Thinking backwards I sometimes dont remember what I set out to do  
even now as I type this I forget certain words and phrases that I wish to use with the utmost  
form of diction and clairity. My mind is racing like a lamb to the slaughter  
the only thinking mind is my long lost daughtetr and son.  
My brown skin got me in this mess, but my poor choices extended it

Am i to blame for a syste,m so unjust?  
Am I to blame for not seizing opportunity when it is needed?  
Here am I in this jail cell thinking away my old ideas
