## DIRECTORY

The Entertainment Law Journal Directory is intended to be an informative guide to entertainment-oriented law firms and studios, located mainly in California. The list is based on oral and written responses to questionnaires sent out in March 1987. We apologize for any omitted firms and welcome suggestions which will enable expansion of the list in the future. While we have worked to verify that all information is current, this Directory is meant to be only a guide. No claims are made as to the accuracy of the information printed.
