Correction to: Malaria control across borders: quasi-experimental evidence from the Trans-Kunene malaria initiative (TKMI)

Aayush Khadka^{1*} , Nicole A. Perales², Dorothy J. Wei¹, Anna D. Gage¹, Noah Haber³, Stéphane Verguet¹, Bryan Patenaude¹ and Günther Fink^{1,4}

Correction to: Malar J (2018) 17:224

<https://doi.org/10.1186/s12936-018-2368-4>

Following publication of the original article [1], the authors flagged an error in Additional file 6.

The error is in the coefficient estimates presented in Column 2 of the table; exponentiated values are presented instead of standard OLS coefficients.

Please therefore now be referred to the corrected version of Additional file 6 contained in this article.

The results and analysis of the article are not affected by this error.

The authors apologize for any inconvenience caused.

Supplementary information

Supplementary information accompanies this paper at <https://doi.org/10.1186/s12936-019-2997-2>.

Additional file 6: Table S2. Disaggregating TKMI impact into immediate and follow-up effect. Programme impact disaggregated by immediate and 1-year follow-up period.
