COMMENTS/DESCRIPTIONS OF SPECIALS

Peten Glass one of the Maya polychromes with pseudo/glyphic elements around the rim. The paste is a very fine, tan/grey with numerous tiny (1/32") white powdery inclusions. finer & greyer than Uva I paste. Painted surface is very smooth. There is a thick orange slip over all (inside & out), a red band about the rim, a thin black band beneath and a glyph cartouche beneath.
