All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by The University. All students need to be familiar with the Student Conduct Code which is available for review online: www.umt.edu/SANPSA/index.cfm/page/2585

Course Description: Survey of Forensic Science will provide an in-depth introduction to Forensic Science. The terminology, techniques, and history of Forensic Science will be covered. We will also examine local and timely cases. The instructors long association with the State Crime Lab, cases covered, forensic recoveries and assessments he participated in will help illustrate the study of and employment options in Forensic Science.

Course Objectives:

1. Students will gain an appreciation of the breadth of Forensic Science. .
2. Students will acquire an understanding of the history, subject matter, and methods of study in Forensic Science.
3. Students will increase their knowledge of Crime Scene Investigation.
4. Students will learn basic concepts & terms, and submission of evidence.
