V48  
no. 2

The following is a preliminary list of references which have some bearing on the hydrography of Chesapeake Bay and its tributaries.

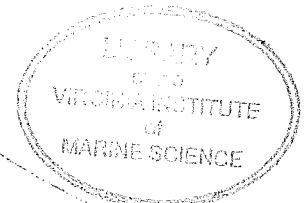

Published reports and unpublished manuscripts are listed in Part I; agencies releasing data in serial publications are listed in Part II; depositories of unpublished raw data are listed in Part IIIa; specific series of data known to be on file in depositories are listed in Part III b. Notification of additions and corrections will be appreciated.

Part I

- Abbe, Cleveland Jr. 1899. A general report on the physiography of Maryland. Maryland Weather Service, Special Publication, Vol. I, Pt. 2, 216 pp. VFL
- Abbe, Cleveland Jr., Oliver L. Fassig, and F. J. Walz. 1899. Report on the meteorology of Maryland. Maryland Weather Service, Special Publication, Vol. I, Pt. 3, 551 pp. VFL
- Aldrich, L. B. 1946-1947. Summarizing the results of radiation measurements made at Camp Lee, Virginia (from March through August, 1946). Reports No. 2 to 7 of the Astrophysical Observatory, Smithsonian Institution, 10 pp. each. VFL
- Aldrich, L. B. and associates. 1946. Solar radiation on exposed army tents and canvas at Camp Lee, Virginia, January and February, 1946. Astrophysical Observatory, Smithsonian Institution, Textile Series - Report No. 17, Tent Research Report No. 3, pp. 50-99. VFL
- Baldwin, Emily A. 1947. List of publications of the Coast and Geodetic Survey. U. S. Coast and Geodetic Survey, 44 pp. VFL
- Beaven, G. Francis. 1944. Annual Report, Chesapeake Biological Laboratory, 1942. Maryland Department of Research and Education, Publication No. 56, 35 pp. VFL
- Beaven, G. Francis. 1946. Effect of Susquehanna River stream flow on Chesapeake Bay salinities and history of past oyster mortalities on upper bay bars. Maryland Board of Natural Resources, Third Annual Report, 1946, Appendix B of Part IV, pp. 123-133. VFL
- Beaven, G. Francis, and Henry J. Oosting. 1939. Pocomoke Swamp: A study of a cypress swamp on the eastern shore of Maryland. Bulletin of the Torrey Botanical Club, Vol. 66, pp. 367-389.

Part II

Board of Fisheries of Virginia. Reports numbers 1-9, 1898-1907.

Board of Natural Resources of the State of Maryland. Annual Reports, numbers 1-, 1944-.

Commission of Fisheries of Virginia. Annual Reports, numbers 10-, 1908-.

Conservation Department of the State of Maryland. Annual Reports, numbers 1-19, 1923-1941.

Maryland Conservation Commission. Annual Reports, numbers 1-7, 1916-1922.

U. S. Army Engineers. Annual Reports of the Chief of Engineers.

U. S. Coast and Geodetic Survey. Current tables, Atlantic Coast, North America, published annually.

U. S. Coast and Geodetic Survey. Tide Tables, Atlantic Ocean, published annually.

U. S. Geological Survey. Surface water supply of the United States. Water Supply Papers, published annually.

U. S. Weather Bureau. Climatological Data, Maryland and Delaware Section, published monthly.

U. S. Weather Bureau. Climatological Data, Virginia Section, published monthly.

U. S. Weather Bureau. Monthly Weather Review, published monthly.

### Part IIIa

Chesapeake Bay Institute.

Chesapeake Biological Laboratory.

Department of Sanitary Engineering of The Johns Hopkins University.

Hampton Roads Sanitation District Commission.

U. S. Army Engineers.

U. S. Coast and Geodetic Survey.

U. S. Fish and Wildlife Service.

U. S. Geological Survey.

Virginia Fisheries Laboratory.

### Part IIIb

Division of Water Resources and Power, Virginia Conservation Commission. Streamflow measurements made subsequent to 1942.

Greiner, J. E., Company, Consulting Engineers, Baltimore, Maryland. Core samples and soundings for the James River Bridge.
