**Significant savings, superior value.  
Just for students. And only from American Express.**

As a college student, you deserve to get as much as possible for the money you spend. That's why we've created *American Express® Student Privileges*, a program that gives you exclusive benefits, exceptional value—and an easy way to apply for the Card.

◆ **Save when you fly** ◆

By using Student Privileges Travel Certificates\*, Student Cardmembers can fly roundtrip for less than \$100 each way anywhere Continental Airlines flies in the 48 contiguous United States. For example, you can fly for as little as \$129 roundtrip from New York to Florida, or \$189 from coast-to-coast (some restrictions apply).

◆ **Now, save when you call** ◆

Once you're a Student Cardmember, we'll give you a new advantage: *up to 30 minutes\*\* of long-distance calling* on MCI every month for an entire year—absolutely free. That could be a savings of over \$44 when you use the American Express® Card as your calling card. You don't even have to change your current long-distance carrier. Also, because your calls will be billed to the Card, you can

make calls from anywhere, and you'll find it easy to keep your calls separate from your roommates'. To enroll, just fill in a four-digit PIN number on the application below.

◆ **And save in all kinds of ways** ◆

You'll also receive our student magazine, American Express® Card CONNECTIONS, with great articles, plus valuable certificates from some of your favorite retailers and restaurants. Use them and save even more.

What's more, through our special student program, you can apply as long as you're at least 18 years old and a full-time student at a four-year college, or a full-time graduate student, and don't have a negative credit history.

For just \$55 a year, the American Express® Card for students is a great value. So why wait? Apply today.

\*To be eligible, you must be approved by July 31, 1992. And you must charge your tickets to the Card within 14 days of travel. See important terms and conditions on reverse.

\*\*A credit of up to \$3.70 will appear on each billing statement for 12 months after enrollment. \$3.70 is equal to the charges for a domestic 30-minute night/weekend MCI Card Compatibility call and appropriate surcharges. You must enroll by December 31, 1992.

## GENERAL INFORMATION

### University Policy Information

By the act of registering for classes at Eastern Michigan University, students accept responsibility for reading and conforming to all policies, procedures, required dates, fees, and requirements published in the general university catalogs and in the class schedule book for each semester or session.

### Address Change

Whenever you change your address; it is necessary that the University be notified by completing a Change of Address form found at the back of this book. Failure to provide the University with complete, accurate and timely address information will leave you liable for penalties or consequences relating to billings or other communications that you may not receive because of incorrect address information.

### Audit

Courses may be audited subject to the approval of the head of the department offering the course. Audit applications may be obtained at and returned to the Registration Office, 303 Pierce Hall. No credit is awarded for class audit. Tuition and fees for auditing are the same as for courses where credit is elected. Check the University Calendar for deadlines concerning audits.

### Credit/No Credit

A credit/no credit option is utilized by departments in courses for which the standard letter grades do not seem appropriate. Such courses will be designated as \*\*CR/NC\*\* in the class schedule book. All students taking such courses will receive either "CR" or "NC" in place of the letter grade. Neither "CR" nor "NC" will have any effect on the student's grade point average. Courses for which the "CR" is received will count towards graduation requirements, and there is no limit to the number of such courses which may be taken by the individual student. The "CR"/"NC" courses elected by students do not count in the number of Pass/Fail courses that can be elected.

### Directory or Public Information

The Federal Family Educational Rights and Privacy Act of 1974 (revised June, 1976) permits the University to release or publish, without the student's consent, items in the category of "public information" which are name, address (campus and/or permanent), telephone number, date and place of birth, major fields of study, dates of attendance, degrees and honors received, the most recent previous educational institution attended, participation in officially recognized activities, including intercollegiate athletics, and the name, weight and height of participants on intercollegiate University athletic teams. Prior to the start of the Fall semester, if you wish your name, address and telephone number excluded from the annual directory, you must come to the Academic Records Office, 302 Pierce Hall and complete a "Directory Exclusion Card." If you wish to restrict any of the public information from disclosure, you must come to the Academic Records Office, and complete a "Request for Non-Release of Public Information" form.

Students using this option should understand what the consequences of this action may be. For example, if a request is made to withhold from disclosure a student's name and degrees and honors received, the university cannot make public awards

such as a Regents Scholarship or election to Phi Beta Kappa, and cannot include the student's name and degree earned in the campus commencement program without the written consent of the student. Similarly, if a request is made to withhold from disclosure a student's name and date of attendance, a student's status as a student cannot be verified for potential employers without written consent of the student. Furthermore, if a student's last instruction to the University was to withhold from disclosure the degree granted to that student and the date on which the degree was conferred, that information cannot be confirmed for a third party in connection with the appointment of that graduate to a new position or published in connection with an honor that individual subsequently receives. Students may reverse the decision of a previous semester at any time by filing a form with the Academic Records Office, 302 Pierce, indicating which items they now wish released.

### Graduation Audit-Undergraduate

Undergraduate students who have completed 95 credit hours or more should request a graduation audit by completing the form in this book and returning it to Graduation Audit in Room 302 Pierce Hall, or obtaining a form at the Graduation Audit Office.

### Graduation/Certificate Application

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. Commencement ceremonies are held in April and December only. A one-time, non-refundable application fee is charged: Undergraduate Degree-\$30.00, Master and Specialist Degree - \$35.00.

Undergraduate Degree Applications are obtained from the Academic Records Office, 302 Pierce Hall. If the application has not been filed by the end of the 50% drop period, graduation cannot be guaranteed for the semester requested.

Graduate Students see "General Information for Diploma Application" page in this book.

### Holds Placed On Registration

Eastern Michigan University may place a hold on a student's registration if either financial or academic performance obligations are not met. All holds must be cleared before a student will be allowed to register.

### Honors Program

In addition to any honors courses being offered, upper-division students who are members of the University Honors Program (UHP) may make individual arrangements for honors credit in their regular classes after consultation with their Honors Advisor.

Only those students who have applied and been admitted to the UHP are permitted to register in honors courses. Permission for honors courses must be obtained at the UHP Office 250 Jones before registration.

## Honors program (Continued)

Honors students will be permitted to register for classes on specially designated days arranged with the UHP Office.

For additional information, contact the Director, (313) 487-0341, 250 Jones Hall, Community of Scholars.

### Instructor Assignments

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule book.

### Off Campus Classes

Eligible students (see Registration Procedures) may register for off-campus (Continuing Education) classes at the same time on-campus registration is completed.

### Pass/Fail Option

A Pass/Fail option is available to any regularly enrolled junior or senior in good standing. The number of courses elected per semester is at the discretion of the student; however, a maximum of six courses are restricted to free elective courses (those not on a major, minor, curriculum or the basic studies requirements for the particular student). No graduate courses may be elected for Pass/Fail credit. No graduate student may take an undergraduate course for Pass/Fail credit.

The grade of Pass, designated as "S" on the grade report, counts as credit toward graduation and shall be issued to students earning a grade of "D-" or better. A "U" shall be issued to students earning a grade of "E". Neither a Pass nor a Fail shall be used in any way toward the calculation of the grade point average, but the Pass credit hours count toward the total necessary for graduation.

A student who qualifies and wishes to elect this option should fill out a Pass/Fail form and submit it to the Academic Advising Center, 301 Pierce Hall, and allow at least one working day for

processing the application. No requests will be approved on the spot. The option may be canceled up to the last day of classes before the official University scheduled final exam. It may be applied to a course for which a student is currently registered up to the end of the University's "Drop" period. Consult the University Calendar for actual dates.

### Repeat of Courses

To record a course as a repeat, you should indicate this at the time of registration. A student may elect to repeat any course, regardless of the grade received, with the following provisions:

1. No course may be taken more than three times, except by permission of the department head of the department in which the course is offered.
2. No student may repeat more than ten different courses in the process of completing a bachelor degree, except by permission of the Academic Standards Committee.
3. All grades earned by a student will be retained on the permanent record.
4. Only the grade received the last time the course is taken will be used in compiling graduation credits and in determining the cumulative grade point average, regardless of where the course was taken originally or where it was repeated.
5. Courses in which an "E" grade is received at E.M.U. may not be repeated at another school. To assure that the grades for repeated courses have been recalculated to the correct grade point average and academic status, students may check with the Academic Records Office, 302 Pierce Hall.

### Special Needs Students

Special priority enrollment is available for special needs students. Contact the Dean of Students Office for information (313) 487-3118.

After this time, individual withdrawals are made at the Academic Advising Center, 301 Pierce Hall, (313) (487-2170) by petition only. Students must provide evidence of a "C-" or better grade in the course, or extenuating circumstances. See Calendar for last day of withdrawals. Evening service is available at Academic Advising, Monday through Thursday, 5:00-7:00 p.m., except during Summer Semester.

Graduates may withdraw at the Registration Office, 303 Pierce Hall, through the tenth week of classes. After this time, individual withdrawals are made at the Graduate School, Starkweather Hall. Graduate students must be receiving a B or better grade in the course to be granted a withdrawal at this time.

### COURSE LOAD Undergraduate

During Fall and Winter semesters, students must register for a minimum of 12 credit hours to qualify as "full-time" for University purposes, including Financial Aid. The range for full-time

load is 12-16 credit hours. Students on academic probation and students enrolling for their first semester at E.M.U. cannot take over 16 credit hours without special permission from Academic Advising. Qualified continuing students considering taking over 16 credit hours should consult carefully with their academic advisor before taking an overload.

For the Spring and Summer semesters, the comparable "full-time" range is 6 to 8 credit hours, with a 6 hour maximum in 6 weeks. The minimum "full-time" load is 6 credit hours for Financial Aid or other purposes, whether for 6 or 7-1/2 week sessions.

### Graduate

During the Fall and Winter semesters, the recommended load for students employed full-time is 6 credit hours or two courses. Students not employed full time may elect 12 credit hours. The course load for Spring and Summer semesters is 8 credit hours, or 6 credit hours in the six-week session. For loan deferment purposes, a full-time student must take 8 credit hours in winter and fall semesters; 4 credit hours spring and summer semesters.

### Independent Study and Other Arranged Courses

Students registering for courses needing department permission or special assignments, such as Student Teaching, Applied Music, Independent and Honors courses, must get authorization at the appropriate office before registering. Without this authorization, such course requests cannot be accommodated. Students may register late, without adjustment fee, for Independent Study courses, when approved by the department head, but this must be done in person at the Registration Office.

### Seniors Electing Graduate Courses

Seniors (those who have 76 or more completed credit hours as of the current semester and have an E.M.U. 2.5 GPA) requesting graduate courses must obtain approval from the Graduate School, Starkweather Hall, AFTER obtaining their advisor's approval. An approved, signed copy of the approval form must be on file with the Graduate School prior to the second week of classes. ONLY courses numbered 500 through 596 may be elected. Seniors will not be allowed to register for graduate classes during the drop/add period. No graduate course may be elected under any condition, if the total number of credit hours registered for are more than 16. If any course is taken for graduate credit, student load restrictions in the Graduate Course Load section apply (see above).

### Graduate Students Electing Approved 400-Level Courses for Graduate Credit

Graduate students registering in approved 400-level courses for graduate credit must obtain approval from the Graduate School. Approved forms must be

on file with the Graduate School prior to the second week of classes. Only nine credit hours of approved 400-level courses can be applied to a graduate degree program.

**Late Registration**

1. After the semester has begun, students have five days to register without department permission but will be assessed the late fee. Registration after the five days will be considered only if there are unusual circumstances and it is at the sole discretion of the instructor and department head.
2. If the department head approves the registration privilege, the student is allowed to register, paying a late fee as well as 100% tuition for the course.
3. For classes/sections being dropped/exchanged, the tuition adjustment will be calculated at the rate in effect at the time of the transaction.

**Workshops, Mini-Courses, etc**

1. Students may register for workshops, special courses, mini-courses, etc., through the first day of the class without a late fee. 100% tuition and fees are payable upon registration. The Registration Fee applies if the course is the only registration during the semester or session. Students can obtain a full refund of tuition until 5:00 p.m. of the first day of the class meeting.

## FINANCIAL INFORMATION

### General Payment Information

All in-person payments are made to the CASHIER'S OFFICE in 201 PIERCE HALL (Monday-Friday 9am - 4:30pm). Payments may be made by mail to the address indicated on the envelope provided with your billing. To insure timely credit, allow 7 days for payment by mail. All payments must be made payable to EASTERN MICHIGAN UNIVERSITY, and must be identified by STUDENT NAME, NUMBER and SEMESTER BEING PAID on the envelope. VISA and MASTERCARD payments are accepted in person, by mail, or can be dropped in the depository at the College Place entrance with proper written authorization from the cardholder. Students are encouraged to open a checking account that provides access to CIRRUS or MAGIC LINE ATM machines. Such an account will insure the student of a secure place of deposit for funds, with ready access for payments of bills and necessary cash, as check cashing services are not provided.

### Billing Information

Bills are mailed two or three weeks prior to all required due dates. IT IS EACH STUDENT'S RESPONSIBILITY TO MAINTAIN A CORRECT BILLING ADDRESS WITH EMU AT ALL TIMES. Failure to do this is not sufficient grounds for relief from a missed payment.

### Resident Status for Tuition Assessment

Students are responsible for payment of tuition according to their resident or non-resident status at the time of their admission. If, after admission, a student feels his or her residence status has changed, an application for reclassification must be submitted to the Student Accounting Office no later than the end of the 100% tuition refund period. Failure to file such an application on time shall constitute a waiver of all claims to rebates or reclassification for the semester for which the student has registered.

### Fees Subject to Revision

All tuition and fees are subject to change by action of the Eastern Michigan University Board of Regents without prior notice and at any time. Such changes may be retroactive to the date of original registration. Rates in effect as of Spring 1992 (Subject to change and published here for information purposes only) are as follows:

Fall and Winter fee \$47.00 (Students with 4 or more credits)  
Spring and Summer fee \$23.50 (Students with 1 or more credits)

### Spring and Summer Payment Schedule

100% tuition and Room & Board are payable as billed at the end of the Telephone Registration period, or at the time of registration, if after the original registration.

### Installment Payment Plan Election (Fall & Winter only)

You may elect to pay 50% of your tuition and Room & Board plus all fees except for special course fees, and be billed for the remaining 50% in late October for Fall Semester, and late February for Winter Semester. An installment payment charge of \$20.00 for this service will be added to your account. If you elect this plan and fail to pay your remaining 50% by the due date, you will be charged a \$20.00 late fee each month late, and your registration, transcript, and graduation privileges will be suspended until the final balance has been paid. Refer to the calendar in the Fall and Winter class schedules for exact dates.

### Telephone Registration Holds

Beginning with Winter 92, access to the Telephone Registration System will be denied to all students who have past due balances, or are delinquent in the payment of the current semester charges. This will include University Short Term Loans, Parking, Housing, Library fines etc. It may take up to 4 work days for the hold to be removed from your file, before you will be allowed access to the Telephone Registration System.

### Confirmation of Registration

Registration requests are processed during the Telephone Registration period without a requirement for immediate payment. At the close of the Registration period, a bill is mailed. To confirm

your registration, you must make a payment equal to the minimum amount due for the semester. This bill will include an estimate of financial aid. Students whose financial aid estimate covers the minimum required payment do not need to make a payment to confirm registration. Students who have no financial aid or whose aid is not sufficient to cover the minimum amount due, must pay the minimum amount billed by the due date, or the University may CANCEL their registration. Canceled classes will be released to other students.

Students are responsible for maintaining a correct billing address with EMU at all times. If you registered during the Telephone Registration period and did not receive a bill, IT IS YOUR RESPONSIBILITY to contact the Student Accounting Office at (313)487-3335 to determine your status and make your required payment on time.

Students who register or add classes during Open Registration will be billed early in the semester, with a due date approximately 14 days later.

REGISTRATION FEES ARE NON-REFUNDABLE. By submitting a registration request, you incur this fee and it will be billed even if you drop all of your classes. If you fail to confirm your registration and your registration is canceled, you will still owe and will be billed the registration fee. If your registration is canceled and you later re-register, you will be assessed a second registration fee.

## Billing Errors or Payment Policy Questions

Questions concerning billing errors or payment policies should be directed to the Student Accounting Office.

**REQUIRED FEES APPROVED BY THE BOARD OF REGENTS ARE NOT DISPUTABLE.**

## Tuition Refunds for Dropping Classes

When you register for a class, you have contracted with the University to reserve space in that class and you are responsible by virtue of your registration for payment of tuition and fees. If you find that you cannot take a class or classes for which you have registered, you must DROP THE CLASS OR CLASSES IN PERSON, IN WRITING OR VIA THE TELEPHONE REGISTRATION SYSTEM by the required dates in order to be relieved of all (100%) or part (50%) of your responsibility for payment of TUITION. IMPORTANT--If you do not do this, the University has no way of knowing that you do not plan to attend and will continue to reserve your space in class and will hold you responsible for payment.

**CAUTION**--If you do not attend the University, you must do the following as soon as you decide not to attend:

1. DROP YOUR CLASSES at the REGISTRATION OFFICE in

person, by mail, or via the Telephone Registration system.

2. NOTIFY the OFFICE OF FINANCIAL AID that you will not be attending.

3. CONTACT the HOUSING OFFICE to arrange for CONTRACT WITHDRAWAL.

FAILURE TO DO THE ABOVE MAY LEAVE YOU WITH RESPONSIBILITY FOR PAYMENT OF TUITION, FEES AND HOUSING CHARGES THAT WILL NOT BE PAID BY FINANCIAL AID.

Actual dates concerning tuition refunds for course adjustments or complete withdrawal are printed in the University Calendar found at the front of this booklet.

## Returned Checks and Charge Card Authorizations

A check or charge returned from your bank or other financial institution unpaid (returned item) will not automatically cancel your registration with a refund of tuition charges. The University will hold you responsible for your original enrollment plan unless you follow the published procedures and schedules for dropping classes or withdrawing. We will charge the returned item to your account along with the Returned Check fee, and request immediate payment. If you do not render payment when requested, administrative action may be taken to place holds on future registration privileges, release of transcripts, and other University services. You will also face collection action for the unpaid amount.

## Change of Address

To ensure timely receipt of tuition, housing, and other billings, it is the STUDENT'S RESPONSIBILITY to inform the University of any changes to the mailing address by completing a CHANGE OF ADDRESS FORM in the Registration Office.

## Special Course Fees

Courses designated by a bullet in this booklet require an additional fee that is assessed and billed after classes begin. For information about the amount and purpose of the fee, contact the instructor or department offering the course.

## Refunds

Refunds are not issued until late in the semester when enrollments, assessments and financial aid records are substantially complete. All refund checks are mailed to the student's designated billing address.

## SPRING FINAL EXAM SCHEDULE

Whether or not a final examination shall be required will be determined by the instructor in line with departmental policy. The schedule below shall be followed. If a final exam is not given, the scheduled exam period shall be used for other class activity. Instructors are not permitted to change the schedule of examinations. Students are to take their exam with their regular class at the time indicated on this schedule. Any deviation must be approved by the instructor and the department head in which the course is offered. Approval will be given in cases of extreme emergency. ## SIGNED AUTHORIZATION FORM FROM DEPARTMENT REQUIRED FOR REGISTRATION

## MUSIC SCHEDULE - SPRING 1992

Applied Music lessons are provided for undergraduate and graduate music majors only as resources permit. Instruction for general students is not available during Summer Session.

Courses of study are offered in: Applied Brass, Applied Keyboard, Applied Strings, Applied Voice, Applied Woodwinds, and Applied Percussion.

### REGISTRATION PROCEDURE:

New Students: Music Audition and Theory Placement Required

Enrollment in curriculum in music and placement in Applied Music lessons and basic music courses are determined by the results of instrumental or vocal auditions and placement examinations in musicianship. New students may audition on February 7, March 6, or April 10, 1992. Audition applications must be postmarked at least 10 days prior to selected audition date. To arrange these tests, all new students should write to Mary Teal, Music Department, Eastern Michigan University.

All Applied Music Students:

To register for Applied Music: a) obtain written authorization from secretary in Alexander Office (N101) and b) present authorization to Registration Office when registering for classes. Students who are not properly registered will be removed from the Applied Music lists.

Applied Music assignments are posted in Alexander Music building early in the first week of classes. The student is responsible for contacting the assigned instructor and arranging for a lesson during the first week of classes.

**Notes:** Students enrolling in applied music instruction must follow the procedures outlined above. Students will not be allowed to register for applied music at the Registration Office in Pierce Hall without authorization from the Music Department.

STUDENTS WHO WITHDRAW AFTER THE 100% TUITION CREDIT DAY FORFEIT THE TOTAL APPLIED MUSIC FEE.

## TOUCH-TONE TELEPHONE REGISTRATION GUIDE

### Telephone Registration, and Add/Change/Drop Dates

See the Registration Appointment Schedule and Calendar page.

### System Hours

9:00 a.m. to 7:00 p.m. Monday - Friday  
9:00 a.m. to 6:00 p.m. Saturday  
Closed Holidays

Phone Number to Call  
(313) 487-3309

### Type of Phone to Use

#### Touch-tone Telephone

- You must use a true touch-tone telephone. A touch-tone phone is one that sends a tone when you press a key.
- Not all pushbutton phones send tones. The system cannot recognize the pulse signals sent by some pushbutton phones.

### Telephone Priority Registration

#### Appointment Time and Notice

- Students will be assigned priority enrollment based on earned credit hours by class level. You may add or drop any time after your appointment time when the system is open for registration. See "Registration Appointment Schedule" page.

#### Registration Holds

- If you have any outstanding past-due financial obligations, a hold will be placed on your record and you will not be able to use the touch-tone telephone registration system. All holds must be cleared with Student Accounting prior to registration.

#### Personal Access Code (PAC)

- The system will require you to enter your personal access code in order to register.
- Your personal access code is comparable to the access code for an automatic teller machine. It assures that only you can gain access to your registration record. Be sure to keep it confidential.
- If your PAC is lost or you suspect that its confidentiality has been breached, you may request a new PAC at the Registration Office. Requests must be made in person, and picture identification will be required.

#### Class Confirmation

- At the end of your call you may request to hear a list of your courses. You may also call the system at any time after your appointment when the system is open for the appropriate semester and request to hear a list of your courses.
- You will receive a follow-up Student Class Schedule (class confirmation) which will be mailed to you prior to the start of classes.

### If you need Help

- If you have questions or need assistance, call the Registration Office during business hours.
  - Phone number: (313) 487-2300
  - Hours: 9:00 a.m. - 4:30 p.m.  
Monday - Friday (except holidays)

### Admission/Re-Enrollment Requirements

- Beginning with Winter, 1992 registration, all students must be on the University's computer file prior to registration on the Touch-tone Telephone System. Hand written permits to register will no longer be issued.
- If you previously attended E.M.U. but have not attended within the last four semesters, you must re-enroll. Graduates students see the Graduate School in Starkweather Hall. Undergraduates see Academic Records in 302 Pierce Hall.
- Students must allow 4-6 weeks for complete applications for admission or re-enrollment to be processed before registration is possible. See the calendar page in the front of this booklet for admission and re-enrollment deadlines.

### Restrictions to Registration

- The department stamp restriction on many courses has been replaced by other specific registration restrictions.
- If the system doesn't allow you to register in a course for which you believe you are eligible, contact the department for approval. See Department Approval Procedure below.

### Department Approval Procedure

- If the department has on-line access, they can authorize you to register in a course or section. You can then register in the course using the touch-tone telephone system.
- If the department does not have on-line access, you may bring a Departmental Permission form to the Registration Office for processing.

### List Open Sections

If the section you want is full, the system will offer you the option of hearing a list of open sections.

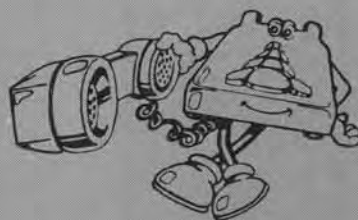

### AUTOMATIC DROPS

#### Duplicate Courses

- Students who register for more than one section of the same course (unless it's a multiple section course with lecture/lab/recitation) will have all sections of the course dropped without notice by weekly review of student's schedules by the Registration Office.

#### Course Ineligibility

- Students who register in courses for which they are not eligible will be dropped prior to the start of the semester.

## PROCEDURE SUMMARY AND CHECKLIST

- [ ] 1. Get your academic and financial holds cleared.
- [ ] 2. Select courses and alternates and enter them on the Touch-Tone Telephone Registration worksheet.

If a course has more than one instruction type (for example, lecture, lab and/or recitation), select a section for each instruction type. You must enroll for all required instruction types for such a course.

- [ ] 3. Obtain department approval for courses with Departmental Approval restrictions. Once approved, this permission will be put on the system prior to your time to register.
- [ ] 4. When your appointment time arrives, make your call. A voice response will lead you through the process step by step.

### Adding Sections - Use Action Code 1

- Enter your Section ID using the telephone keypad.
- If the course is full, the system will tell you and you can try your alternates or request to hear a list of open sections for the course.
- If the course has a restriction and you do not qualify, the system will tell you. Contact the department for approval to enroll as an exception.

### Dropping Sections - Use Action Code 2

- If you drop a course, be sure to drop all instruction types for it (for example, lecture, lab and/or recitation).

### Hear Open Sections - Use Action Code 3

- If you choose to hear a list of open sections for a course menu, the system will list all open sections.

### Review Transactions Completed Today - Use Action Code 4.

- At the end of your call it is recommended that you review your transactions completed the same day.

### Hear Your Class Schedule - Use Action Code 5

- You may request to hear a list of your courses at any time. It will not include any registration activity done on that same day, (see action code 4).

- [ ] 5. You will receive your Student Class Schedule (class confirmation) in the mail prior to the start of classes.

## TIPS FOR A SUCCESSFUL CALL

- Select at least one alternate, preferably several, for each course before you make your call.
- Get your academic and financial holds cleared well ahead of your appointment.
- Obtain an advising appointment ahead of your appointment time.
- Arrange for department permissions or overrides well in advance of your call.
- Use touch-tone telephone.
- If you have questions or need help, call (313) 487-2300 or stop by the Registration Office 303 Pierce Hall. We want to help make your call a success!
- Have your Student Number, Personal Access Code, Worksheet, and Class Schedule book with you when you make your call.
- If you don't understand the voice prompt the first time, listen again. The system will repeat the message.

## SIGNED AUTHORIZATION FORM FROM DEPARTMENT REQUIRED FOR REGISTRATION

## OVERRIDES AND OVERRIDE POLICIES

The following information is provided to help students know what the override policy is for each academic department and to locate the offices where override requests may be made.

### General Guidelines for Issuing Overrides

1. All override request forms are obtained in department offices.
2. All overrides will be issued in department offices.
3. In some departments overrides are given in excess of the departmental limit. In such cases, the overrides must be authorized in writing by both the faculty member and the department head.
4. Class attendance does not entitle a student to an override.
5. When overrides are provided, they normally do not exceed ten percent (10%) of class capacity.
6. Students should contact department offices to determine the dates when departmental overrides will be issued.

### Specific Departmental Overrides Policies

#### ARTS AND SCIENCES

##### African-American Studies (620 Pray-Harrold)

Overrides are distributed on a first-come, first-served basis. Overrides require instructor's and department head's approval.

##### Art (114 Ford)

All students must complete an Art Department override form. Art Department faculty will determine, from reviewing the forms, those students who will receive overrides. If unable to obtain an override prior to class, students should attend the first day of class. If at this time they are given permission, the student must get a note signed by the instructor and bring it to room 114 Ford Hall to receive the override.

##### Biology (316 Mark-Jefferson)

The Department Secretary distributes override request forms which must be returned with the instructor's signature before the Secretary can issue overrides. Available work stations and equipment in laboratory sections of a course as well as rated physical capacity of lecture halls determines the upper limit of overrides which may be authorized by the instructor.

## OVERRIDES AND OVERRIDE POLICIES (Continued)

### Chemistry (225 Mark-Jefferson)

Overrides are not normally given for chemistry courses. The capacity of lecture sections is set by the Department and is based on pedagogical considerations. The capacity of laboratory sections is limited by safety and pedagogical considerations, and the capacity of the associated lecture section.

Waiting Lists for students seeking entry into a closed course are maintained in Chemistry Department Office. Students should note that students registered for a laboratory course must attend the first meeting of the laboratory to be assured of their place in that class. Students on the waiting list for a laboratory may be given unclaimed laboratory positions at the first meeting.

If a student does not get into a closed course from the waiting list, an override may be granted after the first meeting of lab and lecture if all of the following conditions are met:

1. Extenuating circumstances prevent the student from enrolling in another existing open section or from taking the course the next time it is offered.
2. Laboratory capacity does not prevent temporarily increasing the class maximum.
3. The instructor's permission is obtained.
4. The Chemistry Department Head's permission is obtained.

Honors, Research and Co-op Courses require Chemistry Department permission before the student may enroll. Course registration cards for these classes are available in the Chemistry Department Office. A list of students accepted into honors courses is also on file in the office. Enrollment in Research Courses requires permission from the research supervisor or Graduate Coordinator. Enrollment in Co-op courses requires permission of the Co-op advisor.

### Communication and Theater Arts (124 Quirk)

For Speech 121/124, no overrides will be given. Last semester senior may request an override from the instructor. For all other CTA courses instructors approve all override requests.

### Computer Science (511 Pray-Harrold)

Overrides are determined on a first-come, first-served basis. Students must be on a waiting list to receive an override. Overrides must be authorized by the instructor and the department head.

### Economics (703 Pray-Harrold)

No override will be issued in any of Economic classes. The class capacity/department cutoff for all classes are listed at the maximum.

## OVERRIDES AND OVERRIDE POLICIES (Continued)

### English (612 Pray-Harrold)

Overrides must be authorized by the instructor and the department head. No overrides are given for ENG 120 and ENG 121. Overrides are also not issued for some specific additional classes.

### Foreign Languages and Bilingual Studies (219 Alexander)

No overrides will be given for English as a Second Language courses. For all other classes, overrides may be given. Students must be on a waiting list to receive an override and must attend all scheduled class meetings of the class in question until at least seven (7) calendar days after the start of classes in order to be considered for an override. There is no guarantee that students on waiting lists will be allowed to register for those classes.

### Geography and Geology (203 Strong)

Overrides must be authorized by the instructor and the department head. Overrides in laboratory courses are limited to the number of stations available.

### History and Philosophy (701 Pray-Harrold)

The listed class capacities are the maxima allowable under departmental policy. Therefore, no overrides will be issued, except to seniors who can provide the department head with written proof that enrollment in a given class will enable them to graduate at the end of that semester.

Under departmental policy, no faculty member has any authority to grant or even to recommend overrides. Students should understand that appealing to faculty members will have no effect.

No overrides will be authorized after the beginning of the second week of classes (i.e., after 5 days of daytime classes or after the second meeting of an evening class).

Students are entitled to attend only those classes in which they are formally enrolled. Unauthorized attendance at classes, for whatever length of time, will not lead to the granting of overrides.

### Mathematics (515 Pray-Harrold)

Overrides must be authorized by the instructor and the department head.

### Music (101 Alexander)

Overrides must be authorized by the department head or the coordinator of advising for the Department of Music.

## OVERRIDES AND OVERRIDE POLICIES (Continued)

### Physics and Astronomy (303 Strong)

Overrides are distributed on a first-come, first-served basis. Overrides in laboratory course are limited to number of stations available. Overrides will be given for multiple section courses, only after all sections have been filled.

### Political Science (714-Pray Harrold)

DEPENDING ON EACH INDIVIDUAL INSTRUCTOR'S PREFERENCE, the Department of Political Science either:

A. makes "Overrides" available by increasing the class capacity of a section by 10% so that students who have participated in drop-off/mail-in registration may pick up these additional seats through the on-line drop/add computers at Registration;

or B) allows overrides to be obtained directly from the instructor. An instructor who prefers policy B will personally sign and issue a "Departmental Authorization to Waive Enrollment Restriction" form if she/he is willing to allow your enrollment.

Number of overrides distributed per section is usually not more than 10%. This can vary due to other factors, such as room size, course complexity, etc. **INSTRUCTORS ARE NEVER UNDER ANY OBLIGATION TO PROVIDE OVERRIDES.** Some prefer to let the Computers handle overrides via policy A; others prefer to distribute their own (policy B) based on their judgement of students' needs. See the Department of Political Science for current information about individual instructors' override distribution preferences. Then, for policy B, see instructors in their classrooms or in their offices during their posted hours (walk-in) to request overrides. **THIS POLICY APPLIES TO ALL REGULAR UNDERGRADUATE PLS COURSE (112, 200-499). OTHER POLICIES APPLY FOR SPECIAL PERMISSION, PASS, HONORS OR GRADUATE SECTIONS.**

### Psychology (537 Mark-Jefferson)

Overrides are distributed for non-laboratory undergraduate classes on a first-come, first-served basis. Students must receive instructor approval for overrides for laboratory courses. Overrides for graduate courses are given to students who have the course as a requirement in their major, and preference is given to students who must have the course to graduate that year.

### Sociology (712 Pray-Harrold)

Overrides are distributed on a first-come, first-served basis. Overrides must be authorized by the instructor and the department head.

## OVERRIDES AND OVERRIDE POLICIES (Continued)

### COLLEGE OF BUSINESS

#### Accounting (406 Owen)

Overrides for ACC 240 and ACC 241 are distributed by the Coordinator of Academic Advising for the College of Business (401 Owen). Overrides for all graduate courses are distributed by the Coordinator for Graduate Business Programs (401 Owen). For all other courses, overrides will be distributed on a first-come, first-served basis, during the program adjustment periods.

#### Finance (404 Owen)

Written override requests are required for all 300 and 400 level courses. Request forms are available in the departmental office. Overrides for the 300/400 level are approved by the department. Overrides for all graduate courses are distributed by the Coordinator for Graduate Business Programs (Mr. Whitmire, 401 Owen). Overrides are given on the following basis: (1) major semester hours completed, and GPA; (2) the reason the override is needed (is it a hardship case?).

#### Management (466 Owen)

Students must complete a written request for an override for MGT 300 and 400 level courses. Preference will be given to management majors and those for whom the course is required for a business program. Override requests will be given to the appropriate faculty members for distribution at their discretion on the first day of class. For MGT 202, overrides will be distributed by the Coordinator for Academic Advising for the College of Business. Overrides for graduate courses are controlled by the Coordinator for Graduate Business Programs. Overrides for MGT 490 are limited to graduating seniors and are administered by the Coordinators for Business Policy.

#### Marketing (469 Owen)

All overrides will be controlled by the Department Heads' Office.

#### Operations Research and Information Systems (412 Owen)

Overrides for ORI 215, ORI 265, and ORI 375 are distributed by the Coordinator of Academic Advising for the College of Business. Overrides for all ORI graduate courses are issued by the Coordinator for the Graduate Business Program with priority given to students in College of Business programs to satisfy prerequisite and course requirements. All other cards are distributed by the ORIS Department.

**GENERAL INFORMATION FOR DIPLOMA APPLICATION  
MASTER'S, SPECIALIST'S AND CASCI**

The Graduate School / Eastern Michigan University

**Application for Graduation**

Candidates for graduate degrees must submit an Application for Graduation by the deadline date for the semester in which they plan to complete degree requirements (see calendar below). The completed Application for Graduation, together with the graduation fee, should be turned in at the Cashier's Office in Pierce Hall. The Cashier's Office will validate the form with the date received and fee paid and forward the application to the Graduate School Office.

**Graduation Process**

The records of each graduate degree applicant are reviewed to determine graduation eligibility. Each student is sent a Graduation Check-Out Sheet. A copy is also forwarded to the coordinator of advising for that student's academic department for review and recommendation. Upon receipt of the department's recommendation, the student is notified by letter of his/her clearance for graduation. Degree Verification letters are sent to all students who have completed degree requirements. Students enrolled in the semester in which they have applied for graduation are sent Degree Verification letters approximately three weeks after grades have been received at the end of the semester. Diplomas and a complimentary transcript are mailed eight to ten weeks after the semester ends.

The Graduate office *cannot* accommodate special requests for advanced verification. The degree recommendation/clearance letter documents the University's degree verification process and can be used to inform any employer of the date when degree certification can be expected.

**Graduation Requirements**

Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

- **Grade Point Averages:** No student will be recommended and approved for the master's or specialist's degrees unless the student has achieved a grade point average of 3.0 in the master's or 3.3 in the specialist's degree programs. This grade point average requirement applies to all graduate credit taken at EMU and all graduate credit in the area of concentration/specialization.
- **Residency:** At least six hours of graduate credit used on the degree must be taken on campus in Ypsilanti for a master's degree. For the specialist's degree, at least sixteen hours must be taken on campus.
- **Time Limitation:** All requirements for master's and specialist's degrees must be completed within six calendar years from the time of the first course used on the degree program.

**Graduate Record Updates**

All course work accrued prior to the graduation semester must be completed, documented/validated as required, and made a matter of record by the deadline date of the expected graduation period (See calendar above).

- **'I' (Incomplete)/Thesis:** Required course components must be completed and 'I' grade converted to letter grade. Thesis copies must be in the Graduate Dean's office by the deadline date of the expected graduation period.
- **Transfer Credit:** Filing of official transcript(s) in the Graduate School is required to post transfer credit. Students taking their last courses at another university to fulfill degree requirements at EMU should apply for the graduation period following the semester in which the course is completed because of time factors involved in receiving transcripts and finalizing the graduation check-out process. Letters from professors or grade reports are *not* acceptable substitutions for transcripts.
- **Out-of-Date Credit:** Courses which are more than six years old must be validated for use on a program of study. For information on this process, please contact the assistant dean at (313) 487-0048. Validation must be completed and recorded by the Graduate School by the deadline date of the expected graduation period.
- **Certification:** Candidates graduating from the College of Education must hold or have satisfied the requirements for a Teaching Certificate and a copy must be on file with the Graduate School. If a teaching certificate has not been earned, a waiver must be signed and submitted to the Graduate School. This may be obtained from the academic department or the Graduate School. If a certificate is desired, please contact the Records and Certifications Office, 302 Pierce Hall, (313) 487-4111.

All questions regarding graduation from the master's and specialist's degree programs should be directed to the Graduate Records Office, Starkweather Hall, (313) 487-0093.
