

November 7, 1939

The meeting was called to order by President Pantzer. The minutes of the meeting of Oct. 31 were read and approved.

Discussion was opened by Mr. Haydon on two proposals, the first concerning the possibility of producing an all school musical comedy, and second, the possibility of sending a play on a tour of the state. Carter Williams made a motion that Central Board authorize Mr. Haydon and the Dramatics Department to proceed with plans for taking a Masquer play on the road, underwriting them from the Masquer Outside Entertainment Reserve Fund \$350 for the purpose of making up the deficit if any is incurred. Sally Hopkins seconded the motion and it was carried.

Carter Williams made a motion that Central Board authorize Mr. Haydon, Mr. Lester, and Mr. Crowder to proceed with their plans for producing a musical comedy, Central Board underwriting them to the amount of \$400 to make up the deficit if any is incurred. This amount will be taken from a fund as yet undetermined. Bill Lueck seconded and the motion was carried.

Walter Coombes presented a petition from the Debate Club asking for an additional \$100 to carry out their planned program for the year. President Pantzer read a petition from the band asking for an additional appropriation to enable them to take a trip around the state. These two requests were tabled until next meeting when Mr. Bell can be there to discuss his request.

A motion was made, seconded and carried for adjournment.
