SQUARE by Jessica Patterson

50

I am here.

I am there.

I am every where.

My world is square instead of round.

My life is completely upside down.

My time is gone.

I know not where.

Everyday it's a square.

I hit every corner

looking for escape.

But no such luck has come my way.

But I keep looking.

I will not get down.

I will STAND my ground.

This box will not beat me.

I will break out.

When I do

my heart will feel light.

I know one day

my time will come.

My life is a square

but not for long.
