Was The King in Rochester?

A few weeks ago the American papers were all agog with a story that King George had visited the Mayo clinic in Rochester, Minn. He was "seen" entering the place by a Walter Kirtley of Nebraska City.

Some weeks before Mr. Kirtley's story reached the U.S. papers, the same story had reached The Courier. Canadian visitors in this city reported that when they had been at Mayos, the place was all in a jitter "because the King was here."

There are a dozen good reasons why it could not possibly have been the King whom Mr. Kirtley saw but sufficient for us is the fact that the anonymous Buckingham Palace spokesman, who is retained in the Royal Household to answer silly questions, stated flatly that it was not the King.

We doubt whether this denial has impressed Mr. Kirtley in the slightest. He will go on believing for the rest of his life that he saw the King of England in Rochester, regardless of what those smooth-tongued British officials say. And probably a great many other people in the United States—and Canada—will go on believing it, too.

But our American friends do not know that King George is forbidden by the terms of the Constitution to leave the country without a special act of Parliament giving him permission to do so. Nowadays, perhaps, this is a technicality, but it is always rigorously observed. As rigorously as it was in the days when Parliament was interested in preventing the King from going off and raising a foreign army to invade his own country and take Parliament's power away.

What is not a mere technicality is the fact that if the King leaves, someone has to be appointed to do his job. A Council of State has to be set up to perform such necessary functions as signing acts of Parliament, appointing sheriffs and bishops and approving decorations for members of the services.

So it is really very difficult for the King to leave Britain incognito, whether it is to visit

the Mayo clinic and anywhere else. The amount of organization needed before the King left for Canada in 1939 and South Africa two years ago was considerable.

But these rumors get taken seriously. They are all of a piece with the Russian troops which were seen in England early in World War I, on their way from Scotland to the south coast to be shipped to the Western Front where things were going badly. The people who saw them insisted they were easily identified "by the snow which was still on their boots." This despite the fact it was summer in England.

There are people who, to this day, still insist that they saw those Russians proceeding through the English countryside. Mr. Kirtley will probably join them in a wry kind of immortality.

Interest Rates

Of all investors, bond buyers are most conservative. Security comes first, rate of yield second. And of all securities, government bonds as a class in this country are considered most safe.

But the bond buyers do not consider all government bonds to be equally sound as investments. For instance, two issues of long term bonds of the province of New Brunswick are now on the market. An issue of \$4,000,000 to mature in 1957 is offered at 99.50 to yield 3.32 percent, and an issue of \$2,500,000 to mature in 1964 is offered at 99.25 to yield 3.56 per cent. On the other hand a current issue of Saskatchewan of \$3,000,000 to mature in 1964 is being offered at only 96.75 to yield 4.04 per cent.

A comparison of ordinary factors of security in these two provinces is of interest. In its provision to retire debt Saskatchewan's position is better than that of New Brunswick. Its sinking fund at March 31, 1948, was \$42,355,000 against a net funded debt of \$151,157,000. New Brunswick's sinking fund at October 31, 1948, was \$22,569,119 against a net funded debt of \$115,017,000.

Saskatchewan's net funded debt per capita is \$181 and New Brunswick's is \$234. The assessed value of real property per capita in Saskatchewan is double that of New Brunswick, \$1,020 against \$400. From the standpoint of physical capacity to pay Saskatchewan would seem like a far better risk. Yet New Brunswick is able to get a much better price for her bonds at a substantially lower rate of interest.

The reason is obvious. All other factors which ordinarily would sway an investor's judgment are discounted through lack of one vital element, the element of confidence.

Investors have more confidence in the financial policies of New Brunswick than in those of the government of Saskatchewan.

Kelowna In Bygone Days

From the Files of The Kelowna Courier

TEN YEARS AGO

Thursday, June 1, 1939
Twenty-five thousand persons from the Interior of B.C., a large percentage of who were from the Okanagan, jammed the Revelstoke, Kamloops and Sicamous station grounds to give King George and Queen Elizabeth a boisterous and loyal welcome upon their entry into this province. Between ten and twelve thousands saw Their Majesties at Revelstoke, while a smaller number crowded the Kamloops station grounds and another 3,000 were at Sicamous.

W. E. Haskins, George Barrat and Percy French will form the new B.C. Fruit Board, with Mr. Haskins remaining a chairman. Mr. Haskins and Mr. Barrat were former members but Mr. French is a newcomer replacing W. O. Hembling.

Open season on upland birds was recommended by sportsmen attending the first quarterly meeting of the Kelowna Rod and Gun Club.

TWENTY YEARS AGO

Thursday, May 30, 1929
Bills have been piling up indicating the recent inquiry into city police matters will cost the city a considerable amount.

The Kelowna District Mosquito Control Association should be responsible for a marked decrease in the prevalence of mosquitos this year. The first spray was applied about two weeks ago and the results have been gratifying.

Bringing the interior championship to this city for the first time since the competition was started, a Kelowna team won the title by two points in the feature event of the Empire Day shoot staged under the auspices of the Glenmore Gun Club.

Duncan McNaughton, a former Kelowna High School student, won the senior boys championship during the annual running of the Lower Mainland inter-high school track and field meet. He won the hurdles, high and broad jumps and placed second in the shot put.

THIRTY YEARS AGO

Thursday, May 29, 1919
High water at the beginning of the week threatened to destroy the Glenmore Valley irrigation ditches, with loss of the year's water supply, but many willing workers saved the situation after tramping from the headgates to the dam, usually a four-hour hike.

Among the pupils of Herga Ambler, who participated in a pleasing musical recital Monday at the Aquatic pavilion, were Grace McCarthy, Margaret Fumerton, Jean Rowley, Hugh McKenzie, Annie Curtis, Ruth Rowcliffe, Evelyn McDonald, Jean Morrison, Minnie Curtis, J. Barling, Maudie Kimball, Evelyn Sproule, Donald Whitham, Amy Fleming, Hazel Ritchie and Mrs. J. Trenwith.

There evidently is money in tobacco as Holman and MacEachern paid \$4,700 to growers for 22 acres of last year's crop.

When a parcel containing acid exploded, the C.P.R. freight sheds were endangered on Thursday afternoon. Mr. Knowles of the C.P.R. staff saw the smoke and rushed into the building. He picked up the parcel and carried it out, thus preventing a serious fire. He received some nasty burns from the dripping acid.

**CODDLING MOTH
BROADCASTS
ARE DISCUSSED**

The BCFGA executive asked the directors of that body for some direction regarding the continuance of the coddling moth radio broadcasts at the meeting of the directors here last week. It was explained that when the coddling moth was a serious problem several years ago, the provincial department of agriculture agreed to pay half the cost of the information broadcasts over CKOV. The BCFGA assumed the cost of the remainder. This amounted to about \$200.00 a year. The rate was 8¢ a minute.

However, in the interval, the coddling moth situation has ceased and the information bulletin has changed in matter. Also, CKOV is not needed by northern, southern and Kootenay growers. In addition the CBC has offered to carry this information without charge on its noon farm service program. Representations have been received from both the Vernon and Penticon stations for the BCFGA to use time on the same basis as it does on CKOV.

It was not known whether the department of agriculture would consent to an increase in its budget for this service, particularly when the coddling moth original purpose has ended.

The general opinion of the directors seemed to be that all growers should have the information if it is to be provided to any growers, and with this stipulation, the matter was returned to the executive.

**OUTDOOR CHURCH
SERVICE HELD
AT "THE SPOT"**

OKANAGAN CENTRE—Majority of members of the United Church congregation at Okanagan Centre joined with the other congregations of the Oyama-Rutland pastorate in outdoor services at "The Spot" on Sunday.

Rev. S. Crysdale conducted the service of prayer, song and sermon. Lunch was served, and the report of the recent conference was given by Miss MacDonald. Meanwhile children were divided into various age groups and were entertained with stories and games by various Sunday School teachers. Later the adults were divided into convenient sized groups with leaders for discussion.

Perfect weather and excellent organization made this a red-letter day in the annals of the local church.

Mr. and Mrs. W. Cooney and daughter Sharon arrived last Saturday from Vancouver for a week's visit with relatives at the Centre.

Miss Irene Seath, of Vancouver, spent last week at the Centre with her father.

**REQUEST CARE
BE TAKEN IN
REMOVING TREES**

Kelowna Board of Trade has requested the city to refrain from the "hazardous practice" of removing trees from The City Park. Council was informed Monday night that the board has received several complaints from local residents. Fathers were somewhat

puzzled over the letter, as the only trees removed in the past have been cottonwoods. It was pointed out the most beautiful sections of the park are where cottonwoods have been removed. The letter was filed. A man should never be ashamed to own that he has been in the wrong; it is but saying in other words, that he is wiser today than he was yesterday. Nowadays the electric switch makes things go. In the olden days they used the hickory switch.

**Ike Carpenter's Band Will Appear
At Local Arena on King's Birthday**

At 25 years of age, Ike Carpenter already has a varied career as music teacher, concert pianist and band leader. The orchestra he brings to Kelowna and District Memorial Arena on Monday, June 6, the King's Birthday holiday, was formed in Hollywood over a year ago and will be the first "name" band to appear on the new \$8,000 maple floor. Starting out with piano lessons at an early age, Ike Carpenter put himself through Duke University, where he majored in music, by teaching music in public schools. Upon leaving college, after playing with several college bands, he hit the concert stage. At his final concert, with symphony orchestra accompaniment, he played the Greig "A" Minor Concerto. Turning from the concert stage, Ike devoted himself to popular music, joining first the band of Johnny "Sax" Davis. From there he went with Johnny Long, and later with Boyd Raeburn and Bobby Sherwood. With his own band, Carpenter soon was dubbed "New King of the Keyboard" and broke attendance records during his series of record-topping engagements. One of his greatest achievements was the new high attendance record at the Angeles Million Dollar Theatre as musical director of the Frankie Lane Show. During his current tour of the Northwest, Carpenter is featuring the singing and dancing Dumont twins—Alma and Norma—baritone Johnny April and the Moon Mistlers vocal group.

**RUTLAND RALLY
DAYS PLANS
MOVING AHEAD**

RUTLAND — The Rutland Rally Day committee met last week to make plans for the annual sports day, and it was decided to hold a "queen" contest to stir up additional interest. Five local organizations and institutions are being asked to select a candidate for "Queen of the Rally Day and Cherry Festival." They are the Board of Trade, B.C.F.G.A., Baseball Club, Softball Club and the High School. Plans for the ball tournament were discussed, and it is expected that four teams will enter. Rutland Cubs, Rutland Adanacs, Winfield and either Summerland or Peachland. There will also be a softball tournament. A parade is to be arranged, with the aid of the high school band, Boy Scouts, cadets, etc., and there will be other new features for the big annual Rutland day.

Loyd Confers with British Board of Trade President on Apple Market

**NO MONEY
Proposed "Token Exports"
Would Solve Problem of
Selling Small Sizes**

Last Week, A. K. Loyd, president and general manager of BC Tree Fruits, told the directors of the BCFGA that in his opinion, following meetings with Rt. Hon. Harold Wilson, president of the British Board of Trade, that there would be no substantial export of apples to the United Kingdom for some years. However he did emphasize that even the proposed "token export" would be welcome as it would ease by that much the problem of disposing of small sizes. Mr. Loyd emphasized that as yet there had been no definite information as to the amount of apples the UK might buy this year. Indeed there was no definite assurance that any of the token \$25 million purchase would be diverted to apples. However, it was assumed in both Britain and Canada that such would be the case. Some sources said it would be a million boxes; some said 500,000. It was assumed that the amount would be split in about equal proportions between Nova Scotia and British Columbia and if this resulted in 250,000 small sizes being removed from the domestic market, it would be a very considerable help to the sales problem this year. Mr. Wilson, Mr. Loyd stated, emphasized repeatedly that Britain had no business making this proposed purchase as she simply has not the money to pay for it. It was being done simply as a goodwill gesture.

Walter Mallach left last week for Clonsaham, Alta., to reside for the summer months. Mr. and Mrs. L. Debert left this week for Saskatchewan for the summer. Mrs. John Toffin and little daughter, of Vancouver, are visitors at the home of Mrs. Toffin's parents, Mr. and Mrs. George Cross. Mr. and Mrs. Jack Johnson are vacationing at Loon Lake, in central B.C. The local tennis club held an enjoyable dance in the Community Hall on Friday evening, May 26.

The Rutland Adanacs Baseball team journeyed to Summerland for the 24th of May sports, and played two games, defeating their old rivals, Princeton, in the first game 8-4. In the final game the Adanacs pitchers were showing the strain of 15 innings on Sunday and two games on the Tuesday and the boys lost to Summerland 10-3, the latter team getting a bye into the finals.

Mrs. E. V. Wiggins, of Trail, B.C., has purchased the property of Mr. Hoffman (formerly the Ansell property).

Bad Headache
D'Anjou pears, Mr. Loyd said, had been a very bad headache for the wholesalers last year and some of them had taken serious losses. He expressed the opinion that this year they would buy in smaller quantities and more often, as far as this variety is concerned. He said they had not been happy about the fruit last year. The excessive moisture conditions had definitely affected the general quality of the pack in all varieties. Most varieties now present good prospects for this year, excepting pears, although some varieties of apples, too, are very spotty.

**CONTRACT LET
FOR HIGHWAY
NEAR OSYOOS**
Contract for one of British Columbia's toughest road building jobs over the Marchis Mountain in the southern Trans-Provincial Highway has been awarded to W. C. Arnett and Company. The Arnett Co., with a bid of \$1,115,496, was lowest of six firms tendering on the work. Construction of the 15-mile piece of road, leading eastward from Osoyoos in the Okanagan, will require a year to complete. More than a third is solid rock blasting. The new modern highway will replace a dizzy switchback which teeters over the mountain and hangs on cliffs which rise to a height of 3,700 feet.

**PACKING HOUSE
OPERATIONS
TO BE STUDIED**
Special Committee Will Be Appointed and Investigate All Details
A special committee will be appointed by the BCFGA to study the operations of various packing houses and to publish its findings at the end of one year. This decision was made last week at the B.C.F.G.A. directors' meeting. The action stems from statements made by D. McNair, then sales manager of B.C. Tree Fruits at the convention last January. At that time Mr. McNair stated that the packing house end of the industry needed to be jacked up. Some packers, he said, were co-operative and were interested in putting out a quality pack; other were indifferent and others were just not interested. About eighty-five percent of the packers, he said, were doing a fair job, but fifteen percent of them were definitely not operating in the interests of the industry. Mr. McNair's remarks were something of a bombshell at the convention and the district councils have discussed the matter subsequently. The result is the decision that the BCFGA, the growers themselves, should investigate all packing house operations and report it. It is suggested that in the course of a year or two certain standards of operation might be set up and those packing houses reaching those standards be so indicated.

Impressive Service Held By Anglicans at Winfield

WINFIELD—An impressive "Service of Witness" was held on Thursday night of last week at St. Margaret's Anglican Church, Winfield. Those taking part were from the parishes of Winfield, Oyama, Kelowna, Okanagan Mission, Summerland, Penticton, and Oliver. The clergy were those of Okanagan Deanery, Ven. Archdeacon D. S. Catchpole, Kelowna; Rev. Canon F. V. Harrison, Summerland; Rev. W. S. Beams, Penticton; Rev. Yerburch, Oliver; Rev. F. B. Wyatt, Okanagan Mission, and Rev. A. R. Lett, Woodside.

In all, some 150 took part. The representation from the various parishes formed up outside the Winfield School and marched in procession to the church singing the Litany, intoned by the Rector of Penticton. Evensong followed on the arrival of the procession at the church. Being Ascension Day, hymns were sung in keeping with the festival.

The Rev. Yerburch, Oliver, delivered a thought-provoking sermon taking his text from the 4th verse of the 24th Psalm, "who shall ascend to the hill of the Lord."

He stressed the importance of real preparation and Christianity to be worthy to ascend that hill. The "Service of Witness" will be followed by many more in the Deanery. The clergy taking part in the service were as follows: Rev. W. S. Beams, litany and first part of evensong; Rev. Canon F. V. Harrison, lesson; M. D. Elliot, Winfield, notes; Ven. Archdeacon V. S. Catchpole, state prayers; Rev. Yerburch, sermon; Rev. A. R. Lett, final prayers and benediction.

After the service, refreshments were served in the Sunday School by the ladies of St. Margaret's Church.

LETTERS TO THE EDITOR

RECALLS ENGLISH CLASSIC

Rutland, B.C.
Editor, Kelowna Courier.

Dear Sir:
Will you please allow me a space in your valuable newspaper on sport and those who are much interested in all kinds of sports. I am now going to mention something that happened many years ago in the old country and having read some news in the Vancouver paper concerning the English Derby being run at Epsom Downs race track being a historic race and many people think such a lot of it and come from all parts of the world to see it.

What I am now about to mention is a coincidence that took place when I was there and saw the horse that won the Derby many years ago. There was a man I knew that kept a bakery shop and confectioners who lived on Blackheath Hill close to a public house my father kept, called the Horse and Groom. This man's name was Mr. Bevis, the baker. Well this is where the excitement comes in—we all went to see the race on Epsom Downs and a horse in the race was called Sir Bevis, 100 to one shot, and the best jockey riding it. What caused such a lot of talk about this jockey was that George Fordham was on a rank outsider when he was once only seen on hot favorites.

This jockey was, I knew, about 40 years of age then. He had a son that was an apprentice in a good racing stable. Well this Derby day was very wet and the course was very heavy going and there is a dangerous corner called Tattenham Corner; many good jockeys have met with accidents, some had been killed at this corner. You will remember this memorial year, for George Fordham riding for his first Derby, won on an old crock like Sir Bevis's shaggy old-looking horse.

Some of the know-it-alls said the owner had a nerve to enter such an animal in such a Historic race like the English Derby. The Blue Ribbon of the turf, well knew George Fordham had ridden several French Derby winners and had ridden in many of the classic races and at this time, in the prime of his life, no other jockey was in it until his rival came, Fred, Archer, who ended his fine jockeyship by shooting himself. Now when Fordham won this Derby he laughed and cried like a child so overcome with joy this being his first Derby win after riding for 40 years. All this excitement happened in the weighing room in the paddock where all jockeys have to weigh the same weight when they return after the race. Well now to end this my father and the baker-man won a nice little

hat full on this old crock. This man, Mr. Bevis was no sporting man at all. He only went to see the race because his name was the same as the horse but my father was a bookmaker and attended many race meetings. Well George Fordham gave up horse racing after his victory of winning the English Derby. If there are any old timers alive they will be pleased to read this and also sport fans.

Yours truly,
A. E. HOMEWOOD.

That is the 8% sales tax. The one the budget missed. The one that hits you hardest. This quotation

So that you may have a sure, adequate income, the Progressive Conservative Party will
● Reduce sales taxes. ● Provide deductions to farmers for members of family who contribute to revenue.
● Reduce income tax rates and increase exemptions. ● End the administrative persecution of farmers by tax collectors.

For your protection the Progressive Conservative Party will take these steps:
PRICES
—Permanent floor price legislation based on these principles:
● A definite formula in the Farm Prices Support Act for arriving at floor prices. ● Floor prices will be announced well in advance of production period.
● The formula will allow for variations in production and demand for individual products. ● The floor price formula will be arrived at in consultation with representatives of producers.

EXPORT MARKETS
Restoration of the Canadian Wheat Board to serve its original purpose as a Marketing Agency for wheat producers . . . and its extension to include the handling of coarse grains.

Estimates for 1949 small fruits in the Okanagan Valley with last year's figures in brackets, are as follows:

Strawberries, 17,863 (20,200); raspberries, 10,763 (10,350); gooseberries 47 (85); black currants 1,692 (1,600); red currants 15 (20).

Officers of Business and Professional Women's Club Are Installed At Banquet

Approximately forty members of the Business and Professional Women's Club attended the annual banquet last Friday evening at the Willow Inn to witness the installation of next year's executive, by the Regional Supervisor, Mrs. Elsie McCleave, of Pentlton.

Officers installed included: Mrs. Phyllis Trenwith, president; Miss Christina Beath, first vice-president; Miss Julia B. Mitchell, second vice-president; Mrs. Lou Knowles, corresponding secretary; Mrs. G. D. Herbert, recording secretary; Miss Meg Gore, treasurer; Mrs. Molly Morrison, archivist; Mrs. Olive Day, program convener; Miss Rose Tilling, social convener; Mrs. Luella Balfour and Mrs. Dorothy Chamberlain, membership convener; Miss Lily Patterson, chairman piano fund.

Guest speakers for the occasion were Mr. W. A. C. Bennett, candidate for the Coalition party, and Mr. T. Wilkinson, C.C.F. candidate. Each spoke in turn on their respective platforms in the coming provincial election.

Leading off the after-dinner speeches, Mr. Bennett explained the policies of the Coalition party and the important plans in his platform for the coming election scheduled for June 15.

Clear-Cut Issue

Mr. Bennett stated that this election for the first time in many years was based on a clear cut issue, that of free enterprise versus isolationism. He explained that the C.C.F. had had the opportunity of joining the Coalition at its inception but had turned it down, proving beyond a doubt that it was not a co-operative party, but was definitely isolationist.

Supporting the system of free enterprise, Mr. Bennett showed why his party was encouraging the interests of the Aluminum Company of Canada in this province, saying that the establishment of such a large industry would provide employment directly as well as indirectly to thousands in this province without using any raw materials from this province except hydro electric power which so far has been untouched, this industry would bring prosperity not only to those directly employed by the company but also to the people of this valley as a market for their produce.

Mr. Bennett continued with the subject of the Atlantic Pact saying that the C.C.F. party had brought the subject up on its own free will and was not in any way forced to pass the resolution. At a conference of picked delegates chosen to outline party policy in Vancouver, the majority of the resolution opposing the Atlantic Pact in spite of the efforts of Mr. Coldwell through his representative to stop the resolution from going through, Mr. Bennett said he regretted the subject had to come up at this time but that British Columbia was in a very vulnerable spot through its

dress saying that the C.C.F. cannot make over its people according to one pattern, but that it does seek to eliminate the waste of competition and to tax those who are best out of every dollar of your personal income tax goes to buy baby bonuses and maintain the organization to handle the issuance of cheques.

Ches Owen Wins Shuswap Lake Cup for Best Individual Performance

Kelowna golfers had a field day at Salmon Arm Sunday, though the local men failed to come home with the prize mug—the Spalding Cup. Ches Owen and Sam McGladery found the ideal weather and the good shape of the course to their liking but they had to be content with the runner-up spot for the Spalding, Granstrom and Hanson, Revelstoke, who came in almost at dark, earned the big prize with their 123 score, in the four-ball best ball match. Owen and McGladery had 131, just one better than another Kelowna pair—Harold Johnston and Jim Allen—who posted a 132. Owen, however, turned in the best individual performance of the day and didn't come home empty-handed. He won the 36-hole handicap trophy for the 36-hole handicap event with a 120 net. Owen also carried the best low gross in the Spalding Cup play with his 140. Harold Johnston had the best low

gross for 18 holes with 69. Runner-up to Owen for the Shuswap Lake mug was Doug Disney, Kelowna Golf Club captain, with 120 net.

At Vernon Sunday The low 18 holes ended in a four-way split. Disney, Johnston, Hoffman, Kelowna, and Granstrom, all winding up with 61's. Hugh Shirreff and Fred Williams, both of Kelowna, were next with 62's. Kelowna's team—10 strong—completed against teams from Salmon Arm, Revelstoke, Kamloops and Vernon in this annual event. Next Sunday the Kelowna divoters will start the first half of the Lefroy-Johnston inter-club play at Vernon. Captain Disney is anxious to get as large a team as possible and has requested all able to make the trip to do so—"regardless of handicap."

Completing a busy week-end, the locals will go to Pentlton for the King's Birthday holiday doings, on June 6. Six days later, on Sunday, June 12, they'll be taking part in the Vernon Days' celebrations on the Vernon links.

PRESENT CHAMPIONS It results of last Saturday's provincial high schools track and field meet at Vancouver meant what I think they do (there's always room for argument there), then KELOWNA and PENTLTON have two of the best athletes in the province. FRED TURNER, who has probably run all the way from here to Vancouver in practice, romped home in the open mile and GERRY KEN-YON from our southern neighborly city, set a new pole vault record.

BROWNIES PLAN BALL TRYOUTS AT KAMLOOPS

Major League Scout, Tony Robello, Runs School July 5-9

KAMLOOPS—St. Louis Browns, one of the best-known major league baseball organizations in this area, due to the widespread interest created in the club by its west coast scout, Tony Robello, will hold a tryout camp in Kamloops from July 5 to July 9 inclusive. Robello is working closely with H. R. (Hec) MacKenzie, secretary of the Kamloops Baseball Club, to

ensure a top-rate school in Kamloops. Last season the Browns staged more than 60 such camps and instructional schools throughout the States. Boys interested in attending should contact H. R. MacKenzie at 720 St. Paul Street. Each aspirant will have to pay his own expenses though Kamloops Baseball Club will try to get him billeted to cut down on the total outlay. KBC will go good for salary and other expenses while Robello is here conducting the school.

PEACHLANDERS WIN BALL GAME PEACHLAND — The Copper Mountain baseball team visited Peachland Sunday, May 29, and was badly trounced by the home team. With W. E. Clements pitching effectively, and receiving splendid support, the Peachland team won a rather one-sided game by the score of 12-1. Double plays by the Peachland fielders killed several rallies by the Copper Mountain team and put the game on ice for Peachland.

Flipping through The Courier files to ten years ago we were pleased to note that in nearly every instance times, marks and distances this 1948 had it over those of a decade ago like a marquis. Except in the long distance events. It seems that ALAN FRANCE laid aside his B.C. Junior badminton crown long enough to show his heels to the field in the half and mile distances. The time France set in the 880 was 2:04.8, the present record, but the story ten years ago gave no indication whether the birdmen set the record then or equalled it. The time for the mile was 4:50.8, nearly 20 seconds faster than RON FRASER'S mile here last May 21 (5:10).

CHAMPS TEN YEARS AGO Picking out a few events for comparison during the ten years, we find that EPHRAIM DAY, of RUTLAND, pulled up to the string this year in the 440 with a time of 54.6. It took PALMO BIANCO 55.8 seconds to do it ten years ago. Pole vaulters now are clearing from six to eight inches more than the amateur flyers could do in the valley back in 1939.

L. CHARLTON, Kelowna Rural, cleared the girls' high jump bar at 4 ft. 3 1/4 inches back in 1939 and everyone thought that was pretty high. Just a little more than a week ago JANE STIRLING "sent" them with a leap of 4 ft. 9 1/4 inches. BILL RILEY, of Pentlton, was one of names in the 1939 meet. He could jump and sprint like a deer. He captured the senior boys' high jump event with a mark of 5 ft. 6 1/4 ins. But Weddell and Douglas, adopting the barrel roll in favor of the scissor style, both share a new record set this year at 5 ft. 9 ins.

Ten years ago, Bill Riley and RON HURLEY, also of Pentlton, ran a photo finish in the 100 for a time of 11 seconds. But that time has been bettered on several occasions and by both Phillips and Casey in this year's meet. Phillips just squeezed in front of Casey with 10.3, a fine new record. Casey had a time of 10.4. In tests since then, Casey has beaten Phillips, but neither have quite approached the brilliant 10.3 set here last May 21.

Some of the other better known athletes back a decade were EDDIE BEDFORD, HEATHER STEWART, Vernon's LARRY KING and DORIS OLIVER and a boy from ARMSTRONG by the name of D. McLEOD.

COACHING VITAL You gotta admit there's no one else in the Okanagan who knows more about the cinder and sawdust trails than JIM PANTON. So like everyone else who has troubles, we approached the recreational director on his pet topic and asked for his views on the reasons for the big improvement over ten years ago.

"Better facilities and better coaching are the main things," Pantton chirped. He cited new discoveries to make things faster, introduction of starting blocks, the big stress on physical education in the valley schools, more competitive meets, young athletes becoming more serious-minded and trying to keep in condition 365 days of the year. But we mustn't overlook the persevering work of the school coaches, the men and women who were trained for their jobs. We don't know the names of all the coaches in schools outside Kelowna but the two most responsible for the successes of the black and orange tribe are JOHNNY GOWANS and MRS. EILEEN SHELLEY. Take a bow, and keep up the good work.

AL-DEN-ETTES Seems that previous information on KEN WATT and DOUG NORMAN, last year with the ARMSTRONG EAGLES, was not correct. They have tossed in their talents with SALMON ARM ACES in the Interior boxla loop. Former teammate ERNIE HENDERSON also is reported to have joined forces with the Aces. Ex-VERNON TIGER ROY BEECH is said to be working out of Salmon Arm now and helping to bolster the Aces, who, to date, haven't appeared too fortified. But they'll improve. JANE STIRLING says she's all through

LAWN BOWLING LOOP SWITCHES PLAYING DATES

Commercial League Will Operate on Thursdays Starting June 9

Play in the popular men's commercial lawn bowling league will begin on Thursday, June 9. A. E. Hestock, tournament chairman, Kelowna Lawn Bowling Club, announced.

the commercial loop still is incomplete, Hestock said at least 10 teams are expected to compete all summer long for the league championship.

Official opening of the local greens came on Empire Day with a large number of Vernon visitors taking on Kelowna bowlers in a series of friendly matches.

A number of valley tournaments will be held again this year, with the first one set for July 1. Further details will be announced later.

Bruins Victors in Bitter Boxla Game Reminiscent of Feuding Days of Old

WITHOUT firearms or fatalities, the famed Martins and Coys feud was re-enacted in Kelowna and District Memorial Arena Tuesday night.

Kelowna Bruins and Vernon Tigers started right in where they left off last September but this time the Bruins came out on top on the clashing, rugged battle by a 12-10 score.

The bitterly-gained victory boosts Kelowna into the Interior Lacrosse League leadership—unless the result is nullified. Tigers played the last third of the game under protest after referee Percy Maundrell of Kelowna disallowed Ben Douglas' goal for shooting from within the crease.

Roughing things up was not a gradual process. It started right at the opening whistle and at times it looked as if the 700-odd fans were about to witness the biggest blow-up ever let loose in this league.

Only One Referee Root of the rising surge of ill-feeling was lack of a second referee. Maundrell has to handle the game all by himself as the Tigers arrived without an official of their own.

"I won't get them all but I'll call what I can," said Maundrell at the start of the game. He was credited with doing a good job but there were a lot of digs going on that he didn't and couldn't see.

Percy had fair measure of control until the protest incident late in the third quarter when Bruins were out in front 9-6 after trailing all through the first half.

Three goals only in the final quarter by Dick McCuskey, Rolly and Sarge Sammartino—two were scored while Louis Rampone, Bruins' rearguard, was off for slashing against the count at 9-11.

Then came the only break in the wild stick-brawling when Terry O'Brien and Harold Cummings threw off their gloves and went at it with their bare fists.

Several punches were thrown but hardly any of them landed. The battlers spent the rest of the game in the cooler with 10-minute penalties.

Netminding by both Bruins, Al Laface and the Tigers' Stan Hammond was sensational. Patrons unrelentingly their fists frequently to clap their applause as each guardian pulled off spectacular saves.

Out of retirement came BERT SAUCIER with one of the finest performances of the night. Bert paced the Bruins to their win with three smart goals.

REG MARTIN was a threat every time he galloped up the floor. He scored twice and helped on two others.

The SAMMARTINO combination was deadly and for a while it looked like it might whip the Bruins.

STAN MILLS fitted in well in the checker fashion play with the Sammartinos. SARGE Sammartino assisted three past AL LAFACE and assisted once even though he was the most closely checked man on the floor.

MILLS also scored three times and ROLLY Sammartino drove home two markers and garnered two assists.

Fred, who has entertained hopes for some time of making the next British Empire Games as Canada's miler representative, was good for a five-column headline in the Vancouver Sun.

Reporter Lyall Dagg built his story around the main theme that Turner wanted to go to university for a physical education degree and he was "galloping for a scholarship."

Termed Fred's triumph as the "most important win in his track career," Dagg relates that no one noticed Turner at the beginning of the race "because all eyes were on Cliff Salmond and that's where they stayed for two-thirds of the race."

Beat Olympic Star Salmond was Canada's Olympic miler at London last year.

For three laps it was Salmond leading the follow-the-leader parade around the track, the account continued. "But at the 220-mark of the final lap Fred took off as if he were doing the 100-yard dash."

He swept the stretch with a four-yard lead and coasted home for the win.

According to the final school count, Kelowna topped the Okanagan schools by taking eighth place with 8 points.

Victoria Oak Bay was first with 43 1/2 points, Trapp Tech, New Westminster, second with 40 and Trail third with 20.

Vernon was 11th with 7 1/2 points; Pentiction 17th with 5 points; Rutland ended with two points, won by Ephram Day, coming third in 440 final.

Finals Here's how the valley stars fared in the finals: Kenyon, first in the boy's pole vault.

Alwilda Minette, Kelowna, second to Pat Jones of Trapp Tech and 1948 Olympic sprinter, in the girls' broad jump.

E. Day, Rutland, third in the boys' 440 yard.

Mark Phillips, Vernon, second in the boys' hop, skip and jump.

Kelowna girls' team tied with Victoria for third in the 440 relay. Team consisted of Marilyn Ostman, Alwilda Minette, Merle Miller and Doreen Underhill.

Eliminations In the eliminations on Friday every one of the Okanagan team qualified for the finals.

Southpaw for Sox

A recently-arrived left-hander will take over mound duties for the Kelowna Red Sox as they engage Pentiction at Elks Stadium Sunday in an Okanagan Valley (International) Baseball League fixture.

The new southpaw is Mike Bakowy, 24, who played in Saskatchewan last year and with Trail, B.C., in 1946.

"Whitey" Patriquin is confident Bakowy will boost the current winning streak to three straight.

Patriquin also disclosed that Detroit Red Wing hockey star Max McNab is expected in the city shortly and another southpaw hurler from Rosland is due to bolster the Sox around the end of the month.

Game time on Sunday is 2:30 p.m.

SOX MEET C.Y.O.

Kelowna Red Sox have agreed to play an exhibition game at Kamloops next Monday, the King's Birthday holiday.

"Whitey" Patriquin, Sox manager, said yesterday as far as he knew the Kelowna-Kamloops C.Y.O. fixture would be the only game of the day.

This seemed to rule out the possibility of any big money tournament for this holiday in Kamloops this year.

Kamloops played host in tournaments on June 9, 1947, and June 7, 1948. An \$1100 meet was also held last May 24.

Rutland Junior Cubs defeated Kamloops L.A.C. 14-12 in a Mainline Okanagan Junior Baseball League fixture at Rutland, Sunday.

Rutland will be at Kamloops L.A.C. this Sunday while Kelowna Kin-Bees have a bye.

FRANKO, JANSEN WIN SPOONS AT WEEKLY SHOOT

High scores at the weekly shoot of the Kelowna B.C.D. Rifle Association at the Glenmore Range Sunday were: 200 yards—Dan Hill 33; 500 yards—B. Franko and G. N. Kennedy, both with 34; 600 yards—J. Horn and B. Franko, both with 33.

B. Franko won the Class A spoon, P. Jansen the Class B. More than 20 marksmen were out for the weekly practice.

Some of the better aggregate scores were: Franko 99; Kennedy 97; J. Johnson 96; D. Hill 95; W. G. pounds.

Johnson 95; J. Horn 94; G. Hill 93; J. Leckam 90; P. Jansen 89; J. Wnaderer 89; P. Mephann 87; H. Hildred 86; H. Rankin 86. Mrs. H. Hildred, out for the first time, hit the target consistently and made the odd bulls-eye. Riflemen are reminded the range will not be available June 26, as the B.C.D.'s are holding a practice on that date.

The rifle association annual shoot comes off on Sunday, June 12 with cups and spoons for teams and individuals.

LOOK AT YOUR HOME THROUGH THE EYES OF A STRANGER

Could your home do with good coat of paint and a general 'fix up'? It's strange how one is apt to notice neglect about someone else's house and overlook it in his own. It's a costly tendency too. For one bit of disrepair soon leads to another. Wood deteriorates when the paint wears off. A broken post undermines the whole fence.

That goes for indoor improvements, too. You save money, time and material by attending to home repairs right away—before the damage gets worse. And every improvement adds to your comfort and to your pride in your home.

If you need more money than you have on hand to pay for the necessary repairs, see Walter Hotson, Bank of Montreal manager, about a low-cost loan. Save by paying cash. And save yourself trouble by paying all your repair bills off at once.

Why not make a list of the repairs your house needs today? Then discuss your improvement plans with Mr. Hotson in confidence. You'll like his helpful attitude.

Turner Upsets Dope With Great Win Over Salmond

OKANAGAN athletes made a good showing in the second annual provincial high schools track and field meet, held this year at Varsity Stadium, Vancouver, Friday and Saturday.

Fred Turner, ex-Kelowna High School grad won the men's open mile by nearly 50 yards in the time of 4:31.2. Gerry Kenyon, Pentiction High School pole vaulting star, set a new record as he cleared the bar at 10 feet, 7 inches, bettering the former mark by one inch.

Turner's victory in the open mile was classed as the biggest upset of the meet by the Vancouver Sun reporter, a "classic" by the Vancouver Province and a "record smasher" by the Vancouver News-Herald.

Fred, who has entertained hopes for some time of making the next British Empire Games as Canada's miler representative, was good for a five-column headline in the Vancouver Sun.

Reporter Lyall Dagg built his story around the main theme that Turner wanted to go to university for a physical education degree and he was "galloping for a scholarship."

How about your basement? Is the basement door wide enough to permit entry of bulky objects in and out? (We stock Monadors and Panel Doors in 2' 10 x 6'10 and 3' x 7')

Is the coal bin reasonably dust proof? (Best to construct it of cement for solidity and hard wear but plywood, tongue and groove or lap joint lumber will make a good bin, especially if covered with strong building paper on the outer side.

Is the basement stair in good repair and provided with a hand rail? (The scene of many accidents through neglect can be made safer with little expense or labour.)

Have you a space that could be converted into a recreation room or extra bedroom? (With the beautiful new plywood paneling that is available you can easily convert spare space into a gay rumpus room or neat bedroom.)

Do walls and floors show signs of moisture seepage? (An application of Aquella No. 1 or Bap-tite will keep the moisture out.)

SASK. PREMIER T. C. DOUGLAS AT PENTICTON

T. D. (Tommy) Douglas, Premier of Saskatchewan, erstwhile Baptist minister and former Member of Parliament, was given an enthusiastic greeting by an overflowing crowd at the Legion Hall in Penticton Tuesday night.

The address of the head of the Saskatchewan C.C.F. government followed that of Bernard Webber, C.C.F. candidate for Similkameen in the June 15 provincial election. Mr. Douglas came direct to Penticton from another political meeting in Summerland where he was giving a rousing reception by some 250 C.C.F. followers.

Mr. Douglas told his audience the Saskatchewan public debt had been reduced some \$72,000,000 since the C.C.F. party took over the reins of government. His province's financial position now was such that it could go on the open market and borrow money, something the province had not been able to do since 1938.

"We get our money from the people who have it," Mr. Douglas declared as he cited instances of increased tax levies on liquor companies, oil and mining interests.

"We believe in a truly co-operative commonwealth," said Mr. Douglas. "Private ownership, co-operative ownership and public ownership each has its own place and will continue to have it in Saskatchewan."

TOO LATE... BUT LUCKY

They got along without a refrigerator for a long time—until five days ago when they bought one.

And then, as it so often happens, Mr. and Mrs. Frank Bond, 583 Broadway Avenue, Kelowna, won one—only three days later.

Mrs. Bond was the holder of the ticket drawn Tuesday night during the lacrosse game, marking the close of the Kelowna Lacrosse Club's fund-raising campaign.

Other winners, whose tickets are drawn by Miss Mary Martin during the half-time intermission, were:—
L. J. Kelly, 874 Delfart Ave., portable radio.
R. H. Kellerman, 1425 Bertram St., an electric food mixer or electric shaver.

After a short deliberation, Mr. and Mrs. Bond decided to keep the refrigerator they purchased and sell the other.

WIFE OF TORY HEAD REGRETS HEAVY RUSH

Magnificent Scenery of Okanagan Valley Impresses Mrs. George Drew

By JOAN GRIMMETT

Travelling over to Westbank at noon yesterday to meet Mr. and Mrs. George Drew and party in order to escort them back to the city, we were met by an onslaught of cars containing publicity men, reporters, photographers and finally Mr. Drew and his party themselves.

In spite of three weeks continuous travelling across the Dominion from St. Johns, Newfoundland, to Victoria, Vancouver Island, Mrs. Drew stamped out of people living in the panorama of mountains, lake and hillsides, she exclaimed, "George, isn't it beautiful and doesn't it remind you of Tuscany?"

Mr. Drew agreed and went on to compare the number of people living in that region with those populating the South Okanagan Valley. "It just goes to show what tremendous possibilities for development exist in this region," he said.

On being asked to attend the fashion show held yesterday afternoon at the Aquatic Club, Mrs. Drew said she would have to leave it up to the men as they always decide. During the last war he was head of the Australian Y.M.C.A. for five and one half years, holding the rank of Lieutenant-Colonel.

A charming conversationalist, Mrs. Drew chatted easily and graciously. Her vibrant personality was reflected in the vital interest she took in everything that was going on around her, from the antics of the photographers, the magnificent scenery, to comments on Mr. Drew's new cutless razor.

During her brief stay in this city Mrs. George Drew had a luncheon at the Golf Club immediately after her arrival, was present at the meeting in the Scout Hall, leaving on the 4:30 ferry to return to Penticton the same afternoon. Although every minute of her trip is taken up with rushing from one place to the next she is always gracious and untroubled. On being questioned as to how she managed to keep so composed under the terrific strain of continual travelling, she said, "I can sleep anywhere at any time, even on a sidewalk."

URGES WOMEN TO EXERCISE VOTING RIGHT

Mrs. George Drew Impressed With Beauty of Valley Enroute to Kelowna

An appeal to the women voters to exercise their franchise on June 27, was made by Mrs. George Drew, wife of the Progressive Conservative leader at a public meeting held in the Kelowna Scout Hall Wednesday afternoon.

"I don't have to tell you what a wonderful—wonderful—country you live in," Mrs. Drew said. "Driving up from Penticton, I was speechless."

"What struck me, what a difference it is to live in this wonderful land," she said, referring to Italy and Czechoslovakia where she and her husband had visited prior to the war.

Giving advice to the women, Mrs. Drew said, "Stimulate in others the cause of the election, and the knowledge of facts—and get out and vote on June 27," she said.

"The women in Canada have 52 percent of the vote, and yet in the last election, only 65 percent of this number voted. The jobs our husbands hold all depend upon the type of government we have. It is imperative we make up our minds and make our voices known on the day of election," she continued.

"It does not matter how you are going to vote—we know which way you will vote—but get out and vote so that this country may be governed in the years ahead," she concluded.

structed which would be profitable from the tourist angle, he said.

Mr. Drew recalled when he was premier of Ontario, that one of the first things he did was to set up a department of tourist bureau and that this year the eastern province is expecting 22 million visitors who will probably spend \$20 million this year. "This is big business for the farmers insofar as food consumption is concerned," he declared. Mr. Drew is also in favor of encouraging movement of goods, via the highway system.

"We regard the railway system as the great force for moving supplies from every point in the dominion. We also have urged the government to tackle the problem of freight rates so that every province in Canada would benefit," he said. "A Pro-Conservative government would deal with this matter in a proper manner instead of tossing it back and forth between the board of transport commissioners and a royal commission." Mr. Drew continued.

Touching on old age pensions, the Progressive Conservative leader said his party would be in favor of abolishing the means test and that pensions would be granted to every one over the age of 65. "I fought for this when I was premier of Ontario," he said.

forward as free people, or whether we turn to the dangerous 'will of the wisp' which has been adopted in some European countries."

Speaking in support of Mayor Theo Adams, Pro-Conservative candidate for Yale, Mr. Drew said "I am sure he will follow in the footsteps of a great Canadian. I have known Grotz Stirling for many years, and the people of this riding are very indebted to him."

Mr. Drew referred to Mayor Adams' ability, and declared that he is a man of high quality to represent this constituency.

REGRETS PASSING OF PROMINANT W.I. WORKER

EAST KELOWNA—East Kelowna residents heard with deep regret of the passing of Mrs. J. S. Ferguson, after a short illness.

The late Mrs. Ferguson had lived in the district for many years. She was a charter member of the Women's Institute and always took a keen interest in community work. She will long be remembered by her many friends for her very happy and cheerful disposition.

The sympathy of the community is extended to Mr. Ferguson and Barbara.

Mr. D. Gordon is a guest at the home of Mr. J. S. Ferguson. Mr. Gordon is a brother of the late Mrs. Ferguson.

Fire Protection Money Returned To Subscribers

RUTLAND—The executive of the Rutland Board of Trade has unanimously decided to return the \$2,000 that had been subscribed in the drive for purchase of a fire truck. The results of the canvass indicated that it would be impossible to raise, by voluntary subscription, the \$10,000 or more required for a fire truck that would meet the requirements of the Underwriters' Association, and reduce the insurance costs.

The executive, however, also voted to work for a more limited objective, a second-hand truck, tank and hose, and the A.H.P. pump with a power take-off. All the equipment will cost about \$1,000. Business men only will be canvassed to pay for this, but others who had previously put in a subscription to the more expensive program will be invited to leave all or part of their previous subscription with the Board of Trade for the lesser project, if they so desire.

The almost unanimous comment of the members of the executive was that the only way to finance an efficient fire truck was through a municipality, so that each one would contribute a fair share, instead of a few providing fire protection.

The board executive set Wednesday, June 8, as the date of the next general meeting. Miss Margie Barber was chosen as the Board of Trade candidate for the queen of the Rutland Rally and Cherry Festival.

FIVE-MONTH CRIME SPREE COMES TO END

Richard Thomas Thompson's five-month spree of forging cheques has finally come to an end. The 43-year-old Kelowna man, who lived around here for two years, was sentenced to more than 500,000 days in jail when he pleaded guilty in Edmonton police court to 36 charges ranging from false pretences, forgery, car theft and burglary.

But Thompson, who formerly lived in the prairie city, will only have to serve five years as the terms were concurrent. He was taken into custody in Edmonton after a month-long spree during which he forged numerous cash purchase

tickets, stole a car and broke into shops.

Sgt. R. D. McKay said Thompson is well-known to Kelowna police. There are a total of nine warrants out for his arrest on charges of false pretences and forgery, which date back to early in January.

Written specially for The Courier by VAL SEARS, Canadian Press Staff writer.

British Columbia electors will have a choice of 139 candidates for 48 seats when they go to provincial election polls, June 15.

Both the Liberal and Progressive Conservative Coalition and the C.C.F. will contest every seat in the 41 ridings.

The strife-split Social Credit party, seeks its first seat in the provincial house with sixteen candidates. Its rebel offshoot, the Union of Electors, has named twelve independent candidates, hoping to capture representation from one of the Coalitionist thirty-six seats, C.C.F.'s eleven, or Labor's one—the standing at dissolution last April.

There are eight individual independents, two Labor Progressives, one People's Party, one People's Party of B.C., one straight Conservative, one Socialist Labor and one labor.

A marked decline in candidates put forward in this election is noted in the Labor-Progressive list where only two compare with the twenty-one who unsuccessfully sought election in 1945. The number of Independents and split-offs of Labor or People's Parties is nearly halved.

This means that the election campaign now getting into full force for the final weeks of the campaign will be almost a straight Coalition-C.C.F. fight.

The Federal campaign, when Liberals and Progressive Conservatives will resume their traditional rivalry, is gaining momentum in B.C., as the slate of candidates is virtually complete.

At least fifty-four candidates will contest the eighteen seats in this province.

Federally, the C.C.F. will have candidates in all ridings while the Liberals and Progressive Conservatives each will have nominees in sixteen constituencies.

Labor Progressives have nominated in three ridings, including the new Burnaby-Richmond constituency, Vancouver Centre and Vancouver East.

Because of the Federal campaign, few other than provincial issues have cropped up in the fight for a majority in the B.C. house. It will be the second election stand by Coalition forces since fusion preceding the 1945 election.

PUBLIC MUST DECIDE ISSUE SAYS BENNETT

OKANAGAN MISSION—"The chips are down. The outcome of this election will decide the type of government and the economic system the people of this province will have in the future," declared W. A. C. Bennett, Coalition candidate in the forthcoming provincial election, when he addressed a meeting at Okanagan Mission Community Hall last Friday.

Supporting Mr. Bennett on the platform were Bob Browne-Clayton, former M.L.A., and Bob Hayman. Mr. Bennett stressed the importance of encouraging the Aluminum Co. of Canada to open an industry in B.C., and said if the C.C.F. was elected, this company would not expand in this province.

He condemned the C.C.F. party's action in passing a resolution opposing the Atlantic Pact, and stated that Canada, and especially B.C. due to the latter's vulnerable position, should decidedly favor the pact.

He said since 1945, the C.C.F. party has been predicting a depression. "On the contrary, we have been enjoying a boom period, and B.C. is on the verge of its greatest period of expansion," he said.

Mr. Browne-Clayton traced the Coalition government's excellent record and outlined the party's policies regarding future development.

Tracing the progress of socialism, Mr. Hayman said the C.C.F. government in Saskatchewan had failed in its attempts to take over industry, and claimed the C.C.F. party is basing its entire election on a campaign against capitalism.

Reading figures from a Saskatchewan paper showing various losses sustained through the C.C.F. handling of business in that province, Mr. Hayman said he was only setting the figures before the people from which they could draw their own conclusions.

election include former Premier John Hart, who headed the Coalition before stepping down to Byron Johnson, and former agriculture minister, Frank Putnam.

There are fourteen women running in this election compared to thirteen in the last balloting. Then two were elected, both Coalitionist—both seek re-election.

NOW! Indications Still Point To Good Tree Fruit Crop Says Latest Gov't Report

INDICATIONS still point to a good tree fruit crop and vegetable crops are progressing favorably according to the fortnightly report of the provincial department of agriculture, issued this week. In the Kelowna district, many growers this season have tried blossom thinning sprays, but to date, they appear to be largely ineffective. This may be due to the warm weather at blossom time and consequently a short period when such sprays would be effective, the report stated.

Results of last winter's cold weather is making its appearance on some fruit trees. The winter injury, however, is not extensive and does not affect the over-all picture.

The general pest situation is not very serious, the report states. The first cover spray for codling moth is about completed in many districts.

In the Summerland district, a

raspberry plantings are looking well and there is an exceptionally heavy bloom in the strawberries. In some plantings, however, a mild chlorotic condition has developed.

In the Kamloops area, apples appear to be setting well and the trees have, up to now, been making excellent growth. Mites are building up rapidly and it appears that considerable use of parathion will be made in the next (second) spray, and the quality of this crop has been very good. There is an indication that the tomato acreage will be slightly greater than last year. Some replanting of early planted tomatoes has been necessitated due to frost damage and to cutworm activity. There is also an indication that the cucumber and potato acreage will be slightly down. Some equipment is being brought in for dusting against the tuber flea beetle.

Armstrong, Vernon, Oyanza, Winfield and Okanagan Centre

As reported May 26th: Since the last report, the weather has been somewhat variable, cloudy weather has prevailed, and a number of days with quite high temperatures. From the 19th to the 23rd we had some very heavy showers which were beneficial to all crops and growth is now very rapid. The apricot set has been very good and prospects are for a heavy crop. Cherries are spotty, but it is yet too early to give any indication of the possible crop.

Penikese, Naramata, Kaledon and Keresmes

As reported May 26th: Since the last news letter, the weather has turned cooler with a few light showers. Rain is badly needed for meadows and range lands. The first irrigation is about finished in this area. The growers are busy completing their first cover spray for codling moth.

Okanagan Falls, Oliver, Osoyoos:

As reported May 23rd: During the week of May 16th, the weather was cooler with a small amount of rain on May 20th.

The growers are now finishing the first cover spray for codling moth. Black cherry aphid is appearing and many growers are spraying for it. As yet neither pear psylla nor mites are in sufficient numbers to warrant a spray.

Kootenay and Arrow Lakes:

As reported May 21st: During the past week the district has had a change from the clear warm weather which prevailed for about a month. It has been cooler and overcast with scattered showers throughout most parts of the district.

Sumnerland, Westbank, Peachland:

Blenheim will be light. Peaches have set a fair crop but here and there are light due to leaf curl infestations last year. Certain varieties, particularly Hale and Elberta, did not winter well and the set is disappointing. Peaches, which had a heavy blossom, have set an average crop. Plums, prunes and cherries promise a heavy crop. It is too early to estimate apples, but so far the Delicious appear very heavy. Witnesses are Stayman and Newtowns and Macintosh patchy.

well and should benefit from recent showers although warm season crops such as tomatoes and corn have been slowed down in development by the cooler weather. "VEL MAKES SPRING HOUSECLEANING EASIER"

Says Mrs. A. Fleming, Victoria, British Columbia

"I have just finished my housecleaning and I'm really thrilled about the way VEL helped me wash windows, woodwork, venetian blinds—even upholstery. For years I have been trying everything for washing my venetian blinds, without much success. Then this year I tried VEL. What a surprise...the grease and dirt seemed to fall off...and VEL is so easy to use...I just wash with a cloth dampened in a VEL solution then wipe dry and the job is done, without rinsing and without leaving a mess all over the sill."

"Sprinkler IRRIGATION

A-M OFFERS, NEWER, BETTER SCIENTIFIC DEVELOPMENTS"

It is generally accepted by most fruit growers that sprinkling provides the most efficient and up-to-date method of irrigation.

This then being the case, coupled with the fact that the future of the fruit industry depends on the quality of the product, it is very much in the interest of every farmer or fruit grower who is contemplating the installation of a sprinkler system, to be sure that he is going to get the most out of his investment. That is to say the scientifically designed system installed with the best in equipment which will ensure the ultimate in crop returns for the future.

The Kelowna Industrial Supply has a complete range of Anderson-Miller equipment (A-M) for sprinkling, which we know from experience will meet the most exacting requirements of portable sprinkler irrigation. Fully trained and experienced engineers in this field, equipped with a practical knowledge of system design and layout are always available to the farmers.

Wire, write or phone the Kelowna Industrial Supply if you would like a free estimate of the cost of a properly designed installation, or call in and discuss your problem with them. Before installing a sprinkler system it is of great importance that the grower be certain that he has left nothing to chance or to guesswork. The future of his orchard is dependent upon it.

Sprinkler Irrigation means

1. INCREASED YIELD.
2. IMPROVED CROP QUALITY.
3. CONSERVATION OF WATER.
4. EVEN DISTRIBUTION OF WATER.
5. LESS LABOR.
6. NO SOIL EROSION.
7. IRRIGATES ROUGH LAND.
8. ELIMINATES DITCHES, RILLS and HEADERS.

The Anderson-Miller Sprinkling Equipment embodies the following essential features necessary for easy and efficient sprinkling:

1. COUPLER—Double end flexibility. Automatic coupling or uncoupling.
2. GASKET—No interior restriction. The famous Pierce Gasket is used. Easily installed.
3. BANDED HATCH—Simplified assembly. No bolting, riveting or welding required.
5. APRON—Facilitates alignment of pipe, speeds coupling keeps out dirt.
6. ELBOWS—Provided with outlet for sprinkler.
7. VALVES—Automatic. Quick coupling.

If you can afford to install a sprinkler system you cannot afford to overlook Anderson-Miller equipment.

Peachland Main Street Decorated With Flags For Annual Sports Day

PEACHLAND The main street of Peachland was gaily decorated with flags and bunting for the annual May 24 sports day. A pet show opened the day's program at 10 a.m., the children and their pets gathering in the school grounds. C. F. Bradley lined the kiddies up ready for the judging.

One little girl had a frog in a glass jar; a boy proudly displayed a turtle; there were kittens in boxes; dolls in prams; while the proud owners of puppies, dogs and hens held them in their arms.

Judging the pets were Mrs. H. S. McDonald, Mrs. W. J. Siegrist, and H. C. MacNeill.

Winning the prizes in the preschool group were Linda and Sharon Sundstrom, Douglas Topham and Wayne Inglis.

In the next group, Terry Bradley, Gail Fairburn, Heather Carnes were winners, and Evelyn Smalls, Jean Bradley, Marilyn Inglis won prizes. The rest of the children all received a gift.

Boys and girls went to a great deal of trouble in decorating their bicycles. Donna Clements was the only entrant, and she took first prize. In the boys' class, Don Topham was first and Harold Domi second, while little Peter Formby got a prize for his decorated bicycle. Some of the track events for the older children were run off from 11 a.m. to 12:30 p.m.

The floats were colorful and original. A decorated car came first, with a banner "The P.T.A. Welcomes You." The primary room float was very realistic, a circus, with many animals; the intermediate room was a chuck wagon and bank of Indians; junior high, "Outdoor Sports"; senior high, "A Dutch Scene" very gay with beautiful flowers, Dutch girls, and windmill.

The Handicraft Club float was very good, showing a work shop, and chairs, end tables, and other articles made by the boys and girls.

Next came the float of the Queens and attendants; Trapanier Auto Camp float, a packing house; the Peachland Motors was a 1904 car which caused a ripple of laughter. Decorated cars for the Peachland Garage, Aldon Coffee Bar, Peachland Athletic Association, Canadian Legion Branch No. 69; Legion W.A. and others, making a larger and more colorful parade than ever before.

Mrs. C. H. Inglis was in charge of the parade.

Next the May Queen and her attendants entered the beautifully decorated hall to strains of music rendered by Mrs. W. E. Clements, through a guard of honor of small girls and boys. Queen Charlotte Spence, last year's queen, was escorted by J. Mohler, and Queen Betty Manning, this year's queen, escorted by P. C. Gerrie. Attendants for last year's queen were

Billee Mae Manning and Rose Knoblauch. For this year Princess Royal, Doris Knoblauch, Princess Olive Shaw. Flower girl was Heather Carnes; page boys, Dennis Wilberg, Dennis Kratz.

J. Mohler introduced Queen Charlotte who said she had enjoyed his reign for the past year, and introduced Queen Betty. A beautiful bouquet was presented to Charlotte and the new queen crowned. Coronets were presented to Queen Betty and her attendants by the little flower girl, Heather Carnes, and gifts presented by the pages.

Mr. Gerrie introduced the Pentagon Peach Festival Queen Valerette, who brought greetings from the Court at Penticon, and told of what a thrill it had been to be the first Peach Festival Queen.

Queen Betty then read the proclamation, and made her subjects to enjoy the day and festivities.

Special mention should be made of the beautifully decorated hall in which the ceremony took place. The stage setting looked like a garden of evergreens. Streamers were in the background. Rows of daffodils were placed in front of the stage and evergreens decorated the rest of the hall. Each pillar was gaily decorated with flowers, and the walls were striking views of mountains, lakes and orchards. They were painted by Mrs. G. A. Smith, assisted by Mrs. P. C. Gerrie, Miss Laura Brown and Miss Florence Rouch.

Guard of honor was composed of Jimmy Oakes, David Fairbairn, Bobby Newton, Yoshio Naka, Jimmy Stump, Richard Smith, Maxine Stump, Luella Enns, Peggy Neil, Marilyn Topham, Heather Lindstrom, Patricia Clements, Aneta Fairbairn, Margaret Cermak, Jean Knoblauch.

The Maypole Dance was held in the middle of the grounds. Taking part were Charlie Lindstrom, Ronnie Murno, Tony Collins, Jean Wilson, Leona Webber, Terry Bradley, Donnie Cousins, Janet Whitehouse, Hajime Naka, Brenda Le Duke, Kay Mash, Reggie Fulk, Darlene Finlayson, Teddy Mohler, Manfred Ulrich, Anne Ehlers.

Committee in charge was K. Domi, Mrs. G. E. Smith, Mrs. L. B. Fulk, Mrs. G. R. Topham, Mrs. P. C. Gerrie, Mrs. Laurie Rouch, Miss Florence Brown, W. Ratzlaff, C. F. Bradley, Mrs. C. H. Inglis, Geo. Birkeland, Harry Birkeland, J. Mohler, Mrs. H. M. Ibbotson and Mrs. Neil Witt.

'Round the Town

By JOAN GRIMMETT

High School graduation ceremonies are scheduled to take place tomorrow afternoon in the high school auditorium commencing at 2 p.m. After the presentation of diplomas to members of the graduating class, Mr. A. K. Loyd, president and general manager, B.C. Tree Fruits Ltd., will address the graduates.

Following the exercises, relatives and friends of the young graduates will be entertained at tea in the school cafeteria. Starting off the evening program at 6:15 p.m. in the school cafeteria, is a graduation banquet sponsored by the Parent-Teachers' Association in honor of the graduating class.

Climaxing the day's events is the formal evening dance at the Aquatic Club. Arrangements for the dance are being handled by members of student's council. Those in charge of arrangements include Jack Botham, president; Fay Grummett, vice-president; Bev Forsyth, secretary; Emiko Mori, treasurer; Don Forsyth, last year's council president; Bernie Lang, senior matric girls' representative; Maurice Tate, senior matric boys' representative; Wilma Martin, Pat Moss, and Ray Jolly, grade twelve representatives. Cy Cairns-orchestra will provide music for dancing during the evening.

June, the month of brides and graduates, naturally spotlights WHITE. Fashion magazines, store windows the entire length of Bernard Avenue, summer shows all feature WHITE. . . in crisp organdies and ruffled eyelets for parties, in dignified laces and satins for weddings, in ice-cool linens and piques for street wear.

While the radiant June bride might choose lace over taffeta or traditional satin for her "big day", the equally radiant graduate will instinctively prefer organdie, baby eyelet, fluffy net for her "grad dance." A popular feature of the fashion world both in wedding gowns and dancing frocks, is the new ballet length style.

Classic with its full skirt floating from a fitted bodice, this ankle length gown will do double duty, at a wedding, summer formal or, at more sophisticated late afternoon entertaining.

An added depth of color has lately been given the traditionally white ballet frock with an underskirt of ice blue, deep rose or soft pink glowing through the transparent folds of net or organdie. WHITE ballet slippers complete the ensemble, or may be dyed to match the color of the frock. The exquisitely simple opera pump featuring the new slender curved sole and fashion in kid or fabric, rivals the ever popular sandal among fashion wise women.

WHITE, however, is by no means limited to party frocks or wedding gowns. In cool, linen, practical cottons and crisp piques, it has long established itself a favorite in town or country. The cool purity of white may be emphasized by a vivid touch of color in scarf, shoes or bag.

Graduation ceremonies are not the only spotlighted events in tomorrow's roster. A wedding of considerable interest to residents of this city will take place in Vancouver tomorrow afternoon at the Kerrisdale Presbyterian Church when Ruby Doreen, younger daughter of Mr. and Mrs. Hood Dunlop, will become the bride of David Franklin, son of Mr. and Mrs. F. H. Hayward, also of that city.

A recent graduate of the University of British Columbia, Mr. Hayward, since being called to the bar, has carried on the practice of the late H. V. Craig, of this city. Also a graduate, the bride-elect in her freshman year was the first firslette to win the popular Queen of this city's Grand Title. After a short honeymoon the couple will come to Kelowna where they will make their home.

Aquatic Ripples

There's been a stirring and awakening down at the Aquatic these last few weeks in preparation for the '49 season which will get underway June 1. The new season brings a new type of membership card.

Incidentally all members, over 14 years of age must show their cards at the gate. The membership drive this year is in charge of the Ladies Auxiliary.

Looks like weather and the lake will do a better job insofar as co-operation is concerned. John Kilson tells us the water temperature is around 50 degrees, a lemon cool yet for the timid souls but duck soup to the youngsters who splashed around last Sunday.

Noticed young Michael Keller and Art Decatenu having their selves a time on the navy life raft in the pool.

Speaking of John, he may not be sure about Ogopogo, but he will vouch for the sea-horse episode.

Both the one and three metre boards are going up this week and none to be feared. The throng of young diving hopefuls. Graduating class of Tonasket, Wash. high school was up visiting Kelowna last week-end, and were enthusiastic about the Aquatic. Like the gentleman from the southern states and his party, they showed particular interest in the war canoes and were amused as they watched the girls do an efficient washing-out job.

We hear that the Rutland and Kelowna High Schools are showing films on swimming, diving, and all phases of water safety this week.

The lounge and rest rooms look very inviting since the auxiliary girls' annual work bee. Stopped by the tea room for a cup of coffee and a piece of Mrs. Beebe's lemon cake, and we hardly knew the place. Impressed by the bright new curtains and freshly scrubbed interior . . . and the lemon pie . . . mmm . . . We're off now to shake the mud balls out of the old swim suit. See you next week.

Gifts of china, linen, glass, silver were heaped in two baskets and placed before the guest of honor, Miss Olive Hewlett and Miss Rhoda-Blanche Simpson assisted her in unwrapping them after which refreshments were served by the in charge.

From Vancouver to spend a short holiday at the Royal Anne are Mr. and Mrs. J. Buell and Mrs. James McGavin, of Vancouver.

out of town and weddings taking place every day or so, showers have hit the high spot in the entertainment field. A brand new idea for the bride and groom elect who are garden lovers is a garden shower. Plants, bulbs, tools, seeds, garden baskets, gifts, hardware and inexpensive make delightful and inexpensive invaluable for finding any garden equipment and as for plants or bulbs, all you have to do is dash out into the garden and dig them up. Gifts may be distributed from a gaily decorated wheel barrow.

Going away showers are a bit more stereotyped but, nevertheless, can prove interesting. Here the necessary thing is to make sure every gift is easily packed and preferably not breakable.

Wedding of Wide Interest Takes Place in Kelowna

WESTBANK—A wedding of wide interest took place in St. Michael and All Angels' Church, Kelowna, Saturday, May 28, at 2 p.m., when Minnie Henrietta, younger daughter of Mr. and Mrs. William H. Hewlett, Westbank, became the bride of Robert Mowat, younger son of Mr. and Mrs. M. Simpson, Kelowna. Ven. Archdeacon D. S. Catchpole officiated at the double ring ceremony, and the church was beautifully decorated for the occasion with a profusion of early summer flowers.

Given in marriage by her father, the bride entered the church to the strains of the bridal march from Lohengrin, played by Mrs. A. J. Pritchard. Gowned in traditional white satin, the bride's dress was fashioned with applied sweetheart neckline and lily point sleeves. The mounted bodice was fastened at the back with a long skirt swept into a long train. Her finger-tip veil was of embroidered net and her shower bouquet was composed of yellow rosebuds and lily of the valley. For "Something old" the bride wore a matching set of pearls and earrings belonging to the groom's grandmother, and the rings exchanged during the ceremony were fashioned from the groom's great-grandmother's wedding ring.

In attendance were Miss Olive Hewlett, the bride's only sister, as maid of honor, and Miss Rhonda Simpson, only sister of the groom, as bridesmaid. Miss Hewlett's gown was of ice blue taffeta, featuring a fitted bodice with boat-shaped neckline and short puffed sleeves. The skirt flowed from the waist, broken midway by full gathers falling from rows of stiff piping. Her matching cap was trimmed with white flowers and she carried a bouquet of yellow snapdragons, white stocks and scarlet sweet peas.

The bridesmaid's gown was of pale yellow nylon net, the full on the deep yoke giving the effect of cap sleeves. An apron frill trimmed the full skirt. She wore a band of shasta daisies and carried a bouquet of white daisies, Spanish iris in blue accents and salmon snapdragons.

The groom was supported by Mr. Hugh Balfour. Ushers were Eric Waldron and Horace Simpson. During the signing of the register, Miss Doris Dain sang, "O, Perfect Love," accompanied by Mrs. Pritchard.

Following the wedding, a reception was held at the Willow Inn, where George E. Brown proposed the toast to the bride, responded to by the groom.

Assisting the bride and groom in receiving the 150 guests, were their parents; the bride's mother in a floor length gown of navy cut sheer over light blue, navy and biscuit picture hat and a corsage of pink rosebuds and lily of the valley. Mrs. Simpson's dress was a floor length crepe in elephant gray, with tiered back draperies, and her small violet hat was trimmed with mauve and pink flowers. She wore an orchid corsage.

Presiding at the urns were Mrs.

G. Jones, of Westbank and the bride's aunt, Mrs. A. M. Stewart. Serviteurs included the Misses Lottie Gowans, Margaret "Tudy" Atkinson, Marie Frey, Nancy McLaws, Joyce Fairburn, Kitty Dain, Bernice Brooks and Mrs. D. Schellenberg. The four-tiered wedding cake centred the bride's table and was decorated with a silver horse-shoe and balls.

A highlight of the occasion was the presence of the bride's paternal grandmothers, Mrs. Percella Simpson, of Kelowna, and Mrs. M. A. Hewlett, also of Kelowna and formerly of Westbank. Mrs. Simpson's corsage consisted of an orchid and Mrs. Hewlett wore a gardenia.

Out of town guests included: Miss R. Simpson, from southern California; Mrs. Jennie Bennett, Okanagan Centre; Miss Kathleen Erickson, Vancouver; Mrs. A. M. Stewart and Mrs. E. C. Turner, Salmon Arm; Mrs. Harris, southern California and Mrs. F. C. Brown, Vancouver and Clairmont.

For motoring south of the border the bride donned a tomato red gaudy hat, and wore a gardenia corsage. Black accessories set off her costume. The bride's bouquet, thrown as she descended the stairs, was caught by Miss K. Erickson.

On their return from the honeymoon, Mr. and Mrs. Simpson will take up residence in Kelowna.

WILL SURVEY SITE FOR NEW GOVT BUILDING

Instructions have been issued by city council that the site for the proposed government building, overlooking Lake Okanagan on Water St., be surveyed and that subdivision plans be drafted immediately.

This was revealed at Monday night's council meeting when technical details concerning the proposed building were discussed by aldermen.

Mayor W. D. Hughes-Games stated he had been assured that one of the first things the government will do is to erect a sea wall.

City Solicitor E. C. Weddell suggested that the surveyor's plan be drafted immediately so that the land could be registered at the land registry office, Wamloops.

Negotiations between S. M. Simpson and the city, have been satisfactorily completed. In view of the fact part of the civic centre land is involved in the deal, it has been necessary to get Mr. Simpson's approval before the land could be used for a government building.

TOURIST BUREAU WILL STAY OPEN DURING EVENINGS

For the convenience of the travelling public, the tourist bureau will remain open every evening, including Saturdays during the heavy tourist season.

This was decided by the executive of the Kelowna Board of Trade last Tuesday. Each member will be given an evening to take over these extra hours and provide necessary information to tourists. Evening hours will commence the middle of this month and will last throughout the summer months.

The executive felt that such a step is necessary to make sure tourists are given proper information. The matter will be brought up at the next general meeting.

SET MINIMUM HEIGHT FOR POWER LINES

City building inspector A. E. Clark has informed electrical contractors in the city that the minimum height for power lines entering a house must be 15 feet.

Alderman Ron Prosser said that where there is access by lane, the power lines must come in at the side of the house.

A minimum of 15 feet is required under the national building code.

WARNING ISSUED HORSE RIDERS

Alderman Dick Parkinson, at the council meeting Monday night, stated many horse riders are abusing park privileges. He said that while many people keep to the designated paths, others are riding across the grass.

"We will have to ban horses in the park if this practice continues," Alderman Parkinson stated. He also suggested that a turnstile be erected at both ends of the bridge at the end of McDougall Ave. The bridge is not strong enough to stand horses.
