Ike, Short Capture Posts As Frosh Class Officers

FRESHMAN FAVORITES—Shown above are the four freshmen recently elected as class officers. They are (left to right) Tom Short, vice president; Barbara Sheets, treasurer; Ron Ike, president; and Sue Roberts, secretary.

Ronald Ike, a freshman from Zanesfield and a student in the College of Liberal Arts, will serve the Class of 1963 as president, according to Bob Pelton, chairman of the Student Elections Board. Other class officers chosen in the freshman election Wednesday were: Tom Short, vice president; Sue Roberts, secretary; and Barbara Sheets, treasurer.

Finalists in the annual KEY king and queen contest also were chosen in a campus-wide election. Full coverage of the finalists will appear in Friday's issue of the NEWS.

The total of 955 freshmen voting in the election was termed "fair" by Pelton.

Ike received 500 votes, or a little more than half of the votes cast. His nearest competitor was Bob Thomas, who managed to pick up 231 votes from his classmates. Chuck Schultz, with 164, and Charles Eberly, with 78, followed.

Short had competition from Joy McKitnick, who picked up 306 votes to his 470. Other vice presidential candidates and their total number of votes were: Judy Delfel, 90; Harriet Rudolph, 67; and Diane Kithcart, 55.

Miss Roberts picked up 309 votes to beat Jean Hofstetter's 200-vote total. Mae Brychta, 177, Bonny Hammock, 151, and Marcia Ohly, 133, rounded out the race for the secretarial position.

The closest campaign was waged among the candidates for treasurer, with Miss Sheets edging Sonya Barr, 264-231. Ruth Gran, with 218, and Polly Faze, with 202, added to the closeness of the race. Beverly Flowers picked up 82 votes.

Marian Anderson Here In January Artist Series

Marian Anderson, world-famous contralto, will appear at Bowling Green at 8:15 p.m. Jan. 17, 1960, in the main auditorium of the Administration Bldg.

Miss Anderson has said that it is the young people who appeal to her most in her audiences. "One always looks forward to singing at colleges and universities. Youth is refreshing and appealing. Young people need us to believe in them and help them along. It is everyone's responsibility to do so."

Miss Anderson was the first

member of her race to appear with the Metropolitan Opera.

Last fall, she traveled 40,000 miles to sing in theatres and schools throughout 12 Far Eastern countries. It is estimated that she has sung before audiences totaling nearly 6,000,000 persons, not including those who have heard her on radio, television, and recordings. When she appeared in Paris, the demand for seats created a near riot, and the Associated Press reported that the city's critics had to sit on the stairs.

Prout, Theta Chi Win Contest For Best Christmas Decorations

Alice Prout Hall and Theta Chi won first place trophies in the annual United Christian Fellowship Christmas decorations contest. Prout's theme was a three-dimensional stained glass window with the Madonna and Child pictured. An angel was floating against a pale blue sky with "Behold a star; a King is born" for the Theta Chi display.

Alpha Xi Delta's decoration, featuring two enormous angels with the phrase "Glory to God in the highest," won second in the women's division. Phi Kappa Tau's stained glass window with the inscription, "Wise Men Still Seek Him," won second in the men's division.

Alpha Delta Pi's "Jesu Bambino" and Alpha Tau Omega's "Holy Night" received third place in their respective divisions. Both contained black and white effects.

The decorations were based on theme, originality, and workmanship. They were judged Friday, Dec. 4 from 6:30 to 8 p.m. for night effectiveness and Saturday, Dec. 5 from 8:30 to 10 a.m. for daytime effects. The judges were: Mrs. Richard Weaver, Mrs. Greer Imbrie, Rev. William Power, associate director of UCF; and Charles Lane, treasurer of UCF.

AWS To Sponsor Christmas Caroling

Familiar carols, Christmas spirit, and yuletide fellowship will be featured at the Annual Association of Women Students' Christmas caroling at 7 p.m. Wednesday, in front of the Men's Gym.

According to tradition, the residence halls were paired for the program. The pairings are: Chi Omega and Sigma Chi; Alpha Xi Delta and Theta Chi; Alpha Phi and Phi Delta Theta; Alpha Chi Omega and Alpha Tau Omega; Alpha Delta Pi and Sigma Nu; Alpha Gamma Delta and Pi Kappa Alpha; Gamma Phi Beta and Phi Kappa Tau; Delta Gamma, Tau Kappa Epsilon, and Sigma Alpha Epsilon; Delta Zeta and Sigma Phi Epsilon; Kappa Delta and Kappa Sigma; Phi Mu, Delta Upsilon, and Phi Kappa Psi; Alpha Phi Alpha, Treadway Hall, and Shatzel Hall; Harmon Hall and Rodgers N.W.; Lowry and Kohl; Mooney, Prout, and Rodgers Quadrangle; and Williams, Johnson, and the Stadium Club.

Afterward, the paired groups will get together for refreshments, as arranged by their social chairmen.

The B-G News

Education our Challenge; Excellence our Goal.

1958-59 IFC Named Best In Nation; 'Iron Man' Now On Way To Campus

Sewer Construction Now Underway; Will Be Completed By New Year

"Sewer construction in front of the University Union should be completed by the time students return to campus from Christmas vacation," announced F. Eugene Beatty, director of buildings and facilities. Contractors will work overtime in an effort to complete the section in front of the Union in 20 days. At the end of the vacation period, the new sewer should be completed and the ditch backfilled in this area.

The sewer, to be installed in front of the Union, is a part of the \$1 1/2 million sewer project started on campus last summer. Much of this project has been completed, but there are still three sections of the sewer to be installed.

Section 1 of the remaining three will be laid in front of Hayes Hall, south from Ridge St., and will run straight to a point near the northwest corner of Moseley Hall. From here it will run diagonally to a manhole near the main entrance to the Union.

Construction on section 2 of the sewer will begin the first week in January. This section will run west along Ridge Street from a point near the Alpha Delta Pi sorority house to the intersection of Ridge and Thurston Streets.

The construction on the third section will begin this week. It will run from a point near the west side of the main entrance of Founders Quadrangle and continue around the intersection of Wooster and Thurston Streets, ending at the northwest corner of the Music (Continued on page 4)

STORM SEWER—Construction has begun on the final sections of a combined sanitary-storm sewer which, when completed, will prove adequate for present sewage demands. Sections 1 and 3 will be completed by Jan. 4. Work on section 2 will begin the first week in January.

Series Of 4 Automobile Accidents Hospitalizes 6 University Students

A recent series of automobile accidents has sent six University students to the hospital for treatment of injuries.

Three men students were taken to Wood County Hospital Tuesday, Dec. 1 after an accident which occurred at the curve on Dunbridge Road approximately 300 feet north of the intersection of Dunbridge and Sugar Ridge Roads.

Taken to the hospital in "critical" condition was James R. Burns, while Richard K. Schwartz and Patrick J. Manning were listed in "good" condition. Since the accident both Schwartz and Manning have been released from the hospital. Burns' condition is said to be improving.

The accident occurred when the south bound car in which they were riding failed to negotiate a curve on the Dunbridge Road, went off the west side of the road and then continued south to the intersection, catapulted over the intersection and entered the ditch at the southwest corner of the intersection.

Burns, the driver of the car,

received scalp lacerations and chest injuries. Schwartz also received scalp lacerations plus a fractured leg, and Manning suffered shock and facial cuts and contusions.

Another accident at the same curve on Dunbridge Road sent James McMahon to Wood County Hospital Tuesday, Nov. 24.

McMahon was traveling north on Dunbridge Road near the curve at the intersection of Dunbridge and Sugar Ridge Roads when he lost control of his car. Unable to gain control of the vehicle, McMahon was thrown from the moving auto when it began to overturn.

McMahon suffered a fractured collarbone in the accident which occurred shortly after 10 p.m. He has since been released from Wood County Hospital.

On Wednesday, Dec. 2, Michael Fink was admitted to the University Health Service for examination after being involved in an automobile collision in Bowling Green at 10:18 p.m.

Fink was in a car being operated by Gary M. Abramson, which had

parked along the east side of Thurston Avenue about 40 feet north of the Ridge Street intersection.

The Abramson vehicle was struck from the rear by a car being driven north on Thurston Avenue by a Perrysburg man.

A spokesman at the Health Service said that Fink was released after he had undergone x-rays for injuries suffered in the accident. The injuries were not serious.

John V. Foley was injured in a near head-on collision in Cleveland on Nov. 25. Foley, while driving his car, was struck by a motorist who had attempted to pass another car on a railroad grade crossing. Not having sufficient time to complete his pass, the motorist struck Foley's car, causing him to lose control of his vehicle and hit a telephone pole.

Foley received multiple injuries in the crash including a cut tendon, a chipped kneecap, and scalp lacerations. He will not return to school until after Christmas vacation.

The Bowling Green Interfraternity Council was named the number one IFC in the nation for 1958-59 at the 50th annual National Interfraternity Conference held in New York City, Nov. 26 through 28. Three hundred and twenty colleges and universities were entered in the competition which is judged on the basis of the number of fraternities on campus, a report submitted by the respective IFCs and an anonymous committee's investigation.

BG also won first place in the division for Greek systems which have between 10 and 20 member groups.

Trophies were presented in recognition of both honors. As outstanding IFC in the nation Bowling Green became possessor of the coveted "Iron Man" trophy. A huge award standing four feet tall and weighing 680 pounds, it is now enroute from Ohio State University, last year's winner of the competition.

In a letter to all Greek men at the University, Wallace W. Taylor Jr., dean of men and adviser to the IFC, said, "May I extend to each man my most sincere congratulations and ask your best efforts to continue the fine work. We are under the eyes of the nation and our deeds and actions will be viewed critically. Only our sincere attention to keeping the trophy at Bowling Green State University will preserve the tremendous gains we have made."

Making the trip to New York, in addition to Dean Taylor, were Dr. Elden T. Smith, dean of students; Ray Marvin, IFC president; Lynn Yackee, Richard Breitbart, Ed Tiller, Ken Cooper, Jim Wilkens, and Harvey Bibicoff.

Other councils to win awards at the conference were the University of Denver and the University of Arizona, in the 20 and over division.

Football Rally

A special rally to honor the 1959 Falcon football eleven which was named number one small college team in the nation, won the Mid-American Conference crown, and turned in the first undefeated, untied season in Bowling Green football history will be held at 4:15 p.m. Thursday, Dec. 10, in the Men's Gym.

As a feature of the rally, Coach Doyt Perry will make presentations for outstanding performances to several players.

Further information about the event will be given over the campus public address system during class breaks Thursday, according to Richard Weaver, coordinator of student activities.

The rally is being sponsored by the Student Body Organization.

Student Suspended For Policy Violation

James Dimling, junior in the College of Liberal Arts, has been suspended for violation of the University policy on excessive unexcused class absences, according to Dr. Kenneth H. McFall, provost.

Dimling was quite active in campus activities, having served as associate justice on the Student Court, Interfraternity Council representative, head of a Union Activities Organization committee, and president of Sigma Chi fraternity.

In accordance with the policy he is eligible to petition for readmittance next semester.

First TV Production Open To All Students

The first closed circuit television show will be produced at 8 p.m. Wednesday in the psychology lab on the fourth floor of South Hall.

According to LaDelle Gerlach, producer-director, the show will be built around a Christmas variety theme.

Students are invited to witness the production which may be viewed only on the monitor in the psychology lab.

DITCHED—Three University men were injured last week when the car in which they were riding careened off the road into a ditch. Involved were the driver, James Burns, and two passengers, Richard Schwartz and Patrick

Manning. Manning and Schwartz have been released from the Wood County Hospital where they were taken after the accident. Burns, still hospitalized, is listed in "fair" condition.

Editorially Speaking

A Letter Answered

NOTE: The following is in reply to the letter which appears in column one below.

"The editorial page represents both an obligation and an opportunity. Your college paper has a responsibility for directing school thought toward worthy objectives, advising readers of the significance of events. Editorials usually stem from news events—going on to inform, interpret for, convince or entertain the reader and influence his action." So reads an excerpt from the Newspaper Guidebook, a publication of the Associated Collegiate Press, to which a large majority of all college and university newspapers belong.

Responsibility is the key word. If a newspaper is responsible it naturally will seek the worthwhile objectives. Sure, we could jump the fence and fill column after column with pro and con discussions on the drinking regulations, or the class absence policy, or the women's dormitory rules, but, after all, are such endless discussions directive, progressive, or worthwhile?

Granted, they make good copy and assure any editor who prints them with regularity a position of popularity among the student body. On the other hand, such regulations are pre-established "ground rules" which are made known to each student who enters the University. Only when they become "ground rules" which limit true student growth do they need to be brought under attack.

Are such regulations limiting true student growth now? Our claim to the number one Interfraternity Council in the country, a widely recognized and respected Union Activities Organization, and leadership in several areas of small college athletics, all within the

framework of these "ground rules," are graphic evidences that they are not.

Performances like this by other campus organizations put the NEWS in rather fast company. We can only surmise that these groups did not attain their status by hashing and rehashing well understood facts but, rather, set new ideals and goals on increasingly higher levels to gain the needed impetus. Our ranking in 1958 as the best daily paper in Ohio and last year as second best would indicate that the NEWS has not lagged behind the rest.

In view of the rapid rise of Bowling Green's reputation and prestige and the ratings which have been tendered the NEWS by journalism critics we ask, "Why argue with success?"

We have dealt with news of "sufficient significance to warrant interpretation" and also "with generalized philosophical and ethical topics that do not have any connection with passing events." Cases in point may be found in the Oct. 27 issue ("Natorium Charge Explained") and the Oct. 16 issue ("The Common Denominator"), respectively.

Again, the standards which were outlined in the opening paragraph are those which we have followed and will continue to follow. We feel the need to be responsible because we represent a responsible body.

We know, as those who have gone before us knew, that a sincere and worthwhile effort to aid, rather than impede, the progress of that body which we represent is not often well-received for the moment. The unpleasant reaction of the moment is not nearly so frightening, however, as would be the sudden realization that we had made no worthwhile and significant contributions in the long run—that we had not been responsible.

Letters To The Editor

To The Editor:

For the past three or four years (about 216 issues) we have been disappointed with the editorials in the B-G News. William Peter Hamilton, retired editor of the Wall Street Journal, was quoted in Editor and Publisher as saying: "Of the 22,000 editorials published in the United States every week, 21,600 might far better never have been printed." The excessive proportion of valueless editorials Mr. Hamilton attributed to "lack of disciplined thought."

We believe that an editorial should be a presentation of facts and opinions in concise, logical, pleasing order for the sake of influencing opinion, and/or of interpreting significant news in such a way that its importance to the average reader will be clear.

Editorials should deal primarily with news of sufficient significance to warrant interpretation, but also with generalized philosophical and ethical topics that do not have any connection with passing events.

Some of the questions that might apply to the testing of any editorial might well apply to the B-G News.

1. Do the editorial writers keep in practical touch with readers?
2. Is the editorial taking over the function of the news columns?
3. Has our editor developed editorial writers?
4. Is the editorial increasing education and enlightening the average reader?
5. Are the editorials what editorial writers want to write?
6. Do you the student read and enjoy the editorials?

We feel that when such a test is applied to the student voice of BGSU, the B-G News falls miserably.

After considerable investigation, it has been found that the weak condition of the editorials is not

all the fault of the editor. Much of the voice of freedom is held down by administrative editing. It is our feeling that if we are going to improve this condition, administrative control must be loosened, letting the editorial writers free to voice their own ideas, as do the writers at OSU and OU.

It is our opinion that if our suggestions are followed, the quality of the editorials cannot help but be greatly improved and the place of the editorial in the University paper will no longer be looked upon as space wasting trivia, designed to be a grammatical exercise for some hopeless journalism undergraduate.

Thank you,
Discussion group III
Ed Sullivan
(group leader)

(Discussion was held in Speech 203, Section 928.)

To The Editor:

I am going to make this right to the point. I feel the opinion of many others is the same as my own. It is this: As a sorority woman I take great pride in practicing for the May Sing. It is always a great success and there is always a definite feeling of competition. However, our fraternity men seem to be taking very little pride in their IFC Sing. Why do I say this? May I state these facts in answer to this question. When the Grand Ballroom of the Union is filled to capacity and less than half of the fraternities are singing, it is one thing. But, (and may I stress this point) when only half of those groups represented even attempt to carry the tune, it is another.

May I stress another point? The sororities are behind this event 100 per cent. This is evidenced by the demand of most of the groups that their sororities go as a group to the IFC Sing. In view of all of these things, you would think that the fraternity men on this campus would make an effort, if for no other reason than sheer pride, to make a good showing.

If this event continues to be so insignificant to the fraternities, the IFC should discontinue it.
Katherine Middleton

To The Editor:

Dear Sir:

We have just received a clipping of the fine editorial in the B-G News, "Credit, Where Credit Is Due," in which you quoted our letter to Dr. McDonald regarding the BGSU athletes' work record at AP Parts.

It is somewhat unfortunate (although extremely complimentary) that I was credited as being president of AP Parts. I am president of Sautter Employment Service, a consulting and placement service that has among its clients, the AP Parts Corporation.

We will appreciate your bringing this correction to the attention of your readers.

Sincerely
A. H. Sautter
President

'All American' Theme Of Informal Concert

Plans for the annual pops concert were formulated at a meeting held by the informal concert committee yesterday, at 4:30 p.m., in the UAO office.

Prof. Seymour Benstock, assistant professor of music and director of the pops concert orchestra, announced, "The theme this year will be 'All-American' in observance of the Golden Anniversary of the University. Everything will be American except the last work on the program, the school song, 'Finlandia,' by Sibelius."

The committee members discussed arrangements for ushers, decorations, refreshments, tickets, distribution, and publicity. The "All-American" theme will be carried out in the decorations and refreshments. Last year's menu consisted of German foods.

The special soloist, pianist Robert Chapman, will present "Rhapsody in Blue" by George Gershwin.

The annual pops concert will take place at 8:15 p.m., March 6, 1960 in the Grand Ballroom of the University Union.

The College Circuit

By KEITH SANDERS

The trouble with American College women today is that there are too many of them who are too anxious to get married, according to Dr. Thomas Mendenhall, the new president of Smith College. Said Dr. Mendenhall, "the primary purpose of too many young women is finding a husband." He believes that the intense desire of college women to marry as soon as possible is producing a false sense of values. This, he suggests, is evidenced by the fact that women have reluctance to push on for higher degrees and in the drop-out rate which was 60 per cent of the total female college enrollment last year.

Southern Illinois University is currently planning for its second Model United Nations General Assembly. Delegations from organized student groups will represent different nations who are United Nations members. Four major committees will be appointed to prepare resolutions on such vital U.N. issues as the seating of Communist China; the Khrushchev and other plans for disarmament and a U.N. Peace Force; special proposals for economic development, including atomic energy for peace; and proposals for expansion of cultural interchange among the nations.

Researchers at Ohio State have discovered that no other type of music is as actively disliked by as many listeners as those who tune out rock 'n' roll programs. Nearly 35 per cent of the Columbus adults interviewed disliked it with a passion. The researchers believe that broadcasters would be economically

BROWSING ROOM RECEIVES GIFT—Joseph Campana, past master of Wood County Masonic Lodge 112, presents a Masonic Bible for the Browsing Room to University Union program director Richard Lenhart, James Cress, Karl Pardee, and Wilbur Abell, secretary, president, and adviser, respectively, of the local Square and Compass Club, also took part in the presentation.

Rights Of Individual Is Cobus Hour Topic

"What right does the government have to interfere with the individual?" was the topic of discussion led by Dr. Ralph W. Frank at the Dec. 2 Cobus Hour.

Students and faculty members in attendance contributed to the discussion. The question that produced the greatest response was whether or not the government has the right to require students receiving a National Defense Education Act loan to sign a loyalty oath. Opponents of the requirement said that a student should not be required to sign an oath when other groups such as farmers receive government money without doing so. It was also argued that this would be worthless, because if a person were a member of a subversive organization, he would still sign.

Proponents of the oath said that even though people would sign it, regardless of their affiliation, the government still had the right to attempt to protect itself by not loaning money to people who will use the knowledge gained through aid of the loan, to overthrow the government.

Army ROTC Cadet Captures 2nd Place In National Match

Billman Coming, an Army ROTC student, took second place for Bowling Green in a rifle match at Xavier University, Nov. 20.

Coming scored a total of 284 points, only one behind the first place winner. This is the best that any Bowling Green cadet has ever done in competition at the annual Walsh Memorial Invitational Rifle Match. There were 57 students competing for individual honors.

Bowling Green placed fifth in the team ratings, with 15 schools competing. The ROTC rifle team is coached by Capt. James I. Miller.

Official Announcements

"A Murder Has Been Arranged" by Emyln Williams, the freshman three-act murder mystery, has been postponed from the original production dates of Dec. 4 and 5 and rescheduled for Jan. 8 and 9.

Pre-registration for freshmen, sophomores, and juniors in the College of Business Administration for the spring semester will start Dec. 7 and end Jan. 15.

Branch Schedules Set For Semester

Branch schedules for second semester classes have been announced by Dr. Ralph H. Geer, director of off-campus programs.

Classes being offered at the four branches are as follows:

In Fremont: Accounting 121; Biology 112; Economics 202; Education 381-2, 402, 408, 409; English 102, 161; HPE 109; History 206; Mathematics 102; Music 211; Political Science 202; Psychology 101; and Sociology 201.

In Bryan: Accounting 122; Art 101; Biology 112; Education 381-2; English 102, History 205, Music 211, and Psychology 101.

Fostoria offers: Accounting 122, Art 101, Biology 111, English 102, Geography 101, History 205, Mathematics 103, and Music 211.

DECK THE HALLS

When you think of Christmas gifts you naturally think of Marlboro cigarettes, leading seller in flip-top box in all fifty states—and if we annex Wales, in all fifty-one—and if we annex Lapland, in all fifty-two. (This talk about annexing Wales and Lapland is, incidentally, not just idle speculation. Great Britain wants to trade Wales to the United States for a desert. Great Britain needs a desert desperately on account of the tourist trade. Tourists are always coming up to the Prime Minister or the Lord Privy Seal, or the Thane of Glamis, or like that and saying, "I'm not knocking your country, mind you. It's very quaint and picturesque, etc., what with Buckingham Palace and Bovril and Scotland Yard, etc., but where's your desert?")

Before I forget, let me point out that Scotland Yard, Britain's plain-clothes police branch, was named after Wally Scotland and Fred Yard who invented plain clothes. The American plain-clothes force is called the F.B.I. after Frank B. Incheliff, who invented fingerprints. Before Mr. Incheliff's invention, everybody's fingers were absolutely glassy smooth. This, as you may imagine, played hob with the identification of newborn babies in hospitals. From 1791 until 1904 no American parent ever brought home the right baby from the hospital. This later became known as the Black Tom Explosion.

(But I digress. England, I was saying, wants to trade Wales for a desert. Sweden wants to trade Lapland for Frank B. Incheliff. The reason is that Swedes to this day still don't have fingerprints. As a result, identification of babies in Swedish hospitals is so haphazard that Swedes flatly refuse to bring their babies home. There are, at present, nearly a half-billion unclaimed babies in Swedish hospitals—some of them well over eighty years old.)

But I digress. Marlboro is, of course, an ideal Christmas gift for your friends and loved ones who enjoy filter cigarettes. If, on the other hand, your friends and loved ones like mildness but don't like filters, then you can't go wrong with a carton of Philip Morris. If your friends and loved ones like a subtly mentholated cigarette that combines refreshing taste with high filtration, then buy a carton of Alpines. (Alpines, incidentally, are named after the late Albert G. Pine. Al Pine worked all his life to invent a cigarette that would combine light menthol and high filtration, but alas he never succeeded. As by-products of his research he did manage to invent the atom, the goose-neck lamp and the cocker spaniel, but the lightly mentholated high filtration cigarette, alas, never. Now this dream is realized, and what could be more fitting than to pay tribute to this gallant man by calling this cigarette Alpine?)

We, the makers of Marlboro, Philip Morris and Alpine are now enjoying our sixth year with Max Shulman. Obviously, we think he is a funny fellow. We think you'll think so too, if you look at his television series "THE MANY LOVES OF DOBIE GILLIS"—and read his latest book, "I WAS A TEEN-AGE DWARF."

Darrow Sets New Scoring Record; BG Drops Dales, Falls To Spartans

The Falcons' All-American guard Jim Darrow poured through 29 points in a futile effort as Bowling Green lost its first encounter with Big Ten opposition, on Dec. 3. Michigan State's Spartans proved to be too much as they overpowered the Falcons, 96-67, before 7,050 fans in the Spartans' home opener.

Earlier in the week, on Dec. 1, the Falcons opened the 1959-1960 basketball season with a crushing victory over Hillsdale, 99-31. In this one, Darrow broke the team scoring record as he ripped the nets for 45 points.

The Falcons "Little Giant" put on a tremendous show, hitting with shots from every conceivable angle in rolling up 46 points to break the old school record of 42 held by Al Bianchi, former Falcon ace now with the Syracuse Nationals in the National Basketball Association. Jim hit on a phenomenal 75.9 per cent of his shots, connecting on 22 of 29 from the floor. He scored on fast breaks, jump shots, hooks from the pivot, and layups. He broke Bianchi's record with a 30-foot jump shot with about eight minutes remaining in the game.

In the Michigan State game, Bowling Green held a brief lead, 22-18, with 13 minutes remaining in the first half, but Michigan State tallied 12 straight points to build up a lead that was never relinquished.

The Falcons rallied in the closing minutes of the first half to move within six points of the Spartans at halftime, 44-38.

Michigan State jumped off to a fast start in the third period and ran the score to 61-41 before the Falcons could get going. The Spartans gained their biggest lead with just minutes left to play in the game when they held a 96-63 advantage.

Bowling Green hit 39 per cent of its shots from the field and converted on 11 of 17 from the charity stripe. The Falcons pulled down 41 rebounds, with Bill Reed tops with nine.

The Spartans connected on 40 per cent of their field goal attempts and grabbed 70 rebounds. Lack of rebounding strength was one of the big factors leading to the Falcons' defeat.

The loss of 6-8 Ron Parsons hurt Bowling Green in that department. Parsons injured his arm in the Hillsdale game and has had it in a sling since. He is expected to be ready to go against Canisius tonight.

Michigan State's Coach Fordy Anderson remarked that he felt the loss of Parsons was "the number 1 break for the Spartans." In talking about breaks, he thought "the ankle injury received by Rex Leach in the game was the turning point."

Leach was able to pull down only three rebounds before he fouled out in the third period. He finished with seven points.

Horace Walker, Lance Olson, and Art Gowers grabbed 49 rebounds among them for the Spartans and scored 23, 33, and 24 points, respectively. "These three were the big difference in the game," said Falcon Coach Harold Anderson. "Some of the best rebounders I've ever seen," remarked freshman Coach Warren Scholler.

Spartan Coach Anderson remarked: "I thought we were exceptionally sharp for our first game. I think Bowling Green was a bit nervous."

The leading scorer for the Falcons, as usual, was Darrow, who hit on 55 per cent of his field goal attempts and sank five of seven foul shots. Darrow, hitting on an assortment of jumps, hooks, and drive-in shots, brought his two-game average to 37.5 points per game.

Reed, a 6-4 sophomore, turned in a good offensive performance, with 14 points. He was on the front end of several fast breaks for the Falcons.

Although Darrow dominated play in the Hillsdale game, the rest of the team looked impressive. Ron Parsons, counted on heavily this year for rebounding, was doing a fine job until he fell mid-way in the first half while battling for a rebound and twisted his elbow, forcing him to leave the game.

Rex "Barrymore" Leach was second high scorer for Bowling Green as he contributed 14 points to the Falcons' total, while Jim Routsen was also in double figures with 10, and was high rebounder with 12.

As a team, Bowling Green hit 39 of 68 shots for 57.4 per cent, while Hillsdale managed to hit on only 16.7 per cent.

DARROW

The varsity beat the freshmen in the annual Hall of Fame game 79-72 Tuesday evening, Nov. 23.

All-American candidate Jim Darrow was the scoring leader as he ripped the nets for 32 points. Rex Leach followed with 14. Also hitting in double figures were Jim Routsen and Dick Kuzma, with 10 each.

Wavey Junior paced the yearlings with 13 points and big Nate Thurmond added 11.

Optimistic Canisius Squad Invades Falcons' Nest Seeking Revenge

A highly optimistic Canisius team moves into the Men's Gym tonight to see if it can avenge a 86-76 loss suffered to the Falcons last year.

Canisius has gone through dismal seasons in the last two years. In 1957 they won two and lost 19, and were only 7-16 last year.

With a new coach, Bob MacKinnon, Canisius hopes that it can make a much better showing this season. Canisius has suffered from a lack of speed and defensive aggressiveness.

Among the veterans back this year are 6-5 Larry Sarafinas at center, and 6-5 John Gabbey and 6-2 Frank Rojek at the forward spots. Rojek is expected to carry most of the burden.

The guard positions will probably be filled by Ray McGuire and Dick McCann, with some help coming from sophomore Bill Slicks.

The Falcons will have their hands full Thursday evening when they play host to DePaul. Last year Bowling Green was defeated at DePaul, 73-70, and Coach Ray Meyer has his entire squad back.

DePaul is led by 5-10 Howie Carl, who averaged 19.2 points a game last year and broke the school's sophomore scoring record by netting 461 points. At the other guard position will be 6-0 junior Bill Haig.

The center spot is expected to be filled by 6-6 Jim Flemming, with 6-6 senior Bill Coglianese adding depth.

McKinley Cowsen, 6-4, and 6-2 senior Mike Salzinski round out the

starting team, at the forward positions.

DePaul has an abundance of speed and depth. Coach Meyer's team is expected to make good use of its speed by employing the full-court press on frequent occasions.

Bowling Green Named Small College Champs

Bowling Green's undefeated and untied football team has been voted 1959 small college champions by the United Press International board of coaches. This is the first time in their 41-year football history that the Falcons have gained such national recognition.

The Falcons were way out in front in the nation-wide balloting, garnering 23 of the 35 first place votes. Bowling Green will receive a permanent trophy from UPI.

The next three teams behind Bowling Green were Mississippi Southern, Middle Tennessee State, and Delaware. Two other Mid-American Conference teams which finished among the top 20 were Ohio University, ninth, and Miami, nineteenth.

Independent Basketball Meeting Is Set Jan. 9

Twenty-two teams will begin play after Christmas vacation in independent basketball action. All referees for the intramural games are requested to attend an official's clinic at 8:30 p.m. Jan. 9, in Room 103 of the Men's Gym.

Orange Team Wins Annual Swim Meet Over Brown Squad

Hank Reest's Orange squad was victorious over Ray Martin's Brown squad, 71-66, as the swimming team held its annual intra-squad meet in the Natatorium, Saturday.

Reest was the winner of the 220-yard freestyle with a time of 2:17.4. The winner of the 50-yard freestyle was the Orange's Gary LaPrise. His time was 24.0.

Ben Lauber of the Browns won the 200-yard individual medley with a time of 2:27.8. Ralph Weibel, a transfer from Florida State, won the diving competition for the Browns with 177.9 points.

The 200-yard butterfly was won by Ron Cochrell of the Browns in 2:38.2. LaPrise was victorious in the 100-yard freestyle in the fine time of 52.7.

Martin won the 200-yard backstroke in 2:21.7. Reest, gaining a double, won the 440-yard freestyle in 5:23.3.

Paul Vogel won the 200-yard breaststroke in 2:40.7, while the Brown team of Franz Fauley, Martin, Lauber, and Dave Hindricks won the 400-yard freestyle relay in 3:55.0.

The last event, the 400-yard medley relay, was won by the Orange team of Howard Comstock, Don Smith, Roger Southworth, and LaPrise in 4:11.9. The disqualification of the second-place Brown relay team in this event cost Ray Martin's squad the meet.

Six Falcons Selected For All-Ohio Honors

Football season is over for the undefeated Falcons, but the individual honors are still coming in. Several of Bowling Green's football seniors have been drafted by professional teams, one has been selected to take part in the annual North-South football classic in Miami, Fla. on Dec. 26, and six were selected for All-Ohio honors:

Bob Zimpher—Co-captain of the team and a senior tackle... was selected to play in the North-South classic... a draft choice of Houston, a member of the new American Football league... for the second year in a row, selected on the All-Ohio first team.

Bob Colburn—Co-captain and senior quarterback... a draft choice of New York, a member of the American Football league... selected to the All-Ohio first team for the second consecutive year.

Officials of the Blue Grass Bowl announced last week that the Bowl game, which was to be played in Louisville on Dec. 12, has been cancelled.

The two teams under top consideration, the University of Kentucky and the University of Alabama, both declined invitations to appear.

Chuck Ramsey—Senior guard... selected to the All-Ohio second team.

Bernie Casey—Junior right halfback... selected on the All-Ohio second team.

Bob Bird—Junior tackle... selected for All-Ohio honorable mention.

Jerry Dianiska—Senior fullback... selected for All-Ohio honorable mention.

On Monday, a meeting of all the Mid-American Conference football coaches was held, and at the meeting the coaches were to have voted on the All-Conference teams. Results of the voting will appear in the Friday issue of the NEWS.

Theta Chi's Victorious In Annual Swim Meet

Theta Chi won the interfraternity swimming meet Sunday with a convincing 40 points. Second place went to Phi Delta Theta with 23 points.

Theta Chi took firsts in all but one of the seven events. In the 50-yard freestyle, Ron Shawl of Theta Chi won in the time of 27.6. Bill Rhoad of Phi Delta Theta was second, followed by John Linn of Delta Upsilon and Dick Coffin of Pi Kappa Alpha. The scoring for individual events was on a 5-3-2-1 basis; the relay was scored on a 10-6-4-2 basis.

Tom Delaney of the Pikes won the 50-yard backstroke in 33.9, followed by Fred Churchill of the Phi Deltas. Dave McEwen of Tau Kappa Epsilon was third and Jerome Bruns of Delta Upsilon was fourth.

Theta Chi's Dick Jones was first in the 200-yard freestyle in 2:51.6. Dave Friebs of the Phi Deltas was second. Dave Armstrong of the Phi Deltas was third.

Theta Chi placed one-two in the 50-yard breaststroke with Ron Shawl winning and Bob Wolfe following. Ted Karle of Delta Upsilon was third and Jim Schindler of the Phi Deltas fourth.

Tom Gaertner of Theta Chi won the 100-yard freestyle in 1:04.8. Harry King of Delta Upsilon was second. John Linn of Delta Upsilon and Dave Radlinski of the Phi Deltas followed.

Wolfe of Theta Chi won the diving competition, with Gary Stannard of the Phi Deltas finishing second. John Carroll of Theta Chi was third and Bob McLean of the Phi Deltas was fourth.

Theta Chi won the 200-yard freestyle relay in 1:55.6. On the winning team were Carroll, Bob Heckman, John Petrie, and Gaertner. The Phi Deltas were second, while the Pikes were third.

Other team scores were: Pi Kappa Alpha 10, Delta Upsilon 10, and Kappa Epsilon 2. No fraternity records were broken during the meet.

Frosh Drop Overtime Game To Detroit, 89-88

Bowling Green's freshman squad, playing without four-fifths of its first team, lost an overtime contest, 89-88, to Detroit last Saturday. Yearling Coach Warren Scholler was forced to go with a new and inexperienced first team, as Nate Thurmond, Ira Harge, Wavey Junior, and Elijah Chatman failed to report for the game.

There has been no explanation given as yet for the absence of the four players.

Earlier in the week, the yearlings opened their 1959-1960 campaign with a decisive victory over Defiance, 76-45. Junior was the big man for the freshmen with a 22-point output. Thurmond and Lyle Peppin were the only other men in double figures, with 10 points each.

Against Detroit, Scholler started Dan Kenelly and Ed Hanners in addition to Chapman, Peppin, and Pat Haley. Haley was the only player in this lineup to start in the Defiance game.

Bowling Green trailed the Titans through most of the game, but closed the gap in the final minutes of regulation time to send the game into overtime tied at 82-82. In the three-minute overtime period, the Falcons had several chances to win, but couldn't take advantage of them.

Haley paced the yearlings with 17 points. Chapman and Peppin followed with 16 and 10 points, respectively.

Perry Repeats As Ohio College Football Coach Of Year For '59

Doyt Perry was named Ohio college football Coach of the Year last week by the Columbus Dispatch. Coach Perry became the first to be named twice since the award was first given in 1952. In 1956, when Mr. Perry first received the honor, his team won the Mid-American Conference championship and finished with a season record of 8-0-1.

When word reached Coach Perry of his selection, he had this to say: "I assure you I didn't have a whole lot to do with it. I've had the benefit of a fine coaching staff and a cooperative spirit from a fine bunch of kids. They happened to click this year and they all played up to their abilities."

Mr. Perry received an almost unanimous vote from 33 Ohio college coaches. On a 3-2-1 point basis for first, second and third choices, he accumulated more than twice as many points as runner-up John W. Ray, coach of undefeated John Carroll.

"My finest season," exclaimed Mr. Perry on his team's first per-

fect record (9-0) in the 41-year history of football at the University. Bowling Green gained wins over Dayton, Southern Illinois, and Delaware to boost its non-conference record under Coach Perry to 15 straight victories.

Since coming to Bowling Green in 1955, Mr. Perry has compiled a record of 37 wins, four losses, and four ties. Twice his teams have won the MAC championship, and this year the Falcons were rated the number 1 small college team in the nation by United Press International.

The Columbus Dispatch will present Coach Perry with an engraved plaque at a sports banquet in Columbus on March 14, and Bowling Green will receive a large rotating trophy to display for the year of his reign.

The previous winners of the award have been: Ara Parseghian, Miami, 1952; Carroll Widdoes, Ohio University, 1953; Paul Hoerneman, Heidelberg, 1954; Ed Sherman, Muskingum, 1955; Perry, 1956; Bill Edwards, Wittenberg, 1957; and Trevor Rees, Kent State, 1958.

From The Dorms

MOONEY

"Help under-privileged families" seems to be the key phrase in Mooney Hall this Christmas season.

Each corridor in the dorm has elected to adopt a needy family during the holiday period. Most of the families contacted so far have between four and six children and live in Bowling Green and the surrounding area.

The women are planning to give the children, who range from two to 16 years old, a Christmas party, where they will have the opportunity to become acquainted. They will give the children gifts of clothes and toys.

Since the residents of each corridor buy a Christmas tree for their lounge, these too, will be given—fully decorated—to the families, along with a Christmas food basket.

Some of the women taking part plan to continue giving aid to these families until the end of the school year.

Staff Dinner

The staff of Mooney Hall is planning to celebrate Christmas by going out to dinner.

Mrs. Mildred Sampson, head resident of Mooney Hall, and her counselors, Laurel Nosko, Marjorie Low, Barbara Burrows, Beverly Wolf, and Susan Collins will travel to Maumee, Thursday, Dec. 10 to have dinner at the Plantation Inn.

A dorm-wide Christmas party for the residents of Mooney Hall is scheduled for 10 p.m., Wednesday, Dec. 9.

After refreshments, which will consist of Christmas cookies, punch, and ice cream, entertainment will be provided in the form of skits to be given by a group of girls from each floor, the counselors, and Mrs. Mildred Sampson, head resident.

Following the entertainment, judges will announce the results of the door decoration contest and prizes of \$6 and a box of candy will be awarded to the rooms having the most original and outstanding door decorations.

In ending the evening Mooney residents will serenade Lowry, Treadway, and Harmon Halls with traditional Christmas carols.

Faculty Party

A Christmas party dinner for members of the faculty was held Dec. 3, by the residents of Mooney Hall.

The party began at 5:30 p.m. with a steak dinner in Founders east dining hall. A large banquet table was reserved for the guests. Decorations followed a Christmas theme, with bright-colored trees made from Christmas ornaments as centerpieces.

After dinner, the hostesses escorted their guests to Founders east lounge, where entertainment was provided by a newly organized singing group under the direction of Marilyn Myers, second vice president of Mooney.

WILLIAMS

Deanna Bofa will be Santa Claus next Wednesday. Her duties will be to distribute gifts at the Williams Hall Christmas party, and to be jolly and full of holiday cheer.

The event has been designated as an "untrimming the tree" party. After the tree has been taken down, gifts will be exchanged and entertainment will begin. Each corridor is to present a skit, and there will be group singing of Christmas carols. The party will end with the serving of refreshments.

Two trees were trimmed, on Dec. 2. The residents of Rodgers Quadrangle went to Williams to help in the trimming of their tree, and then both groups journeyed to Rodgers to help with that tree's decorations.

Christmas dinner at Williams was Dec. 3. Mr. and Mrs. Loyal E. Horton, Dr. and Mrs. Virgil K. Ort, Dr. John Wenrick, and Dr. and Mrs. Morgan M. Brent were guests.

HARMON

Mr. and Mrs. Dick Weaver, Miss E. Eloise Whitwer, and Dr. and Mrs. Ralph W. Frank were Harmon Hall's guests of honor at a Christmas party dinner Wednesday, Dec. 2.

After a candlelight dinner in the dining room, the guests and residents of the dorm sang Christmas carols in the west lounge at Founders Quadrangle. Florence Perkosek and Gay Mancini accompanied on accordions, and Pat Wisniewski played carols on the piano.

Ending the entertainment, Beverly Precht sang "O Holy Night," accompanied by Miss Wisniewski.

KOHL

Kohl Hall will hold an election of officers this week, according to Head Resident Bob Rudd.

New Storm Sewer Will Circle Campus

(Continued from page 1)

Bldg. This section also will be finished by the end of Christmas vacation.

The new sewer is designed as a combination sanitary-storm sewer, and, when completed, will almost completely circle the campus. Waste carried in the new sewer will be routed to the sewage treatment plant owned by the city of Bowling Green, located on Poe Road. At this point a regulator chamber will divert the flow of sanitary sewage into the treatment plant and permit the storm water to run off into the Poe Road ditch. The new sections to be added to the sewer vary in size from 12 to 27 inches in diameter.

Much difficulty is being encountered in the construction of new sewers on campus because of the nearness of bed rock to the surface of the ground. In some places along the sewer's route, solid rock lies 12 inches under the topsoil. The presence of bed rock so close to the surface has made extensive blasting necessary.

An effort is being made to complete the sewer in front of the Union before the end of Christmas vacation, as this area is most heavily traveled by students during the course of the day.

"The new sewer construction may inconvenience students; however, we are doing everything possible to speed up the construction progress," Mr. Beatty said. The construction areas will be replanted with grass as soon as weather permits, and by spring all scars of the project will be removed.

"The cooperation of students while the various sections of the campus are torn up will be appreciated," Mr. Beatty added.

PACKED HOUSE—An overflow crowd filled the Grand Ballroom Saturday night for the annual AWS Christmas formal, "Moonlight Sleighride." The Ralph Marier Orchestra, noted for its "Trumpeter's Lullaby" and "Dancing on the Down Beat" albums, played for the dancers from 9 p.m. until 1 a.m.

Matinee Hour Symposium Features Discussion Of Today's TV Drama

"Television Drama Today," will be discussed by a panel at 3:30 p.m. today in the Ohio Suite of the University Union during a special Matinee Hour symposium.

Chairman of the panel will be Eugene Wilson, a senior in speech. The panel will include three faculty members: Sidney Stone, associate professor of speech and director of WBGU; Dr. Duane Tucker, assistant professor of speech and coordinator of the WBGU radio and television studios; and Dr. Stanley Kahan, instructor in speech and moderator of the Matinee Hour.

Questions from the floor will be answered after the discussion period. It is expected that the recent television scandals will enter into the discussion because of the dramatic emphasis they have received.

This Matinee session will be of special interest to students of journalism, speech, sociology, and English.

Another symposium will be held at 3:30 p.m. Jan. 5 in the Ohio Suite. "Doctor Faustus," by Christopher Marlowe, will be discussed. "Doctor Faustus," often consid-

ered the first great play in the English language, is a universal story of a man who strives after the infinite, and in many ways this reflects upon Marlowe's own life.

Christopher Marlowe was England's first great playwright. He was a rival of Shakespeare, and if he had not died at an early age, many literary critics believe that he would have equaled or surpassed Shakespeare.

Excerpts will be heard from a great English production, and the work of Stephen Murray and other great English stars will be featured.

Books & Coffee Discusses Shaw

"Pygmalion," a play by George Bernard Shaw, will be discussed at Books and Coffee hour at 3:30 p.m. Wednesday, Dec. 9, in the Ohio Suite of the University Union.

Dr. Norbert F. O'Donnell, assistant professor of English, will be the featured speaker. "I will discuss 'Pygmalion' as a play of ideas; as a play that is revealing of the psychology of Shaw's drama; and as a play that reveals the true character of rhetoric in Shaw's drama," Dr. O'Donnell said.

In Shaw's play, a man takes a girl of the lower classes and, after drilling her in speech and

Campus Kaleidoscope

Coming

United Christian Fellowship—Sponsoring a retreat at Camp Christian in Delaware, Jan. 8, 9, and 10. Dr. Otis Maxwell will speak on "What Price Christianity."

Fee is \$4 per person. Information and reservations can be obtained at UCF House, 243 Thurston St.

Week end is planned to be spiritual, recreational, and informative.

Inter-Varsity Christian Fellowship—Meets 6:30 p.m. tonight in Wayne-Harrison Room of University Union. Subject: "How Can I Know God's Will?"

Program divided into two parts. First part is a 15-minute color film and the second part is a discussion concerning the Gospel of John: Chapter 7, Verses 14 to 18.

United Christian Fellowship—Regular weekly chapel services, 3:30 p.m. Wednesday in Prout Chapel.

Communion services to be held 7:30 a.m. Friday in Prout Chapel.

German Club—Meets 7 to 9 p.m. Thursday in Pink Dogwood Room of the University Union.

Movie will be shown concerning Friedrich Schiller, famous German poet. Another movie will follow on Austria and the "Deutschlandspiegel."

Workshop Players—Will meet 7 p.m. Wednesday in White Dogwood Suite of the University Union.

Techniques in physical character creation will be demonstrated.

Going

Circle K—Held a formal initiation last Wednesday night in Wayne Room of University Union.

New members initiated included Robert P. Bigelow, Robert M. Farthing, Donald W. Klecher, Ralph R. Lawrence, and Richard R. Rice.

Ed Guenther, division chairman of Circle K, explained how the Bowling Green chapter could benefit the campus and the community.

Sigma Tau Delta, national honor society in English—Held initiation in Wayne-Harrison Room of the University Union Thursday.

New members are Jean Goldsmith, Sue Ann Schoenberger, George Kraus, Wanda Chynoweth LaDelle Gerlach, Marilyn Busdaker, Lee Hoeftel, Judith Pierson, Roberta Wolfner, Myrna Mantel, Karen Trounser, and Douglas Dyer.

Dr. Howard Brogan, chairman of the English department, spoke on "The European Tour and the Summer School Abroad Program."

United Christian Fellowship—Held candlelight services 6 p.m. Sunday in Prout Chapel.

Christmas carols and traditional hymns were sung.

Gamma Delta—Witnessed presentation of the "Messiah" at Toledo Museum of Art, Sunday.

Alpha Phi Omega—Held a formal pledge initiation on Nov. 23. The pledges are: John Blake, Frank Byrd, David Crawford, Charles Eberly, Roger Garis, Charles Johns, Larry Stever, Richard Wallace, Jack Welshelt, Paul Wittwer, and James Rees.

Seniors LaPolt, Rader Named AFROTC Distinguished Cadets

Air Force ROTC cadets Thomas LaPolt and Darrell A. Rader have been designated as Distinguished Cadets in the officer training program. To receive this honor senior cadets must have a rating in the upper one-third of their Summer Training Unit groups, attain an academic standing in the upper one-third of their college classes, possess outstanding qualities of leadership ability demonstrated in recognized campus activities.

Rader is also the first senior in the AFROTC at the University to make a solo flight. He accomplished this feat after seven hours of flying, as a part of the flying indoctrination program, sponsored by the Air Force and held at the University Airport. A rigid mental and physical examination must be passed, and 35 hours of ground instruction and 36 1/2 hours of flight time completed, before a solo is permitted.

Dr. Harshman Travels

Dr. Ralph G. Harshman, vice president of the University, will attend a high level conference on AFROTC problems at Maxwell Air Force Base in Alabama on Dec. 9 and 10. College and university officers from 176 institutions, mainly presidents, will attend the meeting to determine ways of strengthening the working partnership between the Air Force and schools participating in the AFROTC program.

Highlights of the conference will be addresses by James H. Douglas, Air Force secretary; Dr. John C. Millett, president of Miami University; and Lt. Gen. R. C. Wilson, deputy chief of staff for development, Headquarters, USAF. A dinner will also be held at which Gen. Thomas D. White, Air Force chief of staff, will address the educators.

Promotions

Recent promotions of AFROTC officers and cadets are as follows: To cadet major: Gareth Harper, Dale Haven, Lee Hughes, Charles Marvin, Dale Pozsgai, and James Ward.

To cadet captain: Robert Becht, Richard Bugeba, Thomas Gowdy, Walter Lamson, Ross Lincer, and Thomas Main.

To cadet first lieutenant: Gordon Kuntz and Larry McLaughlin.

To cadet master sergeant: Hal

Henning, Richard Hoffman, and Ken Lydrickson.

To cadet technical sergeant: Donald Beran, Richard E. Curtis, John Granfield, Roger Hermeling, Thomas Race, and James Rees.

To cadet staff sergeant: Lee Smoll.

To cadet airman first class: Dick Crandall, Harold Eckel, Jerry Etchison, John Halldorson, Thomas Jones, James Leng, Charles Obenauer, Gerald Robinson, and Gilbert Schroeder.

To cadet airman second class: Larry Kovats and John Langen.

To cadet airman third class: Dick Anuskiewicz, Alex Beloff, Robert Darbyshire, Frank DeWolfe, James Enyart, Dennis Fillingier, Lawrence Goffena, Verne Hansen, Russell Herroon, Kenneth Hoover, Larry Hopple, Charles Huston, Charles Johns, William Lafferty, Edward Morlock, James Milliron, Larry McNeil, Roy McKinney, Ben Morgan, Bill Mygatt, James Jacobs, Wayne Nickolls, Peter Palermo, Paul Patterson, Robert Sattler, and Phillip Smith.

Physics Department Receives Equipment

The physics department will soon receive a gift of testing equipment and power supplies from the Western Electric Co., according to Dr. Willard E. Singer, chairman of the department.

Dr. Singer stated that the value of the equipment probably was "about \$500 to \$600." It includes resistors, capacitors, and a power supply worth more than \$200.

Western Electric is assisting colleges and universities throughout the country by giving them used but serviceable equipment. A catalog is distributed to schools, and the departments select what they need from the available supplies.

"EXCELLENT" RATINGS—Members of the University forensics team display the 13 "excellent" awards they received at a recent tournament at Bradley University. They are (left to right) Jan Stash, Carolyn Kleiber, Dave Miller, and Wanda Chynoweth. Row 2—Harry Sir, Fred Fernandez, Mike Pheneger, and Dave Hunger. Dr. Raymond Yeager, forensics coach, is at rear.

Forensics Team Rates 13 'Excellent' Awards

Members of the University forensics team successfully passed their first major test of the semester recently by taking 13 "excellent" ratings at the Bradley University Invitational Forensics Tournament at Peoria, Ill., Nov. 19-21.

Traveling to Peoria were David Hunger, David Miller, Wanda Chynoweth, Harry Sir, Janet Stash, Fred Fernandez, Michael Pheneger, and Carolyn Kleiber. Dr. Raymond Yeager, assistant professor of speech and head forensics coach, and Robert Kinstle, graduate assistant in speech and assistant forensics coach, accompanied the group on the trip and served as judges at the tournament.

The tournament, which ranks annually as one of the most outstanding forensics events in the country, was divided into six divisions: oral interpretation, extemporaneous speaking, discussion speaking, oratory, listening, and debate. Bowling Green's representatives competed in all six divisions, with each person participating in at least three different activities.

Dr. Yeager said that Bowling Green's accomplishment of gaining 13 "excellent" awards probably made it the biggest individual team winner at the tournament. Janet

LUCKY STRIKE presents

Dear Dr. Frood:

Historic event! DR. FROOD REVEALS HIS ADDRESS

(See below)

Dear Dr. Frood: My roommate continually steals my Luckies. What should I do?
Sinned Against

Dear Sinned Against: The most successful defense is the traditional African one. Mold a small wax image of your roommate. Then, at full moon, insert half a dozen common household pins into the hands of the image.

Dear Dr. Frood: If I were demented enough to want to write to you, how would I go about it?
Pen Pal

Dear Pen Pal: Address your letter to:
Dr. Frood
Box 2990
Grand Central Station
New York 17, N.Y.

No phone calls please. Thus far I've been unable to have a phone installed here in the box.

Dear Dr. Frood: Our football team has lost 8 games a year for the last 6 years. How can we improve our record without letting the old coach go?
Alumni Pres.

Dear Alumni Pres.:
Schedule fewer games.

Dear Dr. Frood: I am a 5'11" co-ed with a figure exactly like the Venus de Milo's. Would you say I should be in the movies?
Lovely

Dear Lovely:
I'll say anything you want me to.

Dear Dr. Frood: I told my fiancée we can't afford to get married until I finish college. She insists that two can live as cheaply as one. Is this true?
Dubious

Dear Dubious:
Yes. If they take turns eating.

DR. FROOD ON HARASSING HABITS OF ROOMMATES

Roommates resent these common faults in roommates: Staring at my girl's picture. Not staring at my girl's picture. Studying when I'm not. Having a homely sister. Having no sister at all. Only one thing is more annoying than having a roommate who always runs out of Luckies: Having a roommate who doesn't smoke Luckies.

THE RESTAURANT OF FINE FOOD

To The
Students and Faculty

MERRY
CHRISTMAS
And
HAPPY
NEW YEAR

Dear Dr. Frood: I was out with my girl and I saw this old lady and I laughed and I said, "Did you ever see such a worn-out old hag?" and my girl told me it was her mother. What can I do now?
Outspoken

Dear Outspoken: Take your left foot in your right hand and jerk sharply until it comes out of your mouth.

COLLEGE STUDENTS SMOKE MORE LUCKIES THAN ANY OTHER REGULAR!

When it comes to choosing their regular smoke, college students head right for fine tobacco. Result: Lucky Strike tops every other regular sold. Lucky's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.

TOBACCO AND TASTE TOO FINE TO FILTER!

Product of The American Tobacco Company—"Tobacco is our middle name"

U.S. In Dangerous Waters--Douglas

By KEITH SANDERS

"America today is drifting into very dangerous waters . . . in the battle to win against Communism in Asia . . . because of our loss of prestige in Asia and because of our failure to actually admit the problem," said Supreme Court Justice William O. Douglas as he addressed an audience of 2,100 townspeople, faculty members, state and area lawyers, and students at the third symposium of the Anniversary Year celebration. "American prestige in Asia and Europe has declined in the last few years."

Justice Douglas suggested several things that the United States must do to regain its lost prestige. The most important thing we must do as Americans, he suggested, was to get away from the belief that we can pour money into underdeveloped nations as an attempt to buy loyalty and prestige. Recently, the United States persuaded both Ethiopia and Bolivia to take 12 jet fighter planes from us. Ethiopia is 98 per cent illiterate. "What will its people think of the United States when they see planes that cost millions of dollars landing on million-dollar air strips next to their mud huts?"

Low Education Budget

"The cost for training men to fly the airplanes in Bolivia is greater than that country's budget for education. Why not invest that money in hospitals or colleges?"

"Although we think of ourselves as champions of the free peoples of the world," Justice Douglas said, "after the war the Communists took the position of being in favor of freedom for the individuals. America took a stand against this freedom. In Indonesia, for example, they think they got their freedom in spite of us. We seem to have forgotten our revolution of just a few hundred years ago."

"Much has been said recently about the rising industrial might of Russia. Many have said that it would take decades, if ever, for the Russians to overhaul us industrially. But this," Justice Douglas pointed out, "is not what is impressing the population of the Eastern world. Consider that only 15 per cent of the world's population has a yearly income of over \$450. Russia is one of these countries that can claim this."

"Sputnik speaks for Khrushchev, and Russia, every minute of every hour of every day. The East sincerely believes that Russia, the backward nation, is outdoing the United States in our very own field—science."

Russian Press Active

The fact that the Russian press is so active is another reason why their prestige has increased in past years. The Russians print books in 68 different languages and sell these books for as little as a penny apiece. The United States prints in only 16 languages and its cheapest books sell for ten cents. "There are 40 world languages that we are not even prepared to teach in the United States, that the Russians are teaching continually." Russia never sends an ambassador to any country unless he can speak the native language or dialect. Russia has thousands of young men and women who are ready to go anywhere in the world to show newly emerging countries how to do it "Russian Style," and they are succeeding.

Must Change Policy

Douglas pointed out that we must change our philosophy behind our foreign policy, particularly in dealing with Communist China. He posed the question, "Can we continually go on pulling the Bamboo Curtain in front of us and deny that six million people exist?" Are we brainwashing ourselves about Red China? At the current population growth rate, there will be more

people in Communist China in 50 years than there are in the entire world today.

Contrary to American beliefs, China is not about to fall apart. True, they do have extensive slave labor, nor do they have freedom of speech and freedom of the press. But they do have a place to sleep at night and they do eat regularly. Next year, 70 per cent of the Chinese children will be in the primary grades in school. Red China is graduating more engineers each year than we are.

The Communists have done a lot for the average peasant. Although the growing industrial cities of Communist China may be only . . . "islands of industrialization in a sea of agriculture," China may someday become the third largest industrial nation of the world. It could very well be, when Communist China does reach full power, that Russia may be the West's best watchdog over China. "We must remember, that at one time, China ruled all of what is now Russia, and they haven't forgotten about it."

The Biggest Question

The biggest question in the East today, Douglas points out, is not whether democracy will survive, but will democracy be born?

In closing, Justice Douglas said we must facilitate the birth of democracy. "We must exploit the printing press. We must translate our literary and scientific classics into the languages of the world so that they can be understood. We must give them Abraham Lincoln and Carl Sandburg instead of guns and jet planes. We must forget militarism as the answer to the problem that is basically of a political nature. We must catch up on our lost 40 languages. We must let our governmental documents, our philosophies of government be translated."

"We need to let the American belief of equality reach out and touch the hearts of these people."

Crew Selected For 'Glencairn'

Selected to do the technical work for the University Theatre's third major production, "S. S. Glencairn," by Eugene O'Neill were: Donna White as director's assistant; Bobbie Yackel, stage manager; Scotty Johnson and Billy Joe Shafer, assistant stage managers; Kay Ballmer, Nancy Travler, Peggy Sullivan, Kay Boulton, and Su Welter, costumes; Mike Fink, Jane Sager, Sue Rouse, Betty Breneman, and Dottie Wittes, properties; Carol Quimby, Nancy Sklenicka, Jean Davies, Larry Rockefeller, Ann Peeler, Russell Nowlin, Shirley Myrus, and Ron Burgher, stage crew; Louie Mattachione, Susan Erickson, Nan Holloway, Barbara Uhl, and Connie Dick, make-up; Gail Peery, Jim Schindler, Dale Stephens, Shirley Pimlott, and Dale Nedelco, lights; Roberta Woler and Dottie Hays, sound; and Char Holloway, Emma Thomas, Barb Peyster, and Mary Mitchell, publicity.

Production dates are Jan. 14, 15, and 16. Directing the play is Harold B. Obee, assistant professor of speech.

Concert Presented By University Trio

The University Trio, composed of Seymour Benstock, cello; Paul Makara, violin; and Robert Chapman, piano, presented a concert of chamber music Dec. 2, in the recital auditorium in the Hall of Music.

The audience, was composed mainly of music students. The trio performed "Trio in C minor, op. 1 no. 3," by Beethoven, "Trio (1935)," by Piston, and "Trio in B flat major, op. 99," by Schubert.

History Honor Society Attends Regional Meet

Members of the Bowling Green chapter of Phi Alpha Theta attended a regional meeting of the honorary history fraternity Saturday at Otterbein College in Westerville.

"Main purpose of the meeting was for Ohio historians to get together," said Dr. Stuart Givens, assistant professor of history. The meeting included coffee, a luncheon, a workshop, and a speech entitled "The Three Rs—Reading, Writing, and Rejecting," by Dr. Lynn W. Turner, president of Otterbein College.

Abstractions On Display

'Transferences' Paintings Done By Commonwealth Painters

"Transferences," a highly-praised exhibition of 32 paintings by 13 artists from Australia, Canada, Ceylon, India, and South Africa, will be on display in the Promenade Lounge of the University Union, Jan. 10 through 31.

The exhibit will be sponsored by the exhibits committee of the fine arts department of the University Union Activities Organization.

The paintings were assembled by Michael Chase, director of the Zwemmer Gallery, London, and came to the United States after initial showings in London and the provinces. The exhibit is being circulated by the Smithsonian Institution Traveling Exhibition Service.

Included are the works of Daryl Hill, Sidney Nolan, and Albert Tucker, of Australia; Simone Beaulieu, Paul-Emile Borduas, William Newcome, and Jean Paul Riopelle, of Canada; Leslie Candappa, of Ceylon; Raza and F. N. Souza, of India; and Denis Brown, John Coplans, and Maude Sumner, of South Africa.

"Transferences" is not only feelings, visions, and sights transferred into paint but paintings by transferred artists. Each of these artists was born in a Commonwealth nation and began his painting life there. Each artist has also been to Europe. Some have stayed there; all have been influenced by Europe in the development of their art.

Yet, the painters remain related to their origins. They have what

Eudora Welty has so aptly described for fiction as "the sense of place."

The painters in this display are allied in that they mainly express their conceptions in abstractions; some may be called "action painters." They also share a feeling for the paint substance, for the textures which may result from it, and for its spatial potentialities.

Each artist represented in "Transferences" has had many one-man and group shows and has work in the permanent collections of museums all over the world.

Delta Phi Delta Art Is On Exhibit Now

Delta Phi Delta, national art honorary society, is presenting an exhibition of student art in the Promenade Lounge of the University Union and in the gallery of the Fine Arts Bldg. this week.

It is Delta Phi Delta's first exhibition. Only members' works are on display.

The exhibition in the Union features art mediums in oils, textiles, prints, ceramics, watercolors, and sculpture. Design projects including magazine covers, book jackets, letterheads, and album covers for 45 rpm and 33 rpm records are being exhibited at the Fine Arts gallery.

Students who have projects on exhibit are George Koch, president of Delta Phi Delta; Richard Leibold, Susan Adams, Roy Kerscher, Lynn Llewellyn, Peter Todd, Shirley Jeanne Zafrau, Carol Hartman, Barbara Fausey, Barbara Hart, John Pimlott, Peggy Smith, and Sharon Smith.

According to George Koch, the exhibition "will be the biggest display of student art work on campus until the annual art exhibit in the spring."

Many of the art compositions are for sale. The materials used in rendering the projects are purchased by the art students.

The textiles on exhibit are the first produced here by Bowling Green art majors. A textile design class was begun this fall, with Mr. Hall as instructor. The class specializes in dyeing color designs into fabrics.

The art exhibit will continue until Christmas vacation, and is open to the public.

Linn, Horstman Picked By Phi Epsilon Kappa

John Linn and Ray Horstman, have been selected co-winners of the Phi Epsilon Phi annual scholarship and athletic award for the 1958-59 school year.

To qualify for the award a student must possess a cumulative point average of 2.8 or better in all work undertaken in the year of the award, and have competed in varsity or intramural sports.

John with a 3. average played on the varsity baseball team, helped place DU to the finals of the fraternity championship as did Ray in basketball; took part in cross country, swimming, volleyball, and track.

Ray, also had a 3. average and participated in basketball, volleyball, and softball.

John and Ray are both members of the Delta Upsilon social fraternity.
