Teaching Remote Users How to Use Electronic Information Resources

By Karen Wielhorski (pp. 5-20)

To retrieve this file: GET WIELHORS PRV5N4 F=MAIL

How can we effectively train remote users of electronic information resources? This paper examines the categories and characteristics of remote users, training challenges, and ways that emerging electronic capabilities can be used to enhance traditional bibliographic instruction methods.

COLUMNS

Public-Access Provocations: An Informal Column

And Only Half of What You See, Part I: Discounting the Counts

By Walt Crawford (pp. 21-23)
