GENERAL INFORMATION

Academic Probation

If you are down honor points, you may not register for Group IV Education classes or elect Pass/Fail. If you have registered for education classes and subsequently placed on probation, your education classes will automatically be dropped.

Account Adjustments & Refunds

Actual dates concerning tuition refunds for course adjustments or complete withdrawal are printed in the University Calendar found at the front of this booklet. An appeals process exists as follows for those who feel that individual circumstances warrant exceptions from published policy.

1. Obtain a "Tuition Appeal Application" from the Student Accounting Office, fill out the application, and return to the Student Accounting Office. The Student Accounting Office will notify you of approval or disapproval by mail.
2. If your application is not approved and you disagree with the decision, appeal to the Coordinator for Student Business Services in the Student Accounting Office.

ALL APPEALS MUST BE FILED NO LATER THAN 15 DAYS AFTER THE SEMESTER ENDS.

Address Change

Whenever you change your address; local, home or billing; it is necessary that the University be notified by completing a Change of Address form found at the back of this booklet. Failure to provide the University with complete, accurate and timely address information will leave you liable for penalties or consequences relating to billings or other communications that you may not receive because of incorrect address information.

Audit

Courses may be audited subject to approval of the head of the department offering the course. Audit applications may be obtained at the Registration Office, Briggs Hall. No credit is awarded for a class audit. Tuition and fees for auditing are the same as for enrollment in courses where credit is elected. Check the University Calendar for deadlines concerning audits.

Cancellation of Registration/Complete Withdrawal

Once you have verified your registration and classes begin, failure to attend class or to complete payment of tuition does not change your enrollment status or absolve you from financial or academic responsibilities. You should withdraw from the University as soon as possible to avoid receiving failing grades. Complete withdrawal from the University is made at the Registration Office, Briggs Hall, by completing the form found at the back of this booklet or by submitting a letter to the Registration Office.

GENERAL INFORMATION (Continued)

Course Adjustments

(During 100% & 50% Tuition Credit Period)

Students wishing to adjust their schedule (add, drop or change classes) may do so at the Registration Office, Briggs Hall. Consult the University Calendar for exact dates concerning adjustment periods, tuition credits/refunds, etc.

Withdrawals

(After 50% Tuition Credit Period)

Undergraduates withdraw from individual classes at the Registration Office, Briggs Hall, through the tenth week of classes. After this time, individual withdrawals are made at the Academic Advising Center, 229 Pierce Hall, by petition only. Students must provide evidence of a C- or better grade in the course, or extenuating circumstances. See Calendar for last day of withdrawals.

Graduates withdraw at the Registration Office, Briggs Hall. After the tenth week of classes, graduate students must be receiving a B or better grade in the course to be granted a withdrawal.

Course Fees — Special Assessments

Some courses carry special fees to cover extra costs and materials. These fees are assessed at the close of the program adjustment period. Such courses are designated by a bullet (●).

Course Load

UNDERGRADUATE

During the Fall and Winter semesters, the recommended maximum full-time load is 16 hours (15 hours with Student Teaching) plus any activity hours elected. No student on academic probation may take more than a full load and no first semester student may take more than a full load without special permission from the Academic Advising Center.

During the Spring and Summer sessions, a load of 8 hours, or 6 hours in the six-week session, including Pass/Fail courses, is the maximum. No student on academic probation may take more than a full load of 8 hours (6 hours in the six-week session) and no first semester student may take more than a full load without the special permission of the Academic Services Center.

GRADUATE

During the Fall and Winter semesters, the recommended load for students employed full-time is 6 hours or two courses. Students not employed full-time may elect 12 hours. The course load for Spring and Summer sessions is 8 hours, or 6 hours in the six-week session. For loan deferment purposes, a full-time student must take 8 hours winter and fall; 4 hours spring and summer.

GENERAL INFORMATION (Continued)

Credit/No Credit

A credit/no credit option is utilized by departments in courses for which the standard letter grades do not seem appropriate. Such courses will be designated as **CR/NC** in the class schedule. All students taking such courses will receive either "CR" or "NC" in place of the letter grade. Neither "CR" nor "NC" will have any effect on the student's grade point average. Courses for which "CR" is received will count towards graduation requirements, and there is no limit to the number of such courses which may be taken by the individual student. The "CR/NC" courses elected by students does not count on the number of Pass/Fail courses that can be elected.

Graduation—Certification Application

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. A one-time, non-refundable application fee is charged: Undergraduate Degree - \$20.00; Masters and Specialist Degree - \$25.00.

Undergraduate Degree applications are obtained from the Office of the Registrar, Room 5, Pierce. If the application has not been filed by the end of the 50% drop period, graduation cannot be guaranteed for the semester requested.

Graduates see page 59 for due dates and application.

Holds Placed on Registration

Eastern Michigan University makes use of a "hold card" procedure whereby a card is substituted for a student's registration cards to insure that the student is not allowed to complete registration until specific conditions which caused the use of the card are met.

Hold cards are used for the following general purposes:

Financial Hold Cards - A properly authorized agency of the University may place a hold card against a student who has not met a legitimate financial obligation to the University when due.

Judicial Hold Cards - A properly authorized administrative officer may place a hold against a student who has been suspended through due process procedures.

Conditions-of-Enrollment Cards - A properly authorized agency of the University may place a hold against a student who has demonstrated not to have fulfilled a duly established condition of enrollment.

Honors Program

In addition to any honors courses being offered, upper-division students who are members of the University Honors Program (UHP) may make individual arrangements for honors credit in their regular classes after consultation with their Honors Advisor.

GENERAL INFORMATION (Continued)

Honors Program (Continued)

Only those students who have applied and been admitted to the Honors Program are permitted to enroll in honors courses. Class cards for honors courses must be picked up at the UHP Office (250 Jones) before the student comes to Registration.

Honors students presenting a valid UHP identification card will be permitted to register for classes on a specially designated day. Those who fail to register during this time must do so in the normal (alphabetical) rotation.

For additional information, contact the Director (487-0341), 250 Jones, Community of Scholars.

Independent Study and Other 'Arranged' Courses

Students registering for courses needing department permission or special assignments, such as Student Teaching, Applied Music, Independent Study and Honors courses, must get the class card or written permission at the appropriate office before registering and submit it with the course requests. Without this authorization, such course requests cannot be accommodated. Students may register late without adjustment fee for Independent Study courses when approved by the Department Head.

Instructor Assignments

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule.

Off-Campus Classes

Eligible students (see Registration Procedures) may register for off-campus (Continuing Education) classes at the same time on-campus registration is completed, either by mail or in-person.

Pass/Fail Option

A Pass/Fail option is available to any regularly enrolled junior or senior in good standing (not on probation). The number of courses elected per semester is at the discretion of the student; however, only a maximum of six courses will apply toward graduation. Courses are restricted to free elective courses (those not on a major, minor, curriculum or the basic studies requirements for the particular student). No graduate courses may be elected for Pass/Fail credit. No graduate student may take an undergraduate course for Pass/Fail credit.

GENERAL INFORMATION (Continued)

Pass/Fail Option (Continued)

The grade of pass, designated as "S" on the grade report, counts as credit toward graduation and is issued to students earning grades of A, B, C, or D. A "U" shall be issued to students earning a grade of "E." Neither a pass nor a fail shall be used in any way toward the calculation of the grade point average, but the pass credit hours count toward the total necessary for graduation.

A student who qualifies and wishes to elect this option should fill out a Pass/Fail form and submit it to the Academic Advising Center, 229 Pierce, and allow at least one working day for processing the application. If approval is granted, the student takes the approval form to the Registration Office, Briggs Hall. No requests will be approved on the spot. The option may be cancelled up to the last day of classes before the official University scheduled final examinations. It may be applied to a course for which a student is currently registered up to the end of the University's "Drop" period. Consult the University Calendar for actual dates.

Repeat of Courses

To record a course as a repeat, you should notify the checkout clerk at the time of registration. A student may elect to repeat any course, regardless of the grade received, with the following provisions:

1. No course may be taken more than three times, except by permission of the head of the department in which the course is offered.
2. No student may repeat more than ten different courses in the process of completing a baccalaureate degree, except by permission of the Academic Standards Committee.
3. All grades earned by a student will be retained on the permanent record.
4. Only the grade received the last time in the course is taken will be used in compiling graduation credits and in determining the cumulative grade point average, regardless of where the course was taken originally or where it was repeated.

To assure that the grades for repeated courses have been re-calculated for the correct grade point average and academic status, students may check with the Registrar's Office, Room 5, Pierce Hall.

Seniors Electing Graduate Courses

Seniors (those who have 70 or more hours as of April, 1988 and have a 2.5 GPA) requesting graduate courses must obtain approval from the Graduate School, 116 Pierce Hall, AFTER obtaining their adviser's approval. ONLY courses numbered 500 through 596 may be elected. No graduate course may be elected under any conditions if the total academic credit hours are more than 16. If any course is taken for graduate credit, student load restrictions in the Graduate Course Load section apply (see General Information).

GENERAL INFORMATION (Continued)

Student IDs

A student ID card is required for use of the library and the IM facility. ID cards can be obtained at the Registration Office during regular office hours.

WORKSHOPS, MINI-COURSES, ETC.

Courses Commencing at Start of Session

1. Students may register for a course which begins at the start of a session without a late fee prior to the beginning of the session. Students should register by this time so that they can begin classes at the first session.
2. After the session has begun, students have five days to register without department permission but are assessed the late fee. Registration after the five days will be considered only if there are unusual circumstances and it is at the sole discretion of the department head.
3. If the academic department head approves the registration privilege, the student is allowed to register paying a late adjustment fee as well as 100% tuition of the course.
4. For classes/sections being dropped/exchanged, the tuition adjustment will be calculated at the rate in effect at the time of the transaction.

Courses Commencing at Date Other Than Start of a Session

1. Students may register for workshops, special courses, mini-courses, etc., through the first day of the class without late fee. 100% of tuition and fees are payable upon registration. The Registration Fee applies if the course is the only registration during the semester or session. Full refund of tuition until 5:00 P.M. of the first day of the class meeting.
2. Students may register without late adjustment fee for Independent Study courses when approved by the department head.
3. Audit and Pass/Fail must be declared at the time of registration.
4. The final examination period will be considered to be the last published day of the class. Any withdrawal or removal of Pass/Fail must be done prior to this date.

FINAL EXAM SCHEDULE

Whether or not a final examination shall be required will be determined by the instructor in line with departmental policy. The schedule below shall be followed. If a final exam is not given, the scheduled exam period shall be used for other class activity. Instructors are not permitted to change the schedule of examinations. Students are to take their exam with their regular class at the time indicated on this schedule. Any deviation must be approved by the instructor and the department head in which the course is offered. Approval will be given in cases of extreme emergency. Consult the University Catalog for other regulations governing examinations.

REGISTRATION PROCEDURES

1. Check eligibility requirements.
2. Complete top portion of this form.
3. Obtain class cards and adviser's signature (if required).
4. Fill in course selections on reverse side.

When registering for courses needing department permission or special assignment, such as Student Teaching or Independent Study, you must first obtain the class card or written permission from the appropriate office before registering and submit it with the course request. Without this authorization, such course requests cannot be accommodated.

COURSE LOAD

Graduate Student

During the fall and winter semesters, the recommended load for students employed full-time is six hours or two courses. Students not employed full-time may elect 12 hours. The course load for spring and summer is eight hours, or six hours in the six week session.

Undergraduate Student

During the fall and winter semesters, the recommended maximum full-time load is 16 academic hours (15 with Student Teaching) plus any activity hours elected. **No student on academic probation may take more than a full load and no first semester freshman may take more than a full load without special permission.**

Undergraduate students who expect to fulfill bachelor's degree requirements at the end of this semester, check the box and a graduate application will be sent. ☐

Graduate students who expect to fulfill master's or specialist's degree requirements at the end of this semester, see page 59 for graduation application.

SUMMER 1988

Applied Music lessons are provided for undergraduate and graduate music majors only as resources permit. Instruction for general students is not available during Summer Session.

Courses of study are offered in: Applied Brass, Applied Keyboard, Applied Strings, Applied Voice and Applied Woodwinds.

REGISTRATION PROCEDURE

New Students: Music Audition and Theory Placement Required

Enrollment in curriculum in music and placement in Applied Music lessons and basic music courses are determined by the results of instrumental or vocal auditions and placement examinations in musicianship. New students may audition on March 17, 18, 1988, April 15, 1988 or June 10, 1988. Audition applications must be postmarked at least 10 days prior to selected audition date. To arrange these tests, all new students should write to Mary Teal, Music Department, Eastern Michigan University.

All Applied Music Students:

To register for Applied Music: a) obtain written authorization from secretary in Alexander Office (N101) and b) present authorization to Registration Office when registering for classes. Students who are not properly registered will be removed from the Applied Music lists.

Applied Music assignments are posted in Alexander Music building early in the first week of classes. The student is responsible for contacting the assigned instructor and arranging for a lesson during the first week of classes.

NOTES: Students enrolling in applied music instruction must follow the procedures outlined above. Students will not be allowed register for applied music at the Registration Office in Briggs Hall without authorization from the Music Department.

STUDENTS WHO WITHDRAW AFTER THE 100% TUITION CREDIT DAY FORFEIT THE TOTAL APPLIED MUSIC FEE.

Eastern Michigan University Summer School

May through August 1988

Come join us this summer on the beautiful campuses of Northwestern Michigan College and North Central Community College and the pleasant surroundings of Sylvan Resort and Hidden Valley Resort in Gaylord.

Traverse City

Northwestern Michigan College July 31-August 26

The Eastern Michigan University-Northwestern Michigan College summer school program enters its third year of operation this year. Last year 500 students attended 35 courses at Northwestern's beautiful campus. This year, Northwestern Michigan College's Office of Campus Service and Student Activities will be scheduling rooms and meal plans. They have reserved 230 spaces for the periods of July 31 to August 5, and August 14 to 26. During the week of August 6-13, only 110 spaces are available. Rooms will be reserved on a first come, first served basis. A basic package of room and board for a seven day week is \$120. For further information please call (616) 922-1400.

Eastern Michigan University's office will be located in the East Hall dormitory.

Petoskey

North Central Michigan College June 27-July 15

This will be our first year offering classes at the Petoskey site. North Central Michigan College has an attractive campus located in this famous resort area. The basic room and meal package will run \$120 per seven day week. ALL ROOM AND MEAL RESERVATIONS MUST BE MADE WITH EASTERN MICHIGAN UNIVERSITY BY CALLING KAREN (313) 487-0407. BECAUSE OF THE EARLY STARTING DATE, WE MUST KNOW YOUR LODGING INTENTIONS FOR NORTH CENTRAL BY MAY 20. AFTER THAT DATE WE CANNOT GUARANTEE SPACE AT THIS FACILITY.

Eastern Michigan University will staff an office in the main classroom building at North Central Community College. Contact North Central's Continuing Education Office for information at (616) 347-3972.

Gaylord

Sylvan Resort May 1-3

Eastern Michigan University, in cooperation with Gaylord's Sylvan and Hidden Valley Resorts, will be offering a golf and tennis school at this emerging sports destination area.

Complete information on our summer school will appear in our Continuing Education Summer Bulletin. It will be available April 15.

OVERRIDES AND OVERRIDE POLICIES

The following information is provided to help students know what the override policy is for each academic department and to locate the offices where override requests may be made.

General Guidelines for Issuing Overrides

1. All override request forms are obtained in department offices.
2. All overrides will be issued in department offices.
3. In some departments overrides are given in excess of the departmental limit. In such cases, the override must be authorized in writing by both the faculty member and the department head.
4. Class attendance does not entitle a student to an override.
5. When overrides are provided, they normally do not exceed ten percent (10%) of class capacity.
6. Students should contact department offices to determine the dates when departmental overrides will be issued.

Specific Departmental Override Policies

ARTS AND SCIENCES

Afro-American Studies (304 Goodison)

Overrides are distributed on a first-come, first-served basis. Overrides require instructor's and program director's approval.

Art (114 Ford)

All students must complete an Art Department override form. Art Department faculty will determine, from reviewing the forms, those students who will receive overrides.

Biology (316 Mark-Jefferson)

The Department Secretary distributes override request forms which must be returned with the instructor's signature before the Secretary can issue overrides. Available work stations and equipment in laboratory sections of a course as well as rated physical capacity of lecture halls determines the upper limit of overrides which may be authorized by the instructor.

OVERRIDE POLICIES (Continued)

Chemistry (225 Mark-Jefferson)

Overrides are distributed for laboratory courses depending upon available work stations. Lecture course overrides are normally given if the student is enrolled in a laboratory section. Instructor's permission is required to obtain an override to an upper level course.

Communication and Theatre Arts (124 Quirk)

For Speech 121/124, overrides will be given only when all sections are filled. Students must be on a waiting list to receive an override. Preference will be given to graduating seniors and transfer students majoring in business. For all advanced courses (200, 300, 400 level), faculty approve all override requests.

Computer Science (620 Pray-Harrold)

Overrides are determined on a first-come, first-served basis. Students must be on a waiting list to receive an override. Overrides must be authorized by the instructor and the department head.

Economics (703 Pray-Harrold)

Overrides will be given for multiple section courses, only after all sections (i.e. ECO 201, ECO 202) have been filled.

English (612 Pray-Harrold)

Overrides must be authorized by the instructor and the department head. No overrides are given for ENG 201 and ENG 121. Overrides are also not issued for some specific additional classes.

Foreign Languages and Bilingual Studies (219 Alexander)

No overrides will be given for English as a Second Language courses. For all other classes, overrides may be given. Students must be on a waiting list to receive an override and must attend all scheduled class meetings of the class in question until at least seven (7) calendar days after the start of classes in order to be considered for an override. There is no guarantee that students on waiting lists will be allowed to register for those classes.

Geography and Geology (203 Strong)

Overrides must be authorized by the instructor and the department head. Overrides in laboratory courses are limited to the number of stations available.

OVERRIDE POLICIES (Continued)

History and Philosophy (701 Pray-Harrold)

Overrides are distributed on a first-come, first-served basis. No overrides or late adds are authorized after the beginning of the second week of classes (i.e. after 5 days of daytime classes or after the second meeting of an evening class).

Mathematics (601 Pray-Harrold)

Overrides must be authorized by the instructor and the department head.

Music (101 Alexander)

Overrides must be authorized by the department head and coordinator of advising of the Department of Music.

Physics and Astronomy (303 Strong)

Overrides are distributed on a first-come, first-served basis. Overrides in laboratory courses are limited to number of stations available. Overrides will be given for multiple section courses, only after all sections have been filled.

Political Science (714 Pray-Harrold)

Overrides are distributed on a first-come, first-served basis.

Psychology (537 Mark-Jefferson)

Overrides are distributed for non-laboratory undergraduate classes on a first-come, first-served basis. Students must receive instructor approval for overrides for laboratory courses. Overrides for graduate courses are given to students who have the course as a requirement in their major, and preference is given to students who must have the course to graduate that year.

Sociology (712 Pray-Harrold)

Overrides are distributed on a first-come, first-served basis. Overrides must be authorized by the instructor and the department head.

VERRIDE POLICIES (Continued)

COLLEGE OF BUSINESS

Accounting and Finance (516 Pray-Harrold)

Overrides for ACC 240 and ACC 241 are distributed by the Coordinator of Academic Advising for the College of Business (517 Pray-Harrold). Overrides for all graduate courses are distributed by the Coordinator for Graduate Business Programs (517 Pray-Harrold). For all other courses written override requests are required. Request forms are available in the departmental office. Overrides are given on the following basis: (1) major semester hours completed, and GPA; (2) the reason the override is needed (Is it a hardship case?).

Management (504 Pray-Harrold)

Students must complete a written request for an override for MGT 300 and 400 level courses. Cards will be distributed by department head. Preference will be given to management majors and those for whom the course is required for a business program. Drop cards from registration are used for override purposes to maintain class sizes at previously stated intervals. Cards not picked up by students during the announced time period will be given to the faculty members. For MGT 202, overrides will be distributed by the Coordinator for Academic Advising for the College of Business. Overrides for graduate courses are controlled by the Coordinator for Graduate Business Programs. Overrides for MGT 490 are limited to graduating seniors and are administered by the Coordinators for Business Policy.

Marketing (512 Pray-Harrold)

Override cards for MKT 261 and 360 and LAW 293 are distributed by the Coordinator of Academic Advising for the College of Business. Overrides for MKT 510 and 610 are issued by the Coordinator for Graduate Business Programs for the College of Business. All other cards are restricted to graduating seniors and must be authorized by the instructor and the department head.

Operations Research and Information Systems (511 Pray-Harrold)

Overrides for ORI 215, ORI 265, and ORI 375 are distributed by the Coordinator of Academic Advising for the College of Business. Overrides for all ORI graduate courses are issued by the Coordinator for the Graduate Business Program with priority given to students in College of Business programs to satisfy prerequisite and course requirements. All other cards are distributed by the ORIS Department.

######

OVERRIDE POLICIES (Continued)

Nursing Education (228 King)

Overrides must be authorized by the instructor and the department head. Students should receive written approval from the instructor prior to requesting an override from the department head.

Occupational Therapy (328 King)

Overrides must be authorized by the instructor and the department head. Laboratory courses are limited to number of stations available.

Social Work (411 King)

A minimum number of overrides are given, first-come, first-served. Additional overrides require the permission of the instructor and the department head.

COLLEGE OF TECHNOLOGY

(All Departments)

Business and Industrial Education (14 Sill)

Industrial Technology (118 Sill)

Interdisciplinary Technology (122 Sill)

Military Science (18 Roosevelt)

One policy applies to all departments. The College of Technology provides course overrides on a first-come, first-served basis. All overrides require the approval of the department head, or program coordinator, or faculty member. Priority is given to students who need a course for graduation or whose graduation will be delayed if a course is not taken in proper sequence. Students should complete a College of Technology override request form to be considered for an override.

GENERAL INFORMATION FOR DIPLOMA APPLICATION

The Graduate School / Eastern Michigan University

Application for Graduation

Candidates for graduate degrees must submit an Application for Graduation during the 1st week of the semester in which they plan to complete degree requirements. The completed Application for Graduation, together with the graduation fee, should be turned in at the Cashier's Office in Briggs Hall. The Cashier's Office in turn will validate payment of the fee and forward the application to the Graduate School Office.

Graduation Process

The records of each Graduate degree applicant are reviewed to determine graduation eligibility. Each student receives a "graduation check-out" sheet. A copy of the check-out sheet is also forwarded to that student's academic department for review and recommendation. Upon receipt of the department's recommendation, the student is notified by letter of his/her clearance for graduation. Degree verification letters are sent to all students who have completed degree requirements. Students enrolled in the current semester are sent degree verification letters approximately three weeks after grades have been received at the end of the semester. Diplomas and a complimentary transcript are mailed eight to ten weeks after the semester ends.

The Graduate Office cannot accommodate special requests for advanced verification. The degree recommendation/clearance letter documents the University's degree verification process and can be used to inform any employer of the date when degree certification can be expected.

Graduation Requirements

Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

- Grade Averages: No student will be recommended and approved for the master's or specialist's degree unless the student has achieved a grade average of B or B+ in the respective degree programs. This grade average requirement applies to 1) all graduate credit taken at EMU; and 2) all graduate credit in the area of concentration/specialization.
- Residency: At least 6 hours of graduate credit used on a degree program must be earned on campus in Ypsilanti for a masters. For the specialist's degree, at least 16 hours must be earned on campus.
- Time Limitation: All requirements for an advanced degree must be completed within six calendar years from the time of the first enrollment in the degree program.

Graduate Record Updates

All course work accrued previous to the graduation semester must be completed, documented/validated as requisite, and made a matter of record no later than one week prior to the expected degree award date.

- "I" (Incomplete)/Thesis: Required course components must be completed and "I" grade converted to letter grade. Thesis copies must be in the Graduate Dean's Office no later than the last day of classes.
- Transfer Credit: Filing of official transcript(s) in the Graduate School is required to post transfer credit. Students currently enrolled in transfer courses should not expect to receive their degree until one semester following that in which the course is completed because of time factor involved in receiving transcripts and finalizing the graduation check-out process. Letters from professors or grade reports are not acceptable substitutions for transcripts.
- Out-of-Date Credit: Validation by examination as approved by the department and the Graduate School must be completed and recorded in the Graduate School no later than one week prior to graduation.
- Certification: degree candidates graduating from the College of Education must hold or have satisfied the requirements for a Teaching Certificate. If a teaching certificate has not been earned, a waiver must be signed. This may be obtained from the academic department or the Graduate School. If certification is desired, please contact the Records & Certifications Office, Room 5 Pierce Hall, (313) 487-4111.

All questions regarding graduation should be directed to the Graduate Records Office; 116 Pierce; (313) 487-0093.
