will be playing, April 20-21 at 8:00 p.m. in the auditorium. -Photo by Lori Burkhead

The Boone Campus Drama Dept., under the direction of Kay Mueller, will present its spring production "Mrs. California" by Doris Baizley, Friday-Saturday, April 20-21 at 8 p.m. each evening.

The comedy is about four women who are vying for the title of "Mrs. California." The housewives are involved in a number of contests for the title, including apron sewing, table setting, and evening gown. The story is set in the 1950s.

"I think this is a play that everyone will enjoy," Mueller commented.

The cast members are: Dot, Mindy Cazett; Bubs, Bernice Kitt; Stage Manager, Mick Kawahara; Mrs. San Bernidino, Tracey Herrick and Mrs. Modesto, Shari Klemmer.
Tickets are \$3, and will be avail-

able at the door.

So, enjoy an evening out this weekend, and support the Boone Campus Drama Dept.!

DMACC experiencing financial woes-

By Scot Ostendorf Staff Writer

Spending cuts have been considered for all DMACC compuses due to overspending and inadequate funding, according to an article in the February 28, 1990 issue of the Ankeny Campus Chronicle.

Don Zuck, vice president of business services, is quoted as saying, "What we are trying to do is to cut back spending on the second six months of the year so that by the end of the year we will have a balanced

What Zuck is referring to is the expenditures for the second half of the fiscal year are projected to run

If spending continues as it has, DMACC will be in debt over \$448,000.

A preliminary list of reduction steps has been announced. These steps include:

• Vacant positions and those that become vacant will not be filled prior to July 1.

· Non-teaching, part-time positions will be discontinued if there are inadequate monies budgeted.

· No money will be allowed for out-of-state or in-state travel.

· A moratorium is placed on as many of the #600 line items as possible. "600" items include memberships, food, materials and supplies, and group meetings.

As expected, most of the staff is

concerned over the cuts. Scheduled trips will be honored up

to an unspecified time. Student organizations and clubs travel will not be affected by the

moratorium, because funding is provided by SAB and dues.

Three specially funded teacher contracts were terminated at the March 7, regular meeting of the DMACC Board of Directors. But, the agenda for the April 11, regular meeting stated the terminations are to be reconsidered. (This meeting was held after deadline. Watch for details.)

PBL participates in **Leadership Contest**

By Angle Lansman
Staff Writer
Boone Campus Phi Beta Lambda (PBL) was gearing up for the 44th annual State Leadership Conference as of presstime, according to Mary Jane Green, adviser.

The contest was held April 6-7 in

Clinton, Iowa.
Eight PBL members attended.
They are Ann Ask, Accounting I; Brenda Backman, Accounting I and business math; Ginny Banister, business graphics and support personnel typist; Stacie McClure, business math and support personnel typist; Andi O'Lena, business graphics and impromptu speaking; Duanna Vinchattle, administrative assistant typists and business communication; Deb Vodochasky, administrative assistant secretary and Tonya Williams, administrative assistant typist and job interview.

These members competed with

approximately 200 business students from other Iowa PBL chapters. The contest decided Iowa representatives for the National Leadership Conference in Washington, D.C. in July.

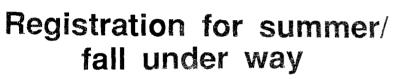

Watch The Bear Facts for results in the May issue.

Other Business

PBL is sponsoring its annual business workshop Thursday, April 26 for area high school students. Plans are still in the making.

Business students had the opportunity to hear Carolyn Manning, Boone County extension home economist, speak on campus March 28. Manning spoke about a healthy diet. Students wrote down every-thing they had eaten in one day, and Manning analyzed the information and continued her discussion on food and nutrition April 11.

Summer registration and preregistration for fall classes at DMACC-Boone Campus is now

under way.

The 1990 summer registration begins March 19, with classes starting May 29. Rich Finnestad, counselor, commented, "Early planning by students is essential in ensuring that each person will receive the class that

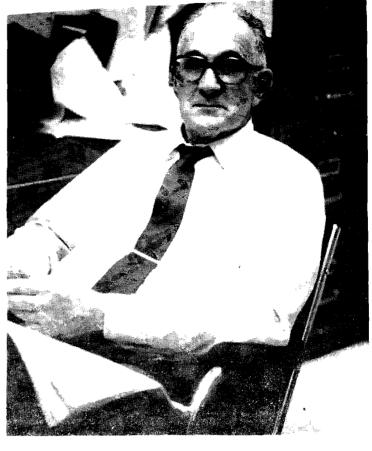

they want.
"Getting yourself registered early enough is almost a guarantee that you will be admitted into the class, unless it is dropped," he added.

Early bird registration for fall, 1990 session began April 9.

"The nice part about getting your-self registered early for fall is you won't have to worry about it over the summer," Finnestad said.

He also commented that it is important to get working on financial aid applications and scholarships as soon as possible.

"If you find yourself having problems, talk to your adviser or a counselor," Finnestad said.

Rotaract plans beautification projects

Staff Writer

The Boone Campus Rotaract Club is planning several projects to wind up the school year, including the annual campus cleanup before graduation, and the possibility of planting flowers.

Flowers may be planted here on campus, and also by the DMACC sign on Story Street.

In other news, the club visited the River Valley Care Facility April 12, and had fun socializing and entertaining the residents there. They made friendship bracelets and sang songs.

Misty Spencer, club president, commented that many Rotaract members will be graduating this spring.
"We will be needing more

members, so come and be an active member of Rotaract!"

Rotaract is a service-oriented organization. Projects in the past have included food and toy drives, cleanups, and visits to the elderly.

If you are interested in Rotaract, contact either Spencer, or Lee McNair, Room 129.

Spring Fling '90 coming up!

Mark Gengler and Jeni Ahrens model the latest spring fashion, a spring fling T-shirt. —Photo by Lori Burkhead

It's time for Boone Campus students to practice their free throw shooting, shine up their tricycles, and get ready for some warm sand between their toes!

No, it's not summer break yet, but it's the next best thing!

Spring Fling '90 will be held at Boone Campus Monday, April 23, with events of interest to everyone, according to Sabra Lingren, intramurals director.

"This should be a very good day, and a lot of fun for the participants and spectators," she added.

A captains' meeting will be held Wednesday, April 18 at 4 p.m. in The Campus Center. Now is the time to get your teams together and choose a captain to attend this meeting for pertinent information. The captain should have the names of all team members at this meeting. A team consists of five men and five women, preferably.

There are seven events planned, including a tennis tournament, sand pit volleyball, free throw shooting, softball, miniature golf, tricycle races, tug-of-war.

An egg joust (that's when a guy and gal pair up, and the guy has a nylon knee-high on his head with an egg in it, and the gal sits on the guy's shoulders and tries to break competitors' eggs) may be held, time permitting.

Lingren said the tennis tournament will begin Friday, April 20. The deadline for signup was April 16.

All events will be held on campus, with the exception of miniature golf, which will be held at the Choo-Choo Putt-Putt mini-golf course behind Dairy Queen.

Volunteers are needed to assist in the various competitions. Anyone helping will receive a T-shirt for Spring Fling staff. (See photo.)

As usual, George Silberhorn, director of student services, will be in charge of grilling steaks for the winners, and hamburgers for the rest of the participants. (The dinner is available only to those participating in Spring Fling activities.)

There are no baseball or softball games scheduled for April 23, so Lingren is hoping for a good turnout from the entire Boone Campus student body.

"We've had good participation in intramurals this semester. I hope this holds true for Spring Fling, too," Lingren said.

Rain date is Thursday, April 26.

Graduation set for May 10

By Shane Kozal Staff Writer

Preparations for graduation are now under way, with 1990 commencement exercises to be held Thursday, May 10, at 10 a.m. in the Boone Campus gym.

George Silberhorn, director of Student Services, said there are approximately 180 potential graduates.

Commencement speaker will be Bernie Saggau, of the Iowa High School Athletic Association, with state offices here in Boone.

"It is a great pleasure to be able to have such a great speaker like Bernie right here in Boone," Silberhom said.

Friends, relatives, and parents of the graduates are invited to attend graduation. Students eligible for graduation last fall, and this spring and summer will be participating.

Graduation Breakfast

There will be a graduation breakfast on the morning of May 10 at 7:30 at the Colonial House in Boone. It is sponsored by the Boone Campus Alumni Association.

Scheduled breakfast speaker is Mo Kelley, publications director for the lowa Athletic Association, and DMACC Alum.

Bears train in Kansas during spring break

By Brad Foytik Sports Writer

The Bears are back and definitely in the swing of things. They arrived home Friday, March 23 from their annual week-long trip to Kansas, with some questions answered on how the season will progress.

The Bears' first win came against Coffeeville with a well pitched game by left-hander John Izumi.

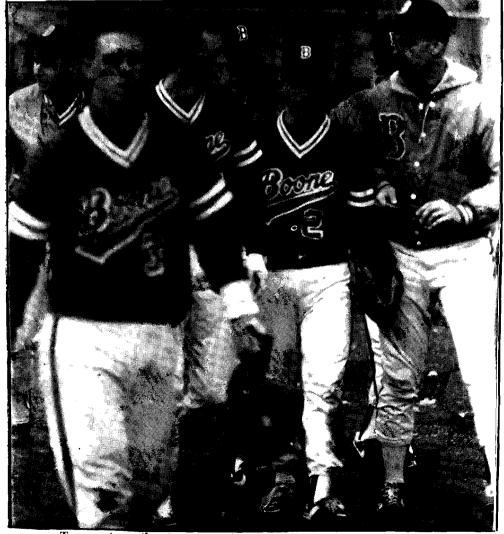

The trip then brought the Bears to LaBette, Kansas where they completed a sweep over the Cardinals, by hitting three home runs. Robert Lamke, Bill Weyers, Darren Taylor each accounted for one.

A few highlights on the trip included Mike King's save over LaBette in the first game, and a win over LaBette in the second game to clinch two of the Bears' three victories. Robert "Weed" Lamke provided a steady lead-off batter and also added a home run.

The Bears tallied more double plays on the spring trip than in all of last year. Credit that to the infielding abilities of John Vandenheuvel, Mike Johnson and Tony Trumm.

The pitching staff was quite reliable for early season games. Kelly Heller and Bob Johnson both produced strong games for the Bears. Raymond Jr. Piette came in relief to shut down Neosho County, striking out three of the first four batters he faced, to end a tight situation for the Bears.

The outlook for the Bears young team looks pretty prosperous. "The trip was good for the freshmen, it was a learning experience and something to build on," Weyers commented.

Bears starting outseason successfully

By Brad Foytik Sports Writer

When the Bears returned home from their spring trip, they had a record of 3-8, and weren't sure what to expect from the season they were entering.

Bears vs Kirkwood

The Bears first test was against Kirkwood, March 27. On the mound was Pascal "Frenchy I" Raymond. Raymond pitched a good game, and kept Kirkwood guessing. It was a well pitched game for the Bears. Raymond Jr. Piette was the stopper for the Bears, as he closed the door on Kirkwood to clinch the Bears' first regular season victory, 5-4.

In the second game of the doubleheader the Bears gave Kirkwood everything they had, only to come up short, 9-3. Four pitchers saw the mound for Boone, but Heller, King, Piette, nor Johnson could stop Kirkwood's hitting. The Bears hitting attack came up with two home runs. Mike "Rex" Johnson hit his first home run of the year, along with John Jasenovosky's towering shot to give him his first of the year.

Bears vs Mankato

The Bears encountered their second opponent, Saturday, March 31, in Mankato State Junior Varsity. The Bears came out on top in the first game, 8-3. John Izumi got the start for the Bears. Izumi went the distance, pitching a good consistent game. Defense helped Izumi by turning a couple of double plays and making the routine outs, never letting Mankato State back in the game.

John Vandenheuvel made some highlights of his own with some diving catches and solid infield play.

Bob Johnson got the start in the Bears' second game of the day. Johnson threw a choppy game, walking a few, but always maintaining the lead. The Bears won, 5-4.

The Bears kept a steady two run lead throughout the game. Raymond Jr. Piette came in relief to give up two runs and tie up the game. In the bottom of the last inning the Bears had a chance to win it with bases loaded and Craig Granger up to bat. Granger go on base with a walk, giving him the winning R.B.I. The hitting star of the week was Darren Taylor, hitting 7 of 8 in the doubleheader. Taylor got off to a slow start on the season but has increased his hitting, now batting .500 (21-42.)

Bears vs Mankato

The Bears faced a doubleheader against Mankato Junior Varsity Sunday, April 1, winning both contests, 7-4 and 9-4.

After Saturday's sweep of the doubleheader against Mankato J.V., the Bears went into Sunday looking for a sweep of the four game series.

Chad Prey, a freshman lefty out of Dowling High School in Des Moines, started the first game. Prey pitched a solid five innings highlighted by a pick off at first. Raymond Jr. Piette came in relief in the sixth inning and closed down Mankato in the seventh for a save.

In the second half of Sunday's twin bill, the Bears were once again victorious. Chad Wegmann started and held Mankato J.V. scoreless until the fifth inning when Mankato scored four runs, three of them on a costly error. Mike King came in relief in the fifth inning and held Mankato down through the seventh for a score.

The Bears hit the ball well on Sunday and the defense was solid. Things are looking bright for this

Bears vs Grand View

The Boone Bears met Grand View J.V. for the first time this year, in

regular season play.

The first game in the doubleheader was all DMACC. Pascal Raymond shared the pitching duties with Bill Weyers, each going three innings.

The Bears' hitting attack was led by Charlie Bell, who went 3-4.

Jeff Hughes added an attack of his own be sending a screamer over the left field fence.

The Bears won the game by 10 runs, 12-2.

The second game became a little more interesting.
Andy Goldsworthy started for the

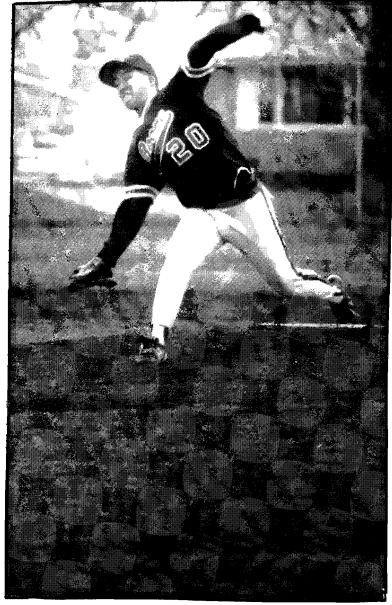

Bears, pitching a strong game. King came in for the tiring Goldsworthy to get the save.

The Bears won the game 5-2, with help from the hitting of Bill Weyers, 2-3, and Tony Trumm, 3-3.

The Bears seem to be putting everything together and getting ready to come on strong, now that their bitting and fielding are falling. their hitting and fielding are falling into place.

Don't let your glasses blur your vision.

Whether a glass holds 12 ounces of beer, 5 ounces of wine, or 1¹/₄ ounces of spirits, the alcohol content is the same. It's important to know this because the size and shape of the glass can give people a distorted impression of how much alcohol they're actually drinking.

So when you're out to share some cheer with friends, remember how much alcohol is in your glass and that drinking *sensibly* lets you hold things in focus.

Always keep safe driving within your sight.

Psychologists speak here

By Mick Kawahara Staff Writer

Approximately 60 Boone Campus students and faculty attended a presentation on suicide Friday, April 6 at 11:15 in the auditorium.

Making the presentation were Dr. Jan Dale, a Simpson College graduate who received his doctorate from Boston University, and Gragg Groevin a clinical social worker who received his BA at Central College and a master's degree in clinical social work from the University of

George Silberhorn, director of students, scheduled the talk.

"I thought suicide was a subject of interest to both students and faculty,'

There was a question and answer session following the talk.

The speakers commented on the good interaction from the Boone Campus audience.

Some of the students attending were from nursing classes, and from Dr. Taylor's psychology classes.

The speakers noted several changes and losses in a person's life which may contribute to suicide. They include loss of relationship, or death, loss of job or status, serious illness, alcohol and drug abuse, physical, sexual, or emotional abuse, and academic pressures and expectations.

They added there are three warning signs for suicide.

The first is verbal cues such as, "I wish I were dead."

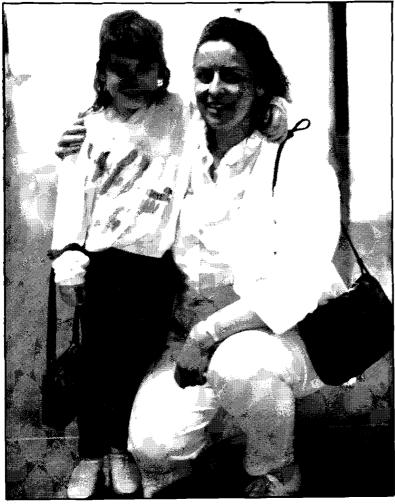

The second is behavioral clues such as giving away prized possessions, extended grief or sadness, and

And the third is communication to others about feelings of abandonment.

The three stages of suicidal thinking were also discussed.

In the first stage, a person has thought of death. In the second, a person views suicide as the only option, and dwells on the thought of suicide. In the third, a person has decided to act on these suicidal

Finally, the speakers told the audience how to prevent people from committing suicide. Those measures include giving hope without sounding insincere, communicating calmness, concern and confidence, offering empathy, being direct and talking openly about suicide, being nonjudgmental, and not debating the morals or feelings of suicide.

College librarians conduct meeting at Boone Campus

Approximately thirty Iowa community college librarians held their annual business meeting at DMACC-Boone Campus, Friday, April 30.

During the morning, the meeting included discussion of the Department of Instruction's AS-23 form, election of new officers, and an automation update of the technology and software currently being used at the various Iowa community college libraries.

The afternoon session involved a tour of the Boone Campus Library, and a panel discussion of OCLC (Online Computer Library Center). Another panel discussion focusing on a new statewide cooperative interlibrary loan project called ICAN was also held.

Boone Campus Librarian Jayne Smith commented, "Many people in the group were really pleased with our facilities. They thought the entire day was well-planned. Everything went smoothly.

Those attending represented Iowa Western Community College, Hawkeye Institute of Technology, BCR of Ames, North Iowa Area Community College, Southwestern Community College, Western Iowa Tech., Iowa Central Community College, Muscatine and Clinton Community College, Kirkwood, Ellsworth, Southeastern Community College, Northwest Iowa Tech., Indian Hills, and DMACC-Boone, Ankeny, Urban and Carroll Campuses.

Teacher Feature

Chacko likes positive atmosphere at Boone Campus

By Shane Kozal Staff Writer

Sandy Chacko enjoys the positive atmosphere here at Boone Campus.

Chacko, the subject of this month's Teacher Feature, teaches second year nursing students in the Boone Campus Nursing Department.

'The people I work with are beautiful; this is such a great environment to teach in," Chacko said. "Learning should be fun and excit-

ing. I learn from my students, just as they learn from me," she added.

After graduating from high school in her hometown of Denison, she attended lowa Lutheran School of Nursing. The remainder of her training was at the University of Iowa, lowa City, where she earned her bachelor's and master's degrees. Chacko received her PhD in education in December at ISU.

Chacko also remembers lowa City as the place she met husband Tom. The couple lived in Oklahoma for a time, where Sandy taught at Oklahoma State University.

Chacko has been teaching here since the summer of 1980. Her husband teaches business at Iowa State University. The Chackos and their two daughters live in Ames.

In her free time, Sandy likes to collect stamps, paint with water colors, and attend her daughters' music and dance recitals.
