# IN THE PUBLIC INTEREST

*"The press of this country is now, and always has been, so thoroughly dominated by the wealthy few of the country that it cannot be depended upon to give the great mass of the people that correct information concerning political, economic, and social subjects which it is necessary that they shall have in order that they shall vote and in all ways act in the best way to protect themselves from the brutal force and chicanery of the ruling and employing class."*

—E. W. SCRIPPS  
FOUNDER, SCRIPPS-HOWARD NEWSPAPER CHAIN
