On the Outside

Compiled from the Wires of The United Press

Unemployment Stood at 3,087,000 in January . . .
 . . . some 728,000 more than previously reported for last month, according to an unemployment re-check made by the Commerce department. The re-check was made after the first figure released was called inaccurate by some Democrats and labor leaders.

Senate Approval of Treaties by Roll-Call Vote . . .
 . . . won a 72 to 16 vote in the Senate. The ballot was the second approving a compromise change proposed by the Republican leadership in the Bricker amendment.

A Haven for Congressional Page Boys . . .
 . . . to protect them from the evils of the nation's capital has been proposed by Ruth Thompson, Republican congresswoman from Michigan. At 15 and 16 they are too young to fend for themselves in a city that has a reputation for lawlessness, she said. She wants an academy for the boys so they can live in seclusion.

Right to Choose "The Union of Their Choice" . . .
 . . . was the reason for an order issued to the Butte Labor Relations board to take an early vote affecting 5,300 Butte miners. Mine union officials at the Denver headquarters of the International Union of Mine, Mill, and Smelter workers said that the order was given to the labor relations board by a Butte district court judge.

March 15 May Soon Become Just Another Day . . .
 . . . to millions of American taxpayers. The House Ways and Means committee voted yesterday to postpone the annual tax payment day from March 15 to April 15 . . . beginning next year. The committee—currently revising the nation's taxes—says the one-month extension in filing individual returns should "relieve the difficulties" some persons have in figuring their taxes. The proposed change, one of 25 requested by Eisenhower, still must be approved by the full House and Senate.

Lawyers Give Foresters Special Invitation to Ball

"Star Dust" has been chosen as the theme for the 1954 Barristers' ball this coming Friday evening at the Florence hotel. Tickets for the dance are on sale at the Law school and in the Coke store for \$3 per couple.

Arnold Huppert, president of the Law School association, announced that the dance will be semi-formal. In past years, tuxedo and formal were the proper attire. This year the association voted to de-emphasize the tuxedo for the suit.

The Ball is open to the public. A special invitation has been issued to the Forestry school. Huppert said that the law school wishes to be nice to the Foresters after the "humiliating loss which the Foresters suffered" this past week in the basketball game between the two clubs.

Entertainment for the ball will include songs by Jeanne Couture, Arlee; Beverly Herman, Sidney; and James Cole, Missoula. Entertainment chairman is Douglas Beighle, Deer Lodge.

The ball will be held in the Governor's room of the Hotel Florence from 9 to 12 p.m. this Friday. The music will be by the Collegians. Before the ball from 7 to 9 p.m. the two fraternities, Phi Alpha Delta and Phi Delta Phi will sponsor a warm-up party.

Decorations are under the direction of the Law School Wives association. Tickets for the ball are being sold by Al Kostelik, Salida, Colo.; Arnold Huppert, Livingston; and Larry Gaughan, Missoula.

Guests of honor for the ball will be student's wives and the Law school faculty.

Books Close Today For Banquet Goers

Only 60 persons may feast on the "tasty shrimp cocktails" and the "sizzling sirloin steaks" at the Press club banquet Saturday, Feb. 20, according to chief cook Walter O'Donnell, Havre.

Registration for the remaining tickets will continue until noon today in the Journalism library with Mrs. Beatrice Pearson in charge. The price is \$1.50 per person.

The banquet will be at 5 p.m. Saturday in the Copper room of the Student Union and will be over in time for the game that night.

State Tour Planned For Musical Group

Publicity-Travel committee yesterday voted to support the state-wide tour of the Jubileers, "Cafe Parisian" and portions of "I Pagliacci" and "Cavalleria Rusticana" to the extent of \$600. The tour is tentatively planned for March 17 to 21.

Hugh deMers, Arlee, chairman of the committee, submitted a tentative budget of \$1,085 to the committee at their special meeting Tuesday afternoon.

The committee recommended that a \$100

guarantee be required of each sponsoring town. The committee added that anything left from the allocation should be returned to the committee for further use in publicity-travel.

The tentative tour schedule is: March 17—Philipsburg, Helena, and Great Falls; March 18—Lewistown and Miles City; March 19—Billings TV, and Red Lodge; March 20—Livingston, Deer Lodge or Butte TV; and March 21—Deer Lodge or Butte TV.

Eleventh Annual Mardi Gras Celebration Set for Friday

The eleventh annual Mardi Gras celebration has been scheduled for this Friday evening in the Gold room of the Student Union. Dancing and concessions will operate from 9 to 12 p.m. This French custom, now popular throughout the United States since its introduction in the Louisiana territory, is sponsored for the eighth time by the Newman club.

Candidates for the Queen and King of the Mardi Gras have been chosen and voting will take place in the Student Union Coke store on Thursday and Friday. . . . Everyone who has an activity card is entitled to vote, according to Mary Ann Burnett, Richland, Wash., operating chairman.

The Moon Moods will play for the dance. Individual living groups will sponsor the concessions. Games such as the sponge throw, darts, bingo, penny pitch, pie throwing contest, aqua-dunk, frog race, and shows such as can-can dancers, freak show, and clown classics are scheduled by the various living groups.

Originally the Mardi Gras was sponsored by the Student Union and ASMSU. Eight years ago, the Newman club was given the job of operating and coordinating the various activities connected with the celebration.

Tickets for the dance are 60c for single admissions and \$1 for couples.

Harold Hanser is president of the Newman club and general chairman of the dance. Mary Ann Burnett is operating chairman; Jim Ryan is handling publicity; and Betty Galasso is in charge of decorations.

Candidates for Queen are: Pat O'Hare, Stevensville, Alpha Phi; Mona Kisling, Virginia City, Corbin Hall; Marlene Hanlon, Billings, Tri Deltas; Nancy Schilling, Missoula, Delta Gamma; Donna Fosse, Great Falls, Kappa Alpha Theta; Mary Ann Burnett, Richland, Wash., Kappa Kappa Gamma; Mary Ellen Carey, Ekalaka, New Hall; Iris Ann Wilhelm, Kalispell, North Hall; Mary Ann Kocar, Hingham, Sigma Kappa, and Jean Herbert, Bowman, N. D., Synadelphic.

Pledges Will Give Short Law Talks

Short talks by seven new pledges will be the entertainment at the regular luncheon meeting of the Phi Delta Phi, legal fraternity, this noon in the Eloise Knowles room.

The speeches that must be on some phase of law are required by the fraternity as part of the admission requirements into the group.

Speakers at today's meeting include: Thomas Mahan, Helena; Gerald Schmidt, Cody, Wyo.; Henry Adami, Wallace, Ida.; Bruce Howe, Larry Gaughan, Arthur Thompson, and Peter Rappkock, all of Missoula.

Jim Reid, Billings, president of the PDPs, said that ties and coats are required for attendance at today's luncheon.

Jubileers Give Concert; Pres. McFarland Speaks

The Jubileers, MSU mixed choral group under the direction of Lloyd Oakland, music professor, presented a concert Saturday evening in Anaconda. The performance was for the Alumni association of District 12 which includes Powell, Granite, and Deer Lodge counties. Pres. McFarland spoke at the program.

Expert Will Give Billiard Exhibition

Charles Peterson, world famous billiard expert, will give instructions in the Student Union game room this afternoon from 1 to 5 p.m. He will give an exhibition tonight and tomorrow night at 8 p.m. Thursday he will also demonstrate the fundamentals of the game from 10 to 12 a.m. and from 1 to 5 p.m. Admission to the evening exhibitions will be 25c a person.

Theta; Bob Tofte, Williston, N. D., Phi Sigma Kappa; John Earll, Great Falls, Sigma Alpha Epsilon; Joe DeLuca, Weed, Calif.; Sigma Chi; Dave Schlieman, Missoula, Sigma Nu; Pat Ryan, Trenton, N. J., South hall and Carl Rimby, Denton, Theta Chi.

1928 MSU Grad Will Give Major Address at Convo

Dr. Otto Bessey, head of the department of bio-chemistry at the University of Texas Medical school, arrived last night for a four-day speech tour of Missoula and Butte.

Bessey, a 1928 graduate, will give the major address at the convocation marking the 61st birthday of Montana State University today at 9:30 a.m. The University Symphonic band and Jubileers will take over the remainder of the convocation.

Wednesday noon Bessey will be the guest of the "M" club luncheon

Editorial

The Key to Better Relations Is . . .

More Student Tours

MSU's student businessmen made a fine transaction yesterday afternoon. The publicity-travel committee parted with \$600 in order that the best musicians that have graced this campus in many a year may exhibit their talents across the state.

Sacrifice Three, Gain Six . . .

Since this musical ensemble will no doubt make a tremendous hit no matter where it goes, we hope the planning group will take a second look at a tentative tour produced by the budget and finance committee.

That tour would encompass all the cities in the tour listed on page one, except Philipsburg, Lewistown, and Red Lodge. Yet the B-F tour would also include Anaconda, Bozeman, Glendive, Glasgow, Havre, and Shelby.

The University Is for the Whole State . . .

If this between-quarters tour is the success we anticipate it to be, perhaps it would be wise for the publicity-travel group to consider the support of state-wide tours of departments other than the music school.

We're not condoning an indiscriminate money-spending campaign simply for the purpose of emptying an expense account. We realize that the publicity-travel committee has had extra money in past years.

If the committee is given a fund of approximately \$1,500 with which to work, it follows that the student officers that voted them that money had a definite purpose in mind.

Have They Seen Picasso in Two-Dot . . .

We feel that an extended "tour campaign" encompassing such groups as drama, art, music and other "audience appeal" departments would more than justify the money spent.

Jubileers Guests of Montana Rotarians at International Gathering in June at Seattle

The Jubileers will have a "prominent-spot on the entertainment program" at the Rotary International convention to be held in Seattle June 6 to 10 according to word received yesterday from R. E. Crangle, president of the Butte Rotary club, announced Andrew Cogswell director of the Public Service division.

The MSU singers will be guests of the Montana District of Rotary at the international convention. Last year's convention in Paris attracted over 10,000 persons.

Word that these efforts had been successful came early this week from Larry H. Dugan, Seattle, vice president and general counsel for the Chicago, Milwaukee, St. Paul and Pacific Railroad Co. and was confirmed by Arthur Gebel Jr., Seattle, chairman of the convention program committee.

"Early in December, John J. Burke, Butte, president of the Metals Bank and Trust Co., John E. Corette, Butte, president of the Montana Power Co., Crangle and other Butte Rotarians approached Dr. Luther Richman, dean of the College of Fine Arts, Carl McFarland, president, and Lloyd Oak-

land, professor of music and Jubilee director, for permission to present the Jubileers at the convention, said Cogswell. "Permission was granted, and since then, they and other Montana Rotarians, particularly District Governor Herbert W. Hines, Billings, have been completing arrangements."

Quadruplet Deer Embryos Found During Research by Grad Student

BY ANN THOMSON

The first known quadruplet deer embryos were discovered recently in a doe found on the state bison range at Moiese by Howard Sears, graduate student working with the MSU Wildlife Research unit.

"We can find no record of such multiple embryos," Dr. Ludvig

Browman, zoology chairman said. He added that none of the staff of the natural science department had ever heard of another such instance. Dr. Browman is working with Sears on the discovery.

The quads, all bucks, are fraternal. Each was produced from either a separate egg, or from the splitting of a single egg.

Last year two sets of triplets were seen following does on the bison range, and Sears discovered one set of triplet embryos in his study this year.

Knowledge of these multiple births will be helpful in determining hunting regulations in areas where the deer population is approximately known.

Dr. Browman said that such frequency of multiple births among deer may be due in some degree to the inbreeding of the deer on the bison range.

PIANO RECITAL CANCELLED

The piano recital by Rudolph Wendt of the University School of Music faculty scheduled for Friday evening has been postponed, Dr. Luther A. Richman, dean of the MSU College of Fine Arts, announced today.

Wendt's father died in Florida Sunday. Services are planned for Thursday or Friday in Rochester, N. Y.

A new date for the recital will be announced later Dr. Richman said.

The Montana KAIMIN

Established 1898

The name Kaimin (pronounced Ki-meen) is derived from the original Salish Indian word and means "something written or a message."

Grizzlies Split 'Zag' Series With 86-84 Overtime Win

Ed Fine's last-minute desperation shot Monday night gave the MSU Grizzlies a thrilling 86-84 overtime victory over Gonzaga. Fine's frantic fling snapped a 10-game Grizzly losing streak and gave the Silvertips an even break in the torrid Spokane series.

"I never saw a game where every kid on both teams came through in the clutch like they did in this game," commented Grizzly coach "Jiggs" Dahlberg upon the team's return to Missoula Tuesday afternoon.

Montana led most of the ball game but the 'Zags' snatched a 44-43 lead with four minutes gone in the third period. Then, in what Dahlberg termed a "phenomenal shooting exhibition," Ed Argenbright snapped five straight field goals and flipped a sixth in the opening minute of the fourth quarter to keep the Grizzlies in the game.

The regulation game ended 72-72 with Gonzaga's Jerry Vermillion missing a final free throw that would have handed

the Silvertips their 18th defeat of the season. With the score again knotted in the overtime, 82-all, Fine hit two free throws, Gonzaga's Bill Gray hit a south-paw pitch from mid-court, and it was Fine's turn to bring down the house.

Ed Anderson topped MSU scoring with 18, followed by George Samuelson with 16, Argenbright 14, Ritch Johnson 13, and Fine 11. Gray flipped 23 for Gonzaga and Vermillion, who fouled out in the overtime hit 18. The victory was Montana's fifth of the season and their first since Jan. 15.

WRA Basketball Teams Play Final Round Robin Tilts

Women's basketball teams are playing the last few games of the "round robin" before going into tournament play next week.

In games played last Wednesday, the Independents and North Hall were victors. The Independent team won over Alpha Phi 29 to 8 and North beat Delta Gamma 29 to 16.

Sigma Kappa and North won two games in a row Thursday and Monday. Sigma Kappa beat Kappa Alpha Theta 36 to 12 and beat New Hall 34 to 13. North Hall won over Delta Delta Delta 25 to 17 and beat Alpha Phi 37 to 12.

The Independents play Kappa Alpha Theta Wednesday at 4:15 p.m. Thursday, Corbin and Tri Delt meet at 4:15 p.m. and Alpha Phi and Delta Gamma meet at 5 p.m.

The last "round robin" games will be played Monday. The drawing for playing places in the tournament will be Tuesday and tournament games start Wednesday, Feb. 24.

Opponents' Corner

By J. D. COLEMAN

Saturday night the rejuvenated Denver University quintet will invade the Grizzly camp looking for another win that will send them up the conference ladder. The Pioneers' chances of moving as high as the first division are pretty slim because of their slow start and also the fact that they must play four of their remaining games on the road. But any team that can win from Ev Shelton's crew in Laramie is capable of picking up a verdict or two on other Skyline courts.

The Hilltoppers will stop in Logan Thursday to play the Farmers of Utah State. They upset the Aggies two weeks ago in Denver 65-60, but will find the going a little rougher on the Logan, Utah floor. The Denver veterans — Keith Patton, Tom Rhone, Dick Helzer and Wayne McClure—have given opponents the most trouble, but Coach Brawner's sophomores — Ken Furman, Dale McCallum, Terry Krumm, Mark Snyder, and Bill Jones — have, at times, been equally effective.

Monday night the New Mexico Lobos will play here in Montana's next to last chance to pick up a conference win. Montana lost to New Mexico at Albuquerque two weeks ago, 76-67, in a game that saw all of the Lobo starters score in double figures. Russ Nystedt was high for New Mexico with 20, Ed Argenbright was high for the game with 21.

The Grizzlies have only three games left in which to vacate the Skyline cellar. Even if they do win all three, there is no assurance that Denver will obligingly lose the rest of its games and relinquish its present hold on seventh place. IF Utah State should lose its remaining three games, and IF Denver should lose its last five games, and, IF Montana wins its last three games, the results would be a three-way tie for sixth place.

PEK, No Names Hold 5-0 Records

Phi Epsilon Kappa and the No Names lead League B Intra-mural basketball after five weeks of play with five victories and no losses.

The Oddballs hold down third spot with 4-1 records while South hall is in fourth place with three wins and two losses. Fifth place

Sodbusters Retain Lead in C League

The Culls, Butte Rats, Kubabes, and Sodbusters collected victories in League C Intramural games Monday night.

The league leading Sodbusters won 46-34 in their game with Seagram Seven. Danny Rieder scored 12 for the Sodbusters and Larson hit the same for Seagram Seven.

The Culls led the Pinetoppers 10-3 at the end of the first quarter and fought off a last-half rally to top the 'Toppers 32-25. Dick Beighle scored eight to spark the Culls while Gene Kuhns hit 12.

The Butte Rat squad scored a 47-32 win over the Tommyhawks. Frank Hackett made 18 for the winners while Lino Marsillo and Al Stipe hit 11 each.

Dick Heath scored 18 points in the Kubabes' 70-32 triumph over the Simonizers. The losers were led by Roger Rouse's 13 points.

goes to the Strip Houses with a 2-2 record and Geology has a 1-3 standing for sixth spot.

The Deacons and the Education club are tied for seventh and eighth with 1-4 records and Kappa Psi is in the cellar with no wins in five starts.

The leading scorers:

Player	Games	Points

DG's Lead Grade Index; All-School Average Is 2.5

The Delta Gamma's, boasting a 2.926 sorority average, topped all other campus groups in the fall quarter grade index, released yesterday by Mrs. Emma Lommasson, assistant registrar. Sigma Alpha Epsilon led the men's groups with a 2.513 average.

The all-University standing for the fall quarter period was 2.527. The ranking of the living groups, including the top two in scholastic standing, is:

Men:	
Sigma Alpha Epsilon	2.513
All University	2.501
South Hall	2.485

Alpha Tau Omega	2.428
Non Fraternity Men	2.424
Sigma Chi	2.419
All University Men	2.406
Phi Delta Theta	2.378
All Fraternity Men	2.378
Sigma Nu	2.356
Jumbo Hall	2.244
Phi Sigma Kappa	2.207
Sigma Phi Epsilon	2.198
Craig Hall	2.165

Women:	
Delta Gamma	2.926
Synadelphic	2.776
Kappa Alpha Theta	2.774
All Sorority Women	2.719
Alpha Phi	2.698
All University Women	2.684
Sigma Kappa	2.655
Non Sorority Women	2.643
New Hall	2.640
Kappa Kappa Gamma	2.607
Delta Delta Delta	2.562
All University	2.501
North Hall	2.492
Corbin Hall	2.437

Foreigner Dubious Of McCarthyism Effects in America

Does the American fear of McCarthyism prevent honest expression of opinions on this campus? As ridiculous as this question may sound, one foreign student didn't know if he could speak out freely at tonight's International Relations club meeting because of McCarthy.

"Americanism and its relation to other countries" will be discussed by a group of foreign students attending MSU at the IRC meeting at 7:30 in room 307, Liberal Arts building. The meeting will be open to all students, faculty members and the general public.

When discussing tonight's meeting with one of the foreign students, he stated that he would be glad to discuss Americanism but didn't particularly care to be investigated by McCarthy or one of his men. How many foreign people hold this belief about America will probably be one of the many questions asked at tonight's meeting.

The foreign students who will take part in the discussion include: Mahommed Yassin Azim; Afghanistan; Genevieve Correard, France; Guadalupe Da Costa, Gomes, Honduras; Joseph Hien, Viet Nam Indo-China; Lise Kure, Denmark; Birgitta Lindberg, Sweden; Catherine Tzouganatou, Greece; Andree Van Trooijen, Holland; Hsi Lin, Formosa; Thelma Francis, Virgin Islands; and Sayed Sami Ahsan, Pakistan.

Nominations for next year's IRC officers will also be considered at tonight's meeting. Refreshments will be served immediately after the discussion.

Scholastic Go In Field House Has Top Gate

A record crowd of 6,188 high school fans filled the MSU Field House Saturday night to watch the Big 16 scholastic basketball contest between Missoula and Kalispell, according to Robert W. Breen, Field House manager. This attendance topped that of the MSU-Indiana dedication game, Dec. 18, when 6,078 persons filled into the Field House arena.

Missoula high school receives the first \$500 of the net gate receipts; the University receives the next \$1,500 for operating costs; and the high school then retains anything over the \$2,000 figure, according to Breen. The initial \$500 high school guarantee is based on an average \$555.94 net income for each of the 11 Spartan basketball games played last year in the high school gymnasium.

The district 15 class C high school basketball tournament got under way last night in the Field House with Florence playing Darby, Loyola of Missoula meeting Corvallis, and Drummond battling Victor. Granite county, Philipsburg, drew a first round bye. Breen said that University students may attend the games, except for Friday's finals when admission tickets cost 75 cents, at regular 50-cent student prices.

District 15 is guaranteed \$2,000 for the four-day tourney with MSU taking the next \$4,000 for operating costs.

Guild Plays Taped For Broadcasting

"Mr. Poor Pillicody" and "The Hand," both 15-minute comedy plays, were taped last Tuesday night at the regular Radio guild meeting. Both plays will be broadcast over KGVO in the next couple of weeks.

The Pillicody play, by John Madison Morton, deals with a case of mistaken identity and the hilarious results. "The Hand," written by Daudet, is a one-act fantasy play.

The third in a series of radio guild plays entitled "The Immortal Gentleman" was broadcast over KGVO last Saturday at 2 p.m.

SIGMA GAMMA EPSILON MEETS IN MAIN HALL

The regular Sigma Gamma Epsilon Wednesday noon coffee and discussion hour will meet in Main Hall Room 3. Robert M. Weidman, instructor in the geology department, will be the guest speaker.

Bus boys serving the coffee and doughnuts will be the new Sigma Gamma Epsilon pledges, Don McGregor, Missoula; Robert Buchanan, Jack Streeter, Everett Zimmerman, Billings and Robert Chatman, Independence, Mo.

Plans are also underway to have these guild productions broadcast over several other Montana radio stations.

GROUP STUDIES FISH LIFE

Dr. Royal B. Brunson, associate professor of zoology, and Dan Block, graduate student in wildlife technology, left for Bozeman today to attend a one-day meeting of the fisheries division of the State Fish and Game commission.

Planning fish-research programs and suggesting improvements in fishing laws are some of the activities of the fisheries division which meets at least twice a year.

This meeting is mainly concerned with fish research projects. Dr. Brunson is studying the fish population, especially the Dolly Varden hull trout, in Flathead lake. Block is writing his master's thesis on a study of fish migration in the north fork of the Flathead river.

Open 'til 10 p.m.

IN THE still of the night—high above a sleeping American city—an unidentified aircraft is spotted. In a matter of seconds a lightning-like jet interceptor takes to the air. Unerringly, with an Aircraft Observer showing the way, the Air Force F-94 Night Fighter speeds to intercept the stranger. The Aircraft Observer is the man behind the pilot—the officer who keeps America's planes flying on course and on target. Without him the Air Force couldn't do its job.

What is the Aircraft Observer?

He's a Radar Officer . . . employing an all seeing eye that penetrates where human sight fails.

He's an Aircraft Performance Engineer Officer . . . knowing everything there is to know about his plane . . . keeping it fit for the skies and ready for action.

He's a Navigation Officer . . . plotting his plane's course . . . with an entire crew depending on him for a safe flight.

He's a Bombardment Officer . . . in full control of the plane over the target area . . . the Air Force Officer who "lowers the boom" on the enemy.

What the Aircraft Observer gets

He earns over \$5,000 a year. His silver Aircraft Observer wings give him prestige and distinction, and he wears the bars of an Air Force Lieutenant. They mark him as the eyes, ears, and brains of America's Number One flying team.

What it takes to be an Aircraft Observer

The Aircraft Observer must be sound of limb, keen of mind, and above all, must have the determination to be the best.

To qualify as an Aircraft Observer you must be single, between 19 and 26½ years old, and a high school graduate. However, it will be better for you and the Air Force if you stay in college and graduate before you apply. Then you, too, can be one of the best . . . as an Aircraft Observer.

WHERE TO GET MORE DETAILS:

Contact your nearest Aviation Cadet Selection Team, Air Force ROTC Unit or Air Force Recruiting Officer. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.
