeb requesting the supporting documentation. The student will be given five (5) business days to submit the requested documentation. If the requested documentation is not received after five (5) business days from the second notice, the grade appeal will be submitted to the Grade Appeals Board as is.

### **Seeking Clarification of Non-Capricious Grading**

A student who believes a term grade is in error may seek clarification, and where appropriate, redress as follows:

- A. The student shall confer with the professor, inform the professor of questions concerning the grade, and any extenuating circumstances that impacted the grade. The aim of such a conference is to reach mutual understanding about the grade, the process by which it was assigned, and to correct errors, if any, in the grade. If for any reason the professor cannot be contacted, the academic dean shall appoint the academic chair (or designee) to act for the professor.
- B. If, after consultation with the professor (or designee), the student believes that a grade is in error, the student shall confer with the appropriate academic dean. The dean shall consult and advise with both the

professor and student, separately or together, in an effort to reach an understanding resolution of the matter.

- C. If steps (A) or (B) above do not resolve the problem, the student may submit a written petition with supporting documentation via email to the chair of the Grade Appeals Board at [gradeappeals@collin.edu](mailto:gradeappeals@collin.edu). This petition form may be obtained from the Admissions and Records Office at any campus, online through CougarWeb on the My Courses tab under Rules and Regulations, or on the college website in the Student Resources section under Academic Support. A written petition without supporting documentation will not be considered. Examples of supporting documents may include, but are not limited to, course syllabus, copies of emails exchanged between professor and student, doctor's statements, etc.
- D. If a student does not take steps A and/or B, the grade appeal will not be heard by the Grade Appeals Board. The student shall be notified that the appeal will not be heard until steps A and/or B have been taken.

### **Petitioning for a Grade Appeal Hearing**

The petition should be written to:

- A. request a hearing with the GAB;
- B. present evidence allegedly proving that the grade is in error; and
- C. present the student's conclusions.

The chair of the Grade Appeals Board will then contact the professor to determine the professor's position. Based on the student's petition, the professor's response, and interviews by the chairperson of the Grade Appeals Board with the student and the professor, the GAB will conduct an inquiry that may include a meeting with the student and the professor, separately or together, to ascertain and consider relevant facts.

### **Decision of the Grade Appeals Board**

The GAB will make one (1) of these decisions:

- A. that the grade was not assigned in error and the grade will stand as assigned; or
- B. that due to circumstances, the grade will be changed to a W

If the decision is to change the grade to a W, the Grade Change Form will be sent to the appropriate vice president/provost (or designee) for signature, and then forwarded to the registrar. The student will be notified in writing of that decision.

If the decision is that the grade will remain as assigned, the student will be notified in writing of that decision. The decision of the GAB will be final.

At all points of the decision, the student, the professor, the academic dean, and any parties involved will be notified after each decision has been reached.

In certain instances, the problem may be handled best through other procedures; therefore, a referral for assistance may be made to another office or to a task force (e.g., human relations task force, etc.).

## 6.16 Health Information

---

Collin College is dedicated to the total well-being of its students. Health fairs, alcohol and drug awareness programs, and aerobic and other fitness courses are geared toward student wellness.

The College District policy regarding communicable diseases FDAD (LOCAL) is available at <http://pol.tasb.org/home/index/304>.

### AIDS Information

Collin College has adopted the HIV/AIDS Model Workplace Guidelines approved by the Texas Department of State Health Services. These guidelines, the College District's AIDS policy, and a brochure developed by the Texas Department of State Health Services (TDSHS) entitled, "HIV and AIDS: Facts You Should Know" are available upon request from Counseling Services or at [www.dshs.state.tx.us/hivstd/info/hiv/](http://www.dshs.state.tx.us/hivstd/info/hiv/). Confidentiality of these requests will be honored.

### Bacterial Meningitis

State Law (SB 62) requires most new students under the age of 22 entering a higher education institution to show proof of having the vaccine 10 days prior to the start of the term. For more information, visit [www.collin.edu/meningitis](http://www.collin.edu/meningitis).

Bacterial meningitis is an infection of the brain and spinal cord that causes inflammation of the membranes that surround the brain. Bacteria that cause meningitis may also infect the blood. Several different types of bacteria can cause meningitis. The leading cause of bacterial meningitis in the U.S. is *Neisseria meningitidis*, also called *meningococcal meningitis* (CDC, *Signs and Symptoms*, 2015). Bacterial meningitis strikes 1,000–1,200 Americans each year (CDC, *Vaccine Information Statement*, 2011).

According to the Centers for Disease Control (CDC) (*Signs and Symptoms*, 2015), symptoms may vary but may include some or all of the following:

- Sudden onset of fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion
- Severe headache
- Stiff neck
- Seizures
- Vomiting
- Nausea

In addition to the symptoms listed above, an individual may also develop a rash of tiny, red-purple spots caused by bleeding under the skin. **These can occur anywhere on the body. This is a sign of a very serious infection that needs immediate medical care.**

### *How is bacterial meningitis diagnosed?*

Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests. **Early diagnosis and treatment can greatly improve the likelihood of recovery.**

### *How is bacterial meningitis transmitted?*

*Neisseria meningitidis* bacteria are spread through the exchange of respiratory and throat secretions like spit (e.g., by living in close quarters, kissing). Sometimes *Neisseria meningitidis* bacteria spread to people who have had close or lengthy contact with a patient with meningococcal disease. People in the same household, roommates, or anyone with direct contact with a patient's oral secretions, meaning saliva or spit, would be considered at increased risk of getting the infection. (CDC, *Causes and Transmission*, 2015).

### *Who is at an increased risk of getting bacterial meningitis?*

Vaccination against meningococcal disease is recommended for persons at an increased risk of getting bacterial meningitis. Those persons include, but are not limited to, young adults ages 16-21, college freshmen living in dormitories (or sharing apartments), anyone who has a damaged spleen or whose spleen has been removed, and people who have been exposed to meningitis during an outbreak (CDC, *Vaccination Information Statement*, 2011).

### *What are the possible consequences of the disease?*

While most people recover fully, 10-15 percent of people who have blood or brain infections caused by *Neisseria meningitidis* will die (National Meningitis Association, 2014). About 20 percent of people who survive meningococcal disease will have permanent disabilities such as hearing loss, brain damage, loss of kidney function or limb amputations (National Meningitis Association, 2015).

### *How can the disease be prevented?*

According to the National Meningitis Association (2014), "Vaccination offers the best protection against meningococcal disease." However, practicing good hygiene is also important, since an infected person can transmit the disease through close contact or through air droplets when they cough or sneeze.

### *Can this disease be treated and where can I obtain the meningococcal vaccine?*

- Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur (CDC, *Vaccination Information Statement*, 2011).
- These vaccinations are effective against four (4) of the five (5) most common bacterial types in the U.S., but the vaccine does not protect against all types of meningitis (National Meningitis Association, 2014). The cost of the vaccine varies. The vaccination takes 7-10 days to become effective and develop protective antibody levels (MacNeil & Cohn, 2012).

- Vaccinations are available through local health care providers, many pharmacies, and county health care services.
- Collin County Health Care Services offers the vaccine to children and adults. Individuals age 18 and younger may qualify to receive the meningococcal vaccination at a reduced cost.

*What are the risks and possible side effects?*

- The most common side effects are redness and minor pain at injection site for up to two (2) days. Additional side effects are listed in the CDC Vaccine Information Statement (2011).
- According to the CDC Vaccine Information Statement (2011), individuals who are moderately or severely ill should wait until they recover to obtain the vaccine.
- There are certain individuals who should not get the meningococcal vaccine. Refer to the CDC Vaccine Information Statement (2011) listed below for more information.

*How can I find out more information?*

- Contact a local health care provider.
- Contact Collin County Health Care Services at 972.548.5532 or visit their website at [www.co.collin.tx.us/healthcare\\_services/](http://www.co.collin.tx.us/healthcare_services/).

The grade received does not affect the student's ability to repeat a course. Registration holds will be placed on courses that have been attempted twice.

When a course is repeated:

1. Only one (1) course/grade will be counted in a student's GPA.
2. The highest grade will be used in GPA calculations.

Veterans should consult the Director of Financial Aid/Veterans Affairs before repeating any course. Students planning to transfer to another college or university should check with a Collin College advisor or with receiving institutions for their repeat policies. *Texas Education Code 51.907 Course Drop Limit Provisions.*

Students who enroll as an entering freshman or a first-time college student in undergraduate courses at any Texas public community college, technical institute, health sciences institution, or any public university offering undergraduate courses must comply with the legislation of TEC 51.907.

TEC 51.907 states that students who enroll for the first time during the fall 2007 semester, or any subsequent semester, are subject to the course drop limit of six (6) course drops. This includes any course a transfer student has dropped at another institution. Collin College will not begin to count dropped courses until the fall 2009 semester. For more information, please contact Advising or the Admissions and Records Office on any campus.

For details regarding withdrawal procedures at Collin College, see the *Registration Guide*.

## *Student Code of Conduct (Code)*

### **Definition of a Collin College Student**

For the purposes of this document, the following individuals will be considered Collin College students: prospective students; re-admitting students; students who are eligible to enroll in classes; and current students enrolled in credit classes, Continuing Education classes, noncredit classes, or seminars either on or off campus, regardless of location or circumstances.

### **Application of the Student Code of Conduct (Code)**

The *Student Code of Conduct* (hereafter referred to as the *Code*) applies to a person who was a student, as defined above, at the time he or she allegedly violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. Additionally, the *Code* applies while on Collin College property, using Collin College facilities, and/or attending Collin College-sponsored activities on or off campus. Collin College will follow the disciplinary process even if a student transfers or withdraws while disciplinary action is pending.

### **Student Expectations**

Students are expected to comply with the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. Collin College students are both citizens and members of the academic community. As citizens and students, they enjoy the same freedom of speech, peaceful assembly, and right of petition that other citizens enjoy. As members of the academic community, they are subject to the obligations that are theirs by virtue of this membership.

Collin College expects its students to conduct themselves in a manner that reflects credit upon the institution they represent. There are two (2) basic standards of behavior required of all students:

1. they shall adhere to Collin College policies and municipal, county, state, and federal laws; and
2. they shall not interfere with or disrupt the orderly educational processes of Collin College.

Students are entitled to only those immunities or privileges by law as enjoyed by other citizens, and neither lose their rights nor escape the responsibilities of citizenship. Collin College may initiate the disciplinary process for an alleged violation of the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures regardless of the student's current status with a municipal, local, state, and/or federal authority for the same act.

In the event that any provision in this *Student Code of Conduct* conflicts with the law of the State of Texas or the United States of America, the state or federal law shall prevail.

Definitions of terminology used in the *Student Code of Conduct* can be found in the *College Terminology* section of the *Student Handbook*.

## **CHAPTER 1 - STUDENTS' RIGHTS AND RESPONSIBILITIES**

### **7-1.1 Authorized Use of Facilities**

---

#### **A. Philosophy**

Collin College is supported by public and private funds. Those who benefit most from its activities are students. However, since Collin College is supported by all individuals in its service area, Collin College is dedicated to serving the needs of all its constituents, as appropriate. In support of this mission, Collin College encourages use of its facilities by the public.

The grounds and facilities of Collin College shall be made available to members of the Collin College community, including students and their respective approved student organizations, when such use does not conflict with normally scheduled activities or any Collin College policy. Students and approved student organizations shall be subject to Collin College rules and regulations governing the use of Collin College facilities. The requesting student(s) or approved student organizations shall pay all expenses incurred by their use of the facilities. Such expenses are limited to the cost for required Collin College custodial, security, and building staff, and damages and/or losses.

The campus facilities scheduling coordinator shall assign priorities to requests for the use of Collin College facilities in accordance with Board policy. The campus facilities scheduling coordinator, working in conjunction with the appropriate campus vice president/provost or designated representative, shall approve events, dates, and times; resolve conflicts; and approve any deviations from the priority schedule or from the standard fee structure as deemed necessary to carry out Collin College policy in accordance with its philosophy.

Priority for use of Collin College facilities is given to academic programs and approved extra-curricular activities. Collin College will follow the priority schedule contained in Board policy GF (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>. To reserve space or to obtain activity approval, student organizations should contact Student Life; all other parties should contact the campus facilities scheduling coordinator at the appropriate campus.

#### **B. Children on Campus**

Unattended children shall not be allowed in Collin College facilities at any time. For the purpose of this policy, children are defined as minors who are not currently enrolled in classes or approved programs with Collin College. Children shall not be taken to orientations, classes, labs, testing centers,

or other academic programs. Furthermore, children shall not be taken to work with Collin College employees, other than for approved programs with Collin College.

### **C. Animals on Campus**

Collin College shall allow certain animals to accompany a student or visitor on campus, in accordance with the following:

1. Instructional animals required for use in teaching or research. Prior to bringing an animal on campus for instructional purposes, written permission shall be obtained from the appropriate academic dean. The permission statement shall clearly designate the date, location, and purpose for the animal's presence on campus. Each animal shall be on a leash, or equivalent, and fully under the control of the handler. The handler shall have documentation of current vaccinations for the animal. The care and supervision of the animal shall be the sole responsibility of the handler.
2. Service animals are those that are individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. A service animal shall be under the control of its handler. A service animal shall have a harness, leash, other tether, or otherwise be under the handler's control (e.g., voice control, signals, or other effective means). Students with allergies to a service animal may request reasonable accommodations under the *Americans with Disabilities Act (ADA)* through Collin College's ACCESS Office. For additional information, see Board policies FAA (LEGAL) and GF (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>.
3. All other animals shall not be permitted on any Collin College campus or in any College District facility.

### **7-1.2 Discrimination**

---

Collin College prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, veteran status, age, or on any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of Collin College policy and is prohibited. Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, veteran status, age, or on any other basis prohibited by law, that adversely affects the student. For additional information, see Board policy FFD (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>.

*Students who believe they have experienced prohibited discrimination or believe that another student has experienced prohibited conduct are encouraged to file a complaint as stated in the Code, Chapter 1, Section 7-1.10 Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence.*

## **7-1.3 Harassment**

---

### **Prohibited Harassment:**

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender, national origin, disability, veteran status, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct limits or denies a student's ability to participate in or benefit from Collin College's educational program.

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

### **Sexual Harassment by an Employee:**

Sexual harassment of a student by a Collin College employee includes unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. a Collin College employee causes the student to believe that the student must submit to the conduct in order to participate in a Collin College program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. the conduct is so severe, persistent, or pervasive that it limits or denies the student's ability to participate in or benefit from Collin College's educational program.

### **Sexual Harassment by Others:**

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it limits or denies a student's ability to participate in or benefit from Collin College's educational program

### **Sexual Violence:**

Sexual violence is a form of sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol or due to an intellectual or other disability. See also dating violence and domestic violence as defined in the *Code*, Chapter 1, Section 7-1.8 *Prohibition Against Acts of Assault, Violence, and/or Stalking*.

**Examples:**

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; rape; sexual assault; sexual battery; sexual coercion; and other sexually motivated conduct, communication, or contact. Physical contact not reasonably construed as sexual in nature is not sexual harassment.

**Gender-based Harassment:**

Gender-based harassment is a form of sex discrimination and includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct limits or denies a student's ability to participate in or benefit from Collin College's educational program.

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

For additional information, see Board policy FFD (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>.

*Students who believe they have experienced prohibited harassment, sexual harassment, sexual violence, and/or gender-based harassment or believe that another student has experienced prohibited conduct are encouraged to file a complaint as stated in the Code, Chapter 1, Section 7-1.10 Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence.*

**7-1.4 Retaliation**

---

Collin College prohibits retaliation by a student or Collin College employee against a student alleged to have experienced discrimination or harassment or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or otherwise participates in an investigation. Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Additionally, students may not harass, stalk, intimidate, interfere with, or coerce another individual to not report or participate in a disciplinary proceeding. Unlawful retaliation does not include petty slights or annoyances. For additional information, see Board policy FFD (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>.

*Students who believe they have experienced prohibited retaliation or believe that another student has experienced prohibited conduct are encouraged to file a complaint as stated in the Code, Chapter 1, Section 7-1.10 Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence.*

### **7-1.5 Disorderly Conduct**

---

Collin College prohibits any disruptive behavior that interferes with teaching, research, administration, discipline, functions, including public-service functions, or other Collin College-sponsored activities. Disorderly conduct shall include any of the following activities occurring on property owned or controlled by Collin College or at Collin College-sponsored functions:

1. Behavior of an unruly and rowdy nature such that there is a clear and present danger of alarming persons where no legitimate reason for alarm exists.
2. Interference with the peaceful and lawful conduct of persons under circumstances in which there is reason to believe that such conduct will cause or provoke a disturbance.
3. Violent and forceful behavior at any time, such that there is a clear and present danger that free movement of other persons will be impaired.
4. Behavior involving personal abuse or assault when such behavior creates a clear and present danger of causing assaults or fights.
5. Violent, abusive, indecent, profane, boisterous, unreasonably loud, or otherwise disorderly conduct under circumstances in which there is reason to believe that such conduct will cause or provoke a disturbance.
6. Willful and malicious behavior that interrupts the speaker of any lawful assembly or impairs the lawful right of others to participate effectively in such assembly or meeting where there is reason to believe that such conduct will cause or provoke a disturbance.
7. Willful and malicious behavior that obstructs or causes the obstruction of any doorway, hall, or any other passageway in a Collin College building to such an extent that the employees, officers, and other persons, including visitors, having business with Collin College are denied entrance into, exit from, or free passage in such building.

### **7-1.6 Off-campus Conduct**

---

When a student is alleged to have violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures during a Collin College-sponsored activity off campus, Collin College reserves the right to investigate and initiate disciplinary proceedings. Collin College may take action in situations occurring at off-campus, college-sponsored activities involving: student misconduct that demonstrates flagrant disregard for any other student or person; student behavior that threatens the health, safety, or property of any individual; and/or any other activity which adversely affects the Collin College community or the pursuit of Collin College's *Core Values*.

If the Dean of Students Office determines that the conduct affects Collin College as stated above, disciplinary proceedings may be initiated pursuant to the procedures listed in this *Code*. The actions of the Dean of Students Office may be independent of any outside or local law enforcement authority.

### **7-1.7 Hazing**

---

Collin College prohibits hazing at the College District, on College District property, or while attending College District-sponsored activities on or off campus. The following information is taken from *Texas Education Code Chapter 37, Subchapter F* and *Section 51.936* of the *Texas Higher Education Code*.

“Hazing” means any intentional, knowing, or reckless act occurring on or off Collin College campuses by one (1) person alone or acting with others, directed against a student, that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students. The term includes:

1. any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;
2. any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
3. any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
4. any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, or that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or Collin College rather than submit to acts described above; and/or
5. any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the *Texas Penal Code* and/or other applicable law.

#### **A person commits an offense if the person:**

1. engages in hazing;
2. solicits, encourages, directs, aids, or attempts to aid another in engaging in hazing; and/or

3. has first-hand knowledge of the planning of a specific hazing incident involving a student at Collin College, or first-hand knowledge that a specific hazing incident has occurred, and knowingly fails to report that knowledge in writing to the Dean of Students Office.

**“Student” means any person who:**

1. is registered in or in attendance at an educational institution;
2. has been accepted for admission at the educational institutional where the hazing incident occurs; or
3. intends to attend an educational institution during any of its regular sessions after a period of scheduled vacation.

**An organization commits an offense if the organization:**

1. condones or encourages hazing; or
2. if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing.

“Organization” means a fraternity, sorority, association, corporation, order, society, corps, club, or service, social, or similar group, whose members are primarily students.

The Dean of Students Office shall publish or distribute annually a list of organizations, if any, that have been disciplined or convicted for hazing on or off campus during the previous three (3) years. For additional information, contact the Dean of Students Office or see Board policies FLB (LOCAL) and FLBC (LEGAL) available on the web at <http://pol.tasb.org/home/index/304>.

### **7-1.8 Prohibition Against Acts of Assault, Violence, and/or Stalking**

Students are prohibited from committing any of the following acts against a person while at Collin College, on Collin College property, while attending Collin College activities on or off campus, and/or while under Collin College’s jurisdiction. Pursuant to *Title IX of the Education Amendments of 1972 (Title IX)* and the *Violence Against Women Reauthorization Act of 2013 (VAWA)*, Collin College is required to investigate and respond to alleged incidents of prohibited conduct that are reported to a College District official (i.e., Title IX coordinator, deputy Title IX coordinator, campus security authority, etc.), even if the behavior does not rise to the level of unlawful conduct.

#### **Simple Assault:**

The *Texas Penal Code* defines simple assault as:

1. intentionally, knowingly, or recklessly causing bodily injury to another, including the person’s spouse;
2. intentionally or knowingly threatening another with imminent bodily injury, including the person’s spouse; or

3. intentionally or knowingly causing physical contact with another when the person knows or should reasonably believe that the other will regard the contact as offensive or provocative.

### **Aggravated Assault:**

The *Texas Penal Code* defines aggravated assault as causing serious bodily injury to another, including the person's spouse; or using or exhibiting a deadly weapon during commission of the assault.

### **Collin College's Definition of Consent to Sexual Activity:**

Sexual activity requires consent, which is defined as an informed, voluntary, affirmative, and mutual agreement between the participants to engage in a specific sexual act. The following guidelines will be used to determine whether consent was obtained:

1. Consent to sexual activity can be communicated in a variety of ways, but one should not presume that consent has been given in the absence of a clear, positive agreement.
2. Consent can only be accurately gauged through direct communication about the decision to engage in sexual activity. The absence of the word "no" or the like (e.g., "stop") does not imply consent.
3. Although consent can be nonverbal, verbal communication is the most reliable form of asking for and obtaining consent. Discussing your desires, needs, and limitations with sexual partners provides a basis for positive sexual experiences shaped by mutual willingness and respect.
4. Presumptions based upon contextual factors (e.g., provocative clothing or dancing, etc.) are unwarranted, and should not be considered grounds for consent.
5. As defined in the *State of Texas Penal Code §22.011 Sexual Assault*, the age of sexual consent is 17. Therefore, consent cannot be obtained from someone who is under the age of 17 as that person is legally considered to be a minor.
6. Consent cannot be obtained from someone who is asleep, unconscious, or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition (e.g., an intellectual or other disability). A person is mentally or physically incapacitated when that person lacks the ability to make or act on considered decisions to engage in sexual activity. Engaging in sexual activity with a person whom you know – or reasonably should know – to be incapacitated constitutes sexual violence.
7. Consent to some sexual acts does not constitute consent to others.
8. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. If you proceed despite your partner's verbal and/or nonverbal communication to stop, you have committed sexual violence.
9. Consent cannot be obtained by threat, coercion, or force. Agreement under such circumstances does not constitute consent.

10. A prior sexual encounter or pre-existing relationship does not indicate consent to current or future sexual activity.

**Dating Violence:**

In accordance with the *Violence Against Women Reauthorization Act of 2013* (VAWA), the term “dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:

1. the length of the relationship,
2. the type of relationship, and
3. the frequency of interaction between the persons involved in the relationship.

**Domestic Violence:**

In accordance with the *Violence Against Women Reauthorization Act of 2013* (VAWA), the term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Sexual Violence:**

The definition and examples of sexual violence may be found in the *Code*, Chapter 1, Section 7-1.3 *Harassment*.

**Stalking:**

In accordance with the *Violence Against Women Reauthorization Act of 2013* (VAWA), the term “stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

*Note: Collin College has a process in place to report crimes. In addition, complainants/victims have the right to submit a confidential report, even if they do not want to pursue proceedings with Collin College or the criminal justice system, see Section 6.6 Collin College Police Department in the current student handbook, for more information.*

*Students who believe they have experienced prohibited dating violence, domestic violence, sexual violence, and/or stalking or believe that another student has experienced prohibited conduct are encouraged to file a complaint as stated in the Code, Chapter 1, Section 7-1.10 Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence.*

Students who believe they have experienced prohibited simple assault or aggravated assault or believe that another student has experienced prohibited conduct are encouraged to contact the Collin College Police Department at 972.578.5555, the Dean of Students Office at 972.881.5604, and/or file a student incident report at [https://www.collin.edu/studentresources/deanofstudents/forms/student\\_incident\\_report.html](https://www.collin.edu/studentresources/deanofstudents/forms/student_incident_report.html).

### **7-1.9 Student Complaints: General Complaints**

---

In this policy, the terms “complaint” and “grievance” shall have the same meaning. The student (grievant) making the complaint must be personally affected by the action. This policy shall apply to all student complaints, except as provided below. To file a grievance, complete the appropriate complaint and/or appeal form online at <http://www.collin.edu/hr/studentcomplaints/index.html>.

This policy shall not apply to:

1. complaints alleging sexual misconduct; sexual violence; or discrimination or harassment based on race, color, gender, national origin, disability, veteran status, age, religion, or any other legally protected classification (see the *Code*, Chapter 1, Section 7-1.10 *Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence*);
2. complaints concerning retaliation relating to discrimination and harassment (see the *Code*, Chapter 1, Section 7-1.10 *Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence*);
3. complaints concerning disciplinary decisions (see appeal information in the *Code*, Chapter 3, Section 7-3.4 *Administrative Decision of a Violation*);
4. complaints concerning an employee of Collin College who is not a commissioned peace officer (see Board policy DGBA (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>);
5. complaints concerning a commissioned peace officer who is an employee of Collin College (see Board policies DGBA (LOCAL), CHA (LEGAL), and CHA (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>);
6. appeals of academic suspension for grade point average below required 2.0 (see the current Collin College Catalog or the current student handbook, Chapter 5, Section 5.23 *Maximizing Academic Progress Program (MAPP)*);
7. appeals regarding academic grades (see Board policy FLDB (LOCAL) available on the web at <http://pol.tasb.org/home/index/304> and the current student handbook, Chapter 6, Section 6.15 *Grade Appeals Procedure*); and/or
8. appeals regarding financial aid (see the current Collin College Catalog or the current student handbook, Chapter 6, Section 6.12 *Financial Aid*).

### **Informal Complaint Process:**

A grievant is encouraged to initially resolve the issue at an informal level by discussing the concern with the individual (student, faculty member, staff

member, and/or administrator) identified by the grievant as causing or contributing to the grievance. If the grievant is unable to resolve the concern at the informal level, then he or she may proceed to the formal level.

If it is determined that a student's informal complaint does not involve an alleged violation of Collin College policy or state or federal law and may be adequately addressed without a formal hearing, the complaint may be referred to the appropriate dean, supervisor, or other College District representative for expedited informal resolution. The grievant will be provided an opportunity to submit any and all information relevant to the complaint to the designated College District representative. A formal hearing or meeting will not be held unless requested by the designated College District representative. The designated College District representative will issue a decision regarding the complaint in writing within 15 College District business days from the date the complaint was filed. The written decision may be issued in an informal email or letter to the grievant. The decision shall reject the grievance or grant the grievance and make recommendation(s) to resolve the issue(s). The decision is final and may not be appealed.

#### **Formal Complaint Process:**

The grievant shall file, no later than 20 College District business days from the time the student knew or should have known of the alleged incident or events giving rise to the incident, a written statement identifying the actions being complained of and describing the remedy he or she is seeking. This written complaint shall be filed with the Dean of Students Office through the online complaint system, located at: <http://www.collin.edu/hr/studentcomplaints/index.html> on the Student Resources webpage. The matter shall be closed if the complaint is not substantiated. The grievant shall be notified of the reasons for closure.

The dean of students or appropriate designee shall hear the grievance within the established rules, which shall be provided by the dean of students or appropriate designee upon request. A hearing shall be held, which shall give the grievant and College District personnel who are named in the grievance an opportunity to explain what they know about the issues surrounding the grievance and to review any related information or materials. The dean of students or appropriate designee may choose to hear the information in separate/individual hearings. The student is responsible for presenting his or her own case.

Considering the oral and written statements and comments, the dean of students or appropriate designee shall issue a decision within ten (10) College District business days of the close of the hearing. The decision shall reject the grievance or grant the grievance and make recommendation(s) to resolve the issue(s). Copies of the decision shall be served to the grievant and the respondent either personally or by certified mail.

The decision of the dean of students or appropriate designee shall be final unless a written request for review is filed with the vice president of student and enrollment services by either party within three (3) College District business days of notification of the decision. Upon receipt of a request for review, the vice president of student and enrollment services shall review the record and issue a written decision within ten (10) College District business days. The decision of the vice president of student and enrollment services is final and may not be appealed.

*Note: Collin College has a process in place to report crimes. In addition, complainants/victims have the right to submit a confidential report, even if they do not want to pursue proceedings with Collin College or the criminal justice system, see Section 6.6 Collin College Police Department in the current student handbook, for more information.*

For additional information, see Board policy FLD (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>.

#### **Confidentiality:**

To the greatest extent possible, Collin College shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

A list of CSAs is available on the Collin College Police Department's website <http://www.collin.edu/campuspolice/>.

Any Collin College employee who has reason to believe or receives notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the Title IX coordinator, deputy Title IX coordinator, or designee and shall take any other steps required.

#### **Alternative Reporting Procedures:**

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against a Title IX coordinator, deputy Title IX coordinator, or designee may be directed to the College District president. A report against the College District president may be made directly to the Board of Trustees (Board). If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

#### **Timely Reporting:**

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair Collin College's ability to investigate and address the prohibited conduct.

#### **False Claims:**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a Collin College investigation regarding discrimination or harassment shall be subject to appropriate disciplinary action.

#### **Investigation of the Report:**

Collin College may request, but shall not require, a written report. If a report is made orally, the Title IX coordinator, deputy Title IX coordinator, or designee shall reduce the report to written form.

#### **Initial Assessment:**

Upon receipt or notice of a report, a Title IX coordinator, deputy Title IX coordinator, or designee shall determine whether the allegations, if proven, would

constitute prohibited conduct (i.e., discrimination, harassment, retaliation, and/or sexual violence). If so, a Title IX coordinator, deputy Title IX coordinator, or designee shall immediately appoint a hearing officer and authorize or undertake an investigation, except as provided below in the subsection titled “Criminal Investigation.”

**Interim Action:**

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, Collin College shall promptly take interim action calculated to address prohibited conduct prior to the completion of Collin College’s investigation.

**Collin College Investigation:**

The investigation may be conducted by a Title IX coordinator, deputy Title IX coordinator, designee, or by a third (3rd) party designated by Collin College, such as an attorney. The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations. Both the complainant and student respondent may have an observer(s) present during any meetings with the hearing officer.

**Criminal Investigation:**

If a law enforcement or regulatory agency notifies Collin College that a criminal or regulatory investigation has been initiated, Collin College shall confer with the agency to determine if Collin College’s investigation would impede the criminal or regulatory investigation. Collin College shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, Collin College shall promptly resume its investigation.

**Concluding the Investigation:**

Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for Collin College to delay its investigation, the investigation should be completed in accordance with federal law; however, the investigator shall take additional time if necessary to complete a thorough investigation. The investigator shall prepare a written report of the investigation. The report shall be filed with the Title IX coordinator, deputy Title IX coordinator, or designee overseeing the investigation.

**Notification of the Outcome:**

Collin College shall provide written notice of the outcome, within the extent permitted by law, to both the complainant and the respondent in compliance with the *Family Educational Rights and Privacy Act of 1974 (FERPA)*.

**Collin College Action Prohibited Conduct:**

If the results of an investigation indicate that prohibited conduct occurred, Collin College shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with Collin College policy and procedures.

**Collin College Action Improper Conduct:**

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct, Collin College may take disciplinary action in accordance with Collin College policy and procedures or other corrective action reasonably calculated to address the conduct.

**Corrective Action:**

Corrective action may include, but is not limited to, disciplinary penalties outlined in the *Student Code of Conduct (Code)*, Chapter 4, Section 7-4.1 *Authorized Disciplinary Penalties*. For additional information, see Board policy FFD (LOCAL) available on the web at <http://pol.tasb.org/home/index/304>.

**Exception:**

Collin College shall not require a student who complains of sexual harassment to resolve the problem directly with the person who engaged in the harassment. Mediation shall not be used to resolve sexual harassment complaints.

**Appeal:**

A complainant or respondent who is dissatisfied with the outcome of the investigation may file a written appeal stating the reasons why the determinations by the hearing officer are not satisfactory. The appeal shall be submitted in writing to the Title IX coordinator, deputy Title IX coordinator, or designee overseeing the investigation within 15 business days of the decision giving rise to the appeal.

Level one appeals relating to a complaint against another student shall be reviewed by the vice president of student and enrollment services. Level one appeals relating to a complaint against a Collin College employee shall be reviewed by the vice president of the division for which the employee works.

A complainant or respondent who is dissatisfied with the outcome of a level one appeal shall have the right to file a level two written appeal stating the reasons why the findings in the level one appeal determinations by the appropriate vice president are not satisfactory. The level two appeal shall be submitted in writing to the Title IX coordinator, deputy Title IX coordinator, or designee overseeing the investigation within 15 business days of the decision giving rise to the appeal. All level two appeals shall be reviewed by the administrative review panel. With the exception of cases that involve expulsion of a student, the determination of the administrative review panel is final and cannot be appealed. An administrative

review panel, for the purposes of this policy, is comprised of Collin College administrators. Information about the administrative review panel may be obtained from the Title IX (student services) coordinator or designee.

In cases that involve the expulsion of a student, the complainant and/or respondent may submit a level three appeal in writing, within 15 business days of the decision of the administrative review panel, stating the reasons why the determinations by the administrative review panel are not satisfactory. The appeal shall be submitted to the Title IX (student services) coordinator or designee who will forward all level three appeals for consideration by the Board of Trustees (Board). The decision of the Board is final and cannot be appealed.

Each complainant and respondent shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

### **Reinstatement Procedures:**

In a case involving discrimination, harassment, retaliation, and/or sexual violence, a student respondent who has been removed from a courses or courses or Collin College shall be eligible to seek reinstatement in accordance with the following:

1. the student respondent receives a favorable determination or favorable appeal, and
2. the complainant chooses not to appeal the decision further or the complainant has exhausted all levels of appeal permitted, and
3. the case is final.

The student respondent may then request reinstatement to the courses or courses in which he or she was enrolled prior to separation or Collin College. To the extent possible, reasonable efforts shall be made to ensure that the student respondent be permitted to make up the course work required for satisfactory completion of a course which he or she began prior to the onset of the complaint process.

In a case involving, but not limited to, discrimination, harassment, retaliation, and/or sexual violence, where a student respondent does not receive a favorable determination and does not appeal, or has exhausted all levels of appeal, the final determination of the case will stand, and the student respondent will not be allowed to return to his or her courses and/or Collin College.

*Note: Collin College has a process in place to report crimes. In addition, complainants/victims have the right to submit a confidential report, even if they do not want to pursue proceedings with Collin College or the criminal justice system, see Section 6.6 Collin College Police Department in the current student handbook, for more information.*

### **Definition of Possession**

Possession means actual care, custody, control, or management and includes the act of taking control or occupancy of property without regard to the ownership of the property. Possession is a voluntary act if the possessor knowingly obtains or receives the item possessed or is aware of his or her control over the item for a sufficient time to permit the student to terminate his or her control. In addition, items in a car under the care, custody, control, or management of the student will be in the student's possession.

### **Exception**

For assistance with cessation, contact Counseling Services.

### **Drug Testing**

Student participation in certain academic and extra-curricular programs may require drug testing. The student may be tested upon beginning participation in the identified programs and/or a random basis. The requirements are defined and available for review prior to a student enrolling in Collin College or participating in the affected programs and activities.

## 7-2.2 Scholastic Dishonesty

---

Every member of the Collin College community is expected to maintain the highest standards of academic integrity. All work submitted for credit is expected to be the student's own work. Collin College may initiate disciplinary proceedings against a student accused of scholastic dishonesty. While specific examples are listed below, this is not an exhaustive list and scholastic dishonesty may encompass other conduct, including any misconduct through electronic or computerized means. Scholastic dishonesty shall include, but is not limited to, one or more of the following acts:

**General Scholastic Dishonesty** includes, but is not limited to, statements, acts, or omissions related to applications for enrollment, credit or class work, research, or the award of a degree; falsifying academic records; using annotated texts or teacher's editions; using information about exams posted on the Internet or other electronic medium; leaving a test site without authority; failing to secure test materials; and/or submitting work that is not one's own. Students are expected to record honestly and accurately the results of all their research. Falsification of research results shall include misrepresentations, distortions, or omissions in data or reports on research.

**Plagiarism** is the use of an author's words or ideas as if they were one's own without giving credit to the source, including, but not limited to, failure to acknowledge a direct quotation or patchwriting. In the preparation of all papers and other written work, students must distinguish their own ideas and knowledge from information derived from other sources. The term "sources" includes not only published primary and secondary materials, but also information and opinions gained directly from other people. Whenever ideas or facts are derived from a source, the source must be indicated by the student.

**Cheating** is the giving or receiving of information in an unauthorized manner during an examination or to complete an assignment; collaborating with another student during an examination without authority; using, buying, selling, soliciting, stealing, or otherwise obtaining course assignments and/or examination questions in advance; unauthorized copying of computer or Internet files; using someone else's work for an assignment as if it were one's own; submitting or resubmitting an assignment in whole or in part (i.e., recycling an assignment) for more than one (1) class or institution without permission from each of the professors; or any other dishonest means of attempting to fulfill the requirements of a course.

**Collusion** is intentionally or unintentionally aiding or attempting to aid another in an act of scholastic dishonesty, including, but not limited to, failing to secure academic work; providing a paper or project to another student; providing an inappropriate level of assistance or unauthorized collaboration; communicating

answers to a classmate about an examination or any other course assignment; removing tests or answer sheets from a test site; and allowing a classmate to copy answers.

In cases where an incident report has been filed for an alleged violation of scholastic dishonesty, the faculty member is requested to delay posting a grade for the academic work in question until the case is final. A student found responsible for scholastic dishonesty offenses will receive an authorized disciplinary penalty or penalties from the Dean of Students Office. If the student is found responsible for a scholastic dishonesty violation(s), he or she may also receive an academic penalty determined by the faculty member, which may range from a grade of zero on the assignment to failing the course.

## **CHAPTER 3 –DISCIPLINARY PROCEDURES**

### **7-3.1 Initial Response**

---

To initiate disciplinary proceedings, alleged violations of the *Student Code of Conduct* shall be submitted in writing to the dean of students or designee, by completing the *Student Incident Report* online at [https://www.collin.edu/studentresources/deanofstudents/forms/student\\_incident\\_report.html](https://www.collin.edu/studentresources/deanofstudents/forms/student_incident_report.html) within 20 College District business days of the alleged incident. When a violation of the *Student Code of Conduct*; Board policies; Collin College procedures; and/or municipal, local, state, or federal laws or regulations is alleged, the dean of students or designee shall review the allegations and initiate an investigation.

After the initial investigation, the dean of students or designee shall:

1. dismiss the allegation;
2. resolve the allegation through appropriate avenues available within Collin College;
3. proceed administratively through the disciplinary process by notifying the student to schedule a meeting to review the allegation (as stated in the *Code*, Chapter 3, Section 7-3.3 *Notifying a Student*); or
4. immediately issue a temporary suspension pending a formal investigation (as stated in the *Code*, Chapter 3, Section 7-3.5 *Temporary Immediate Suspension*).

### **7-3.2 Disciplinary Files/Records**

---

Student referrals due to an alleged violation of the *Student Code of Conduct* may result in a disciplinary file being created in the name of the accused student. Records relating to violations that result in administrative re-assignment of an academic grade, permanent denial of a degree from Collin College, or expulsion from Collin College shall be retained permanently. Records relating to all other disciplinary files, including those concerning investigations that do not result in disciplinary action, shall be retained for three (3) years from the end of the academic calendar year of the most recent alleged incident. Records of crimes of violence (as defined by the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, 20 U.S.C. § 1092(f), see the current student handbook, Section 6.8 *Crime Statistics*), or records of students found responsible for repeated violations of the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures shall be retained longer than three (3) years, if required by law.

Authorized Collin College officials may disseminate student disciplinary information to officials at other schools without prior consent, in accordance with the requirements of the *Family Educational Rights and Privacy Act of 1974 (FERPA)*.

### **7-3.3 Notifying a Student**

---

- A. If the allegation is substantiated, a student shall be notified to appear and provide information to assist in the investigation through any of the following methods:
1. A sealed letter sent through campus mail in care of one (1) of the student's professors for delivery at the end of class. The professor will be instructed to return the letter immediately after the class if the student is not in attendance.
  2. A letter mailed to the student's address as listed with the Admissions and Records Office. The student is responsible for keeping the Admissions and Records Office apprised of his or her current home address. Failure to do so constitutes a violation of the *Code*, Chapter 2, Section 7-2.3 *Other Offenses*, Item I.
  3. A written communication sent to the student's Collin College CougarMail (email account) and/or hand-delivered by the dean of students or designee. If the communication is hand-delivered, the dean of students or designee will document the date, time, and place of hand-delivery.
- B. From the date of the letter, message or communication, a student is afforded a three (3) College District business day grace period prior to meeting with the dean of students or designee. If the student wants to schedule a meeting during the grace period, the student should contact the Dean of Students Office for appointment availability. The communication shall also describe the alleged violation(s), provide information regarding the purpose for the meeting, and/or additional instructions to the student.
- C. The student may appear with an advisor, family member, or with legal counsel; however, only the student may speak on his or her behalf. Should the student choose to appear with legal counsel, the student must notify the dean of students or designee no less than three (3) College District business days prior to the meeting in order for the dean of students or designee to also secure legal counsel.
- D. During the meeting with the student, the dean of students or designee shall review the information in the *Student Code of Conduct* related to the case and the documentation obtained during the investigation. The purpose of the meeting is to hear and receive information and/or other evidence from the student.

- E. Students have the right to make an audio recording of disciplinary proceedings. If the student intends to record any disciplinary meeting, the student shall inform the appropriate Collin College official prior to the start of the meeting. The student and Collin College may each request a copy of the other's audio recording. Any other recording, telephone, computer, media, and/or telecommunication device not previously approved by the Collin College official must be completely turned off (not on silent or vibrate) during any disciplinary meeting.
- F. An authorized Collin College official may place a student on disciplinary probation or determine an appropriate penalty or penalties if the student fails, without good cause, to comply with instructions in the notification letter or otherwise fails to attend a scheduled meeting. In addition, an authorized Collin College official may proceed directly through the disciplinary process.

### **7-3.4 Administrative Decision of a Violation**

- A. The dean of students or designee shall determine whether or not a student is responsible for violating the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. The dean of students or designee shall use the "preponderance of the evidence" standard (i.e., more likely than not to have occurred). The dean of students or designee is authorized to address any alleged violations by:
  - 1. finding the student not responsible of the allegations;
  - 2. addressing the case in an informal manner; or
  - 3. finding the student responsible of the allegations.
- B. If the dean of students or designee determines the student is found not responsible of the alleged violations, the student shall not receive an authorized disciplinary penalty or an academic penalty if the violation is related to scholastic dishonesty. An administrative decision from the dean of students or designee that finds the student is not responsible or that addresses the case in an informal manner shall be final, binding, and non-appealable.
- C. If the dean of students or designee determines that addressing the alleged violations informally is more appropriate, the student shall not receive an authorized disciplinary penalty from the dean of students or designee or an academic penalty if the violation is related to scholastic dishonesty. However, the dean of students or designee shall have the authority to assign behavioral directives to support compliance with the *Student Code of Conduct*. The student shall be required to comply with all directives specified in the administrative decision. In informal cases, a student shall be required to sign an acknowledgement form stating that he or she will comply with the *Student Code of Conduct* for the remainder of his or her tenure with Collin College,

and the decision of the dean of students or designee shall be final, binding, and non-appealable. A student's failure to comply with the directives or the acknowledgement form shall result in formal disciplinary action.

- D. If the dean of students or designee determines the student is found responsible for the alleged violations, the dean of students or designee may impose an authorized disciplinary penalty or penalties (see the *Code*, Chapter 4, Section 7-4.1 *Authorized Disciplinary Penalties*). In addition, if the student is found responsible of violating the *Code*, Chapter 2, Section 7-2.2 *Scholastic Dishonesty*, the student may also receive an academic penalty in the course where the scholastic dishonesty took place. The faculty member shall determine the appropriate academic penalty.
- E. A student who accepts the administrative decision of the dean of students or designee shall sign a statement indicating that he or she understands the violations, provides notice of the student's rights, including the right to an appeal or to waive the same, and the authorized disciplinary penalty or penalties imposed. This statement must be signed no later than the third (3rd) College District business day following the administrative decision. Once this statement is signed, the student shall not be allowed to appeal the administrative decision at a later date, and he or she shall be expected to comply with all disciplinary penalties listed in the administrative decision.
- F. If the student appeals the administrative decision of the dean of students or designee, he or she must submit the online *Disciplinary Appeal Form* located at [https://www.collin.edu/hr/studentcomplaints/DOSD\\_studentcomplaints.html](https://www.collin.edu/hr/studentcomplaints/DOSD_studentcomplaints.html) on or before the third (3rd) College District business day following the administrative decision.
- G. If the student does not sign an administrative decision acceptance statement or submit the online *Disciplinary Appeal Form* by the stated deadline, the original administrative decision issued by the dean of students or designee shall stand. In addition, since the student did not submit a signed disciplinary appeal form requesting an appeal within the designated time period, the student shall not be allowed to appeal at a later date. The student shall be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.
- H. Pursuant to the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)*, 20 U.S.C. § 1092(f), and *Title IX of the Education Amendments of 1972 (Title IX)*, information about the administrative decision of a student respondent will be disclosed in writing to the complainant in cases involving crimes of violence, sexual harassment, non-forcible sex offenses, and/or sexual violence, in accordance with the law.

### **7-3.5 Temporary Immediate Suspension**

---

- A. An authorized Collin College official shall have the authority to issue a temporary immediate suspension without advance written notice pending a formal investigation, notification meeting, and administrative decision. The reasons for issuing a temporary immediate suspension without advance written notice include, but are not limited to, the following:
1. failure to comply with a notification for a meeting;
  2. an attempt to cause or actually causing bodily harm to others;
  3. an alleged violation involving alcohol, drugs, and/or paraphernalia as defined in the *Code*, Chapter 2, Section 7-2.1 *Alcohol, Drugs, Smoking, Tobacco, and/or Electronic Smoking Devices Prohibited*;
  4. damaging, stealing, defacing, or destroying property while at Collin College, on Collin College property, and/or while attending a Collin College-sponsored activity on or off campus;
  5. any incident causing a major disruption that interferes with teaching, research, administration, discipline, functions, including public-service functions, or other Collin College-sponsored activities as defined in the *Code*, Chapter 1, Section 7-1.5 *Disorderly Conduct*;
  6. an alleged violation as defined in the *Code*, Chapter 2, Section 7-2.3, *Other Offenses*, Item M (prohibited weapons); and/or
  7. an alleged violation of the *Student Code of Conduct* that the administrator considers to be a major violation or an immediate threat to faculty, staff, students, and/or the campus climate.
- B. When a temporary immediate suspension has been issued, a student is afforded a three (3) College District business day grace period prior to meeting with the dean of students or designee. If the student wants to meet during the grace period, the student should contact the Dean of Students Office for appointment availability.
- C. If a student on temporary immediate suspension receives a favorable administrative decision or favorable appeal, and the case is final, the student may seek reinstatement into his or her course(s) and/or Collin College in accordance with the *Code*, Chapter 7, Section 7-7.1 *Favorable Administrative Decision or Appeal*.

### **7-3.6 Classroom Dismissal by Faculty Member**

---

A faculty member shall have the authority to temporarily dismiss a student from class if the student engages in disruptive or inappropriate behavior in the classroom setting or interferes with the teaching and learning process. The temporary dismissal shall not exceed one (1) class period. If the student's behavior is so disruptive it is believed that he or she should be dismissed from more than one (1) class, the faculty member must submit an incident report to the Dean of Students Office and notify the appropriate academic associate dean.

## CHAPTER 4 – DISCIPLINARY PENALTIES

### 7-4.1 Authorized Disciplinary Penalties

---

A. Authorized disciplinary penalties for a violation(s) of the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures may be imposed by an authorized Collin College official, which is generally a representative from the Dean of Students Office. The severity of the penalty or penalties shall be in relation to the nature and gravity of the violation(s). Subject to additional considerations in rendering a disciplinary decision, Collin College will administer penalties consistently. A student's record of previous violation(s), the severity of the violation(s), the nature and the facts surrounding the violation(s), and other circumstances may factor into the determination of the penalty or penalties. Authorized disciplinary penalties imposed may include one (1) or more of the following, as appropriate:

#### Level One

1. written warning;
2. referral;
3. educational project assignment/experience;
4. disciplinary probation;
5. restitution;

#### Level Two

6. withholding of transcript or degree;
7. bar against admission or re-admission;
8. suspension of privileges;
9. suspension of eligibility for participation in official athletic and non-athletic extra-curricular activities;
10. administrative re-assignment of an academic grade;
11. disciplinary suspension;

B. The following definitions apply to the disciplinary penalties provided in this section:

1. **Written warning:** a written reprimand indicating a student violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. Further violations will result in more severe penalties.
2. **Referral:** a requirement that the student seeks assistance or attends a specialized program related to his or her conduct (e.g., physician, anger management program, drug/alcohol counseling, etc.). Upon completion, the student must provide documentation to the dean of students or designee.

3. **Educational project assignment/experience:** an assignment/experience allowing the student to learn specific behaviors or lessons related to his or her own conduct. An educational project assignment/experience may include, but is not limited to, the Academic Traditions and Cultures (ATC) seminar, essay assignment, drug/alcohol awareness seminar, paired relationships seminar, etc.
4. **Disciplinary probation:** a penalty indicating a student violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. Further violations will result in additional disciplinary action up to and including suspension or expulsion from Collin College. Disciplinary probation may be imposed for either one (1) or two (2) calendar years.
5. **Restitution:** reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.
6. **Withholding of transcript or degree:** a penalty imposed when a student fails to pay a fine, debt, or other amount owed to Collin College. This penalty terminates when the amount owed is paid in full.
7. **Bar against admission or re-admission:** a penalty indicating a prospective or readmitting student violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures during the admissions, advising, or assessment period. This penalty may be imposed for either one (1) or two (2) calendar years. Throughout the duration of this penalty, the prospective or readmitting student will not be allowed to register for credit classes, Continuing Education classes, noncredit classes, or seminars either on or off campus, regardless of location or circumstances. Furthermore, the student is not allowed on any Collin College campus or other facilities for any activity while this penalty is in effect.
8. **Suspension of privileges:** an elastic penalty that will impose specific limitations or restrictions to fit the facts of a particular case or offense. This penalty may be imposed for either one (1) or two (2) calendar years.
9. **Suspension of eligibility for participation in official athletic and non-athletic extra-curricular activities:** a penalty that prohibits a student from joining or participating in: Collin College student organizations, athletics, and/or non-athletic extra-curricular activities. This penalty may be imposed for either one (1) or two (2) calendar years.
10. **Administrative re-assignment of an academic grade:** a penalty indicating a student enrolled in a course or obtained a course grade through fraudulent means. The Registrar's office will be notified to change the course grade to a "ZW" designating "Administrative withdrawal due to a fraudulent act of scholastic dishonesty" on the student's transcript.
11. **Disciplinary suspension:** a penalty indicating a student was found responsible for major violations or repeated violations of the *Student*

*Code of Conduct*, Board policies, laws, and/or Collin College procedures. This penalty may be imposed for either one (1) or two (2) calendar years. Throughout the duration of this penalty, the student will not be allowed to register for credit classes, Continuing Education classes, noncredit classes, or seminars either on or off campus, regardless of location or circumstances. Furthermore, the student may not be initiated into a Collin College honorary or service organization, and is not allowed on any Collin College campus or other facilities for any activity while this penalty is in effect.

12. **Permanent denial of a degree from Collin College:** a penalty that permanently denies a student from receiving a degree from Collin College even if a student seeks and obtains re-admission. This penalty may be used in conjunction with the administrative re-assignment of an academic grade and/or expulsion.
  13. **Expulsion:** a permanent penalty indicating a student was found responsible for major violations or repeated violations of the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. The student will never be allowed to register for credit classes, Continuing Education classes, noncredit classes, or seminars either on or off campus, regardless of location or circumstances. Furthermore, the student may not be initiated into a Collin College honorary or service organization, and will never be allowed on any Collin College campus or other facilities for any activity. Recommendations for expulsion must be approved by Collin College's Board of Trustees.
- C. Penalties of bar against admission or re-admission, disciplinary suspension, permanent denial of a degree from Collin College, and expulsion shall be reserved for major violations or repeated violations of the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures.
- D. A student shall have the right to appeal a Level One disciplinary penalty to Collin College's Discipline Appeals Task Force (DATF) through the process outlined in the *Code*, Chapter 5, *Appealing Authorized Disciplinary Penalties*. A decision made by the DATF with respect to the disciplinary actions imposed shall be final, binding, and non-appealable.
- E. A student shall have the right to appeal a Level Two or Level Three disciplinary penalty to the DATF through the process outlined in the *Code*, Chapter 5, *Appealing Authorized Disciplinary Penalties*. A student shall have the right to appeal a decision made by the DATF with respect to disciplinary penalties imposed at Level Two or Level Three to the vice president of student and enrollment services through the process outlined in the *Code*, Chapter 6, *Appeal of a Level Two and/or Three DATF Decision*. A decision made by the vice president of student and enrollment services with respect to the disciplinary penalties imposed is final, binding, and non-appealable except when expulsion is recommended.

## CHAPTER 5 – APPEALING AUTHORIZED DISCIPLINARY PENALTIES

### 7-5.1 Procedures to Submit an Appeal

---

- A. A student shall have the right to appeal a decision made by the dean of students or designee regarding a general case as outlined by the *Code*, Chapter 4, Section 7-4.1 *Authorized Disciplinary Penalties*, to the Discipline Appeals Task Force (DATF). The student must submit the online *Disciplinary Appeal Form* located at [https://www.collin.edu/hr/studentcomplaints/DOSD\\_studentcomplaints.html](https://www.collin.edu/hr/studentcomplaints/DOSD_studentcomplaints.html) within three (3) College District business days following the administrative decision.
- B. An appeal of a decision made by a Title IX coordinator, deputy Title IX coordinator, or designee of a case involving discrimination, harassment, retaliation, or sexual violence shall follow the process outlined in the *Code*, Chapter 1, Section 7-1.10, *Student Complaints: Discrimination, Harassment, Retaliation, and/or Sexual Violence*.
- C. Concerns or complaints that are more appropriately addressed through Collin College's grievance processes and policies, including, but not limited to, grade appeals, complaints under instructional programs, or core performance standards, shall not be addressed by the DATF.

### 7-5.2 Discipline Appeals Task Force (DATF)

---

- A. Each DATF appeal panel shall be comprised of no less than four (4) full-time Collin College employees. Members of the DATF shall be appointed by the College District president or designee. A chair or an associate chair shall be assigned to oversee each appeal.
- B. DATF members assigned to each appeal shall review the documentation and other evidence provided by the dean of students or designee and the student.
- C. DATF members shall determine by vote whether or not a student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. All DATF members assigned to a given case are eligible to vote on the appeal. DATF decisions shall require a majority vote.
- D. If the DATF finds the student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures, the DATF shall determine whether the appropriate disciplinary penalty or penalties were imposed by the dean of students or designee and may adjust the disciplinary penalty or penalties, if warranted.

### **7-5.3 Evidence**

---

- A. Legal rules of evidence shall not apply to appeals. The DATF may allow and consider evidence that possesses reasonable value in the disciplinary case. Hearsay testimony or evidence are admissible and may be considered by the DATF on a case-by-case basis.
- B. Regardless of the evidence provided, the DATF shall presume that the student is not responsible for committing the alleged violations prior to the hearing. The DATF shall use a “preponderance of the evidence” standard (i.e., more likely than not to have occurred) when determining whether or not a student committed a violation.

### **7-5.4 Notice of Hearing**

---

- A. The dean of students or designee shall notify the student by letter and provide the date, time, and place for the DATF hearing. The letter shall specify a hearing date not less than three (3) College District business days nor more than fifteen (15) College District business days after receipt of the student’s *Disciplinary Appeal Form*. The student shall be provided a copy of the dean of students or designee’s administrative decision summary and a list of potential witnesses. The notice shall:
  - 1. specify the alleged violation(s) and disciplinary penalty or penalties;
  - 2. direct the student to appear at the date, time, and place specified;
  - 3. notify the student that the hearing will be private and closed to the public; and
  - 4. advise the student of his or her rights to:
    - a. appear with an advisor, family member, or with legal counsel at the DATF hearing; however, only the student shall be permitted to speak on his or her behalf. The purpose of the hearing is for the DATF to hear from the student directly. Should the student choose to appear with legal counsel, the student must notify the dean of students or designee by the specified deadline in order for the College District to secure legal counsel.
    - b. know the identity of each potential witness scheduled to testify against him or her, to the extent permitted by law;
    - c. make an audio recording of the DATF hearing. If the student intends to make an audio recording of the proceedings, the student shall inform the dean of students or designee by the specified deadline. The student and Collin College may each request a copy of the other’s audio recording. Any other recording, telephone, computer, media, or telecommunications device, not previously approved by the DATF chair or designee, must be completely turned off (not on silent or vibrate) during the DATF appeal hearing; and

- d. appeal the DATF's decision to the vice president of student and enrollment services or designee when the DATF upholds or adjusts the *Authorized Disciplinary Penalties* in the *Code*, Chapter 4, Section 7-4.1, categories (B) 6-13 only.
- B. The student shall provide to the dean of students or designee any documentation, a list of potential witnesses, and other relevant evidence to support his or her appeal by the specified deadline. All documentation from both the dean of students or designee and the student shall be forwarded to the DATF for review prior to the hearing. For more information on specific hearing procedures or deadlines, the student must contact the dean of students or designee.
- C. The DATF chair shall have the authority to postpone the hearing for good cause as long as all parties involved are notified by the dean of students or designee of the new hearing date, time, and place. The student shall be responsible for updating contact information, including current mailing address, with the College District's Registrar's Office. Failure of a student to keep contact information and current mailing address up-to-date constitutes a violation of the *Code*, Chapter 2, Section 7-2.3 *Other Offenses*, Item I.
- D. The DATF may hold a hearing at any time if:
  - 1. the student received actual notice of the date, time, and place of the hearing and the student failed to appear; or
  - 2. the dean of students, designee, or DATF chair states in writing that because of extraordinary circumstances, the requirements of the above are inappropriate.

### **7-5.5 DATF Hearing Procedures**

---

- A. Hearings shall be private and closed to the public. The DATF hearing shall be informal. All hearings shall be recorded by Collin College. The DATF chair shall provide reasonable opportunities for the dean of students or designee and the student to be heard, present relevant evidence, and submit a list of potential witnesses. Collin College shall be represented by the dean of students or designee.
- B. The DATF shall generally proceed as follows during the hearing, but may deviate from these steps, if necessary:
  - 1. Chair reads the complaint.
  - 2. Chair informs the student of his or her rights.
  - 3. All communication by the student and the dean of students or designee shall be made directly to the DATF chair. Neither the student nor the dean of students or designee shall be allowed to directly communicate with the other party.

4. Dean of students or designee presents Collin College's case and evidence to support the alleged violations, including the disciplinary penalty or penalties imposed. The dean of students or designee may be assisted by legal counsel; however, only the dean of students or designee shall be permitted to speak on Collin College's behalf.
5. Student presents his or her case. The student may be assisted by legal counsel; however, only the student shall be permitted to speak on his or her behalf.
6. The DATF chair may call relevant witnesses from the witness list provided. DATF members may question these witnesses during the course of the hearing. The DATF is charged with evaluating whether or not a student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures not a student's character; therefore, character witnesses shall not be considered and shall not be allowed to speak during the hearing.
7. Once the dean of students or designee and the student are given the opportunity to present a brief closing statement, the hearing shall be concluded and both parties shall be dismissed.

#### **7-5.6 Closed Session Deliberations**

---

- A. DATF members shall deliberate in closed session and review the documentation, testimony, and other evidence provided. DATF members shall vote on the issue of whether or not the student violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. DATF findings require a majority vote.
- B. If the DATF finds the student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures, the DATF shall determine whether the appropriate disciplinary penalty or penalties were imposed by the dean of students or designee, and may adjust the disciplinary penalty or penalties, if warranted.
- C. Within ten (10) College District business days, the DATF shall state in writing each finding and the penalty or penalties determined, if any, and may include its reasons for said findings and penalty or penalties. Each DATF member concurring with the findings and penalty or penalties shall sign the statement.

#### **7-5.7 After the Hearing**

---

- A. The dean of students or designee shall notify the student in writing of the DATF's decision and disciplinary penalty or penalties imposed, if any.
- B. A decision made by the DATF is final, binding, and non-appealable in cases where the dean of students or designee initially imposed an authorized disciplinary penalty or penalties in the *Code*, Chapter 4, Section 7-4.1 *Authorized Disciplinary Penalties*, categories (B) 1-5.

- C. Appeals of the DATF's decision shall only be permitted in cases where the dean of students or designee initially imposed an authorized disciplinary penalty or penalties in the *Code*, Chapter 4, Section 7-4.1 *Authorized Disciplinary Penalties*, categories (B) 6-13. In these cases, students must follow the appeal process in the *Code*, Chapter 6, *Appeal of a Level Two and/or Three DATF Decision*, as outlined below.
- D. Pursuant to the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)*, 20 U.S.C. § 1092(f), and *Title IX of the Education Amendments of 1972 (Title IX)*, information about the administrative decision of a student respondent will be disclosed in writing to the complainant in cases involving crimes of violence, sexual harassment, non-forcible sex offenses, and/or sexual violence, in accordance with the law.

## **CHAPTER 6 – APPEAL OF A LEVEL TWO AND/OR THREE DATF DECISION**

### **7-6.1 Appeal to the Vice President of Student and Enrollment Services**

- A. Appeals of the DATF's decision shall only be permitted in cases where the dean of students or designee initially imposed an authorized disciplinary penalty or penalties in the *Code*, Chapter 4, Section 7-4.1 *Authorized Disciplinary Penalties*, categories (B) 6-13. Following the DATF hearing, the student may appeal the DATF's decision and/or the disciplinary penalty or penalties imposed to Collin College's vice president of student and enrollment services. To submit a request for review by the vice president of student and enrollment services, the student must submit the online *Disciplinary Appeal Form* located at [https://www.collin.edu/hr/studentcomplaints/DOSD\\_studentcomplaints.html](https://www.collin.edu/hr/studentcomplaints/DOSD_studentcomplaints.html) on or before the third (3rd) College District business day following receipt of the DATF's decision. If the student does not file an appeal by the specified deadline, the DATF's decision shall stand and no further appeal shall be allowed.
- B. If the student files an appeal of the DATF's decision by the specified deadline, the dean of students or designee shall provide the vice president of student and enrollment services with a copy of the case documentation. The vice president of student and enrollment services shall review the records related to the case and in some instances may, at his or her discretion, designate another vice president to hear the case.
- C. Within ten (10) College District business days following receipt of the student's appeal, the student shall be notified in writing of the vice president of student and enrollment services or designee's decision. The vice president of student and enrollment services or designee shall have the authority to change the

disciplinary action imposed, if warranted. The decision of the vice president of student and enrollment services or designee shall be final, binding, and non-appealable, except when expulsion is recommended.

- D. Pursuant to the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)*, 20 U.S.C. § 1092(f), and *Title IX of the Education Amendments of 1972 (Title IX)*, information about the administrative decision of a student respondent will be disclosed in writing to the complainant in cases involving crimes of violence, sexual harassment, non-forcible sex offenses, and/or sexual violence, in accordance with the law.

### **7-6.2 Appeal of a Level Three Authorized Disciplinary Penalty of Expulsion to the Board of Trustees**

---

- A. Following receipt of the vice president of student and enrollment services or designee's recommendation for expulsion, the student may appeal the decision to Collin College's Board of Trustees (Board). To request an appeal to the Board, the student must submit the online *Disciplinary Appeal Form* located at [https://www.collin.edu/hr/studentcomplaints/DOSD\\_studentcomplaints.html](https://www.collin.edu/hr/studentcomplaints/DOSD_studentcomplaints.html) on or before the third (3rd) College District business day following receipt of the vice president of student and enrollment services or designee's decision. The dean of students or designee shall forward the appeal to the College District president for submission to the Board.
- B. If the student does not file an appeal of the vice president of student and enrollment services or designee's decision by the specified deadline, the decision shall stand and no further appeal shall be allowed. In this case, the recommendation of the vice president of student and enrollment services or designee shall be forwarded to the College District president to be considered by the Board.
- C. When a student files an appeal of expulsion by the specified deadline, he or she shall be notified of the date, time, and place of the public meeting where the Board shall vote on the decision to expel the student. Names and details regarding the disciplinary case shall not be discussed by the Board in the public meeting. Immediately prior to the public meeting, the Board shall review the recommendation for expulsion of the student in closed session. The student shall not be allowed to address the Board in closed session, unless requested to do so by the Board. Documentation concerning the case shall be forwarded to the Board and no additional evidence shall be heard, unless requested by the Board. The Board's decision is final, binding, and non-appealable.

- D. Within ten (10) College District business days following the Board's consideration of the student's appeal, the dean of students or designee shall notify the student in writing of the Board's decision.
- E.   - 1. the student receives a favorable administrative decision or favorable appeal; and
  - 2. the case is final.
- B. The student may request reinstatement to the course or courses in which he or she was enrolled prior to separation or Collin College. To the extent possible, reasonable efforts shall be made to ensure that the student be permitted to make up the course work required for satisfactory completion of a course which he or she began prior to the onset of the disciplinary process.

### **6-7.2 Non-favorable Administrative Decision or Appeal**

---

In a case where a student does not receive a favorable administrative decision and does not appeal, or has exhausted all levels of appeal, the final decision of the case shall stand, and the student shall not be allowed to return to his or her course or courses and/or Collin College.
