Director's Notes

*Sometimes I ask to sneak a closer look,
Skip to the final chapter of the book...
But no one gets to miss the storm of what will be
Just holding on for the ride.*

—Emily Sailers (The Indigo Girls)

None of us get to know about the future. Rita, Peter, and the old man remind me every day that we don't need to. "We might as well have a good time while we're here," Rita says, "don't you think?"
