Selection of Three Assistants First for New Grid Coach

Selection of three assistant coaches will be the first order of business for Jerry Williams when the youthful head football coach,

Lefty Byrne and John Zeger had left vacancies to fill in the four minor coaching spots.

Williams, who is 31, is the youngest head football coach at Montana since Bernie Bierman started his coaching career at MSU in 1919 at the age of 25.

Williams is a veteran of World War II, married and has two small children. He graduated from Washington State college in 1949 after being selected as an All-Pacific Coast conference halfback in 1948. He set a conference record for yardage on kickoff returns that year.

Williams went into the professional ranks, playing with the Los Angeles Rams from 1949 through 1952. He moved to the Philadelphia Eagles for the 1954 and 1954 seasons. Last season he was a player-coach for the Eagles.

Merchant Marine Offers BS Degree

Men between the ages of 16 and one-half and 21 are eligible to compete for appointment to the U.S. Merchant Marine Academy on April 11. The announcement came from Montana Sen. James E. Murray.

Applicants must be high school graduates, married, and citizens of the United States. A rigid physical examination is given. Successful applicants will report for training at Kings Point, Long Island, N.Y., in August.

The academy offers a four-year course at the college level. Graduates are commissioned as ensigns in the U. S. Naval reserve. A bachelor of science degree and a U. S. Merchant Marine license are also awarded.

London Debate Team Favors U.S. Recognition of Red China

By SUE MUNN
 With the Red Chinese government in effective control of the mainland since October 1949, a group of the United States would accept this fact and should recognize Red China, according to Peter Borley, debater from the University of London, England. This was one of the main points pressed in a lively and sometimes heated debate held Wednesday at 7 p.m. in the Student Union auditorium.

Borley and Jennifer Copeman, both of London University, introduced the proposition, "Resolved: that the United States should extend diplomatic recognition to the Communist Government of China."

Rutan and Roberts Oppose
 James Roberts, Dillon, and Jerry Rutan, Great Falls, presented the opposite side of the question. This was an Intercollegiate International Debate presented by the MSU Debate and Oratory Association, and sponsored by the Institute of International Education. Each side was speaking for 15 minutes representing the viewpoints of its respective national government.

Borley said that the United States is not asked to approve, but to accept the fact that Red

China controls the mainland and will continue to do so.

"We do not pretend that recognition is a cure-all. We do not expect world peace to come of it," said Borley.

He believes that the situation is now illogical with 500 million people in Red China allowed no say in world affairs.

U. S. Has Coke Culture
 Borley said that the people of the United States have built up hatred against Red China because "their Coca-Cola culture had not permeated the culture of Red China." He feels the United States has no right to deny recognition to a government of a different faith.

Roberts and Rutan, in answering the negative side of the question, gave the defenses which are widely known in the United States. They said that the United States will not recognize a nation which is not truly representative and does not permit the basic rights of man. They feel that Red China would not live up to international obligations if recognized.

They also gave the defense that the United States will not recognize a country that repeatedly commits acts of war-like aggression against nations of the free world.

McFarland, CB Discuss Old SU, To Appoint Joint Honor Group

Use of the old Student Union building was clarified for Central board at a three-hour meeting with Pres. Carl McFarland yesterday. President McFarland reminded the board that last spring it agreed to give arts and crafts the building in return for maintenance. Maintaining the old union as a

student building is desirable, according to President McFarland, so that it will remain free of restrictions applying to state-owned buildings.

Dramatics Still In Theater
 The University theater will be used for dramatics, but it will remain available for other uses. The dean of fine arts will have administrative control of the theater. If scheduling conflicts arise, a committee will resolve the conflicts.

The financial standing of the old union was also clarified by the president. A reserve, provided by the bond issue for the Lodge, also provided funds for a reserve to retire the outstanding bonds of the old union. This reserve has been set aside as a trust and will retire the old union bonds when they become due.

The location and the tax situa-

tion of the student store were discussed. The president felt that the present location is not adequate and that the corporate form of organization, which requires the payment of federal taxes, is not warranted.

An honor system for MSU moved another step forward when President McFarland agreed to appoint a group of faculty members to work with the present honor system committee to continue work on MSU's honor system.

Publication Funds Go to Press
 The form of a loan for additional equipment for the University press was approved by the board. This loan of \$5,000 will provide the necessary equipment for printing the Sentinel on campus. The funds will come from Kaimin and Sentinel funds.

In repaying the loan, the University press will apply \$2,000 on the printing of the 1955 Sentinel. No interest will be charged for this amount. The remaining \$3,000 will be repaid by applying it on printing costs for the 1956, 1957, and 1958 Sentinels. Interest charged on this sum will be the same as that for the Glacier rink but in no case will be less than 4 per cent.

The University press will print the Sentinel for the next five years.

In other action, Central board voted to ask for participation records for basketball players and swimmers before considering letter awards and learned that Butte-Anaconda night lost \$50.10.

Dave Brubeck Ticket Sale Underway

Tickets for the Dave Brubeck jazz concert which will be held from 8:15 to 11 p.m. Wednesday night in the Student Union auditorium, are now on sale in the lounge of the Lodge, according to Russ Pfohl, Outside Entertainment committee chairman.

Tickets are \$1.50 for adults and \$1 for students.

Working in the capacities of arranger, composer, leader and pianist, Brubeck has adopted the theory and practice of contemporary classical music into jazz.

Last year the Brubeck popularity brought top place on Down Beat's annual poll and the Metronome nod as "Jazzman of the Year" in 1951. Metronome named him again last year at the top of its "All-Star" poll.

He has recorded albums with Columbia that have been top sellers. A few top records of Brubeck and his inventive associates include "Love Walked In," "Jazz Goes to College," and "Fugue on Bop Themes."

Time magazine, which featured Brubeck as the essence of the new jazz boom, describes his playing as a jig-saw puzzle type music that begins with a familiar picture, breaks into progressively assorted pieces and returns to the familiar forms.

Pfohl, Suchy Win Fulbrights; Study In England, France

Russell Pfohl, Deer Lodge, and John T. Suchy, Des Moines, Iowa, have been awarded Fulbright scholarships to study in Europe. Pfohl, a major in history and foreign languages will study in France. Suchy, journalism graduate of 1950, will study mass communication at the University of London.

In his freshman year Pfohl won the Bonner scholarship, and has held it for three years. He placed fifth in the National Elks scholarship awards. Pfohl is a straight A student and has been active in school functions.

Suchy, a graduate of Missoula high school and the University, received his masters degree from the University of Iowa and went to work for Meredith Publishing company, Des Moines, Iowa.

He is a writer for the Journalism Quarterly, a national magazine published for the professional men and women of journalism. Suchy is the son of Dr. John F. Suchy, professor of pharmacy.

The two men will sail Aug. 14 from New York on the Queen Elizabeth.

'bout the Size of It

After two days of registering, MSU students and faculty have pledged 230 pints of blood, 168 pints short of the 398 needed in the annual "Beat Bozeman" campaign. Students may continue to make appointments for a blood donation next week at either the Lodge or the book store. The Red Cross Blood Unit will be in Missoula April 29, 30, and 31 and will accept blood donations from 1 to 5 p.m. at the Men's gym.

J. George Hummel, professor in the School of Music, will present a piano recital in the music school auditorium tonight at 8:15. The recital is sponsored by the Faculty Aecital Series.

Orson Wells' adaptation of "Macbeth," a Shakespearian tragedy, will be shown at 7:30 p.m. Friday in the Student Union auditorium, according to Russ Pfohl, Deer Lodge, Outside Entertainment committee chairman. Accompanying "Macbeth" is a short subject, "Blunden Harbour," which was filmed in the Pacific Northwest and features the Indian life of the Kyakiutl Indian tribe. Admission is 25 cents.

Venture staff will meet today in noon in the Ravalli room of the Lodge, according to Ed Stenson, Spokane, editor. Students interested in working on the Spring quarter Venture are urged to attend.

'48 Grad Promoted To Assist Murray

Vic Reinemer, '48, Circle, has been appointed executive secretary to Senator James E. Murray.

Reinemer, who edited the Montana Kaimin in 1947, has been associate editor of the Charlotte (N.C.) News since 1951. He studied at the Sorbonne in Paris and has had articles published in the Saturday Evening Post, the New York Times Magazine, and major U. S. dailies.

"One of Mr. Reinemer's principal duties," said Senator Murray, "will be to assist Montana citizens who seek information on issues important to our state. I believe that in view of his newspaper background he can be particularly helpful to the Montana press."

By NORMA BEATTY
 engaged to Jerry Nelson, also of Helena.

Pinnings
 Jeanne Hollingsworth, Hamilton, KKG, is wearing the Phi Delta Theta pin of Paul Weingart, Missoula.

Ken Wickham, Hamilton, TX, and Sandra Swanson, Missoula, are pinned.

Marilyn Shope, Missoula, KAT, is pinned to Keith Peterson, PDT, Seattle, Wash.

Molly McCullough, Missoula, KAT, received the Sigma Chi pin of Jack Fahey, Lakeside.

Janice Olson, Sidney, SK, is wearing the SAE pin of Charles Plowman, Joliet.

Davis Watson, Deer Lodge, DG, received a Sigma Chi pin from Dick Joy '54, who is now serving in the army at Fort Belvoir, Va.

Weddings
 Muriel Griffin, DG, and Jack Daniels, both of Missoula, were married March 12 at the Methodist church in Missoula. The reception was held at the Delta Gamma house.

The First Presbyterian church in Missoula was the setting for the recent wedding of Shirley Spehn, ex-'56, KAT, and George Fleming, SX, both of Missoula.

Pat Davis, Three Forks, DG, has received a diamond from Virgil Young, also of Three Forks.

Joan Brooks, St. Ignatius, DG, is engaged to Marsh Murray, Kalispell, SAE.

Andrea Berg, Deer Lodge, DG, and Bob Lawrence, PDT from Richland, are engaged.

Helen Folkvard, Sidney, New Hall, received an engagement ring from Leonard Steffan, Sidney.

Joy Hope, Hamilton, New Hall, and Emmet Hoynes '54 will be married in Missoula Saturday, March 26.

Over Half Of You Never Read These Experts Insist

Readership studies insist that 57 per cent of all average male readers and 73 per cent of all average female readers never look at an editorial. Now that may be true for "average" readers, but college people aren't average. Not yet, they aren't.

We new editors are optimistic as we start our first quarter of putting out your college newspaper. We know we are challenged by a so-called "Silent Generation," but for us that fact will make the next three quarters an adventure as well as a responsibility.

The Kaimin has the responsibility to inform, to instruct, occasionally to amuse, and constantly to represent you as a member of the Associated Students. It will be as a representative organ, however, that the Kaimin will encounter its greatest difficulty.

As a Student Newspaper . . .

"The Kaimin, while it is a student newspaper, is usually regarded by the public at large as representing not only the students, but the faculty, and MSU as a whole." That's quoted from a statement of policies by the ASMSU Publications committee — our boss. Our job will not be an easy one, because we hope to reflect your opinions and thoughts as well as your actions.

Our "letters to the editors" column will be open to any student. Letters must be limited to 250 words. They must be signed by the author but we will withhold signatures upon request. And we hope to make our editorials significant enough to pull more of you into the class of "non-average readers."

We will take definite stands on all issues arising within student jurisdiction. We will refuse to succumb without comment like a cow being milked while munching her hay.

. . . We Will Push

As a starter we will support (1) the honor system, (2) government reorganization for a stronger, more responsible Central board and Store board, (3) the semester system, (4) more equitable student employment, and (5) the growth of the veterans' and the independents' organizations.

We will support the administration in its plans for a more complete physical plant. We will also keep our eyes open for ways to improve education within these buildings.

Over 100 years ago, Cardinal John Henry Newman in his "Idea of a University" emphasized, "All knowledge is a whole, and the separate sciences parts of one." We'll support you, too, Cardinal.

Applications For Tri-Delt Scholarship Due Shortly

All university women (sorority and non-sorority) are reminded that applications for the \$200 Delta Delta Delta scholarship must be in by March 28. Miss Maurine Clow, dean of women, said application blanks can be obtained at her office, and should be turned in there.

ENROLLMENT ON UPSWING COUNT PUBLISHED SOON

Registration for Spring quarter is better than past figures indicated it would be, says Leo Smith, registrar. The number of people registering for college work is on the upswing at the University. Smith did not have any figures on the number of students said that an account would be released from the president's office by March 31.

NO MATTER WHERE YOU ARE, you'll get more pleasure from your cigarette if it's a Lucky Strike. That's the point of the Droodle above, titled: Three deep-sea divers enjoying Luckies. You get deep-down smoking enjoyment from Luckies because they taste better. Why do they taste better? That's easy to fathom. First of all, Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. So, when it's light-up time, light up the better-tasting cigarette . . . Lucky Strike.

Century Club Organized for Athletic Aid

"We're going to try to enlist financial aid from our alumni and university friends," said Jiggs Dahlberg Thursday.

Grizzly athletic director revealed a civic group that Mont intends to supplement and ex- its athletic program. He that rumors had started in tate that Montana was de-azing its athletic program. othing could be farther from truth," said Dahlberg. He hat a tentative program has outlined for soliciting finan- help from MSU alumni gh membership in a "cen-club."

Dahlberg, who has been work- ith Grizzly boosters in down- Missoula, said that the "cen- club" would consist of those would donate \$100 to the Un- ity in exchange for two season s to all Grizzly athletic s.

Although this plan is still ten- e, we feel that it will be suc- il while enthusiasm is still over the hiring of our new ies," he said.

Dahlberg said he hoped for t 500 members in the planned

League Lead Tied By Natural Science

Natural Science moved back into a first place tie in the close fac- ulty bowling league Tuesday night when they took two out of three games from Business Administra- tion while Journalism, the former leader, dropped two games to cel- lar dwelling Forestry.

Air Science, although losing, picked up the high team series for the evening with 2369 and Bus- iness Administration had the high team game with 860.

Individual highs went to Earl Lory, Chemistry-Pharmacy, with a 573 series and Ed Dwyer, Bus- iness Administration, with a game of 255.

League standings: Journalism and Natural Science, 44-28; Chem- Pharm, 40-32; Physical Education, 38-34; Administration, 34-38; Bus- iness Administration, 32-40; Air Science, and Forestry, 28-44.

Byrne, Zeger Leaving MSU

Four more Grizzly coaching vac- ancies were created last week when Pres. Carl McFarland ac- cepted the resignations of football line and swimming coach John Zeger and baseball and freshman basketball coach Robert (Lefty) Byrne.

In announcing the resignations, President McFarland said that both men had tendered their re- signations in order to give incom- ing football coach Jerry Williams a free hand in selecting assistants. The resignations are effective in June, 1955.

Athletic director Jiggs Dahlberg said Thursday that Williams' as- sistants will probably be selected to fill all four vacancies.

Byrne, a former all-Skyline and All-America mention halfback for

Silvertip Netmen Win One, Lose Two

The junketing Montana Grizzly tennis team defeated College of the Pacific, 5-4 Wednesday, taking four of the six singles matches and one of three doubles matches.

Montana's tennis team dropped matches Saturday and Monday to Chico State college and Tuesday to Sacramento State. Chico won 6-3 and 7-2 from the Silvertip team, while Sacramento scored a 9-0 sweep.

The Grizzly team has two matches with the University of Nevada remaining before return- ing to Missoula.

the Grizzlies, said that he intends to go into private business.

Zeger, who was coach at Olymp- ic Junior college, Bremerton, Wash., before he came to Montana, is considering several coaching of- fers from other schools.

WHO ARE THE "TOP-FLITE" GOLFERS ON YOUR CAMPUS?

If you've watched them on the course, you've probably thought: "Boy, if I could just get my game down like that!"

Constant practice is the answer, of course, but getting the best from your equipment is just as important, too.

That's where Spalding TOP-FLITE® clubs have the edge. They have more to offer in precision balance that gives an absolutely uniform swing-feel with every club in the matched set.

That's the secret of Spalding SYNCHRO-DYNED® clubs. And, it will pay off for you from the first round. You'll make the same shots with new uniformity. The perfect balance of these clubs lets you swing through the ball with confidence. Without "choking-up" or "compensating." You get the ball away cleaner, longer, and with more shot control.

These are the clubs that have lowered handicaps by as much as ½; Spalding SYNCHRO-DYNED TOP-FLITE clubs. Your Golf pro has them now. And, now's the time for you to start playing better golf.

Matrix Table Will Feature Oregon Lady Legislator

Maurine B. Neuberger, representative to the Oregon state legislature, is the guest speaker at the 24th annual Matrix Honor Table, Sunday at 6 p.m. in the Lodge. Kappa chapter of Theta Sigma Phi, journalism honorary for women, sponsors the event. The program includes pledging of new members, and honoring an outstanding woman from each class. Mrs. Neuberger has been named "Woman of Achievement" by Theta Sigma Phi, and honored by Ladies Home Journal as one of 12 outstanding women legislators.

Traffic Accidents Plague Vacation

Slippery roads and heavy snow combined forces to cause many minor road accidents to MSU students over the spring vacation.

Beverly Arness and Lois LeDuc, both of Libby, were passengers in a car which slid off an icy highway and came to rest upside-down in a creek. The four occupants were soaked and slightly shaken but continued on to Missoula in another car.

A car driven by Ken Travis, Elgin, Ill., slid on the icy road of Lookout Pass. The car, with brakes on and the steering apparatus useless, glided into an on-

BILLINGS FROSH INDICTED

Wayne Davies, Billings freshman, was indicted March 10, on a grand larceny charge.

According to H. J. Wunderlich, dean of students, Davies pleaded guilty to the theft of a letter and check from a Craig hall mailbox, Feb. 21. The check was the property of Michael Barone, Elizabeth, N.J.

Local officials have turned the 18-year-old Billings boy over to state hospital authorities.

coming car. The fenders of both vehicles were demolished. Passengers with Travis were: Stan Gilbert, New England, N.D.; Bob Tkachuk and Orest Haydey, both of Willingdon, Alberta.

Annual Water Pageant To Run March 30-April 2

Aquamajds, women's swimming honorary, will present their annual water pageant March 30 through April 2 at 8 p.m. in the University pool. The theme of the pageant is "Concert of the Sea."

Thirteen routines will be featured including fancy diving, synchronized swimming, and acts. Admission is 75 cents adults and 50 cents with a student activity card, according to Vir Wyman, Billings, president.
