Dear Miss Tate:

Inclosed please find my dues for a ten (10) month period. I am in receipt of the Bullentin in which there appears the financial statement of the Promethian's treasury and I am glad to see that the club is progressing so favorably. There is one minor detail which I wished cleared up and which I think I mentioned in my last letter. The Bullentin carried a statement that dues were due for the period from Oct 44 to date of Bullentin. There is a question in my mind whether or not my initial submission of dues did not carry me to the end of the year. I would appreciate having the question cleared up in my mind by a clarifying statement from you as to my status.

I have heard many comments from the fellows about how nice the Bullentin was. My copy has gone the rounds of my fellow workers in the office and all had favorable comments about it. As for me I think it is grand. It is good to hear about the old gang and get the latest information on their successes. I was especially gratified to get the address of the fellows in Italy where a fair percentage of the "Originals" are.

I see my boss approaching with some work for me to do and that means that I must close for this time. I wish the Promethian Bullentin much good luck in the weeks to come and I will eagerly await the arrival of my copy. Extend my thanks to the staff for a fine publication, one of which I am very proud.

Sincerely yours,

Cpl. Eugene P. Mackey
