T h e R O L L I N S ALUMNI RECORD

*President Wagner with 1950 Commencement Speaker, Dr. Eugene R. Smith,
distinguished educator and Trustee of Rollins College*

1950 ROLLINS ALUMNI FUND FACTS

There were 495 contributors (9 gave twice) to the annual Rollins Alumni Loyalty Fund this year. By averaging \$4.15 each, they reimbursed the College for \$2,054.40 of the \$2,826.79 spent *during the first 6 months* of 1949-50 in underwriting all services of the Alumni Office, such as publishing and mailing THE ROLLINS ALUMNI RECORD, to every former Rollins Student on the active mailing list.

The Honor Roll of the 495, who generously did their part before the close of the College fiscal year on June 30, appears at the head of their Class Notes in this issue.

The standing of each Class is printed on the back page.

However, here are some special credits due:

FOR PARTICIPATION—to the Gay 90's, leading with 27 contributing members; closely followed by the Class of 1948 with 24; and the Classes of 1930 and 1936 tying for third place with 20 each.

FOR TOTALS ACHIEVED—to the Class of 1935, with \$122; the Class of 1910, with \$116; and the Class of 1938, with \$115.

FOR BEST AVERAGES—to the Class of 1910, with \$14.50; the Class of 1913, with \$11.67; and the Class of 1926, nearly matching them with \$11.00 each.

And not only 9 members of the Class of 1950 responded this year of their Commencement, but 6 former members of the Class of 1951 and even 1, originally of the Class of 1952, repaid their enjoyment of being kept informed about Rollins and their collegemates through the Alumni publications.

Whatever your contribution we are appreciative of your honest interest and participation.

Send your share *this* year and *each* year to the Rollins Alumni Fund!

Rollins Grants Degrees to 170 Seniors At Climax of 1950 Commencement Week

At 10:00 A. M. on June 1, 1950, the largest Senior Class in Rollins history marched with the Faculty in full academic dress into Knowles Memorial Chapel to receive degrees and special honors from the College before their assembled families and friends.

Dr. Eugene R. Smith, invited to give the Commencement Address, chose as his topic Keeping Ahead of Progress. "Each of us is an important member of many partnerships," he declared. "A good partner does not think first of his own rights but sees more deeply into the truth that even personal success depends on intelligent co-operation." "Man cannot, however, solve his problems of self and keep ahead of material progress unless he also realizes and lives up to his partnership with God," which, Dr. Smith said in concluding, gives "meaning and satisfaction to all the other relationships of life."

Campus leaders: Ken Fenderson with ODK trophy, President Wagner and Carol Posten, recipient of the Libra cup

After Dr. Paul A. Wagner, president, personally handed each of the 170 candidates for degrees from Rollins their diplomas, the following Senior awards were made: Kendrick E. Fenderson Jr., ODK trophy for leadership and service; Carol A. Posten, Libra cup for all-round campus leadership; Robert H. Akerman, James W. Ogilvie Jr., William R. Smythe Jr., Vincent A. Rapetti and Thomas Mullen, the \$100 General Reeve Awards for maintaining highest scholarship throughout their last three undergraduate years; and, finally, to Hugh C. Davis, Henry R. Gooch and Jack T. Sayers, the Algernon Sydney Sullivan Medallions for characteristics of heart and mind exemplified by the late Mr. Sullivan.

This was the first time that Rollins College has bestowed three Sullivan Medallions upon the same occasion. However, special permission to do so was granted, in view of the equally fine individual calibre of all three recipients this year.

The annual celebration of Commencement Week at Rollins opened on the preceding Friday with Honors Day in the Annie Russell Theatre, where academic prizes and athletic awards were distributed among the entire student body.

Seniors attended their last classes on Saturday and the Student Council sponsored an all-College dance in their honor at the Orlando Country Club that evening.

The Rev. James L. Duncan, rector of All Saints Episcopal Church in Winter Park, delivered the Baccalaureate Sermon in Knowles Memorial Chapel and the graduating Class participated for the last time in a regular Sunday morning service at Rollins as undergraduates.

The Faculty-Student diamond ball game in the Sandspur Bowl, scheduled to follow the final Faculty Meeting on Monday afternoon, was rained out. However, there was a full moon that evening when Dr. and Mrs. Wagner were hosts for the Faculty-Senior party on the spacious lawn of the President's residence. Each group hilariously impersonated the other in prearranged skits on the well lighted terrace after Mrs. Wagner had graciously served dessert and coffee. And the Wagners invited their guests to stay and dance after the good-natured evening of entertainment.

Class Day exercises were held in the Center Patio on campus Monday afternoon. Here, members of the Senior Class received individual recognitions for excellence in science, art, economics, dramatics, and poetry.

Mary Delano gave the Class Prophecy and William W. Schafer read their Last Will and Testament. Choir keys and athletic letters and keys, to those who had won two or more letters in major sports, were then awarded.

The Senior men who were members of OOOO were then made known and handed membership keys. Dean Arthur D. Enyart, who for so many years has awarded the prized OOOO trophy but would retire as Dean of Men this Commencement, was touched to find himself the elected recipient at this time. He is the first member of the Faculty ever to be made a member and awarded the top honor of this elite Rollins men-students' organization. President and Mrs. Wagner had given a reception in Dean Enyart's honor for the entire College a few days before.

Class Day exercises culminated with the annual tree planting ceremony and the singing of the Rollins Alma Mater. That evening President and Mrs. Wagner were at home to the Seniors and their families.

Three-deep in character: Jack Sayers, Hank Gooch and Hugh Davis with President Wagner, who declared it was impossible to distinguish between their qualifications, so that permission was granted to bestow the Sullivan Medallion upon all three

2nd generation graduates at Rollins, l. to r., as they appear: Mrs. O. L. Sutliff (Kay Beall '25), Pat Sutliff '50 and O. L. Sutliff '24; Barbara Cheney '50, her mother (Fannie Robinson x10), grandmother, Mrs. B. M. Robinson (Marian Curtis '90A) and father, Judge Don Cheney '07A; Mrs. (Nina Marsh x20) Kinney and her son, Fred Taylor '50; Mrs. Paul T. Flood (Winifred Hanchett x19) and her son, Cameron MacCardell '50. Duane Somers '50, son of Mr. and Mrs. Everett C. Somers (Elsa Siewert x22), was not available for this picture.

The Class of 1950, which was initially entertained by the Rollins Alumni Club of Central Florida early in May at their annual covered dish supper at the University Club of Winter Park, was congratulated and urged to add their full potential as valuable members of the Rollins Alumni Association by Howard W. Showalter Jr., 1950 president of the larger Rollins fellowship. And they were finally the guests at the traditional Alumni-Senior Sunrise Breakfast at the Old Rollins Family Tree, on the opposite shores of Lake Virginia from the campus, Commencement morning. President Wagner, Dean Stone, Dean Enyart and Dean Cleveland were among the early risers and added greatly to the fun of this occasion. Dr. Norman E. Gilbert, Dr. James E. Bell and Director of Athletics Jack McDowall were invaluable as Faculty aides to Fleet Peeples who, for over two decades, has served as master chef for this sunrise breakfast in the open. (This year Fleet did double duty, running a ferry service across Lake Virginia.) Howard McDonald, Rodman Lehman and Guy Colado, Alumni standbys for many years completed the campfire staff. But fully fifty Alumni were kept busy welcoming, registering and serving all those enjoying this final informal party for the Seniors before they donned caps and gowns for the main event that day.

Seniors Choose Parting Gift to College

Class President Art Swacker reports that the Class of 1950 voted to make a handsome bronze plaque listing the names of the twenty-eight Rollins men who gave their lives while on active duty with the armed services during World War II their Senior Gift to Rollins College. The appropriate site on campus for this permanent memorial is to be determined later.

Around the Horseshoe

by ED GRANBERRY, JR. '50

By the time that April rolled around the Horseshoe, Seniors were once more beginning to assume those haggard looks that only a college senior can have when the end of his college days are approaching. April not only brought haggard looks but intense athletic activity both at the crew dock on Lake Maitland and on the baseball diamond at Harper-Sheppard Field.

Brad's Boys started the month out right by scalping the Dartmouth Indians and then one week later scuttling the Washington and Lee Generals. American International College was the next victim for the Tar sweepslingers as they were apparently well on their way to annex a second State title. In the Florida Championship Regatta held on Lake Maitland on May 13 Tampa University the dark horse of the contest proved that they were a top flight crew by nosing out the Tars for first place by a very narrow margin. On May 20 the Tars journeyed to Poughkeepsie, N. Y., for the annual Dad Vail Regatta. Here again as they had proved in years past the long months of strenuous practice and the canny coaching of Doc Bradley paid off once again. Beating out 8 other crews they gave the powerful Boston University 8 such a race that they were only beaten by one and eight-tenths seconds for first place.

At the annual crew banquet given by Coach Bradley, Pete Sholley of West Newton, Mass., was elected crew captain for the past year. Pete has the distinction of rowing in every varsity race for the past 4 years, quite an enviable record.

The baseball team not to be outdone by the crew for athletic honors began to really shift into high gear. Behind the sterling pitching of Jim Covello, Big John Gray and Clyde Stevens the Tars polished off Tampa and Miami in short order. The next 2 games the Tars played host to the University of Florida Gators. Spectacular playing by the Gators gave them the edge of victory in both of these contests. The Tars then journeyed to North Carolina where they trimmed the North Carolina Tar Heels in one game and lost in the second of the series. After losing to N. C. State they decided that what they needed was some of that good old Florida sun so back they came. Their next victories came when they swept a series from the University of Miami Hurricanes. This was followed by a victory over the Stetson Hatters. Joe's Boys then journeyed to Gainesville for the 2 remaining games with the University of Florida that were to decide the State Championship. The Tars had to win both of them to annex the title. In the first game behind the excellent pitching of Big John Gray the Tars shellacked the Gators 17 to 8. In the second game of the series which was tight from start to finish the Tars nosed the U. of F. out by the slim score of 2 to 1. And so for a third year the Tars won the State baseball crown.

Throughout the year another team that has been making a name for themselves has been the girls basketball team. During their season they piled up a record of 15 wins and no losses.

The Rollins Golf team was sparked by the sterling playing of such performers as Billy Key, Clyde Kelley, Jupe Arnold and Jimmy Brass. They compiled a good record in both their local matches and the out-of-town contests, even taking the State team championship from Miami Univ.

The traditional Rollins Campus Sing took place in the Annie Russell Theatre on April 14. The Phi Mu sorority under the direction of Margaret Bell won the cup for the third consecutive year. The Delta Chis won the men's cup.

The Independent Women's Show was another highlight of the month of May. It was written by Jim Bedortha and the music arranged by Ed Cushing. The plot revolves around 2 students who are blasted into the world of tomorrow by a time machine. The entire cast under the very capable direction of Fred Taylor turned in an excellent performance and had the audience both rolling in the aisles with laughter and applauding madly for more.

The final Annie Russell production of the year was "The Taming of the Shrew." This was very well received. Prof. Howard Bailey as Petruchio tamed in expert fashion Lydia Dorsett who played the part of Shakespeare's famous shrew.

The middle of May saw the publication of the poetry book "Six Guys and a Gal." This book was the compiled poetry of Paul Bissell, Gordon Clark, Roy Whidden, Richard Glatthar, Harold McKinney, Hall Tennis and Marilyn Briggs, all members of Dr. Wattles Poetry class. This publication of poetical works is the second in Rollins history. The first, "Rollins Book of Verse," was published in 1929 by the late Jessie Rittenhouse, former Faculty member.

Other athletic events during the months of April and May that attracted both student and outside interest were the Rollins Intramural Horse Show, the Water Carnival and the Girls Intramural Swimming Meet. Our tennis squad also piled up an enviable record during April and May, beating such teams as Presbyterian College and Stetson University.

The Rollins Newsreel staff which was going great guns by this time elected Bill Frangus as the new Editor-in-chief for the coming school year. The second edition of the Newsreel certainly shows the time and effort that the entire staff put into making this record of Rollins events for posterity.

During the latter part of April at a surprise ceremony in Knowles Memorial Chapel Dr. Hamilton Holt, our beloved "Prexy" was presented with the Algernon Sidney Sullivan Award. The presentation was made by President Paul A. Wagner and Dean Theodore S. Darrah.

The annual Rollins Fiesta was a howling success this year due to the wonderful spirit of cooperation between Students, Faculty and Staff. This year the Fiesta was put on entirely by the Students. Student Director

15 Seniors Already Plan Graduate Work

Eight members of the 1950 graduating Class have received grants to do postgraduate work in their special fields.

Bob Akerman has been awarded a fellowship in the Department of Philosophy at the University of Florida at Gainesville. Bob graduated from Rollins *with Distinction in Philosophy*.

Vincent Rapetti, who received his diploma *with Distinction in French*, has a \$1,500 scholarship to the University of Michigan.

Jack Sayers has been awarded a \$900 fellowship by Emory University in Atlanta.

Jim Ogilvie has a junior instructorship at Johns Hopkins. He graduated from Rollins *with Distinction*.

Bill Smythe has an instructorship at Duke University in Durham, N. C. Bill's diploma from Rollins reads *with Distinction in Mathematics*.

Jim Martin will be a graduate assistant at the University of Maryland in College Park.

And Tom Mullen, who also graduated *with Distinction*, has been awarded a \$900 assistantship by Emory University in Atlanta.

Seven other members of the Class have already been accepted for graduate work. They are: Jack Belt, at Yale University; Charlie Brakefield, at Louisiana State; Elizabeth Brelsford, at Southern Methodist; Joanne Byrd, for the summer session at Florida State in Tallahassee; Ken Fenderson, at Boston University; Frank Horch, at Columbia University; and Bill Wharton at Vanderbilt University.

WOODSTOCK REUNION PLANNED FOR AUGUST 26

President Paul A. Wagner will lead the throng gathering in Woodstock, Conn., this year on Saturday, August 26, to congratulate Dr. Hamilton Holt on his 78th birthday.

Former and present Rollins Faculty, Staff, Students and their families have been observing this happy custom for over 20 years. And the now Honorary President of our College is perhaps anticipating a little more keenly seeing all those who can get together this time, because his illness prevented him from attending in person last year.

So every member of the Rollins family who may be vacationing in that region or living within traveling distance is cordially invited to picnic that day in Roseland Park.

Mark the date—Saturday, August 26—on your calendars now and plan to be there.

Dr. Holt Receives Sullivan Medallion at Rollins

Rollins College bestowed the Algernon Sydney Sullivan Medallion upon Dr. Hamilton Holt, honorary president, on April 30.

Dr. Paul A. Wagner, who succeeded Dr. Holt as president of Rollins this year, made the presentation with appropriate citation at the close of the regular Sunday morning service in Knowles Memorial Chapel. The Sullivan Medallion has never before been awarded at Rollins except during Founder's Week and at Commencement exercises, but the College and friends filled the pews that morning.

Dr. Holt with Sullivan Medallion bestowed upon him by President Wagner

During the preceding three months, while he was enjoying the mild Florida winter climate, attended this last regular service of worship at the College before enplaning for his home in Woodstock, Connecticut, completely unaware of the honor to be conferred upon him.

During the preceding three months, while he was enjoying the gracious hospitality of Professor and Mrs. Hugh McKean's home on Genius Drive in Winter Park, President and Mrs. Wagner, the Rollins Students and friends in the College community had shown Dr. Holt many social courtesies. And, just before his sojourn ended, Mr. and Mrs. McKean were hosts at a beautifully appointed reception in his honor.

On April 30, Dean Theodore S. Darrah paid special tribute to Dr. Holt. Upon descending from the pulpit, Dean Darrah formally presented Dr. Holt to President Wagner for the award.

With words of affectionate esteem Dr. Wagner then bestowed this most cherished recognition at Rollins of high ideals, service to others and quality of character, upon his distinguished predecessor.

Visibly moved, Dr. Holt observed afterwards that after presiding on similar occasions for over twenty years he fully shared the reaction of humility of the other recipients.

Campus Improvements Well Under Way

A generous friend of Rollins College has given \$63,600 to make Knowles Hall one of the most modern and fully equipped science laboratories on any campus in Florida. The Biology and Botany departments will be on the second floor, with Chemistry and Physics occupying the first floor and basement. The new equipment and apparatus have already been ordered and will be delivered and installed in September.

The basement of the new Mills Memorial Library, now under construction, will house a visual aids centre including two broadcasting and two control rooms for radio purposes, projection, microfilm and photographic dark rooms.

Ben Aycrigg '49, who has been assisting in the Admissions Office since last spring, will move over to the new Rollins library to supervise the visual aids centre. And Hank Gooch '50 has been added to the Admissions staff.

Director of Admissions Jack Rich '38 reports that a maximum of 498 boarding students are expected this fall. The College decided to increase the boarding capacity to 498, which brings the total enrollment figure to 640. The quota last year was 625. There has been an increase of 30 per cent in applications from Freshman boarding men over the same period one year ago.

To accommodate the extra boarders, the Beanery is being enlarged and Rollins has taken over 500 Chase, at Virginia Court and Chase Avenue, as a dormitory for Independent men. Pinehurst is being completely renovated for Freshman girls. And Mrs. Burke will be back as resident head of Chase Hall, which will again house Freshman men.

Tar Athletes Making Headlines

Two members of the Rollins baseball teams coached by Joe Justice '40 have signed contracts with professional ball clubs. Clyde Stevens x51 is burning up the Florida State League with the Sanford Giants and was selected for the All Star Team. The New York Yankees have signed Big John Gray x51 on a contract and now have him farmed to Amsterdam, N. Y. Stevens' contract is with the New York Giant system. The Tar baseball team copped the third State championship title in 3 straight years this spring.

Betty Rowland x51 won the sixth women's National Collegiate golf crown on June 17. She fired five birdies at Grace Lenczyk, runner-up, from Stetson University. Peggy Kirk '43 reached the finals in the 21st Women's Western Open Golf championship. Then she met Mrs. Babe Didrikson Zaharias.

Ricardo Balbiers '50, Tar tennis ace from Chili, battled his way to the finals of the intercollegiate tennis tournament, has since been semi-finalist at Rye and quarter-finalist in the New York State Championship play.

Shirley Fry '49 went to the quarter-finals at Wimbledon and Nancy Morrison '49 reached the finals of the Kent County Tournament in England this summer. Nancy lost to Gussy Moran.

Calhoun Dickson x53 and Doris Jensen x51 have been playing in the amateur tennis circuit.

Around the Horseshoe

(Continued from page 9)

Dick Vreeland certainly deserves a big pat on the back for both himself and his hard-working cohorts.

The last few weeks in May were filled with hundreds of things to do and many events to attend. Honors Day, Athletic Awards, Class Day, Alumni Banquet for the Senior Class, Alumni-Senior Sunrise Breakfast and finally Commencement. This year's graduating class was the largest in Rollins history, 170. The Commencement Address was given by Dr. Eugene R. Smith and was entitled "Keeping Ahead of Progress." The lordly seniors then received their long sought after diplomas and school was over.

There are only a few nostalgic ghosts wandering around the Horseshoe now in the middle of July, but by the time October rolls around those hordes of students will have descended once more and "Old Rollins Will Be Rolling Along."

Rollins Gives Bird Sanctuary to State

In a brief ceremony, on the grounds, President Wagner handed Governor Warren of Florida the papers transferring ownership of the bird and plant sanctuary belonging to the College to the State Park System on May 7. The sanctuary consists of 150 acres on Fort George Island, near Jacksonville.

Mrs. Millar Wilson, whose father was John F. Rollins and once owned the property, donated the sanctuary to the College. Following the transfer of the deed, she gave a buffet tea for the 50 invited guests attending the ceremony.

The Rollins gift specifies that the sanctuary must be kept by the State for research by college groups and is not to be opened to the general public.

Central Florida Club Picnics At Pelican After Busy Season

Active members of the Rollins Alumni Club of Central Florida packed picnic lunches and drove over to the Rollins Pelican at New Smyrna Beach with their whole families on June 4.

There was a fine rolling surf and quite a few enjoyed a swim before lunch. Hearty appetites were largely responsible for there being no overdoses of sunburn.

That afternoon a softball game was spontaneously started on the beach. And the Old Salts had to hustle to score with the future Tars. At least some of the mothers were more concerned over the prospect of the ex-Tars probable stiffness on the following day than their athletic offspring.

There was one real regret, however. Only those with movie cameras succeeded in getting successful shots of the youngest generation who were certainly enjoying their first Rollins Club outing.

Members and their special guests participating were: Webber and Lou Haines x26; Dave and Marg (LoBean) Schnuck '31 and their daughter Nancy; Phil and Lucille Edwards x13; Six '24 and Kay (Beall

Lewton Gay 90's; Jim and Barbara (Parsons '35) Zeigler and their infant daughter, Hilary Dee; Jack Rich '38; Ruth Fairchild; Dean Marian Cleveland (HON. '46); Aurora McKay '30; Dr. Bill and Edith Jennings '29, their daughter Amy and baby son, Johnny; Thirza Fluno x32; Helen Jean Fluno '42; Jeanne Volkert '48; Dan Eastwood x51; Frances Montgomery '41; George Spencer '50; Gene Simmons '50; Jim and Sally (McDowall '50) Blake; Bill Madsen '50; Jane Crosbie x52; Charles Dawson '50 and his parents.

Fred Stone Theatre to Offer Season Tickets

The Fred Stone Theatre, which has grown steadily in popularity, is going to initiate the sale of subscription tickets for the season next year.

Director Donald S. Allen considers the season which has just ended the best in the history of the experimental theatre at Rollins. Five full-length and three one-act plays were presented in 1949-50.

Variety was maintained for the student-actors and their regular patrons in producing the following plays: "Urfaust," "The Damask Cheek," "The Mollusc," "Hay Fever" and "Outward Bound." The three one-acts selected for the opening bill were: "The Dear Departed," "The Happy Journey" and "In The Zone."

More than fifty different students were used, either as actors or backstage workers in these plays. And some participated in more than one production.

For the first time last Founders' Week plays were offered concurrently at the Fred Stone and Annie Russell theatres on campus. During the premiere of "The Falcon," by Dr. Edwin Granberry, at the Annie Russell, "The Damask Cheek" was playing in the Fred Stone Theatre across the street. This provided a choice of entertainment to the maximum number of visitors at the College and distributed the overflow from each performance.

Even though somewhat delayed, we want to share some grand newsnotes from **Agatha Townsend**. First, she received her Ph.D. degree from Columbia Univ. this winter and her dissertation on "The Independent School in New Jersey" will be published sometime this year. Since then she has been heading research in school testing and guidance at the Educational Records Bureau in New York and teaching a course in General Psychology and Psychology of Personality at Rutgers Univ. Small wonder she wrote, "I'm already ready for a vacation. We've been going up to Canada for several years and just now that sounds lovely and remote. Peaceful is what I mean." She was probably one of the first Rollins graduates to see President Wagner this year for he addressed the Joint Educational Conference sponsored by the Educational Records Bureau (where she is Research Assistant) and by the American Council on Education. She says, "He gave the speech, complete with McGuffey's Reader, the television set, the western movie, etc. If you haven't heard it yet, you really should." Although she works at 437 W. 59th St. in N. Y. City, Agatha lives at 314 Forest Ave. in Glen Ridge, N. J.

ED. NOTE: While helping with the Pittsburgh Jr. League Follies this spring your Class correspondent wrote, "Age is surely creeping up on me or else I've a few parts to me I had forgotten. The Charleston seems much livelier than it used to be! It's great fun though." Her pet interest in civic work, however, is the Volunteer Bureau which is the clearing house for Pittsburgh and Allegheny County agencies needing volunteer workers. Mrs. Davis E. Fishback (Lillian Wilmott x07.), her mother, flew up to see them in May also and **B. G.** added, "I am hoping that she will be here for a nice long visit but it's hard to keep her away from Orlando for very long."

Bruce and Virginia (McCall) English visited in Winter Park the last of June before going on to N. Y. City, where Bruce will take postgraduate work at Columbia Univ.

We hear that Grace Embry, who is working in Lexington, Ky., visited in St. Petersburg, Fla., last February.

Their address will be 760 E. Mariposa St. there. Meanwhile, Janet's very much appreciated note says: "Dick and Shaun, our younger son, will be at Stillwater Cove Ranch Camp this summer. Jonathan and I will go east to visit my family in Connecticut."
