## PLAYERS PRESENT 'MERCHANT OF VENICE'

The Bee Gee Players deserve much praise for their performance of "The Merchant of Venice" April 29. Their interpretation of the play was excellent. James Greetham directed. The cast follows:

Duke of Venice—Howard Braithwaite  
Antonio—Joe Hilty  
Bassanio—Audrey Stevenson  
Gratiano—Gerald Fry  
Salanio—Kenneth Weber  
Salarino—Junior Riggle  
Morrocco—Cleo Allen  
Stephano—Wendall Stevens  
Shylock—James Greetham  
Tubal—James Purdy  
Gobbo—James Purdy  
Laucelot—Ione Blessing  
Portia—Charlotte Planson  
Nerrisa—Josephine Herman  
Jessica—Inez Gorsuch.

Those beautiful costumes and settings were done by Lois Solether and Virginia Young.

## Wesley League Will Hold Spring Conference Here May 10, 11, 12

The Wesley League wishes to announce the dates of the annual spring conference to be held in Bowling Green May 10, 11 and 12. This conference will bring students here from eight other colleges and universities in the state, two of them being our sister college at Kent, and Ohio State. The Wesley League wishes to thank in advance those college organizations that have kindly consented to help with the entertainment of this group and will appreciate the cooperation of the student body in further plans and the program of the conference. Last year this group was entertained at Cincinnati, and none but pleasant memories remain in connection with the last conference. It is our hope that the students visiting us this week-end may enjoy a similar feeling one year hence.

## Prof. Holt Is Guest At Marion

Prof. W. P. Holt was the annual guest night speaker of the Burroughs Club at Marion, Ohio, on Friday, April 26. He spoke to a large and appreciative audience. Among the large number of special guests were several former Bowling Green students. The speaker was also guest of honor at the annual club dinner the following day.

## 1300 Students Take Scholarship Tests

Thirteen hundred students who came from the twenty-two counties of northwestern Ohio to take the scholarship tests made the campus a busy place last Saturday. The faculty was busy all day administering the tests and checking results. College students helped grade papers.

We regret our space prohibits giving full results.—Editor.

## To The Students Who Helped Conduct the Scholarship Tests

Without your fine spirit of cooperation and your efficient work all records for the District State Scholarship Test could not have been completed in less than eight hours time.

Members of the faculty responsible for administering, scoring, and recording the thirteen hundred tests want you to read into this note a very forceful individual expression of appreciation for your cheerful acceptance of responsibility and for your careful work.

CLYDE HISSONG,  
District Chairman

## Prof. Crowley At Conference In Columbus

Prof. D. J. Crowley attended the Industrial Arts Conference that met Saturday, April 27, in Columbus to plan a state-wide program for Industrial Arts. Other members of the conference were: Fred C. Whitcomb, Miami University; Elmer W. Christy, Supervisor of Cincinnati Schools; Frank C. Moore, Supervisor of Cleveland Schools; Dr. W. E. Warner, Ohio State University; E. A. Hanenstein, President of the Industrial Arts Section of the O. E. A.

## Science Show Is Thurs. and Fri.

Tomorrow night and Friday night are on the date book for the Science Show. Will you help to swell the crowd?

A large number of visitors are expected. A number of newspapers in this district have given space for advertising the Demonstration.

Several teachers of science in the high schools in the territory have expressed intention of bringing their entire science class.

## 400 STUDENTS TAKE COMMERCIAL FINALS

Four hundred Ohio high school commercial students will compete in the tests held here May 11. The tests will include shorthand, typing, and bookkeeping in A, B, and Open Divisions. The winners of these tests will enter the international contest at Chicago. Last year fourteen of the eighteen first honors were won by Ohio students.

Students of the Commercial Department will assist in grading the tests. Five trophies will be awarded the winners in shorthand, typing, bookkeeping in the various classes. Individual medals and certificates will be given to the first five of each class.

This twelfth annual contest is the largest ever held in Ohio. Two more sections were added this year and the number who qualified is twenty five per cent more. The competitors will come from the following sections: Basil, Belpre, Bowling Green, Cedarville, Celina, Chillicothe, Cleveland, Columbus Grove, Covington, Crooksville, Dayton, Defiance, Lodi, McDonald, Mt. Pleasant, Mt. Vernon, Port Clinton, Tiffin, Toledo, and Van Wert.

## MEMBERS OF FACULTY IN MICHIGAN

Dr. Hissong, Dr. Hoppes, Dr. Reeb, and Dr. Witherington attended the Sixth Annual conference sponsored by the School of Education of the University of Michigan at Ann Arbor, April 25. The program was based on the 1935 Yearbook, "The Education of Teachers."

The Lincoln Consolidated School was visited on the way back. This school is a large centralized rural school affiliated with the Normal School at Ypsilanti. It is a training center for teachers as well as a school for children from kindergarten through high school. The members of our faculty were favorably impressed with the character and quality of work done by pupils and student teachers.

## CHILD STUDY EXHIBIT

Miss West's Child Study Class exhibited their work in the Kindergarten room of the Training School May 1 and 2. The chief feature of the exhibit were the child record books which show the development of the pre-school child. Miss Klepinger's high school Child Study class visited there Thursday.

**STUDENT COUNCIL?**

Last week, the Las Amigas and the Wesleyan League lent their support to the movement to bring a measure of student government to our campus.

In every organization in which the matter has been considered, favorable votes have been in the overwhelming majority. The student-body wants a Student Council. Most of the faculty and administration are in favor of the proposal.

How can we bring it to pass? First, a large group of campus organizations must vote their approval of the proposition. Then, a committee of representatives from each of these organizations and from the administration will draw up the constitution for the proposed body. This, after submission for administration approval, will be passed upon by the entire student-body, and, receiving a favorable majority, will go into effect at the beginning of the next school year.

The path is clear before us. What is our next step? Putting the rest of the college organizations on the Roll of Honor, and that, speedily! Let those who favor this movement see that consideration by every college society to which they belong is obtained within the next week!

If we really want a Student Council for B. G. S. C., we must *work* for it. Let's go!

**CONGRATULATIONS**

Congratulations should go to the Geography department for bringing to our college assemblies the high class travel lecturers of the type of Mr. Eben G. Fine who recently gave before the student body and faculty such an inspiring lecture on the Rocky mountains of Colorado.

Travel gives much that books and the class-room cannot. More of these highly educational lectures would be greatly appreciated by the student body.

**W. D. UPSHAW,  
SPEAKER AT ASSEMBLY**

W. D. Upshaw, ex-Congressman from Georgia, gave a very entertaining and worthwhile talk on the qualities of a winner at chapel last Wednesday. His solid commonsense advice was leavened with amusing stories and moving enthusiasm. He concluded that the qualities of a winner are honesty, dependability, worthy ambition.

A few of his striking statements were:  
"Leave the jungle and enter the temple of organized government."

"Nothing succeeds like success."

"God being my helper, I will not be a counterfeit coin."

"The biggest business in Ohio is the sweetheart business."

"He does not want your paint. He wants you."

"You should have a conquering purpose doing business in the heart."

"Let nothing discourage you. Never give up."

"I won't quit school until I get through."

"The boy who quits school goes cutting his way through the world with a dull axe."

"The boy who smokes and drinks is a nought with the rim rubbed out."

"Don't let the light within you be darkness."

"Take all in and lay it on the altar of God; then you will win."

**Gold Mask Play Is Modern**

An ultra-modern play in an ultra-modern setting was fulfilled by the Gold Mask club May 1. This production by alumni and students of the college under the direction of Ivan Lake drew an unusually large audience. All roles were exceedingly well played. The modernistic setting was also appreciated by the audience.

The cast of characters was:

John, the janitor—Henry Goransen  
Biney—Ivan Lake  
Polly Griscom—Ruth Strouss  
Drunken Man—Clement Premo  
Anne—Evelyn Wentz  
George Kent—Don Badetscher  
Mrs. Kent—Inez Gorsuch  
Steve—Bob Yeagley  
Subscription Girl—Martha Lee Harris  
Kelly—James Greetham  
Luella May Carol—Charlene Johnson  
Gilbert Morrell—Ervin Kreisler  
Laundrywoman—Martha Machan  
Mr. Platt—Henry Goranson  
Mrs. Platt—Kathryn Conine

Saturday—Northwestern Ohio Track Meet here.

Saturday—Spring Formal

**WE BEG TO REMARK**

We hope the Peace Club which is being started here will get the support it should. Most of us in college have a vague idea of the horrible cost and effects of war, for we are the Post-War generation. We have certainly more of a consciousness of what War means than did the generation which became embroiled in the World War. But our concepts are hazy and muddled by the flow of many words. Clarification will not come about unless we put forth some effort to find out about and understand such things. In the near future we hope to be a University. It would be well in keeping with this advancement to develop more reflective attitudes.

The super-news-reel, "The March of Time" is to be presented at the Cla-Zel Theatre at regular intervals. It seems to be the best compromise yet offered on the screen between the educational and the enjoyable. It has the inquisitorial directness of *Time* with the grandeur of *Fortune*. It feels the pulse of the world.

Speaking of the cinema, "Cardinal Richelieu", is on the bill this week. George Arliss transforms his own personality to suit that of the great church man more than he has ever done for any of his other portraits of great men. Perhaps the movie does overlook Richelieu's deepest insight: his sense of the destinies of France, Spain, and Italy; but it is nevertheless well worth your while.

# SOCIAL NEWS

## FRATERNITIES

### COMMONERS

Last Tuesday evening the Commoners met to give the first degree to their pledges. They are to be complimented on the good spirit with which they took the degree. In the next couple of weeks we are going to have minnows for fishing and birds for songs of the house. Ask some of the pledges about it. One of them, due to his cordiality, has been chosen to visit the Sorority Houses in our behalf. If any of the members are seen with unshined shoes it is due to their meekness. We have installed the shine "anywhere and always" system between members and pledges. All in all there will be plenty to do in the next couple weeks.

Next Tuesday evening pledges and members are invited to a Forum discussion at the House, lead by Mr. Patterson. The subject has not been chosen as yet but it will be interesting to all. We are greatly pleased with the interest developed in these discussions in the past and we hope to make them bigger and better as time goes on.

Last week the Gold Mask returned to us again. Due to competition developing on the campus between the "Producers", entertainments are getting better all the time. Dr. McCain's play production class is to be complimented along with the Gold Mask on the wonderful productions of the past week.

Another formal dance has come and gone. We compliment you Seven Sisters. Because of your closeness to us we will undoubtedly have occasion to express appreciation verbally. Abyssinia.—C'est Moi.

## DELHI

Well, well, spring is here at last. Several couples on the campus seemed to think that spring started in the middle of February. In spring a young man's fancy turns—toward . . .

Watch the Delhi's burn-up the intramural soft ball league. There will be plenty of competition but the boys are out to win the intramural pennant.

Ask some of the neophytes how they like the old fashioned meetings. I hear some of the boys had to stand up for several hours afterward. If some of the neos are not in class next Tuesday, just remember that they had second degree Monday night.

## Shatzel Hall News

The dining room of Shatzel Hall was the scene of a banquet given last Friday evening by the local chapter of the Pi Kappa Delta, national forensic fraternity. In the light of burning tapers and amid spring blossoms a delicious dinner was served to sixty-five members and faculty guests from Toledo University, Heidelberg College, and Bowling Green State College.

Following the program eleven students were initiated into the fraternity. Miss Carolyn Carman of Shatzel Hall was one of those so honored.

If you had passed by Shatzel Hall Friday evening you would have seen many girls descending the steps in beautiful formals regardless of the rain. Where were they going? They were going to the annual Spring banquet held by the Kindergarten-Primary Club in the Woman's Club. Each girl returned with a small May basket and souvenir programs. We are glad to know that one of our girls, Miss Reva McLain was installed as the new secretary-treasurer of the organization.

Because of the scholarship contest Saturday many visiting high school students were on the campus. Of course they didn't forget to tour Shatzel Hall. We hope many of these girls will live in Shatzel next fall as freshman of Bowling Green State College.

Among the guests visiting Shatzel Hall over the week-end were: Mrs. McPheron and Miss Elizabeth Ditchler from Harrod, Ohio; Miss Genevieve Swain and three of her pupils, Miss Delores Dudley, Miss Irma Gabel, and Miss Ruth Beckman who came to Bowling Green for the contest from Jackson high school, and Miss Harriet Harris from Antwerp, Ohio.

## Bee Gee Plays Work On Last Play of Year

An out-of-doors production, to be given the latter part of the month, will be the last performance of the Bee Gee Players for this year. The play, "Maid of Friesland" is adapted from Robert Greene's "Friar Bacon". The play is under the direction of Linda Dill and Donelda McDonald.

The cast that has been selected follows:  
Edward—Audrey Stevenson  
Ned Lacy—Joe Hilty  
Thomas—James Inman  
Margaret—Josephine Herman  
Friar Bacon—Cleo Allen  
Friar Buguay—Howard Braithwaite  
Margaret's Mother—Mildred Lantz

## SORORITIES

### SEVEN SISTER FLASHES

The thirteenth annual spring formal of the Seven Sisters Sorority was held Saturday evening in the Women's Gym amid very nautical decorations. For the evening the gym was transformed into the S. S. Seven's sailing from Dock No. 7, Sorority Lines. At nine o'clock with the playing of "Anchors Aweigh", Ted Bennet's orchestra launched a program of twelve dances while about forty couples including a number of our alumnae danced. After the fifth dance a floor show in keeping with the sea-going setting was presented which included the sorority trio composed of Inez Gorsuch, Valeska Lambertus, and Alyce Davidson in two songs as well as Jane Nelson, Judy and Mary Lou Alexander in several dances.

Although no rough weather was encountered, there were a number of life savers, and a life boat handy just in case. The color scheme of black and white was carried out through the very effective decorations.

In the receiving line were Miss Caroline Nielsen, Mr. and Mrs. B. H. Urschel, Dr. and Mrs. H. B. Williams, Miss Heston, Miss Hedrick, and Miss Margaret Foster, sorority president, with her escort, Mr. William Cox.

## Las Amigas News

Las Amigas entertained the Toledo Alumnae Chapter with a dinner at the Woman's Club last Tuesday evening. After the dinner both groups returned to the sorority house where the alumni chapter participated in a business meeting. We spent an enjoyable evening meeting alumni members and getting really acquainted with them. A charter member told us why the sorority was founded and how the various standards were originated. There were representatives from each subsequent year who told us what happened during their years in the sorority. The pledges entertained with a clever program under the direction of Reva Coleman.

## Skol Skrolls

Tuesday night, April 30, the pledges entertained the active members with a kid party. Everyone came dressed for the occasion and Mary Cramer received the prize for the best costume. Games were played and refreshments in keeping with the spirit of the party were served. Thanks pledges!

## Lutheran Farewell Picnic

The Lutheran students of B. G. S. C. had a Farewell Picnic in honor of the Rev. and Mrs. Holland who have left for their new congregation at Bryan, Ohio. About 30 active members attended the picnic on the banks of the old Maumee at the historic sight of old Fort Meigs. The party enjoyed a lively game of baseball followed by a generous supper about the open fire. The picnic closed by a short program in which Loyal Gryting reported on the L. S. A. A. convention at Springfield. A memorial was then presented by the students to the Rev. and Mrs. Holland, who each spoke a few words.

The students join in wishing them success and God's blessing in their new home.

## Ridge St. Training School News

The first grade has been observing the germination of seeds. They saw the tiny plants hidden in soaked lima bean seeds. They planted corn, beans, and pea seeds in garden boxes, April 25. They will watch to see how each plant will come up. This grade made May baskets to take home to their mothers.

The second grade gave a bird program to the first and fourth grades. They read their bird books, recited poems, told bird stories and sang songs.

Miss Craun's room surprised everyone by hanging beautiful May baskets on the doors of the different rooms. This grade had the highest percentage of attendance at the last P. T. A. meeting. They will receive a book. They choose a book about dogs, so they will get, "The Call of the Wild", by Jack London.

Miss Reed gave two talks at assembly programs this week, one was about the quaint houses and customs of the village of Oberammergau, the other about the Passion Play.

The fourth grade became interested in birds. The pupils found that birds can be classified in families. To study and observe them the class made outdoor excursions and used several books and charts. At the close of the unit the children arranged a program for the third grade. They gave original stories, riddles, and poems, showed bird charts they had made, and played a bird-recognition game.

## From The Training School

Their book of favorite poems now engrosses the Fourth grade. They are selecting the poems they like best and are writing them down. The covers which they are making for their books have a fairy design.

An exhibit of their work in history occupies the Sixth Grade. Their study of the Middle Ages has led to the construction of a medieval village and castle, knights, maps, and papers showing their regular work. These things will be exhibited sometime before school is out.

## COMMERCE CORNERS

Tonight the members of Quill-Type will enjoy themselves at a social meeting to be held at the home of Professor Knepper. Nomination of officers for the next semester will take place at this time, and every Quill-Typer is urged to be present. Members who last year attended a meeting similar to this can vouch for an enjoyable evening.

May 22 is the date set aside for the annual meeting of the club which is in the form of an open meeting. A committee selects the best numbers on the Quill-Type programs throughout the year and these are combined on this particular night for the entertainment of the faculty and friends of the Commercial students.

Because of "Up Pops The Devil", the May 1 meeting was rather short, but nevertheless an interesting program was presented.

A pantomime called the "Mellerdrummer" proved to be exceedingly entertaining. The cast consisted of the Misses Cooke, Daniels, Suter, Cole, Miller, Showalter, Harris and Kerruish. Miss Cole directed the pantomime and Miss Kaiser did the reading.

Miss Sowers also played a piano solo and Mr. Emerson gave a talk on the "Townsend Plan".

« **STUDENT OPINION** »

**Put Away That Suitcase—**

"Fore-warned is fore-armed" therefore we are looking for a "100 per cent stay-over" the week-end of May 31st. It will be the last week-end during regular school this year (attention, Seniors!) and also the week-end preceding final exams (attention, Underclassmen!) so send your regrets to the folks at home and stick around.

In addition to the above reasons for staying over, there is another, a great deal more pleasant, too. The calendar is crowded with last-minute social events of interest to every student. Everything starts off with a bang on Thursday, May 30th, with a Memorial Day Tea Dance. No school, of course. The Grand Surprise will come Friday evening, May 31st which will be followed by—well, come around and find out for yourself! Something new, something different, and everybody will have a good time. Save your nickels and dimes for one of the best events of the year. It will be a pleasant memory for the Seniors to take along. You can not afford to miss this unusual affair. Further information will be given in the next issue of the Bee Gee News. See you, May 31st!

**Miss Lorenz Writes  
For Magazine**

Miss Lorenz, fourth grade critic of the Training School, has written an article for the May issue of Child Life, Teachers' Edition. Her writing was entitled "Giving New Meanings to Arithmetic." She points out the social significance of arithmetic and shows how it is related to other subjects of study.

**BOWLING GREEN—  
COLLEGE OR UNIVERSITY?**

Bowling Green State College hopes to become a university. In order that we may meet this additional step in our progress, many things may have to be changed so as to warrant our being a university. We are accustomed to a large number of practices which are characteristic of smaller colleges. Our old habits must be replaced by new ones. We have outgrown our shell and are in the process of building up a bigger and better one.

Now is the time to start thinking about some of our short comings—not only thinking, but also acting! We, the students, are supposedly, the active element of the school; it is up to us to strive for what we think we should have.

Fortune may knock at our doors but she does not force her entrance, if we do not answer. We must seek improvement in all things. No matter how good an organization, or thing, may be, it is quite generally agreed that "there is room for improvement." Let us take inventory, so to speak, and do our bit toward making Bowling Green State college or university, a school of which we may be justly proud.

**Kindergarten-Primary  
Club Has Spring Banquet**

May baskets were the charming decorations used at the annual spring banquet of the Kindergarten-Primary Club, Friday evening, May 4, at the Woman's club. About fifty attended.

Miss Eileen Lackey was toastmistress. The music for the evening was furnished by the Kindergarten-Primary Club chorus under the direction of Mrs. Warren Steller. Mrs. Clyde Hissong was the evening's speaker on the theme, "Spring and New Life."

The officers for the coming year were installed: president, Phyllis Porter, Republic, O.; vice-president, Margaret Eversole, Lima, O.; secretary-treasurer, Reva Mc Lain, Wauseon, O. Retiring officers are: Eileen Lackey, Mt. Blanchard; Bernice Saul, Bloomville; Helen Bourne, Kokomo, Ind.; Mary Hennings, North Baltimore, O.

Faculty guests present were: Dr. and Mrs. H. B. Williams, Dr. and Mrs. W. C. Hoppes, Dr. and Mrs. Clyde Hissong, Mr. and Mrs. Warren Steller and Miss Harriet Hayward.

# FALCONS TAKE MEET

## Defeat Capitol U. Here

The Falcons defeated Capital U. by a large score of 89½ to 41½ in a dual track meet on the home lot Saturday afternoon. A brisk cold wind swept the field and it helped the dash men to make good time.

John Hartman, the Falcons ace, came through with victories in pole vault, 100 and 220 yard dashes and the high hurdles. On the basis of this performance Hartman was the star of the meet. The Falcons took twelve first places to pile up the huge score. This was the Falcons first victory in an outdoor meet.

## Tennis Tournament to Begin

An all-college tennis tournament consisting of singles and doubles will be sponsored by the Physical Ed. department for men. All college men are eligible for this tournament but the varsity tennis team and the track team. Now is the time to enter before the entries close. Play will begin soon. Sign the notice on the bulletin board in the Men's gym.

## Kitten Ball

Due to weather conditions we have been unable to schedule games for kitten ball. The league was supposed to have started in earnest Monday, May 6th. The games are scheduled to start at 4:15 on Monday and Wednesday afternoons, slight alterations may be made so team managers and players are instructed to watch the bulletin board in men's gym.

There are six teams entered with the dope favoring the Five Brothers and the Delhi's. Other teams entered in the league are Commoners, Y. M. C. A., Parrots, and the Jones Boys.

Team managers and players are also instructed to read over the kitten ball rules, which may be found in Physical Education office.

Games which are not played due to weather conditions will be filled in at a latter date.

Ed. 62 handball tournament . . . tennis, horseshoe and archery tournaments to begin soon . . . a group of fellows played Toledo U in a baseball game recently and finished second by a score of 12 to 5 . . . too bad there is no baseball at B. G. this spring . . . conference track meet is near . . . grass is beginning to grow on newly sodded football field . . . recent rains have shown that there are a few low spots on the field . . . Freshmen—varsity track meet to be held Monday . . . Junior class wins interclass track meet with 47½ points . . . Sophs second . . . Seniors third . . . Freshmen winner of indoor interclass meet finished last . . . B. G. News commencement issue to contain a large sports section . . . more sport shot's next week.

## Horseshoe Tournament Begins

The Phys. Ed. department for men will sponsor an all college horseshoe tournament. There will be men's singles and doubles and everyone is eligible to compete. There is no limit or number of contestants. The winners will be given awards. Entries close May 8. Sign now fellows before it is too late. Your signature on the paper in the Men's gym will enter you.

## Juniors Win Interclass Meet

The Junior class won the interclass track meet by piling up 47½ points. The Sophs were second with 30½ points. The Seniors took third with 19 points, and the Freshmen, winners of the indoor meet and expected to be a heavy favorite in the outdoor meet finished a poor fourth with 13½ points.

# B. G. Opens Golf Play With St. John's

The Falcons opened their 1935 golf season by meeting St. Johns U of Toledo in a match at B. G. The results will be given in the paper next week. The Falcons so far have arranged a four game schedule and it is likely that more matches will be scheduled. The four games that are listed are:

- May 7—St. Johns at B. G.
- May 14—B. G. at Findlay
- May 21—St. Johns at Toledo
- May 23—Findlay at B. G.

## Handball Tournery Nearing End

The all college handball doubles tournament is nearing completion. The large field of contestants have been reduced to four and they will soon meet for the championship. Bruce Rudolph and his partner James Vann will meet Frances McCrory and Orville Decker.

## Archery Tournament for Men

An archery tournament for men will be held if enough are interested. All men of the college are eligible to compete in this sport. Equipment can be secured from the men's department and when the new supply of material comes in, there will be an ample supply for all. Instructions in archery will be given on Tuesday and Thursday afternoons at 4:00 on the archery range. Miss Hartman of the Women's Phys. Ed. department will be the instructor. All men interested in this tournament sign the notice in the men's gym at once or see Carl McCulloch.
