The STARS logo, which includes the text "STARS" in a large, bold, serif font, with "Showcase of Text, Archives, Research & Scholarship" in a smaller font below it. The logo is surrounded by a decorative pattern of small stars and larger four-pointed stars.

doe feare howe the 20 of the 7 month 1683
deare and well beloved friend Thine and whole
the remembrance of you are fresh in my mind desire
ing your well fare every way as for my own sake
iving your vnterity in the blessed triath of god and that
we are haue in the same loue and vnty one with another
with difference of place cannot detour nor the mighty
multitude of waters if hope wil neuer hinder but for
yogning in the couerment of life which will be a good
rethor to all them that with resistance in duerth to the
end for with we were expected to glorifie our redemer
in an spring his spot loue to husband and desire that we
more neuer for god so good aged as I was for you to deare
I find this new acquaintance that if send thee a letter
Egioseph more and another by George the 10 with if hope
thou are haue be fore this come to thy hand and in George
thou are way, carrie of thust and a bag of hay lides
and a shi so sent to y^e for a token from william na
haton and 2 pair of shind put together with a ring of iron
with if thou v^elote to send mee some lace or doot like
for ~~it~~ them and now thou are some by Barton of ^{an} m
some fine goods from Thomas Barber with if haue put
with my sisters goods and if haue v^elote to write with
heres if if desire thee to be of kind to her at thou can if
thou be in theare and in consideration of entering and
if right desire thee let her haue none of the gette
ing are and for the reason so thou must consider
her something and if haue sent a bag of hay lides
which if haue my sister Elizabeth will take care of
to get to theare and for the if desire thee to send mee a letter
of your contrary what thou thinke both of it and let mee
know by the first opportunity for if you will
com but my wife yet it not writing but when thou send
another letter she will than both thou will know later how
thing if will goe as to outword thou knowe so my wife
and the children deare loue to you both hoping you and your
family are me be in health as was at that time I was
be thou most hid for the same so if desire thee to mind my dea
re loue to y^e and his deare wife and to let her if inquired for
the glad and com but no glad if I had but ayed if som if send
by my sister and for the if desire thee to remember my deare
love to william yardley and his wife and family and let
mee know how things goe with friend if and heu v^elote to
dooth and if hard of some led to be in the easton house
of if if but the would not restore it to me or you
ayed the damage and send it away so hoping to hear
from thee of some if thou can if some no thy well with
for ever more if Henry Barber
