STATE MEET HELD TOMORROW

BALL TOSSERS WIN FIRST CONTEST

MONTANA TRACK AND FIELD MEN LEAVE TO CLASH WITH FARMERS

Advance Dope Says Meet Will Be Closest in Years.

Coach Stewart and 16 track athletes left this morning for Bozeman, to meet the farmers in the annual dual meet Saturday, May 5. More interest is being manifested in the meet this year than any previous one. The Aggies are stronger this year than ever before, the distance runs and field events seeming to favor them. They are also reputed to have some fast sprinters.

The men making the trip, and events in which they will probably be entered, are:

100-yard dash—Andrus, Rutherford, Stowe.

220-yard dash—Andrus, Rutherford, Stowe.

440-yard dash—Egan, Closs, Anderson.

880-yard run—Egan, Matthews.

Mile run—Matthews, McAlear.

2-mile run—Blackburn.

High hurdles—Plummer.

Low hurdles—Stowe, Closs.

Pole vault—Shaffer, Porter.

High jump—Rule, Shaffer.

Broad jump—Shaffer, Badgely, Rule.

Shot put—Axtell.

Discus throw—Maudlin, Shaffer.

Javelin—Plummer, E. Madsen.

Mile relay—Egan, Closs, Anderson, Rutherford.

This lineup may be changed somewhat, but is the result of tryouts held Tuesday and Wednesday afternoon.

Considerable trouble has been experienced in the past because of the Aggies using freshmen on their teams.

The dual meet this year between the two institutions will probably be the last contest between the two schools, unless the state school consents to use no freshmen in the future, is the report from school athletic authorities.

OFFICE SEEKERS MUST SOON FILE PETITIONS

"All candidates who are going to run for office in the general A. S. U. M. election this spring must have their petitions signed and handed in to the secretary, by noon of May 9th," said Perk Spencer, president of the A. S. U. M. yesterday.

Only one petition has been filed with the A. S. U. M. officers so far, according to information given out yesterday. Ralph Neill has filed his candidacy for president of the A. S. U. M.

PROGRESS MADE ON MAY FETE DANCES

"The dances for the May Fete are coming along fine," says Frances McKinnon, who is in charge.

"The orchestra is practicing and the work is well started," she said.

Miss Eleanor Fergus, who is assisting in the instructing, states that there are about eight dances, among them "Copper", a dance of 16 girls, and led by Charlotte Knowlton; "Gold", having ten girls and led by Nina Moore, and "Silver", done by 14 girls and led by Florence Melchoir. There are about 125 girls in all.

The steps for all the dances are new—originated by Miss Rhoda Baxter and Eleanor Fergus.

The fete will be held May 25.

Employment Insurance Laws are Subject of This Year's Argument.

The Montana High School Debating League will hold its contests at Missoula on May 9, 1923, with seven counties of the state participating.

SINGING ON THE STEPS OBSERVED LAST NIGHT

Singing on the Steps, University tradition, was observed for the first time this year, last night, the occasion being to raise enthusiasm for the remaining Whitman games and for the dual meet which will be held tomorrow afternoon in Bozeman.

Yell King Hughes took charge of the Meeting, and called for the singing of Montana songs. Clayton Farrington accompanied the singers on a piano.

BIG TRACK MEET WILL BE FAST

RECORDS BEING SHATTERED IN DISTRICT CONTESTS.

High School Athletes are Hanging Up High Marks in All Events.

Results of district and interclass meets over the state indicate that greater interest and stiffer competition will be forthcoming at the Inter-scholastic meet next week than for some time in the past. Some good records were made and in two cases state record marks were reported broken.

In the mining district meet at Deer Lodge, Missoula nosed Butte out by one point. Missoula scored 47 points, Butte 46, Butte Central 17, Deer Lodge 9 and Helena 6. Bertoglio of Butte won the 100-yard dash and equaled the state record of 10 2-5 seconds. Earl Keyes of Butte Central was timed at 22 2-5 seconds in the 220, beating the state record by two-fifths of a second. Baxter of Butte came within one inch of the state record when he won the high jump at 5 feet 7 inches. Varny of Helena, winner of the high hurdles, will undoubtedly be one of the strongest contenders in that event at the state meet. The Butte Central relay team, which won first honors at the meet last year, has a good chance to repeat. Anaconda will not enter a team in the state meet on account of its failure to place in the district.

Polson high showed unexpectedly strong in a meet held there between the schools of Flathead county and the reservation. Polson took the meet with 53 points; St. Ignatius placed second with 29, and Kalispell third with 19. Lowary of Polson won individual honors with 23 points. A feature of the meet was the javelin, in which Bessey of Kalispell eclipsed the state record with a throw of 166 feet 4 inches. The state record of 155 feet 8 inches is held by Denny Sullivan of Stevensville. Eureka high, Lincoln county, claims to have a man who can throw the javelin 165 feet or better, and if this is the case there will be some keen competition in this event.

Detrel of St. Ignatius showed up as a probable point winner in the Inter-

SEABECK PICTURES SHOWN AT MEETING

Slides of the Y. W. C. A. summer camp at Seabeck, Washington, were shown at the weekly meeting Wednesday in the Natural Science auditorium. Among them were pictures of Missoula people who had visited the camp lately. The pictures were explained by Agnes Brown, who was a delegate to Seabeck last summer.

Seabeck songs were sung by Angeline Barnhart, Gertrude Moody, Catherine Hauck, and Agnes Brown, girls who have been to Seabeck.

The moving pictures which were advertised did not arrive, but will be shown Monday at 5 o'clock in the Natural Science auditorium.

OPEN HOUSES FEATURE OF JUNIOR PROM WEEK

Ralph Neill Wants Committees to Report Today on Their Work.

Tuesday, May 15: dancing and open house for the entire student body at all fraternity houses. Wednesday: the same thing at all sorority houses. Friday: the formal Junior prom at the gymnasium, with Sheridan's eight-piece orchestra furnishing the inspiration. Saturday: an informal dance; same place and same music.

The above is the program for "Junior prom" week, according to "Red" Neill, junior class president.

"Everyone is urged to attend the open houses, on Tuesday and Wednesday of prom week," said Red. "The purpose is for these house dances to be mixers where the students can get together and become better acquainted."

On the evening of the Junior prom the gym will be decorated in a unique and elaborate fashion. This is the promise of Helena Badger and Helen Fait, of the decorations committee. A special preparation will be put on the floor to put it in the best of condition. This from Doc Schreiber.

The music should, according to the dope, be the best that has played for a University dance this year. Phil Sheridan will have an orchestra of eight men playing, the best combination which has been together this year.

Tickets are on sale today at all fraternity houses and on the campus. The junior class will have a full page of the Kaimin Tuesday of prom week.

"I want all committees to let me know, sometime today, what has been done and also to report on the finances," said Neill. "This is very important. Either phone me or send a written report."

All claims of the health service receipts must be in Mrs. LeClaire's office not later than May 20th.

Porter Pitching His First Varsity Contest Shows Good Form.

With Gil Porter in the box working in mid-summer form, Coach Spencer's Bruins defeated the Whitman Missionaries 5 to 4 in the first game of the three-game series yesterday afternoon.

Porter allowed only three hits and was given good support by his teammates, only two errors being chalked up against them. McDowell, who started for Whitman, was nicked for one run in the first inning and two in the second. Loop replaced McDowell at the beginning of the third and hurled good ball except in the sixth when the varsity shoved over two more runs.

Porter mowed down the Missionaries in order in the first inning. In the Bruins' half of the first, Stowe was hit by a pitched ball, Tanner reached first on an error, Dickson was hit by a pitched ball, filling the bases, and Burtness was also hit by a pitched ball, forcing in Stowe for the first run.

A double fast play, J. Driscoll to W. Driscoll to Dickson, killed Whitman's chances of scoring in the second. Tanner's long triple to right center with Porter on second and Stowe on first accounted for two more varsity runs in their half of the inning.

Porter turned down the Missionaries scoreless in their half of the third. In the fourth, Whitman scored their first run. Dean was hit by a pitched ball, stole second and scored on Hall's stinging single to center. Their second run came in the fifth. Matsuno, diminutive center-fielder, singled, stole second, took third on a passed ball, and scored on Hall's roller to "Biscuits" Driscoll. Loop disposed of the Bruins easily in the third and fourth. In the fifth, with two out and Simmons on second and Dickson on first, he made Burtness hit to Dean, who stepped on (Continued on Page Four)

MUSICAL CONVOCATION HELD NEXT TUESDAY

Professor Adler and Mrs. Hugh Forbis will entertain the students at convocation Tuesday with a musical program. The program will be made up of a number of French compositions which Mr. Adler brought from France.

Mrs. Forbis will sing several French folk songs, two of which were written by the modern Breton poet, Botreo. One is a song that was sung by the soldiers during the French revolution and revived again during the last war. Mr. Adler will play several selections on the piano, two of which are very interesting, "The Sunken Cathedral" by Debussy, and "The Forsaken Mermaid".

OUR S. O. S.

We noticed that at the Singing on the Steps last night Cheer Leader Hughes had taken care to distribute among the students sheets on which were printed Montana songs and yells. There was a piano solo, something we do not remember having often seen on former occasions.

It would seem that with the enlargement of the school some such method as the one used would be an efficient way in which to make the school songs quickly familiar to the student body. But actual conditions do not warrant such care, for the crowd attending was smaller than usual, very much smaller than in the days when the registration numbers were a third less than now. To guide this handful of students it is necessary, too, apparently, that a piano be called in to help matters vocally, so to speak. We admit that it does help, though we have on other occasions heard more noise. We hesitate to commit ourselves more fully as to the musical quality of times past as compared with the present.

The fact remains that there is a change, as most of us will admit. And our readers are hereby urged to note that we do not begin this paragraph with our usual editorial stress upon the lamentable fact that "there is something wrong". We do not know that there is. We do know that there is a break in the unified feeling of the student body, a crack in what was at one time close to being solidarity.

We know that opinions differ as to the value of cracks. We wonder what the general student body thinks of this one?

THANKS, MAJOR!

Thirty-two new instruments for the R. O. T. C. band arrived on the campus yesterday from the quartermaster in Philadelphia. The instruments will be used by the band when taking part in all cadet or University functions.

The men at the head of the band, and the officers in charge of the local unit of the R. O. T. C., deserve a vote of thanks. Through their efforts the requisition was granted, and a larger and better band for the campus is assured.

The R. O. T. C. has practically built up the present musical organization. Encouragement and assistance in past years have brought the band up from a struggling little gang of twelve pieces to its present personnel of over forty members.

Thanks, Major!

hibited by both state and federal laws. It is only a few weeks since one of our students lost his life by violating the law against ride-stealing. I hope this will be sufficient warning to others who sometimes follow this practice.

"Hoboing" is not only dishonest and dangerous and a violation of the law, but it is also unprofitable. One day's work at the current rates of student employment will pay for more miles on the cushions than can be traveled in an equal amount of time on the rods.

I would appreciate having this letter published in the Kaimin so that it may come to the attention of the whole student body.

Yours very truly,

C. H. CLAPP,
President.

The Enclosed Correspondence.
St. Paul, Minnesota,
April 18, 1923.

Mr. E. G. Toomey,
Secretary, Montana R. R. Commission,
Helena, Montana.

Dear Mr. Toomey:
No doubt your commission is now in possession of the details of the fatal accident to Fred C. Farmer, a student at the University of Montana at Missoula on March 28th, whose remains were found lying on our bridge near Hellgate Station.

The facts as we have them now are that he went home at Butte for his Easter vacation and in company with some other boys was beating his way back to school on one of our trains. It appears to be another case of hoboing on the part of students, which has been much too prevalent and covering which a campaign was started to reduce the practice.

These young men apparently do not realize that in addition to cheating the railroads by this practice and taking desperate chances with their lives, they are violating state and federal laws. For this latter reason I have thought there may be some action which the Commission could and would take to bring the matter to the attention of the various educational institutions in Montana in a manner that would have a salutary effect.

It seems to me that this is a matter well within your jurisdiction and that the influence of your body would lend much weight to the protests we have made in our efforts to eliminate this student hoboing problem. If you take action upon it will you please favor me with advice of it?

Yours truly,
F. M. METCALF.

Helena, Montana,
April 26, 1923.

Dr. M. A. Brannon, Chancellor,
Building.

Dear Sir:
We are enclosing herewith a few copies of Mr. F. M. Metcalf's letter to this Board 18th instant, in connection with the safety first campaign that is being conducted by the railroads of the country. Mr. Metcalf's letter explains its object, and it occurs to us that possibly some publicity of the fatal accident at Hellgate on March 28th of this year, might have a good effect upon some of the boys, who without considering the hazards involved undertake to beat their way on trains.

This department for the past two years has endeavored by publicity to bring forcibly to the attention of the traveling public in automobiles, the great necessity of exercising all possible care at railroad crossings, and we believe that the Department of Education can assist in this work, for which there is an unlimited field.

Yours truly,
BOARD OF R. R. COMMISSIONERS,
E. G. Toomey, Sec.

Dear Sir:

The enclosed correspondence from the railroad, the railroad commissioners, and Chancellor Brannon, and the approach of the short holiday of Track Meet followed by the summer vacation, prompts me to again caution the students of the University against the practice of "hoboing" upon the railroads. The Grizzly yearlings easily defeated the Missoula County High school team in the dual track and field meet Tuesday and Wednesday, scoring 82 points to the scholastics' 44. BIG INTERSCHOLASTIC MEET TO BE FASTEST IN HISTORY

(Continued From Page One)

scholastic by heaving the shot 38 feet. There was no district meet in the northern division, but several contests were held in several towns. The Shultz family proved the big factor in winning the meet at Big Sandy for the seniors. Don Shultz hurled the discus 120 feet 8 inches. As this was two weeks ago, he looms as the likely winner next week provided that he is able to live up to his reputation. At Great Falls no especially good marks were made in the interscholastic meet, but with Livers, Lowry, Charteris, Larsen and Olson, all of last year, the Windy city may be expected to make a strong bid for honors.

Whitehall proved to be the class of the southern district meet which was held at Three Forks a week ago. Livingston placed second, Manhattan third, and Gallatin fourth. The best time was made in the mile by Halvorson of Whitehall, who clipped it off in 4 minutes 59 seconds. This should give him a high place at the state meet. Berg of Park, Kieckbush of Manhattan and Wylie of Gallatin are others who made marks which entitle them to consideration next week.

The results of the Wheatland county meet were: First, Judith Gap; second, Harlowton; third, Hedgesville. Lennington of Judith Gap won individual honors. No records were given and it is impossible to estimate the probable strength of this district.

Only a guess can be made of the prospects of the high schools in those districts where no meets were held. Dope based on last year's performances at the Interscholastic meet would indicate that the Bitter Root will send some strong competitors. Stevensville particularly, with Hill, Drew, Hagen and Sullivan of last year's fast squad, is considered a contender for high honors.

Victor and Darby are always likely to break into the scoring with flashy teams. Alberton has an all-around athlete in Coyle, who is certain to place in two or three events. In the eastern part of the state there is again a lack of information. Sweet of Miles City, however, has a reputation as a fast man in the sprints, and Coltrin is a good weight man.

A CORRECTION.

A statement given out by the Y. W. C. A. last night says:

"The Y. W. C. A. wishes to make a correction in a story printed in the R. O. T. C. edition, which stated that the Y. W. C. A. was conducting a drive for old clothes which were to be given to the needy students on this campus.

"The clothes which are donated are to be sent to New York and then shipped to central Europe to the refugees. It is a part of a national drive under the auspices of the Student Friendship fund, the same association which sent the foreign students to our campus in an endeavor to make friendly relations between us and the students of foreign countries."

According to Olive McKay, chairman of the social service committee of the Y. W. C. A., all old clothing in good condition is needed badly, and every student is asked to bring his donations to the Y. W. C. A. room in the basement of Main Hall immediately.

WILMA

Dear Doc:

Hub and Doris will probably miss "KICK IN" which is on at the Wilma tonight and tomorrow on acct. of Doris being installed this week but you can bet that that is the only thing that could keep them from it and maybe even that won't because Bert Lytel gets by big with Doris and I wouldn't be surprised if Betty Compson, who plays the other leading role, doesn't look pretty good to Hub. Doc, if you're not too tired from knocking home runs off of those preachers, you and Myrtle ought to be sure and see "KICK IN." It's a crook play and maybe you can learn something about umpires from it.

Thomas Meighan in "BACK HOME AND BROKE" is booked for Sunday and Monday. It's so close to the end of the school year that none of you fellows out there can afford to miss this picture. Helen has asked Tick to take her to this one as it just fits her case. It might interest even you, Doc.

Walther was cut down at the plate in attempting to score on Hall's roller to Driscolls Driscoll in this inning. The varsity pushed over the winning scores in this inning. Porter was hit by a pitched ball and scored on Biscuits Driscoll's slashing double to left. Biscuits scored on Stowe's bunt after Knudsen, Missionary first-sacker, had dropped Loop's throw in an attempt to nail the fast-moving Buck. Stowe was cut down at the plate by Matsuno's perfect throw from deep center after Tanner had singled sharply to center. Whitman threatened to tie the score in the eighth, but fell one run short. Tsudo was hit by a pitched ball and stole second and scored Whitman's fourth and last run on Dean's single. Dean took second on the throw to the plate. Hall singled, Knudsen singled, filling the bases. Billy Driscoll took Matsuno's grounder and stepped on second, forcing Knudson for the final out.

The Bruins could do nothing with Loop's hooks in the seventh and eighth and went out in regular order. Whitman's last chance went glimmering in the ninth when Porter caused Sid Rich, pinch-hitting for Loop, to pop a weak fly to Billy Driscoll for the last out.

Approximately 1,500 students and supporters of the Grizzlies turned out to cheer Perk's chargers on to victory.

Coach Spencer will send Bill Johnson to the mound today while it is expected that Coach R. V. Borleske will send Sid Rich to the firing-line for the Missionaries.

Somewhat of a Coincidence.

Two years ago yesterday the Montana team defeated Whitman in the first of a three-game series here, the final score being 4-3. Vernie Ulrigg, who occupied the mound for the Grizzlies, pitched his first Varsity game. He allowed only six hits, the same allowed by Porter in the game yesterday. A three-base wallop in the last of the ninth by Jimmie Murphy sent Captain Higbee over the plate with the winning run.

The box score follows:

Military Ball to Be Given During Vets Convention

A formal military ball is a formal military ball, and those that have participated in such events, know that nothing in the ups and downs in the scale of society functions has anything in comparison, for its formality and distinction.

During the Disabled Veterans of the World War convention, to be held at Missoula May 25 and 26, it has been decided upon to have a formal military ball, one that would please a diplomat of Washington, D. C., if there would be such a critic present. There will be flowers, evening gowns becoming for the occasion, and gentlemen in full military uniform. There will be decorations, which is taken care of by a chosen committee. The music will be Sheridan's nine-piece orchestra from Anaconda.

A limited amount of tickets will be on sale at the campus store, and all men in the R. O. T. C. or others who have worn the uniform may have the satisfaction of attending a function that will cover a large portion of a memory book.

TO AWARD LOVING CUP FOR BEST STUNT FRIDAY

Stunt and feature specialists of campus organizations will be given an opportunity on the oval, Friday morning of next week, to win a silver loving cup and vend their exotic ideas to track meet spectators.

The awarding of this cup will inaugurate a new custom on the campus of having various campus groups present acts, plays, or rough-house comedies as part of the entertainment program of interscholastic week.

The prize has been on exhibit at the campus store for the past week. It is eight inches high, mounted upon a bronze base, rough surfaced and has hand hammered decorations. The organization winning it will have permanent possession.

MARCUS DERR, NEWLY-ELECTED COUNTY ATTORNEY, IS IN TOWN

Marcus H. Derr, a graduate of the school of law, arrived in town yesterday from Ronan. Mr. Derr was elected county attorney of the newly-formed Lake county at the recent election in that district.

"The people feel satisfied that they are now living in one of the best counties of the state," Mr. Derr said yesterday, "and, as for myself, I would rather be county attorney for Lake county than for any other territory of like dimensions in the United States."

TRACK MEET TICKETS ARE BEING DISTRIBUTED

Salesmen Have Been Appointed in Various Fraternity Houses.

Three hundred season tickets for the interscholastic track meet have been distributed to the various houses on the campus by Solvay Andresen, chairman of the student ticket sales, and a representative from each group has been asked to sell the tickets to the students.

On Tuesday someone will be appointed to sell the tickets in Main hall, so that every student will have an opportunity to purchase his ticket.

The tickets are two dollars for each student, and the holder of a season ticket can be admitted for six events.

"If we are going to make a success of the ticket sales this year, it is up to every student to get behind this proposition and back it," Miss Andresen stated yesterday. "If each student would only realize that in the long run he will save money by purchasing a season ticket, then there would be no doubt but that the students would go over the top with this year's sales."

Dr. and Mrs. M. J. Elrod, Professor and Mrs. P. C. Phillips, and Mr. George Crasley of Helena were dinner guests at the Omega Xi house Wednesday evening.
