ONLY courses numbered 500 through 596 may be elected. No graduate course may be elected under any conditions if the total academic credit hours are more than 16. If any course is taken for graduate credit, student load restrictions in the graduate course load section apply (see General Information).

## **GENERAL INFORMATION**

### **ACADEMIC PROBATION**

If you are down honor points, you may not register for Group IV Education classes or elect Pass/Fail. If you have registered for education classes and subsequently placed on probation, your education classes will automatically be dropped.

### **ADDRESS CHANGES**

Whenever you change your address; local, home or billing; it is necessary that the University be notified by completing a CHANGE OF ADDRESS FORM which can be found at the back of this booklet.

### **AUDIT**

Courses may be audited subject to approval of the head of the department offering the course. Audit applications may be obtained at the Registration Office, Briggs Hall, or the Graduate School Office, 116 Pierce Hall. No credit is awarded for a class audit. Tuition and fees for auditing are the same as for enrollment in courses where credit is elected. Changing from credit to "audit" or vice versa is not permitted after the last day to add classes.

### **CANCELLATION OF REGISTRATION**

Once you have verified your registration and classes begin, failure to attend class or to complete payment of tuition does not change enrollment status or absolve you from financial or academic responsibilities. You should withdraw from the University as quickly as possible to avoid receiving failing grades. See the form on the inside back cover of this booklet for cancellation of registration.

### **CERTIFICATE OF REGISTRATION**

Upon payment of your registration fee, you will receive a Certificate of Registration which will validate your registration for the semester. Either a course confirmation or certificate of registration is required for program adjustment.

# GENERAL INFORMATION (Continued)

## COURSE CONFIRMATIONS

Course confirmations are mailed to the student's local address. You are responsible for the classes as listed. Check them carefully. Adjustments must be made in person at the Registration Office, Briggs Hall. Bring your course confirmation or certificate of registration for program adjustment during the prescribed program adjustment period.

## COURSE FEES—SPECIAL ASSESSMENTS

All students accepted for private music lessons will be assessed an applied music fee. This fee is assessed at the close of the program adjustment period and is non-refundable after the first lesson. Additionally, fees are assessed at the close of the program adjustment period to cover extra costs and materials involved with certain courses. At present, these courses carry special fee assessments:

Fine Arts	Multi-Media, Printmaking, Ceramics, Textiles, Jewelry, Sculpture, 3-D Design.
Speech & Dramatic Arts	Fundamentals of Film Production.
HPER&D	Snow Skiing, Trap & Skeet Shooting, Bowling, Recreational Shooting.
Business Education	Typing Courses, Calculator Applications.

## COURSE LOAD

### Undergraduate

During the Fall and Winter semesters, the recommended maximum full-time load is 16 hours (15 hours with Student Teaching) plus any activity hours elected. No student on academic probation may take more than a full load and no first semester student may take more than a full load without special permission from the Academic Services Center.

During the Spring and Summer sessions, a load of 8 hours, or 6 hours in the six-week session, including Pass/Fail courses, is the maximum. No student on academic probation may take more than a full load of 8 hours (6 hours in the six-week session) and no first semester student may take more than a full load without the special permission of the Academic Services Center.

## GENERAL INFORMATION (Continued)

### COURSE LOAD (Continued)

#### Graduate

During the Fall and Winter semesters, the recommended load for students employed full-time is 6 hours or two courses. Students not employed full-time may elect 12 hours. The course load for Spring and Summer is 8 hours, or 6 hours in the six-week session.

### CREDIT/NO CREDIT COURSES

A credit/no credit option is utilized by departments in courses for which the standard letter grades do not seem appropriate. Such courses will be designated as **\*\*CR/NC\*\*** in the class schedule. All students taking such courses will receive either "CR" or "NC" in place of the letter grade. Neither "CR" nor "NC" will have any effect on the student's grade point average. Courses for which "CR" is received will count towards graduation requirements, and there is no limit to the number of such courses which may be taken by the individual student. The "CR/NC" courses elected by students does not count on the number of Pass/Fail courses that can be elected.

### GRADUATION—CERTIFICATION APPLICATION

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. A non-refundable application fee is charged: Undergraduate Degree - \$10.00; Masters and Specialist Degree - \$15.00.

### HOLDS PLACED ON REGISTRATION

Eastern Michigan University makes use of a "hold card" procedure whereby a card is substituted for a student's registration cards to insure that the student is not allowed to complete registration until specific conditions which caused the use of the card are met.

## GENERAL INFORMATION (Continued)

### HOLDS PLACED ON REGISTRATION (Continued)

Hold cards are used for the following general purposes:

Financial Hold Cards - A properly authorized agency of the University may place a hold card against a student who has not met a legitimate financial obligation to the University when due.

Judicial Hold Cards - A properly authorized administrative officer may place a hold against a student who has been suspended through due process procedures.

Conditions-of-Enrollment Cards - A properly authorized agency of the University may place a hold against a student who has demonstrated not to have fulfilled a duly established condition of enrollment.

### HONORS COURSES

For eligibility to enroll for an honors section, consult the appropriate department head.

### INDEPENDENT STUDY AND OTHER "ARRANGED" COURSES

Students registering for courses needing department permission or special assignment, such as Student Teaching, Applied Music, Independent Study and some Honors Courses must get the class card or written permission at the appropriate office before registering and submit it with the course requests. Without this authorization, such course requests cannot be accommodated.

### INSTRUCTOR ASSIGNMENTS

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule.

### OFF CAMPUS CLASSES

Eligible students (see Registration Procedures) may register for off-campus (Continuing Education) classes at the same time on-campus registration is completed either by mail or in-person .

## GENERAL INFORMATION (Continued)

### PASS-FAIL OPTION

A Pass/Fail option is available to any regularly enrolled junior or senior in good standing (not on probation). The number of courses elected per semester is at the discretion of the student; however, only a maximum of six courses will apply toward graduation. Courses are restricted to free elective courses (those not on a major, minor, curriculum or the basic studies requirements for the particular student). No graduate courses may be elected for Pass/Fail credit.

The grade of pass, designated as "S" on the grade report counts as credit toward graduation and is issued to students earning grades of A, B, C or D. A "U" shall be issued to students earning a grade of "E". Neither a pass nor a fail shall be used in any way toward the calculation of the grade point average, but the pass credit hours count toward the total necessary for graduation.

A student who qualifies and wishes to elect this option should fill out a Pass/Fail form and submit it to the Academic Services Center, 229 Pierce, and allow at least one working day for processing the application. If approval is granted, the student takes the approval form to the Registration Office, Briggs Hall. No requests will be approved on the spot. The option may be cancelled up to the last day of classes before the official University scheduled final examinations. It may be applied to a course for which the student is currently registered up to the end of the University's "Drop" period.

### REPEAT OF COURSES

To record a course as a repeat, you should notify the checkout clerk at the time of registration. A student may elect to repeat any course, regardless of the grade received, with the following provisions:

1. No course may be taken more than three times, except by permission of the head of the department in which the course is offered.
2. No student may repeat more than ten different courses in the process of completing a baccalaureate degree, except by permission of the Academic Standards Committee.
3. All grades earned by a student will be retained on the permanent record.
4. Only the grade received the last time the course is taken will be used in compiling graduation credits and in determining the cumulative grade point average, regardless of where the course was taken initially or where it was repeated.

To assure that the grades for repeated courses have been re-calculated for the correct grade point average and academic status, students may check with the Academic Records Office, Room 5, Pierce Hall.

# EARLY REGISTRATION SCHEDULE

The schedule listed below includes times of in-person registration for currently enrolled day students. Students may come after their designated times, BUT NOT BEFORE.

Graduate students, evening students and students with permits to register may register during any of the scheduled registration periods.

Applied Music lessons are provided for undergraduate and graduate music majors and minors as resources permit. Instruction for general students is available only on a limited basis.

Courses of study are offered in: Applied Brass, Applied Keyboard, Applied Strings, Applied Voice and Applied Woodwinds.

#### REGISTRATION PROCEDURE

New Students: Music Audition and Theory Placement required.

Enrollment in a curriculum in music and placement in Applied Music lessons and basic music courses are determined by the results of instrumental or vocal auditions and placement examinations in musicianship. New students may audition on February 2 or March 31, 1978. Audition applications must be postmarked at least 10 days prior to selected audition date. To arrange these tests, all new students should write to Dr. Max Plank, Music Department, EMU.

All Applied Music Students:

To register for Applied Music: a) obtain written authorization from secretary in Alexander Music Office (Room 220) and b) present authorization to Registration Office when registering for classes. Students who are not properly registered will be removed from the Applied Music lists.

Applied Music assignments are posted in King and Alexander Music buildings early in the first week of classes. The student is responsible for contacting the assigned instructor and arranging for a lesson during the first week of classes.

NOTE: STUDENTS ENROLLING IN APPLIED MUSIC INSTRUCTION MUST FOLLOW THE PROCEDURES OUTLINED ABOVE. STUDENTS WILL NOT BE ALLOWED TO REGISTER FOR APPLIED MUSIC AT THE REGISTRATION OFFICE IN BRIGGS HALL WITHOUT AUTHORIZATION FROM THE MUSIC DEPARTMENT

Applied Music lessons are provided for undergraduate and graduate music majors and minors as resources permit. Instruction for general students is available only on a limited basis.

Courses of study are offered in: Applied Brass, Applied Keyboard, Applied Strings, Applied Voice, and Applied Woodwinds.

### REGISTRATION PROCEDURE

**New Students:** Music Audition and Theory Placement Required.

Enrollment in a curriculum in music and placement in Applied Music lessons and basic music courses are determined by the results of instrumental or vocal auditions and theory placement examinations in musicianship. New students may audition on March 31 or June 21, 1978. Audition applications must be postmarked at least 10 days prior to selected audition date. To arrange these tests, all new students should write to Dr. Max Plank, Music Department, EMU.

**All Applied Music Students:**

To register for Applied Music: a) obtain written authorization from secretary in Alexander Music Office (Room 220), and b) present authorization to Registration Office when registering for classes. Students who are not properly registered will be removed from the Applied Music lists.

Applied Music assignments are posted in King and Alexander Music buildings early in the first week of classes. The student is responsible for contacting the assigned instructor and arranging for a lesson during the first week of classes.

**NOTE:** STUDENTS ENROLLING IN APPLIED MUSIC INSTRUCTION MUST FOLLOW THE PROCEDURES OUTLINED ABOVE. STUDENTS WILL NOT BE ALLOWED TO REGISTER FOR APPLIED MUSIC AT THE REGISTRATION OFFICE IN BRIGGS HALL WITHOUT AUTHORIZATION FROM THE MUSIC DEPARTMENT.
