I wish they'd & had but I doubt  
 whether he had before signed that  
 copy of will then sent to you by  
 hands of your J. Fell into his  
 company grain entirely in my way  
 and being removed from my table  
 created a letter understanding  
 that of that by a certain  
 writing of father's I had to hand  
 within the family alive when  
 one of those diamonds being a  
 our many day of sitting me  
 of point generally where we  
 then proceeded to business  
 we had news finished to of general  
 a satisfaction of all my kind  
 in this provincial & of a signal of  
 our good agreement of your  
 long & so many of his which I  
 will not today after which he  
 we respectfully send word when  
 John is among us I don't end of  
 know how far a great deal of  
 but perhaps that would it for  
 hand or 2 half when we meet of  
 vain part of my endeavor  
 they entered by their agreement  
 and I doubt for it of first
