The abstracts must be submitted using one of the methods described at registration, excluding the fax possibility. The most recommended way of submitting the abstracts is directly on the Conference website ("Send abstract" button).

In case of submission by mail, you will send a printed version of the paper, together with a CD or a DVD marked with the author's name and the title of the paper.

- Only unpublished work will be accepted. Authors have full responsibility for the content of their abstracts.
- Notification of the abstract acceptance will be e-mailed after the 1st of September 2010.
- Accepted abstracts will be published in the Abstract Book only on receipt of registration payment in full.
- Upon submission, indicate one of the topics presented in "Preliminary Program" section that best describes the abstract.
- It is the author's responsibility to submit a correct abstract; any errors in spelling, grammar, or scientific fact will be reproduced as such.
- Abstracts must be written in English.

Presentation: oral or poster.

The Scientific Committee reserves its right to accept or reject the submitted abstracts and to select abstracts for oral presentation or poster.
