MANUSCRIPT DIVISION

Scope Note

The Lucy Diggs Slowe Papers were donated by the Morgan State College on March 22, 1966. There are approximately items contained in twelve boxes measuring six linear feet, plus one individually wrapped scrapbook and two oversized photographs.

The collection extends from 1919 to 1943, although the bulk of the material covers the years between 1922 and 1937, the period when Ms. Slowe served as Dean of Women at Howard University Washington, D.C. It reflects her various job involvements, as well as her numerous activities in faculty and student affairs.

There are also records of her activities on the national level, such as her term as President of the National Association of College Women. Correspondence includes a large number of letters and telegrams of condolence addressed to Dean Slowe's long time companion and confidant, Mary E. Burrill; personal letters from family members, as well as from university and business associates. Correspondents include Julliett Derricotte, Abraham Flexner, Mordecai Johnson and Mary McLeod Bethune.
