## BIPOLAR SUNSHINE

the day has its daily breakdown

as darkness brushes  
sideways from the base of a cloud

something natural  
in the way she kisses my hand  
while little tremors of electricity  
organize a rainbow

something contrived in the way  
she approaches my mouth

as if she's looking into the pool  
realizing what was blue turned black  
as it got deeper

she says the same thing  
every afternoon it rains

but I'm tired of hearing the body  
is mostly water

tired of the spilling narrative  
evaporating as the clouds break

but she was on to something

when she said everything  
would to purge eventually

so we watched men gone stupid

with color

collecting branches from a gray pool  
for a moment the expectation

of pretty & pleasantry  
hardly existed

& therefore might have been possible

tonight might be okay  
after all
