## Speaker Presents US-Russian Problems at Convo, Banquet

"Socialism is the most deadly enemy of communism," said Miss Helen Kirkpatrick, foreign correspondent, who was guest speaker at the annual Matrix table given by Theta Sigma Phi, women's journalism honorary, Thursday night at the Florence hotel.

Three students, Louise Morrison, Billings; Beverly Keig, Anaconda; and Dorothy Francis, Great Falls, were pledged by the journalism honorary at the dinner which was attended by approximately 375 Missoula and university women.

"Socialism is the nearest to the right that Europe will go," said Miss Kirkpatrick. "It is not one short step from socialism to communism. It is, in fact, a shorter step from capitalism to communism. We must bear in mind that our choice in Europe is between socialism and communism."

Europe will not go back to the political system that existed before the war. There are those in the country, however, who insist that Europe take on our democratic way of life as well as our aid, said the speaker.

"We must succeed in a long-range policy to insure the recovery of Europe or see our way of life forced off the earth. We must bring about not only the relief, but the recovery of western Europe through the Marshall plan," she said.

Miss Kirkpatrick pointed out that this is a year in which Americans must think of these issues when they elect the government officers who will in large form foreign policy.

Jean Bartley, Great Falls, president of the active chapter of Theta Sigma Phi, introduced the speaker and was mistress of ceremonies.

Mrs. Tella M. Loman, editor of the Ronan Pioneer, and Mrs. Edna Gannaway, editor of the Camas Hot Springs Exchange, were presented as new associate members of the journalism honorary.

During the opening program Mayor Juliet M. Gregory, Mrs. A. S. Merrill, and Mrs. R. H. Jesse were honored for their outstanding leadership in the community.

Miss Hasmg Gedickian, voice instructor at the University, sang two numbers accompanied by Mrs. Max Wilcomb.

## Vets Plan Open House

A "meet-your-neighbor" open house for veteran students and their wives is scheduled for Sunday, 6 to 9, at the Community center. The affair was planned by the housing projects council and committees at a meeting Thursday.

Movies of the Washington State and Hawaii football games will be shown during the open house, Jack Swee, Ronan, said. Officials and their wives and husbands will be hosts and hostesses for the "get acquainted" gathering. Refreshments will be served after the movies, he said.

Mayor and Mrs. George Sarsfield, Butte, will be assisted by members of the council, sports, entertainment and house committees and their wives and husbands.

The group also scheduled a free dance the first week in March to climax the Red Cross drive.

## 'Beat Cats' Is Theme For Convo

"If you want to show the Grizzlies that you are behind them 100 per cent turn out for the special 'Beat the Bobcats' convocation tomorrow evening at 7:30 in the Student Union auditorium," said Vic Dikeos, Missoula, Traditions board chairman.

"A good program is planned, featuring singing groups from Phi Delta Theta, Sigma Nu, North hall, and the Spurs; a skit by Sigma Alpha Epsilon; and musical selections by the brass ensemble. The program will be very appropriate for the occasion," Dikeos said.

The new yells which were selected by the board last week will be tried out. The M-club, IK's, Spurs, and the brass ensemble will be on the stage to help the cheerleaders with the yells.

"The IK's and Spurs will go through the halls and houses to get the students to turn out," Dikeos said.

## Recital Planned For Tonight

Instrumental and vocal selections will be presented in a formal recital at 8 this evening in the Student Union auditorium, said Miss Hasmg Gedickian, music instructor.

Piano solos are Bach's "French Suite in G Major," Donna Lee Hunter, Lewistown; Mozart's "Sonata Number 16 in A Minor," Robert Turner, Helena; "Ballade in A Flat Major" by Chopin, Florence Adams, Missoula; "Rhapsodie in B Minor" and "Rhapsodie in G Minor" by Brahms, Robert Ruppel, Twin Bridges.

Soprano selections on the program are "The Nightingale Enslaves The Rose" by Rimsky-Korsakov and "Si, Mi Chiamano Mimi" from "La Boheme" by Puccini, Sally Cooper, Great Falls; "My Heart At Thy Sweet Voice" by Saint-Saens, Florence Hoover, Fairfield; and two Brahms songs, "O Kuhler Wald" and "Die Mainacht," Kay Warnke, Glendive.

Roland Troyer, Grand Rapids, Mich., will play Bruch's "Concerto in G Minor" for violin.

## Honorary Sponsors Campus Photo Contest

A campus photo contest is being sponsored by Mortar Board, senior women's honorary, to get views of the campus for a college calendar.

Mary Kidd, Deer Lodge, publicity chairman, said that the pictures must be turned in to Betty Hyde, Kalispell, before March 8, closing date of the contest. Entrants must be students in the University.

Cash prizes of \$25, \$10, and \$5 will be awarded to the three best entries.

## Says U.S. Decisions Of '48 Important

"The decisions of the United States in 1948 will not only affect Europe but will decide if civilization as we know it will survive," Helen Kirkpatrick said Friday morning at convocation.

Speaking from the platform of the Student Union auditorium the foreign correspondent of the New York Post told the audience of her experiences in Europe.

After being introduced by Olaf J. Bue, associate professor of journalism, Miss Kirkpatrick said that in traveling around Europe she had seen many problems and decided to look into the "back of the book" for the answers.

"Our country is the 'back of the book,'" she said. "This country has everything."

"Russia came into the war because she was attacked, and it has been a painful road to discover the Russians do not want the same things in peace as we do."

Miss Kirkpatrick explained that Russia and the United States became physical neighbors with the

## MSU Student Enters Politics

A new political figure at MSU was born Saturday when Bill Ganson Jr., 23-year-old political science major from Terry, filed for the Republican nomination to the legislature from Prairie county.

Ganson, a third-quarter sophomore, is the first to throw his hat in the ring in his county. The fate

of the Jumbo hall proctor will be decided in the primary elections July 20.

"I feel that my chance of winning the Republican nomination is good, and I feel that I am entirely capable of truly representing the people of Prairie county," he said.

In spite of his youth, Ganson said he has been considering entering politics for some time.

"I feel," he said, "that as long as I am going to make politics my career that this campaign would make an excellent beginning."

## Prof. Kraenzel Talks Tonight On Co-ops

"Co-operatives as a Community Building Agency in the Plains and Mountain Regions," will be Associate Prof. Carl F. Kraenzel's topic tonight at 8 in the Eloise Knowles room of the Student Union building.

The speaker will address all interested students and townspeople who wish to learn more about co-operatives. Professor Kraenzel has taught at Montana State college in Bozeman since 1935. He is a member of the departments of economics and sociology at MSC.

"Professor Kraenzel is recognized as an authority on the co-operative movement in Montana and the Northwest," said Miss Ellen Mouat, Hysham. A number of students interested in the co-operative study group, she added, invited the speaker to address their first meeting.

In addition to his teaching, Professor Kraenzel has published several articles on rural sociology. He devotes half his time to experimentation station research in this field.

## All-Girl Orchestra Applicants Needed

Girls interested in playing in an all-girl orchestra to be used in the Miss Montana convocation are asked to contact Justin Gray, music instructor, Cook hall 201, as soon as possible.

The girls participating in the orchestra need not be contestants, Gray said.

## Rosman Wins M-Club Trophy

### SAE Takes Team Award At Boxing-Wrestling Event

Men's Gym took on the traditional odors of sweat socks and rubbing alcohol Saturday night as 33 musclemen took over for two and one-half hours of fast entertainment at the annual M-Club boxing and wrestling tournament.

Sigma Alpha Epsilon took home the team trophy with a total of 10 points, Sigma Chi took second with 8, and Theta Chi third with 4.

Al "Whitey" Rosman, Windham, was awarded the trophy for the evening's outstanding performance by virtue of his heavy-weight decision over Dick Doyle, Missoula.

#### Wrestling

Four grunt and groan matches opened the card. In the first

match Sam Sharp, Holtville, Calif., decided John Thompson, Seattle for the 145-lb. championship. Zane Murphitt, Helena, tossed John Staley, Missoula, in less than five minutes for the 140-lb. crown.

Bill Dix, Bonner, made quick work of Bob Friede, Chicago, for the 165-lb. title. A pair of heavyweights, Frank Scully, Harlowton, and Gordon Stewart, Forsyth, provided comic relief with a catch-as-catch-can bout under professional rules. Things got out of hand in the final moments, and M-Club members were called to the rescue of referee Bunny Radakovich, Glasgow.

John Verbeek, Holland, Danny On, Red Bluff, Calif., and Bruce Milne, Roundup, staged a judo exhibition. In fast-moving sequence the three men demonstrated a number of tricky offenses and defenses.

#### Boxing

Boxing got off to a fine start when Marvin McArthur, Butte, decided Vince Glenn, Harlowton, for the 125-lb. crown. Chuck Johnson, Kalispell, won the 135-lb. title by outpointing Jim Wissler, Great Falls, in a close fight.

In two exhibition bouts, consisting of three one-minute rounds each, Ed Shelton, Butte, and Steve Henault, Darby, earned wins over Dean Salveson, Casper, Wyo., and Laurie Riley, Eureka.

Veteran Gus Carkulis, Butte, lost by TKO to Marty Boyd, Lewistown. Boyd floored Carkulis for a nine count in the second stanza, and seconds later left Carkulis hanging on the ropes. Referee Billy McFarland stopped the fight.

Norm Allen, Hill City, S. D., and Jerry Linton, Spokane, provided one of the closest and fastest bouts of the evening. Allen took a clean decision, but was pressed all the way.

Abe O'Hern, Butte, wasted no time in piling up points over Keith Vick for the middleweight championship. However, O'Hern uncorked a wild right in the third

## Wanted: 3,204 Publicists

The Kaimin, and numerous students, have recently expressed dissatisfaction with the similarity of names between Montana State University and Montana State College, and resulting confusion on the part of radio newsmen Chet Huntley, wire services, and Harold Stassen, to name a few.

When Governor Ford was in town last week he said a correction of the situation requires legislative action—the State Board of Education cannot change the names although it can and perhaps will recommend such a change.

So, if a change is to be made, it means that many of us, when we go home between quarters or this summer, or by letter, should inform the local senators or representatives of the desirability of such a change.

And, at the same time, let's remind them and voters back home of the great need for the passage of the mill levy and bond issue. Most Montanans, we believe, are sympathetic to increased educational facilities, if they think the increased cost justified.

So let's tell them about the crowded, temporary buildings and lack of equipment in some departments, and, at the same time, tell them the good the Greater University system is doing the state and its citizens by training students, the extension service, correspondence school, research, and entire educational program.

### CONSTRUCTIVE POLITICS

Dear Editor:

Swell, Mr. Molloy! Let's have Mike Mansfield for a convocation speaker. But no! Let's not drag the elephant and the donkey through the mud of partisan politics, at least not yet.

Most non-partisan thinkers agree, I believe, that Mr. Stassen and Mr. Mansfield both represent a much needed forward-looking influence in American party politics. Most of them agree also that Mr. Stassen and Mr. Mansfield take the same progressive stand on many important policies, to name one, world government and strengthening of the United Nations.

I know I can speak for most non-veteran students (and there are some) who do not have the voting right when I say that now, to prepare myself for future life as a constructive citizen, I want to learn more constructive facts about personalities and parties in politics. Political boondoggling can wait.

### ON REFEREEING

Dear Editor:

Sport Editor Barbour's criticism of local hoop officiating was a pleasant thing to see in print.

After his column was written, the referees seemed to be doing a worse job in the Gonzaga series. No one expects infallibility in calling a game, but last week the officials were guilty of the unfor-

## No GI Bill For Veterans' Fun Courses

Veterans under the GI Bill of Rights taking courses on how to be more popular may have to pay their own way in school if they want to keep on studying, according to Budget Director James Webb.

The administration has urged congress to do away with so-called leisure time courses paid for by the taxpayers. It listed such courses as horseback riding, dancing, music, and pleasure flying.

Congress did not mean to authorize that type of training, Webb said.

He pointed out that many schools and institutions offering training under the GI bill have now switched the emphasis from vocational training.

The schools now promise "fun and enjoyment in recreational, social, and leisure-time pursuits."

givable—reversing a decision after calling a play, and a lack of consistency in calling close ones.

Suggestion: If Missoula can't provide efficient officials, import them next year. This is done in the Bobcat series each year and if it is too costly for every series, alert officials could come to Missoula to call at least one game of a two-game series.

Although Rocene later denied faying Swarthout, Barbour's deductions seem warranted in view of Rocene's habit of implying without elaborating. A person can't make much out of vague ideas. Most people construed Rocene's ideas in like manner.

# Cope Breaks More Records; Nets 40 Points Friday

## Gonzaga's Slow-Down Tactics Fatal In Face of Fast-Breaking Grizzlies

Every time Bob Cope, Missoula, makes a point, whether basket or free throw, he breaks at least one record, and last Friday he went all-out, scoring 40 points against Gonzaga as Montana won 65-58.

Cope holds every Montana scoring record over a one-year period. Friday he annexed the single game scoring record

for one player when he counted 13 baskets and 14 free throws for 40 points. This latter figure tied Jim Graham's mark of 14 gift shots in one game made earlier in the season. Cope has already set a new record for number of free throws in a season with 122 so far this season. In addition, his 452 points to date rank him far above the previous record of 364 set in 1943.

Forty points is the second largest number of points made by a single college player in one game this year, 44 being made last week end. Cope's 452 points rank him among the top 30 scorers in the nation. Graham and Cope are second for number of free throws in one game in the country. The most made this year is 15.

Montana started the scoring Friday night when Cope swished a set shot from the corner. Gonzaga tied the score at 4-all and then Cope bucketed five for nine straight points. The Bulldogs used their usual slow-down tactics but to no avail. At half-time the score read 34-25 as Bob Cope dominated with 24 markers.

The Grizzlies continued to offset the 'Zag slow break by feeding Cope during the second half. However, accurate shooting by Curran and Evans kept Gonzaga within striking distance. With a

## League Race Tight; Theta Chi Closes Gap Behind PDT

South hall, Saturday, took two games from Phi Delta Theta in the intramural bowling which rings Theta Chi into a close second place in the league standings.

The high team game for the day was rolled by the Row houses with total of 920 pins. Fred Bourdeau, Sigma Chi, piled up 232 pins for high games and high series was rolled by Jim Edwards, Sigma Chi, 58 total.

Jerome Millon, Chicago, is the newly appointed bowling league secretary.

In the league play Saturday, South hall took two from Phi Delta Theta, Theta Chi took two from Rowesters, Sigma Alpha Epsilon took two from Sigma Chi, Row houses took two from the Independents, Phi Sigma Kappa took three from Sigma Nu, Alpha Tau Omega took two from Jumbo, Sigma Phi Epsilon took three from Corbin hall, and Lambda Chi took two from Poole hall.

# MSU Ducks Farragut Tank Team

Taking all of the firsts except the distances, the Grizzly tank team swamped Farragut 54 to 21, Saturday. Dale Gillespie, Missoula, set a new record for the 150-yard backstroke. It was the second MSU victory over the Farragut tankmen.

Gillespie broke his own record of 1:59.2 in setting the new mark at 1:58.

High point man for the day was John Harasymczuk, Farragut, with 13 points—firsts in the 220- and 440-yard freestyle events and second in the 100-yard freestyle sprint. Harasymczuk was the top 1,500-meter swimmer in the GI Olympics. He worked under Carl Ross, coach for the GI team, who was the starter at Saturday's meet.

Running a close second for total points was Montana's Bill McMannis, Dillon, who piled up 11 3-4 points. McMannis took two easy wins in the 60- and 100-yard freestyle sprints.

Norm Warsinske, Billings, and Howard Miller, Stevensville, lapped the field in the breaststroke event for an easy first and second.

In the 220-yard freestyle event, Chuck Simpson, captain, Nutley,

slim five-point lead Montana stalled the last two minutes and the game ended with MSU on the long end of a 65-58 count. Rich Evans' jump shot netted him 16 points to lead Bulldog scoring and Curran scored 15. Cope was followed by Moses with 7 for Montana scoring honors.

Ironically, most of Montana's high-scoring efforts have been achieved at the expense of Gonzaga. In 1946, the Grizzlies twice went over the 100 mark against the Bulldogs. Cope's 14 free throws Friday tied a record and his 40 points broke Rocheleau's record of 36, also set against Gonzaga in 1946.

N. J., stayed with Harasymczuk until the fifth lap but finished a strong second. Dave Hughes, Butte, showed a strong drive at the end of the 440-yard freestyle to beat Gibson of Farragut who led for the first five laps.

Coach Bob Oswald will take Gillespie, Simpson and Warsinske as Montana's entrants in the Northern Divisional meet in Seattle this coming week end.

The summaries:  
300-yard medley relay—Won by Montana. (Thornfeldt, Warsinske, and Halberg.) Time—3:30.  
220-yard freestyle—Won by Harasymczuk, Farragut; Simpson, Montana, second; Skrederatu, Montana, third. Time—2:35.  
60-yard freestyle—Won by McMannis,

Montana; Kerr, Montana, second; Kinnie, Farragut, third. Time—31.2.

Diving—Won by Sawhill, Montana; Lester, Farragut, second; Hockett, Farragut, third.

100-yard freestyle—Won by McMannis, Montana; Harasymczuk, Farragut, second; Halberg, Montana, third. Time—57.0.

150-yard backstroke—Won by Gillespie, Montana; Thornfeldt, Montana, second; Orman, Farragut, third. Time—1:58 (new pool record).

200-yard breaststroke—Won by Warsinske, Montana; Miller, Montana, second; Schweisser, Farragut, third. Time—2:45.8.

440-yard freestyle—Won by Harasymczuk, Farragut; Hughes, Montana, second; Gibson, Farragut, third. Time—6:04.5.

400-yard freestyle relay—Won by Montana. (Kerr, Skrederatu, McMannis, and Simpson.) Time—4:03.7.

The Grizzly splash squad will finish their season with the Minor Sports meet in Bozeman, March 6. Saturday's meet was their last home competition.

occupation and our differences have been aggravated.

The Russian outlook is the attitude of the Politburo and not of the people as a whole, she said. Democracy and liberty do not mean the same thing to the Russians as they do to us. They have never known freedom.

She told of a French farmer of her acquaintance who had voted for the Communists despite the fact that he disliked them. His reason was simple, she said. He needed parts for his farm machinery and shoes for his children and workers. The Communist collective in his area could furnish them.

The general strikes in France were planned in Moscow to coincide with the meeting of the council of foreign ministers, Miss Kirkpatrick said. There will be another attempt in France before the end of April, she added.

"I do not believe that war with Russia is inevitable, but I do believe that they can be defeated in their attempt to spread Communism only by a long range policy on the part of the United States.

"We must do a little less preaching abroad of the glories of the United States, and if we are going to be the exponents of democracy we must practice it.

"We must recognize socialism for it is the farthest to the right that the people of Europe will go."

Miss Kirkpatrick returned to this country in December of last year, and will leave shortly for India.

### MSU Hickorymen Place in Belmont Invitational Meet

Two university skiers placed in the Belmont invitational slalom and downhill ski races at Helena Saturday and Sunday.

Bob Hawkins, Helena, placed third in the "C" class competition, and Royal Johnson, Butte, Grizzly ski team captain, placed fourth in the "B" class races.

About fifteen skiers competed in the "B" races and about thirty entered the "C" events. The class "A" championship was taken by Dr. Amos Little, a Helena physician, who won the Doug Smith memorial races in Whitefish last month.

John Johnson and John Burke, both of Butte, also competed in the Belmont tournament.

### "MODELING" TOPIC FOR LESTER SPEECH
