Italy

Dear Dr. Tate,

My copy of  
the Promethean News Letter  
arrived a few days ago while  
I was on rest in Allassio (in  
northern Italy). It was swell  
to hear that the boys are do-  
ing nicely. Each copy of the  
Letter is better than previous one.

I hardly know where to  
start since I'm sure you have  
received numerous letters  
concerning our plans and  
accomplishments. But I  
would like to say that we  
now not only have a potential  
organization but the splendid

(2.)  
organization itself. By the time  
we have "finished off" the Japs  
we will be well on our way to  
the top. Now that we in Italy  
are not jumping from one fox-  
hole into another or dodging  
880 as the case may be, we have  
more time to plan our future.  
The fellows show 100% interest.  
Each man wants to do his share  
and more. Each regiment is try-  
ing to set an example for the  
others in the division. I'm sure  
that Prometheans all over the  
Globe feel as we in Italy do  
We all realize just how lucky  
we are to have people rooting  
for us such as yourself and  
the faculty.

Our goal is not only to make good for ourselves but have you who have given us so much incentive proud as well. We'll succeed I know.

I enclosed you will find two money orders. Please credit the following amounts to these men.

Eugene Gueym \$12.00

Charles Jackson \$12.00

Elmer Anderson \$5.00

Romeo Green \$5.00

Forrest Thomas \$5.00

Miles Harrison \$5.00

Melborne Mitchell \$5.00

total \$49.00

I believe that before the end of August each man in the Medical Battalion will have sent in approximately \$15.00. That's our immediate aim.

I've rambled on and on for quite a number of paragraphs so I'll sign off for now. On behalf of the fellows and myself here's wishing you the best of health and happiness.

Sincerely

Pfc. Forrest Thomas
