Prerequisite: BADM 201

Course Objectives:

1. To present the most important conceptual and practical aspects of managerial accounting.
2. To show students, through discussion, illustration and assignment material, applications of managerial accounting principals to decision making in economic entities of all types.
3. To acquaint students with new approaches such as activity based management and the balanced scorecard to enhance their appreciation of managerial accounting in strategy development.
4. To illustrate interrelationships between managerial accounting and other disciplines.

Course Policies:

1. Drop date: The last day to drop is February 14. No drops will be signed after this date.
2. All exams **must** be taken at the assigned times, unless evidence of compelling reasons for not taking the exam can be provided to me at a reasonable time **prior** to the exam.
3. Attendance will not be taken, however your attendance and participation are essential to the understanding of the course material.
4. Calculators may be used in class and during exams.
5. Class participation is strongly encouraged.
6. Exams and quizzes will be gone through in class, but not returned.

Incompletes:

Incompletes will not be given for a failing grade

General:

Regular class attendance is expected. All assigned reading and written assignments should be completed prior to coming to class.

As a rough guide, 2 hours of outside study time is recommended for each hour of lecture time. Some students may require more time, others less.

I do not give "extra credit" work. It is your responsibility to monitor your progress in the course compared to your academic goals.

This course is cumulative in nature, it is imperative that you do not fall behind.

All students are expected to conduct themselves in a professional manner. This includes arriving on time, remaining for the full duration of the class, contributing to group activities and treating others with respect.

Please do not bring cell phones into the class - room, this is very disruptive to others.

Any student found cheating will receive a failing grade and be reported to the Business school administration and have charges filed in the University student court.

Basis of Grade:

See attachment of homework assigned for point assignments

- A 100% to 90%
- B 89% to 80%
- C 79% to 70%
- D 69% to 60%
- F Below 60%

The instructor reserved the right to change this grading scale.

Homework:

Assigned homework questions, exercises and problems will be collected each class period, **no homework will be accepted late**. Homework can be emailed to the instructor prior to the beginning of class, Homework will be checked for completeness, not total accuracy. Some, but not all of the homework exercises and problems will be discussed in class. You are encouraged to make corrections prior to turning your homework in at the end of the class period.

The faculty and staff of the School of Business Administration at the University of Montana –Missoula are committed to excellence in innovative experiential learning and professional growth through research and service.
