Course Description

Spanish 202 is the second of two courses at the intermediate level designed to strengthen the abilities you acquired in the courses at the novice level (Spanish 101 and 102 or equivalent). Through traditional and non-traditional learning experiences, this course will help you develop all areas of language proficiency: COMMUNICATION (comprehension of oral and written texts, interpersonal conversation, and presentational skills), knowledge of CULTURE of Spanish-speaking peoples, help you CONNECT Spanish with other disciplines, establish COMPARISONS between languages and cultures, and participate in a multilingual and multicultural COMMUNITY.

Learning Outcomes¹

- I can communicate information, make **presentations**, and express my thoughts about familiar topics, using sentences and series of connected sentences through spoken or written language.
 - I can present personal information about my life, activities and events, express my preferences on familiar and everyday topics of interest and explain why I feel that way, and present on familiar and everyday topics using simple sentences.

CULTURES & COMPARISONS

Course Requirements

PRIOR KNOWLEDGE: Students should already be familiar with the grammar topics taught in SPNS 101-201 before enrolling in this course. The class will be conducted 100% in Spanish. Students are expected to address the teacher and one another other in Spanish so as to create an ideal atmosphere for total immersion.

Some useful phrases in Spanish to ask in class:

- **¿Qué significa esta palabra?** *What is the meaning of this word?*
- **¿Cómo se escribe “filosofía”?** *How do you spell “filosofía”?*
- **¿Puedes repetir, por favor?** *Can you please, repeat?*
- **No comprendo la pregunta.** *I cannot understand the question.*
- **¿Cómo se dice “landscape” en español?** *How do you say “landscape” in Spanish*

TIME COMMITMENT: The average student will study 8 hours weekly to pass this class satisfactorily (approximately 2 hours of homework and study per class period). Class time will be used to practice language skills. This course will do a **grammar review** that will allow them to be better writers and gain a deeper understanding of Spanish grammar concepts. As most grammatical points were studied in Span 101 and 102, I will ask you to review the targeted theme at home **alone**, and we will work in class with exercises, and will answer questions.

3 Exams	45%
6 Pruebas	20%
3 Compositions	20%
Attendance/Homework/participation	15%
Communities dev't project	5% (EXTRA CREDIT)
TOTAL	100%

Exam Policy: Only one missed exam is allowed **if you contact the instructor prior to the exam with an acceptable excuse.** The final exam grade will be used to replace the excused exam at the end of the semester. There will be no makeup exams. Please note; the final exam is cumulative, with a focus on the last two chapters. All electronic devices must be packed away for the duration of the exam. Baseball caps or hats with visors cannot be worn for any of the exams. Once graded, exams will be available for viewing and review during office hours.

Quizzes: Your instructor will give **Pruebas** (quizzes) on a regular basis. Only one missed quiz is allowed **if you contact the instructor prior to the quiz with an acceptable excuse.** If you miss a quiz for an acceptable excuse, the subsequent quiz grade will also be entered in the grade book in place of the missed quiz

Testing Anxiety - There are many strategies for coping with testing anxiety. Some resources on campus include Curry Health Center's Testing Anxiety workshops and courses in meditation, and Campus Recreation's Yoga classes.

grade. All electronic devices must be packed away for the duration of the quiz.

Compositions: You will be asked to write three compositions to turn in. Each one will consist of first and second draft. The first draft will be written in class whereas the second draft will be done at home. You will be expected to use only vocabulary and grammatical structures that you have learned by the time of the assignment to complete these. Take on the challenge and be creative in expressing yourself with the language you know. Please note that the use of online translators is prohibited. You are permitted to use a dictionary or your book's glossary. www.wordreference.com is an excellent online dictionary.

- *1st DRAFT:* It should be neatly hand-written, double-spaced with minimal cross-outs, on loose paper (no spiral fringe). Grading will be done using a rubric and codes that will be added to MOODLE. You will use the codes to improve your first draft into a second draft.

- *2nd DRAFT:* It will be written at home and it should improve on the first draft based on

Instructor's feedback. The second draft should be printed, double-spaced, and include your name and student ID. Also, stapled to your second draft should be DRAFT 1. Without the first draft it is impossible for the instructor to assess if you made the necessary corrections. The second draft should be ready to hand in at the start of class on the due date, unless otherwise specified. Please note that you may not submit these via email.

Attendance: Arrive for class on time, and plan to take care of bathroom visits before or after class. Attendance will be recorded daily at the beginning of class.

More than four absences will result in a lower participation grade (-1p per absence beyond 4th), as will unexcused late arrivals or early departures. If you do miss a class, it is **your responsibility** to find out what written work or other activities you missed to get caught up. Exchange contact information with at least two other classmates for this purpose.

Homework: You will have homework to complete every week. Your instructor will assign these in class or post on Moodle, and will check your completion and comprehension of the material in a number of different ways in class. If you miss class, it is YOUR responsibility to contact a classmate to learn what is for homework. In addition to spending time on new material, you should incorporate review on a regular basis. Please note that University guidelines state that for every one hour spent in class, you should expect to spend two hours on homework and studying. This course is 4-credits and fast-paced, and your success in it will depend on your consistent dedication to your work, both in and outside of class.

Participation: Participation will be assessed by volunteering often to respond to the instructor's questions or to offer ideas and opinions to the entire class,

making a strong effort to speak Spanish in class –even after finishing assigned activities-, demonstrating an attentive, alert, and engaged attitude during class as well as respect for others by contributing to a classroom atmosphere conducive to learning, avoiding texting or surfing the internet while in class, etc. Please mute your cell phone and keep it packed away during class. The use of cell phones or other electronic devices during class without prior arrangement with your instructor is unacceptable, and will result in a participation grade reduction. If you have only purchased access to your textbook via an online platform, you may have your computer open to access your book. Other use of the computer during class, such as emails, social media, or completing work for other classes is also unacceptable.

Extra credit: There will be five extra credit points in this class assigned in an all or nothing way. In order to receive them, you need to engage in four of the several opportunities that Spanish section will provide in order to create communities of learners and/or outreach projects.

- “Sunday streets”
- “Español y Mate”
- Activities by the Club de Español
- Other opportunities created by your instructor

Academic Honesty and Plagiarism: All students must practice academic honesty. Academic misconduct is subject to academic penalty by the course instructor and/or a disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. See:

http://www.umt.edu/vpsa/policies/student_conduct.php

I will work with you and Disability Services to provide an appropriate modification.

Office hours: One of the best ways to take full advantage of learning in this course is by coming to my office hours. Take advantage of the hours listed above or email me for an appointment if those times do not work for you. If you come for help with the course materials, please bring your notes and prepare your questions in advance.

Cell-phone, Tablet, and Laptop Use: You may not use cell phones in class, and I would prefer that you do not use laptops or iPads either. Checking email, texting, Facebook, etc. is distracting for you and for me.

Incomplete Grade: No "I" grade will be given in this class.

IMPORTANT NOTES:

***All Workbook (WB) exercises need to be completed for homework.** You need to self-correct your workbook assignments. If you have questions, you may ask them in class. Answers to exercises are at the end of the book. You **need to bring your workbook to class every day so the instructor checks if it has been completed.**

The exercises marked ** do not have ONE correct answer. We will go over these exercises in class as necessary and if there is enough time.
