24 Dec. 1944

My Dear Dr Tate,

I wish to extend to you and all of the U.S.T.P. Faculty my sincere thanks for your gift copy of Dr Logan's "What The Negro Wants"

Although it has been in my possession for only two days there is already a waiting list of more than a score of men, that increases daily. There is no doubt that "What The Negro Wants" will answer many questions that are paramount in the mind of the Negro Soldier.

We are indeed grateful for this opportunity to read the views of some of the greatest Negro leaders of our time on a subject that creates a discussion wherever and whenever we assemble as a group.

Respectfully,
Sgt. Geo. Henderson
