UM STUDENT INTERNS AS CUSTOMER RELATIONS SPECIALIST

MISSOULA—

Cassandra Medler of Riverton, Wyo., a senior in communication studies at The University of Montana—Missoula, is interning this semester as a customer relations specialist with Western Title and Escrow in Missoula.

She provides customer service to lenders and Realtors, writes the company newsletter, represents the company at the Missoula Area Chamber of Commerce and participates in various business-related associations. Her parents are Kathleen Finch and John Pettry.

The Cooperative Education Department at UM's Center for Continuing Education and Summer Programs is administering Medler's internship. The department, on campus since 1981, serves to bridge the gap between education and employment. It places 400-500 interns a year throughout Montana and the nation in more than 35 fields of employment.

Information about the internship program is available at (406) 243-4614.
