Dr Tate,
I will be in Washington on furlough about Wednesday or Thursday (27 or 28) to discuss the business of the Promethians with you + the committee.

Since my furlough may be cut short, try to get the committee organized so that we can get together with a minimum amount of effort.

Do to the fact that a mistake was made on my records with regard to my pay, I have been getting a partial payment of \$10.00 per month for the last 4 months, hence my cash is low. If you could look out for me and see ~~th~~ if I could stay in Clark Hall with the pre-induction students I would appreciate it very much. I wonder if I could get some of the "fund" money for meals since I am coming to Washington primarily to help you with the Promethians.

If nothing happens I will see you next week.

Yours truly,
Burrell B. Daffinger.
