NOTICE.

As Caroline H. Hunt, my wife, has refused to come
to California to live with me, where I have provid-
ed a home for her and her children, and as she once be-
fore refused to live with me, and I had to take my chil-
dren with an officer, and then she begged to come back
and I received her, and as she now refuses, I forbid all
persons harboring or trusting her on my account after
this date. JOHN W. HUNT.
Lincolnvillle Jan. 3, 1869. 3w28*

*To the Hon. the Justices of our Supreme Judicial
Court, now in session at Belfast within and for
the County of Waldo.*

CAROLINE H. HUNT of Islesboro', in the County
of Waldo, respectfully libels and gives this Honorable
Court to be informed, that she was lawfully married to
JOHN W. HUNT, now of San Francisco in the State of
California, on the 9th day of September, 1856, at Camden,
in the County of Knox, by Hiram Bass, Esq., a Justice
of the Peace; that she has had by her said husband three
children, Charles E., Frank E. and Desdemona, aged re-
spectively ten, six and two years; that since said inter-
-marriage your Libellant has always conducted herself
toward her said husband as a faithful, chaste and affec-
-tionate wife, but the said John, wholly regardless of his
marriage covenant and duty, has at divers times during
the ten years now last past, treated your Libellant with
great cruelty and abuse; that during a large portion of
that time he has been absent in the State of California;
that whenever he has been at home he has treated your
Libellant with constant cruelty, and often with extreme
personal violence, so that her life has been endangered,
and she has become afraid to live with him, and your Li-
bellant further avers, that by constant and oft-repeated
attempts and threats to take the children from her, he
has rendered her life miserable, unhappy and full of anxi-
-ety and terror; that on the 18th day of October, 1866,
the said John went to California for the last time, since
which, although possessed of abundant means, he has
provided her with very insufficient support, while he has
continued and still continues to threaten to deprive her
of the comfort and solace of her children.

And your Libellant further avers, that on the 7th day
of January inst. the said John caused her to be posted in
the public press, to wit, in the Republican Journal, a
newspaper printed at Belfast, in the County of Waldo,
in the following false, malicious and scandalous terms,
to wit: "Notice—As Caroline H. Hunt, my wife has re-
fused to come to California to live with me, where I have
provided a home for her and her children, and as she
once before refused to live with me, and I had to
take my children with an officer, and then she begged to
come back and I received her, and as she now refuses, I
forbid all persons harboring or trusting her on my ac-
-count after this date. Lincolnvillle, Jan. 3, 1869. Signed
John W. Hunt."

Whereby your said Libellant's good name and charac-
-ter have been brought into reproach and contumely, and
she has been wickedly disgraced before the community
by her said husband and thrown upon her own exertions
to procure bread for her own subsistence, and that of her
children.

And your Libellant avers that the aforesaid conduct of
her husband has not been provoked by her, and that she
has used her utmost efforts to promote the harmony and
peace, necessary for the welfare of her said family, but
without avail; and she further avers that the long con-
-tinued ill-treatment and abuse, aforesaid, have at last de-
-stroyed all her love and affection for her said husband,
and all hope of conjugal felicity with him; and she fur-
-ther avers that a decree from the bonds of matrimony
now existing between her and her said husband would
be reasonable and proper, conducive with the peace and
morality of society.

Wherefore she prays that such divorce may be granted;
and that the care and custody of her said children, dur-
-ing their minority may be decreed to her. And as in du-
-ty bound will ever pray. CAROLINE H. HUNT.
