National Anthem

THE STAR SPANGLED BANNER

Oh, say, can you see,
By the dawn's early light
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright stars,
Thro' the perilous fight
O'er the ramparts we watched,
Were so gallantly streaming.
And the rockets' red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.
Oh, say, does that star-spangled
Banner yet wave
O'er the land of the free
And the home of the brave?

— Francis Scott Key

Alma Mater

GLORY LA SALLE

Above Explorers valiant,
Here under thine eyes,
Thy blue and gold banners
Unfurl 'neath the skies!

Chorus:

La Salle, La Salle, thy glory,
Thy triumphs we praise!
Thy name in song forever
Shall we proudly raise!

Thy sons and daughters standing
Await thy command,
Thou fortress of faith
In our God and our land!

Chorus:

La Salle, La Salle, thy glory,
Thy triumphs we praise!
Thy name in song forever
Shall we proudly raise!

— Daniel J. Rodden

Commencement Speaker

Hannah Datz, '10

Vice President, North America SAP Hybris

Hannah Datz is a Vice President of North America SAP Hybris, a global business enterprise software firm, where she supports fast growing companies on their digital and front office technology strategy. Previously, Datz served as the Customer Officer to the CEO of SAP, where she was responsible for the CEO's strategic relationships with customers, partners, and government officials in 180 plus countries worldwide. She has held many other technical and sales roles, including serving as the Interim Global Account Director for SAP's relationship with Under Armour.

In her nine year tenure with the company, Datz has had the opportunity to be a brand advocate for SAP, kicking off the SAP SAPPHIRE Conference by introducing CEO Bill McDermott to an audience of 20,000 people, spending time as a pro-bono consultant in underdeveloped nations as part of the SAP Social Sabbatical, and leading a panel dedicated to Women in Innovation with SAP's North America president.

Datz is a member of the La Salle University Board of Trustees, where she serves on the Academic Affairs and Enrollment, Student Experience, and Trusteeship and Governance Committees.

She graduated from La Salle University in 2010, where she was a student in the Business Scholars Co-op Program and was selected to serve as the Commencement Speaker. While at La Salle, Datz served on the executive boards of The Masque and Improv 101, was the business manager for The Collegian, and was an admission tour guide.

Originally from Brimfield, Mass., Datz lives in East Falls, Philadelphia with her husband Sam, who graduated from La Salle in 2009.

Notes on Academic Dress

The history of academic dress begins in the early days of the oldest universities. A statute of 1321 required all “Doctors, Licentiates, and Bachelors” of the University of Coimbra to wear gowns. In England during the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. It is still a question whether academic dress finds its sources chiefly in ecclesiastical or in civilian dress. Gowns may have been considered necessary for warmth in the unheated buildings used by medieval scholars. Hoods may have served to cover the tonsured head until superseded for that purpose by the skullcap. The cap was later displaced by a headdress similar to ones now recognized as “academic.” European institutions continue to show great diversity in their specifications of academic dress. However, when American colleges and universities adopted a system of academic apparel a half-century ago, a code was devised for all to follow.

Gowns—The gown for the bachelor’s degree has pointed sleeves and is worn closed. The gown for the master’s degree has an oblong sleeve, open at the wrist, with the sleeve base hanging down in the traditional manner. The rear part of the sleeve’s oblong shape is square cut and the front part has an arc cut away. It may be worn open or closed. The gown for the doctor’s degree has bell-shaped sleeves and may be worn open or closed. Bachelor’s and master’s gowns have no trimmings, but the doctor’s may be faced on the front with black or colored velvet and with three bars of the same across the sleeves. If color is used, it is the color distinctive of the subject to which the degree pertains, and it matches the edging or binding of the hood.

Hoods—Hoods are lined with the official color or colors of the college or university conferring the degree. The binding or edging of the hood is the color indicative of the subject to which the degree pertains, except that the doctor’s cap may have its tassel of gold thread.

Caps—Mortarboards are generally worn as part of the academic costume. The long tassel fastened to the middle point of the cap’s top is either black or the color appropriate to the subject. It is customary for degree candidates to wear the tassels on the right front side before degrees are conferred and to shift them to the left when the degrees are awarded. This custom is in some respects a substitute for individual hooding.

For all academic purposes, including trimmings of doctors’ gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture – Maize	Medicine – Green
Arts, Letters, Humanities – White	Music – Pink
Commerce, Accountancy,	Nursing – Apricot
Business – Drab	Oratory (Speech) – Silver Gray
Dentistry – Lilac	Pharmacy – Olive Green
Economics – Copper	Philosophy – Dark Blue
Education – Light Blue	Physical Education – Sage Green
Engineering – Orange	Public Administration – Peacock Blue
Fine Arts – Brown	Public Health – Salmon Pink
Forestry – Russet	Science – Golden Yellow
Journalism – Crimson	Social Work – Citron
Law – Purple	Theology – Scarlet
Library Science – Lemon	Veterinary Science – Gray
