After 16 Years at Boone Campus George Sturtz Retires

By ROB HOOK

George Sturtz, DMACC—Boone Campus mechanical maintenance and custodial supervisor, will retire at the end of this school year, after 16 years at Boone Campus.

A retirement party will be held for George Friday, March 29 from 4 p.m.—7 p.m. at the Colonial House in Boone.

Sturtz recalls when DMACC had an enrollment of approximately 300 students when the college first began.

And it is with the student body, that George has noticed the biggest change.

"The students here today are 150 percent better than before—they are now more serious about an education," he said.

He also remembers during the Vietnam War, when many students revolted, and is thankful similar problems haven't arisen since then.

Sturtz notes that students have not been destructive over the years, with very little vandalism, and he feels the "people are nicer" today.

Though the student numbers have increased over the years, Sturtz says the grounds have changed very little. And despite this large increase in

student body, the custodian notes that there has never been an increase in custodial staff. Sturtz is assisted by two people, however, but feels one more person would help.

Sturtz can't recall any major problems while here at DMACC, but does remember having to make several repairs on the roof to stop leaks.

Probably the most major problem while here, according to Sturtz, was when the city's water mains broke during graduation one year. Other than problems with city water mains, there has been minimal amount of repairs to be done.

In closing, the veteran janitor also noted that "DMACC has kept up with the computer age, with remodeling and going to computer

BEAR FACTS photo by Trish Lutken

George Sturtz

systems, as well as computerized education."

The Bear Facts staff, on behalf of the entire student body, would like to

congratulate Mr. Sturtz on his successful 16 years at DMACC, and wish him happiness throughout his retirement.

Book Sale

Kathy Scheetz and Deanna Hoch display books for the recent book sale.

Library's February Book Sale Nets Over \$200!

BY FELICIA MURILLO

The library's book sale, Monday Feb. 18—Friday, Feb. 22, was termed successful with approximately 500 books sold for over \$200.

The books sold included encyclopedias, leisure magazines, fiction and non-fiction paperbacks, textbooks, journals and hard cover literary classics.

There were also some framed artwork and art prints ranging from \$2—\$10.

The most popular books sold were nursing books and encyclopedia sets.

The last day of the sale all remaining books were marked at half price.

"Most of the books were bought on the first day of the sale so you really missed out if you weren't here," Kathy Scheetz, librarian, said.

The sale made the library faculty very happy to move out some of the old books that were taking up so much space. Library personnel also commented they had fun throughout the week of the sale.

The money raised will be spent on new library materials and some micro computer software.

Soc. Class Visits Care Facility

The DMACC-Boone Campus sociology classes took field trips to the Boone County Care Facility northwest of Boone Tuesday, Feb. 19 and Wednesday, Feb. 20.

The purpose of the trips was to allow students to see the operation of a complex organization.

Lee McNair, sociology instructor, said that the care facility was a good example of a small bureaucracy, which related well to class.

The trip also gave the students an opportunity to see groups in action,

something studied in sociology class.

The students were guided by Mr. and Mrs. Cal Jacobs, co-administrators of the facility, and Chris Zunkel, activity director. The students viewed the wards, lounges, craft areas, recreational areas, nurses station and food service.

The students were treated to refreshments after the tour, and had a question and answer period.

The class members are required to write an essay using one sociological idea they got from the tour.

Service Olympics April 20

The Boone Rotary Club and DMACC-Boone Campus will be hosting the first annual Service Club Olympics on the Boone Campus Saturday, April 20.

Anyone wanting to help assist the Rotarians in working the events should contact George Silberhorn.

DMACC-Boone Campus Graduation is May 7

By ROB HOOK

Graduation exercises at Boone Campus will be held Tuesday, May 7 at 10 a.m. in the DMACC-Boone Campus gymnasium.

Approximately 200 students will graduate, with Rev. William McAlpine delivering the benediction.

DMACC President Joe Borgen will introduce the speaker, who at this time is yet undecided, and Dean Kriss Philips, Boone Campus, will introduce the class of 1985. The diplomas will be presented by Lloyd Courter, board member.

Areas of graduation will include a

degree in associate in arts, associate in science, associate in applied science, bookkeeping, accounting, secretarial, clerical, information word processing, and executive assistant.

Associates in arts and sciences include recreational leadership, business computers and science technology, while applied science covers the nursing department.

Fifty students are estimated to graduate in the business department also.

The public is invited to attend.

Tell Spring Break Activities

During spring break, DMACC-Boone Campus students and faculty did a variety of things to occupy their time. Here are a few comments about activities during spring break:

Teresa Bennett—I played bingo with Rob.

Diane Langel—I worked a lot, then stayed in Ankeny friends.

Mark Disbrowe—I went to Texas.

Cathy Tigner—I stayed home with a sick daughter.

Greg Roscoe—We went to Oklahoma and played baseball for one week against other teams.

Dave Jorgensen—I watched videos.

Kenny Runelle—I played hoops in the big city of Grand Junction.

Mark McDonald—I drank a little beer and worked on cars.

Paul Dorman—I went fishing and canoeing and got my motorcycle ready to ride for summer.

Tony Ray—I went to Ron's then to Nebraska.

Michelle Eppert—I slept, worked, and visited Fast Lane.

Shelly Green—I swan, ran, played, and worked.

Shari O'Neal—I went horseback riding, went to Inis Grove Park.

Lisa Howard—I missed most of my vacation, I had to work.

Kevin Richards—I went to Texas.

Bill Reed—I worked for Kevin, so he could have more time in Texas.

Spring Fever Hits Boone Campus

By FELICIA MURILLO

The recreation Club held a successful party Wednesday, March 6 at the Fast Lane.

A best dressed contest was judged by Bill Alley, recreation leadership director; Kenny Rundle, recreation club president; Marilyn McGantty, assistant rec leader and Dean Kriss Philips.

The winners of the contest were Warren Jones and Debbie Johnson. Warren received a \$20 gift certificate, with his outfit consisting of blue bloomers with ruffles around the knee, a green bonnet, blue church socks and red tennis shoes.

Debbie received a \$15 gift certificate. Both certificates were to a local clothing store.

Kenny Rundle said, "I feel the party was successful and everyone seemed to have a real fun time."

Fast Lane provided the facilities free of charge, donating \$80 toward the Rec Club fund to be used for future club functions.

Dave Jorgenson and Tim Criner discuss the nights activities at the Spring Break dance.

Bears Post 5-5 Record in Oklahoma Baseball Season Is Underway

The DMACC-Boone Campus baseball team will start their 44 game spring season Tuesday, March 26 when they host Grand View College of Des Moines.

The 1985 Bears roster consists of twenty-three players, led by head coach John Smith.

This years pitchers are: Brad Brusky, Bill DeBoever, Steve Kostichka, Curtis Pike, Greg Roscoe, Daryl Tellinghuisen, Randal Woodstock, Russ Gerke and Dave Michelson, sophomores, and Kelly Prigg, freshman.

The infielders consist of: Todd Mann, Todd Miller, Mark Zeratsky, and Ed Riley, sophomores and J.P. Smith, Joseph Plamann, Jamie Robson and Mike Crapp, freshmen.

The outfielders include Eric Hall and Steve Rowe, sophomores, and Mark Wolever, Bryan Cornish and Warren Jones, freshmen.

The team has been working hard and are ready for their season to begin.

"With an experienced team, I look for a very promising season," Smith said.

He added, "Without any injuries and good defense combined with our strong pitching, we have the potential to have a great season."

Spring Trip

The DMACC-Boone Campus baseball team traveled to Oklahoma and Kansas on their annual spring trip. They played 10 games in nine days and came home with a 5-5 record.

The team left Saturday, March 9 at 8 a.m. and traveled eight hours to Miami, Okla. They slept in the Northeast Oklahoma College wrestling room and had access to the school's locker rooms and pool tables for the remainder of their stay.

The team was scheduled to play a double header against Fort Scott, Kansas Sunday, March 10, but due to rain the night before the Bears could only hold a late afternoon practice.

The Bears opened against Bacone College from Muskogee, Okla., Monday, March 11. The Bears got off to a good start by winning 1-0.

Right fielder Eric Hall gave the Bears their lone run when he homered in the fourth inning. Brad Brusky notched his first victory by pitching seven innings in which he gave up only two hits while striking out nine batters.

The Bears came up on the short end in an extra inning 1-0 loss to Bacone in the second game of the day, despite a fine pitching performance by Bill DeBoever.

The Bears were unsuccessful in two tries Tuesday, March 12.

They dropped the first game to Bacone Community College 8-4 and the second to the same team, 7-4.

The teams had a chance to rest Wednesday, March 13, due to rain.

But the relaxation proved helpful when the Bears came out hitting and notched their second victory of the trip by soaking Sioux Empire (Iowa) 14-1, Thursday, March 14.

The team collected 10 hits in five innings with Mark Wolever going three for three and Steve Kostichka getting the win on the mound. This victory set the teams record at 2-3 mark halfway through the trip.

The Bears defeated Maplewood (Missouri) 9-1 Friday, March 15, in five innings of play.

Lefthander Dave Michelson got the win giving up only three hits while striking out nine batters. The team had nine hits with Todd Miller and Brian Cornish each collecting two.

The Bears dropped their second game of the day to the home team, Northeast, Okla., 5-2.

The Bears were mighty Saturday, March 16, however, handing losses to Labette of Parsons, Kans., 5-4 and Bacone College, 5-1.

Against Labette, the Bears ended the team's 15 game winning streak by sneaking out a victory in the bottom of the seventh inning.

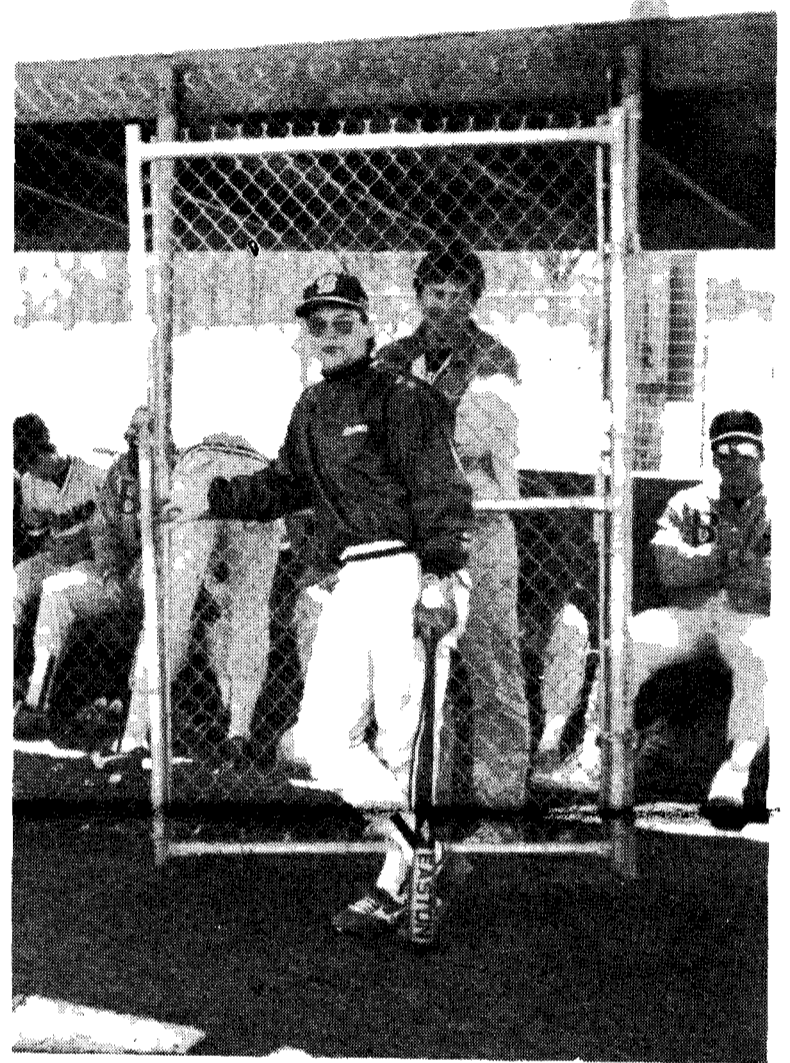

With two runners on base and one out in the last half of the seventh, Steve Rowe delivered an RBI single making the score 4-3. Todd Mann then delivered a two run double off the left field fence to end the game giving Brad Brusky his second victory of the year on the mound.

Rowe, Mann and Plamann collected two hits apiece in the winning effort.

The Bears then went on to beat Bacone the following game. Todd Miller and Mike Crapp proved themselves at the plate, both going two for three. Bill DeBoever had a fine performance on the mound giving up one run in seven innings pitched.

The Bears were defeated in their final game by Labette, 9-0, which evened their record to 5-5.

Congratulations Bears on a successful spring trip and good luck in regular season play!

Steve Rowe relaxes before the game.

The Bears warm-up before a game with La Bette Jr. College.

Men And Women Close Out Basketball Season

By JAMIE ROBSON

The DMACC—Boone Campus women's basketball team qualified for the regional tournament in Fort Dodge. The Bears were beaten, however, in first round play, by Kirkwood, 76—67 Thursday, March 7. Felicia Murillo scored 24 points, Linda Knapp 13 and Paula Kissner 11 as the Ladies closed out their seasons with a 12—13 record.

Playing at home Saturday, Feb. 2, the Lady Bears fell victim to Ellsworth, 81—61, despite 19 points from Murillo and 17 from Knapp.

Reames—Des Moines came to town Monday, Feb. 4 and handed out 64—54 loss to the ladies. Murillo again led the team with 16 point, followed by Knapp's 14 and DeAnna Hoch's 10.

Mason City handed the Lady Bears their sixth defeat in a row, 56—53, on Wednesday, Feb. 6. Four players scored in double figures with Knapp and Paula Kissner scoring 12 a piece. Murillo and Kelly Hartzler followed with 11 and 10 points, respectively.

Getting back on the winning track, the Lady Bears pounded Creston 72—56 on February 9, moving their record to 7—9. Knapp scored an impressive 38 points in the win.

Hosting Kirkwood, Monday, Feb. 11, the ladies dropped a close one, 69—65. Leading the scorers were Knapp, 23 and Murillo, 19.

After a Sioux Empire forfeit on Saturday, Feb. 16, a 64—41 rout was handed to Marshalltown on February 18, as Murillo pumped in 17 points.

Creston came to town on Saturday, February 23 only to come away with a 77—66 defeat. Knapp with 30 points, Murillo 20, and Kissner 14 paced the Lady Bears. The win improved their overall record to 11—10.

Balanced scoring wasn't enough as the ladies were beaten by Ellsworth, 75—70, on Monday, February 25. Kissner paced the team with 22 points, while Knapp and Murillo were close behind with 20 and 19 points, respectively.

Traveling to Waldorf Wednesday, February 27, the Lady Bears came out on the short end of a 72—63 score. Knapp poured in 30 points while Murillo chipped in with 12.

Another forfeit by Sioux Empire on Saturday, March 2 ended the Lady Bears' regular season. With the win, the Bears ended with a 12—12 overall record while compiling a 10—8 record among Iowa Junior Colleges, which qualified them for the regional tournament.

The Men

The DMACC-Boone Campus men's basketball team finished its 7-17 season with a victory at home over Sioux Empire, 95-91, Saturday, March 2.

Dave Skare and Steve Hoshaw paced the Bears with 21 points each, with Alan Slight adding 20 and Jim Kennedy with 18. Slight and Hoshaw led the rebounding with 14 and 10, respectively.

Playing host to Ellsworth Saturday, Feb. 2, the Bears dropped an 85-62 decision. Slight had 18 points and Skare 17.

James Kennedy scored 23 points to pace the Bears past Council Bluffs on Feb. 4th, 80-75.

Traveling to Mason City, Steve Hoshaw second his season high of 18 points, but the rest of the Bears couldn't get things rolling in 98—64 defeat to Creston on Saturday, Feb. 9.

The going got even tougher playing host to Kirkwood Monday, Feb. 11. Alan Slight scored 20 points in the 106-65 defeat.

In a high scoring game against Sioux Empire, the Bears dropped a close one Saturday, Feb. 16th, 98-92. Slight pumped in 26 points, Kennedy 20, and Skare 14.

Playing Marshalltown at home Monday, Feb. 18, cold shooting was the Bears' downfall as they were beaten 89-82. Roger Glisson poured in 25 points for the Bears.

Despite getting 22 points from Skare and 21 from Kennedy, the Bears were edged by Council Bluffs 86-83 in overtime Wednesday, Feb. 20.

Creston handed the Bears their seventh loss in a row, 88-73 Saturday, Feb. 23. Glisson scored 20 points and Kennedy 18 for the Bears.

Traveling to play Ellsworth Monday Feb. 25, the Bears came home empty with another loss 112—83. Slight scored 20, Glisson 19, Hoshaw 17, and Kennedy 15 in the futile scoring attack.

Playing their final road game, the Bears dropped an 89-69 decision to Waldorf Wednesday, Feb. 27. Fine scoring performances were chalked up by Slight with 23 points, and Hoshaw, 20 points.

Individually for the season, five players averaged scoring in double figures. Slight led the way with a 15.4 average. Following him was Kennedy at 14.8, Hoshaw 11.1, and Skare at 10.7 points per game.

Finishing with an overall record of 7-17, the Bears failed to qualify for post-season play.

Lady Bears In All-Star Game

By JAMIE ROBSON

Lady Bears, Linda Knapp, Felicia Murillo and Paula Kissner all participated in the annual North—South all—star basketball game in Fort Dodge, with North winning the battle 79—61.

The three Lady Bears were on the North squad, consisting of players from Boone, Creston, Iowa Lakes, and Marshalltown.

Knapp led the team in scoring with 21 points. Murillo followed with 12, and Kissner pitched in with 3.

Receiving post-season honors were Murillo and Knapp. Murillo made second team all-regional, while Knapp was first team all-regional and also a candidate for All-American honors.

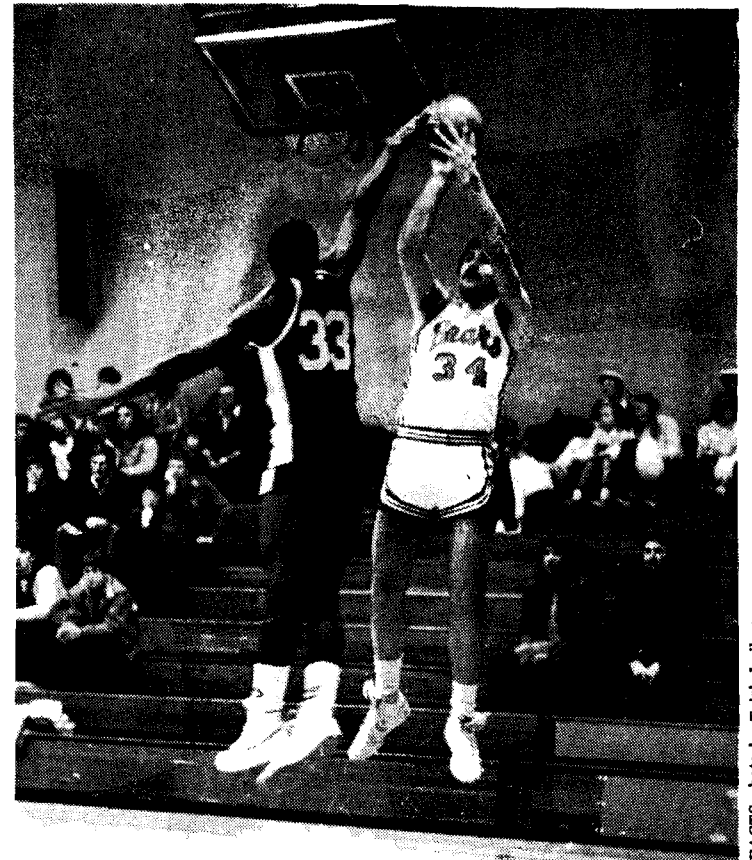

Spring Fling is April 24

A "Spring Fling," featuring a day full of interamural sports fun, will be held Wednesday, April 24 at DMACC—Boone Campus.

Organizers from the Student Center are looking for teams in all areas, such as a nursing team, a bookkeeping team, etc.

Many sports will be played, including softball, volleyball, miniature golf, and many others. All students are encouraged to attend and participate.

You may obtain more information from the Student Center.

Intramurals Wrap-up

Bear All-Stars Fall, 84-83

By FELICIA MURILLO

The DMACC-Boone Campus Intramural All Stars and the DMACC-Ankeny Intramural All Stars dueled Tuesday, Feb. 26 at 8 p.m. in the Boone Campus gym, with the Ankeny squad pulling out a 84-83 win.

Boone led much of the first half but saw a two point half-time lead, 41-39.

Boone trailed by only one point, 82-81 with 19 seconds remaining. With 5 seconds left on the clock, Boone's Steve Kostichka connected to tie the score 83—83.

Boone then called a time-out, resulting in a technical foul as it had no time-outs remaining.

Ankeny's Dave Weiderin connected on the first of two shots at the line giving Ankeny the 84-83 win.

Dave Weiderin topped Ankeny's scoring attack with 29 points. Steve Kostichka led Boone with 24 points, Jamie Robson and Mark Zeratsky each had 17 and Steve Rowe chipped in 11.

Webb's Playboys Are Champs

By FELICIA MURILLO

The intramurals championship game proved successful for Webb's Playboys as they chalked up a 66-62 win over Telly's Troopers Sunday, Feb. 24.

Webb's Playboys brought in a 2-0 record and Telly's Troopers a 2-1 record. The Troopers' one loss was to Webb's in last weeks game but the tournament was double elimination.

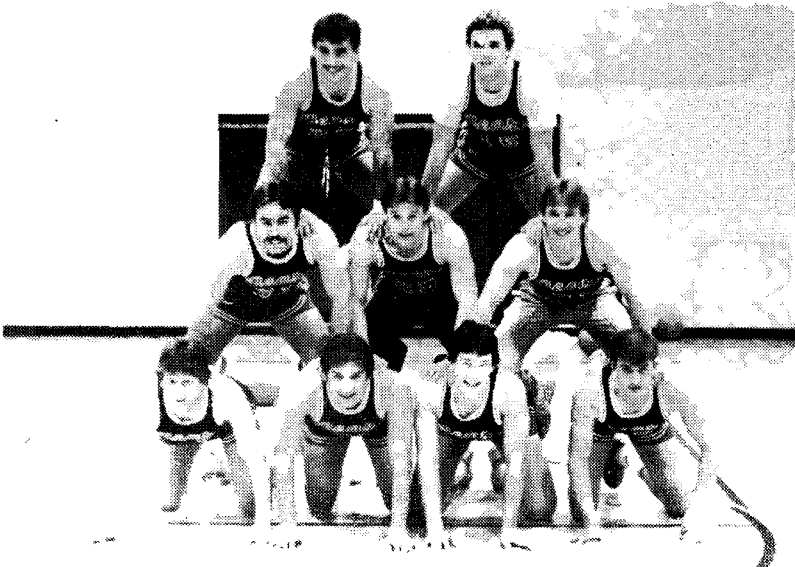

Steve Kostichka and Mark Zeratsky share scoring honors with 17 points apiece for the Playboys. Jamie Robson contributed 15 points while Steve Rowe chipped in 11.

Pacing Telly's Troopers were Ed Riley and Mike Crapp with 16 points each, followed by Brian Bertini's 12.

The intramurals organizers thank all the players who participated in the tournament.

Want To Work Overseas This Summer?

The Council on International Educational Exchange (CIEE), the largest student travel organization in the U.S., is offering young adults the opportunity to work overseas this summer as volunteers on service projects aimed at helping local communities. Free room and board will help to keep participation costs minimal.

Although work camps have been operating in many parts of the world for more than 30 years, they are still a relatively new concept in the U.S. They attract young people from all over the world, providing them with the chance to live and work together on a wide range of projects.

"We had no plumbing or electricity and slept in a barn, but I think that made us better as a group because we really had to work together and help each other," reported a volunteer who helped convert an old barn into a community room in Denmark.

Other projects included garden work and restoration at a castle in Veltrusy, Czechoslovakia; housecleaning at the Technical Institute at Gdansk, Poland; and rebuilding seawalls on an island in Germany.

Except for a modest program fee of \$100, there is no cost other than the airfare—and even that expense may be reduced by special student and youth fares available through any Council Travel office.

Work camps, usually two, three or four weeks in duration, are available in Czechoslovakia, Denmark, France, Germany, Poland, Spain and Canada. A working knowledge of German is recommended for placements in Germany; language requirements apply in France and Spain. Volunteers need not be students but must be at least 18 years old. Application deadline is May 1, 1985.

For more information about the program, write or phone: CIEE, PR-TWC, 206 East 42nd Street, New York, NY 10017, (212) 661-1414; or 312 Sutter Street, San Francisco, CA 94108, (415) 421-3473.

The Catalog contains details on worldwide discounts, benefits and travel bargains available to holders of the International Student I.D. Card—the only internationally recognized proof of student status, and an absolute must for any student traveler. Eligible students are offered substantial airfare savings over regular prices on major international routes, automatic accident and sickness insurance as well as a few 64-page guide listing discounts in over 50 countries. The Council is the official U.S. sponsor of the I.D. Card.

The Council on International Educational Exchange (CIEE) announces the publication of the 1985 Student Travel Catalog. Now in its twelfth edition, the 64-page catalog is one of the most comprehensive, free budget travel guides available. It is an invaluable source of information on the basics of traveling, studying and working abroad.

The catalog is available for viewing at the DMACC-Boone Campus library.

Art Class Tours Salisbury House

By FELICIA MURILLO

The art appreciation class toured the Salisbury House in Des Moines Thursday, Feb. 21.

The Salisbury House, covering 10 acres of land, is a replica of the King's House of Salisbury, England.

The Des Moines home was first owned by Carl and Edith Weeks, cosmetic manufacturers who came up with the idea of a uniquely styled home filled with classic paintings, sculptures, tapestries, oriental rugs, stained glass windows and huge fireplaces.

The Salisbury House took five years to build (1923-1928) at a cost of \$3 million, including the construction and furnishings.

One of the unique features of this house is the roof above the main entrance. It was purchased from the theatre where Shakespear performed some of his plays. The roof was dimensionally perfect so Weeks had it flown in for the home.

The field trip proved to be an educational experience for the art class as they got the chance to view artwork from all parts of the world.

Academic Standards Effective This Semester

The academic standards sub-committee of the curriculum commission recently formulated new requirements for all DMACC students, effective this semester.

The changes will now include:
—There will no longer be a "Q" grade.

—The grade "I" for incomplete is more limited.

—It will now be the student's responsibility to contact instructor prior to the end of the course to

request an extension.

—Any student with a 2.00 G.P.A. or higher is considered in "good standing."

—If the cumulative G.P.A. falls below a 2.00 G.P.A. the student will be placed on a "probationary" status.

—A probationary student who earns a 2.00 G.P.A. of less than 2.00 will be placed on suspended status and will not be allowed to re-enroll in credit classes for a period of one

term, except for purposes of remediation. After one term, suspended students may enroll but will remain on probationary status.

—A student placed on probationary or suspended status may appeal that placement to the college's judicial committee.

All students should be aware of these changes and take caution to prevent possibly being placed on probation.

Spring Break Activities

Continued from page 2

Kevin Young — I went fishing, jogging, and weight-lifting.

Mark Pritchard — I watched my soaps and worked on my homework.

Connie Bassett — I bummed around, what else?

Darla Dixon — I went to Davenport and babysat.

Jeri Ahrens — I worked, ate and drank, nothing else!

Eric Hammer — I had fun at Hy-Vee!

Dave Haugland — I went to Lake of the Ozarks.

Chris Matt — I had fun at Ft. Lauderdale.

Mary Beth Schroeder — I spent a few days in Kansas City, shopping, eating, shopping, relaxing, shopping, swimming, ect. ect.!

Dan Pepper — I can't remember.

Tom Johnson — I worked.

Linda Hurst — I worked, watched soaps, and went to the Kiss concert.

Shannon Hilsabeck — I did the same as Linda.

Deanna Hoch — I babysat and partied with my buddies.

Felicia Murillo — sat by the phone and mail box waiting to hear from Brad, who was in Oklahoma on the baseball team's spring trip.

Financial Aid Available

Can students or parents afford as much as \$5,000 to \$10,000 a year for college? As much as \$20,000 to \$40,000 over the next four years—just to pay tuition?

"For most of us, the answer is a resounding no," says Michelle Meyer, Executive Director of Educational Resources, Dubuque, Iowa.

The National Center for Education Statistics reports that students can expect an increase of 7 percent in the cost of tuition this fall. The Iowa College Aid Commission says the average cost of attending a private college in Iowa will jump 6 percent with the state universities increasing their costs 5 percent.

"In addition, room and board rates will cost almost another \$2,500. Books, transportation and personal expenses mean an additional expenditure of \$1,250," Meyer said.

"Add to these costs and increases President Reagan's proposed cuts in federal student aid and it's easy to see that a lot of deserving students simply aren't going to be able to begin, or finish, their college education due to the soaring cost of a college education today," she said.

"Fortunately, there is hope," she added.

Hundreds of individuals, foundations, businesses, unions, churches, fraternal organizations, civic groups and others are helping students finance their college education with private grants, scholarships and loans, according to Meyer.

"Unfortunately, too few students take advantage of these financial resources. That's why we've started Educational Resources — to help students find and secure these funds," she said.

What Meyer and her company offer is a service to link college bound students to available sources of funding. Through a national computer system, Meyer's firm is able to match students according to their individual needs, interests and qualifications.

Each student must complete a biographical questionnaire to provide necessary background information which is then programmed into a computer. The computer then provides a printout listing five to 25 sources of college aid matched to the applicant's needs, interests and qualifications. Once students are provided with the source information it becomes their responsibility to make the necessary application for the aid.

Meyer stated that most students receive an average of 12 eligible sources listing between \$10,000 and \$15,000 in grants, scholarships and loans.

"Even if students have already been awarded a Pell Grant, an Iowa Tuition Grant, an Iowa Science and Mathematics Grant or any of the other government grants available, they probably haven't even scratched the surface," she said.

Parents or students wanting more information on Educational Resources and the services the new firm provides may call Meyer at 319-556-1428 or write her at 570 Maplewood Court, P.O. Box 546, Dubuque, Iowa 52001.

Business Dept. Hosts Contest

Approximately 20 area schools will compete in several business contests to be held at DMACC—Boone Campus Thursday, April 18.

Students will be able to compete in categories such as typing, shorthand, business math, business calculators, and bookkeeping. The

tests, which will be taken throughout the morning, will be prepared, administered, and corrected by DMACC students enrolled in office occupations.

Awards will be given in the afternoon, with certificates being

presented for the top five students in each category, and a plaque presented for competitors placing first in each division.

The program is organized by Becky Hartstack.
