The West Caln Baptist Cemetery is located on Old Stewart Camp Road, near Wagontown, northwest of Coatesville, PA. The following list was transcribed by Daniel Lindley from a handwritten list that he found in the Chester County Historical Society. The list, dated May 6, 1936, appears to have been taken directly from the headstones in a small cemetery on private land located on Camp Stewart Road near Hibernia Park. According to Lindley, *"The cemetery is over grown but some of the stones are readable. It has a stone or brick wall around it. You need to ask permission of the neighbor to walk in it."*
