To Central Sunday School;

Just a note to let you know that I received the Christmas package you sent me. I sure am enjoying it.

I appreciate your thoughtfulness and kindness in sending the package, although it did get here a little early for Christmas.

I sure wish I could be back there with all of you. And I guess all the boys wish they could be there, too. But right now we've got a bigger job to do.

Wish the people in the occupied countries could look forward to having a nice Christmas, but for most of them, that will be impossible. Some of them have no homes, some have no families. Seems wrong, and it is wrong for one man to cause so much trouble. But he'll pay for it.

Thanks again for the package and thank Francis Hale for packing it. Her name was in my package.
