# "Red swirl" Congrats, Grads 2019 posters

---

<https://hdl.handle.net/2144/38628>

*Boston University*

The image features several thick, red, textured decorative swirls. One large swirl starts at the top left, curves across the top, and ends in a tight spiral on the right. Another large swirl starts at the bottom left and curves across the bottom. Two smaller, similar swirls are positioned above and below the central text.
